**Quarterly Activities/Project Description\***

The City of Sacramento plans to use HPRP funds for both homelessness prevention and rapid re-housing. The City has allocated funds to five nonprofit subgrantees in the county, as well as to the Sacramento County Department of Human Assistance (DHA). Three of the subgrantees will be primary HPRP providers (each serving a different geographic area in the county), one will provide housing-related legal services to HPRP clients throughout the county, and one will perform intake services. In addition, DHA will provide administrative support and HMIS management services. The City expects to prevent homelessness for about 470 households and end homelessness for about 470 households. It will focus on providing a combination of financial assistance and services to individuals and families who are homeless or about to become homeless.
