Honorable Members in Session:

Today, I present to you the Sacramento Housing and Redevelopment Agency's 2013 Approved Budget. The total expense budget proposed for 2013 equals **\$169.6 million**, with **\$107.2 million** for housing assistance payments, **\$19.9 million** for salary and benefits, **\$14.7 million** for services and supplies, **\$18.6 million** in capital project funds, **\$5.1 million** in public service programs, **\$3.2 million** in debt service payments and **\$0.9 million** in financial transactions.

Locally, the elimination of redevelopment has resulted in the loss of approximately \$54 million annually to the Sacramento region. Assembly Bill x1 26, enacted on June 29, 2011 for the express purpose of eliminating California redevelopment agencies, was upheld by the California Supreme Court on December 29, 2011. Accordingly, as of February 1, 2012, all redevelopment agencies in California, including the Redevelopment Agency of the City of Sacramento and the Redevelopment Agency of the County of Sacramento, ceased to exist and successor agencies were appointed to wind down the affairs of the former redevelopment agencies.

At the federal level, the emphasis on reduced spending for "discretionary" programs, which began in 2011 and continued in 2012, leaves a high level of uncertainty for 2013. The proposed budget for 2013 was developed based upon the multiple proposals put forth by the President and the various committees within congress. Based upon that information, federal funding for 2013 would be relatively status quo compared with 2012; however, the approach of the "fiscal cliff" at the end of 2012 and the potential across the board cuts of 8.2 percent as result of the automatic cuts ("sequestration") that apply under current law to the 2013 federal budget offer little in the way of certainty. Given the wide range of possibilities regarding federal funding, we do not expect to gain certainty about next year's federal

funding levels until at least the end of the year, and more likely the first quarter of 2013.

In light of these uncertainties, we have elected to move forward with the operational cuts necessary to address the elimination of redevelopment and the reduction of federal funding in 2012, but have estimated 2013 federal funding consistent with the reduced levels received in 2012.

We elected this course because we did not want to impose the extent of cuts that might be required under current law without greater certainty as to the outcome of Congress' debate on automatic cuts to discretionary programs. Given these unknown outcomes, it is highly likely our 2013 Proposed Budget may require amendment in the first or second quarter of next year.

Some of the guiding principles used to develop the Agency's budget include:

- Protecting “core services” to the greatest extent possible, with delivery of housing programs, public services and capital projects being a major priority;
- Managing program activities by focusing on the efficiency of program delivery and the maximization of results;
- Consideration of the overall financial health of the organization, not just the cash flow from year to year;
- Using partnerships with community based organizations and private entities whenever practicable; and
- Developing budget plans that deal with the immediate needs of the Agency and employ strategies that address the long-term needs of the communities we serve.

Challenges:

Based on the current political climate, we expect continuing retrenchment in federal funding for low income housing and safety net services. There seems to be little Congress can agree on, but there is bipartisan acceptance that reducing the deficit is an imperative for our long term economic well-being. The questions on which the parties differ are how fast and who pays. The budget ceilings the Congress and President have already adopted for discretionary programs from 2013 through 2021 show decreases over the next few years and essentially flat funding over the remainder of the decade.

- The upcoming fiscal cliff of tax increases and sharp cuts in federal spending all pose significant threats to our community and the mission of the Agency.
- Short of these significant factors, modest continued recovery is expected in 2013. Housing construction has increased slightly and construction unemployment appears to have reached its nadir. Home prices have inched up, along with sales, given continuing low interest rates.
- Sacramento's unemployment rate at 10.4 percent in August, still higher than the US rate of 7.8 percent.
- Both State and local government budgets and employment remain stagnant or declining.

Despite the new economic environment we operate in today, we have elected to redouble our resolve to continue meeting our mission to provide safe and decent housing to low income people. With this as our focus we are making changes now, next year, and years in the future to meet the challenge of the new fiscal realities. Our 2013 Proposed Budget continues our commitment to meet the fiscal challenges with optimism and strength of purpose.

- 45 active development partners
- Over 800 jobs retained and 84 new jobs created

Commercial/Infrastructure (completed)

- Auburn Boulevard Enhancements Project
- Freedom Park Drive Enhancements Project (County's first Green Street)
- 630 I Street (HCV/Conventional Housing Intake Services) 125 jobs created

Housing Choice Voucher Program

- Despite this series of challenges and uncertainty, the Agency continues to deliver a very successful Housing Choice Voucher program (HCV) program. In 2012, the Agency is expected to maintain 98 to 100 percent leasing of our HUD vouchers, providing rental assistance to 11,762 families each month.

Public Housing Program:

- The Public Housing program continues to make significant progress improving overall operating performance. Over the past five years, the Agency has reduced the public housing operating deficit through aggressive operational cuts, implementation of our asset repositioning strategy and through capital investments in our public housing properties. The PHA has invested over \$17 million in capital improvements to public housing units over the last two years.
- The asset repositioning strategies employed by the Housing Authority over the last three years have been successful. In June 2010, two elderly high-rise properties, 153 units in all, were transferred to the Sacramento Housing Asset Repositioning Program, Inc. (SHARP), a non-profit component unit of the Agency. The repositioned properties were awarded project based vouchers which provide market rate revenue for the properties. In 2012, HUD also approved another disposition application for Sierra Vista high-rise, a 78 unit senior only development. The Agency is still awaiting the award of the project based vouchers. The impact of the repositioning has increased the annual operating revenue of the properties significantly.

- Also, as a part of the overall repositioning strategy, the Housing Authority applied for and received a \$10 million competitive grant funded through the American Recovery and Reinvestment Act (ARRA) to help fund the renovation of the Public Housing high-rise located at 626 I Street. The rehabilitation of the property was completed in 2012 and created 340 jobs.

2013 Outlook:

For the past 5 years, the Agency has managed its way through numerous budgetary challenges including the complete overhaul of the public housing and the Housing Choice Voucher (HCV) programs, federal funding cuts, the decline of property tax revenues and shifting of redevelopment revenues to the State of California, and most recently the outright elimination of redevelopment with the passage of AB x1 26. The 2013 budget is significant because it is roughly 87 percent reliant on federal funding, the outcome of which will not be known for many months.

The elimination of redevelopment, coupled with cuts to federal programs, required the Agency to reduce operational costs through layoffs, staff attrition, transfers, reduced work schedules and cuts to services and supplies.

In total, the 2013 Proposed Budget reflects a decrease of 28 percent compared with 2012 due to the loss of redevelopment funding and the across the board cuts to federal programs in 2011 and 2012. Cumulatively, the Agency has experienced a budget reduction of more than 32 percent compared with 2011.

The budget for Housing Assistance Payments, on the other hand, is expected to increase by 5 percent due to the allocation of additional vouchers from HUD, the assumption of the Shelter Plus Care vouchers from the County of Sacramento Department of Human Assistance (DHA) and the Housing Authority's high voucher utilization levels. Further, appropriations for Public Services are expected to increase 43 percent compared with 2012 due to the transition of funding and administration of the Emergency Shelter Grant and HOPWA programs from the County DHA to SHRA.

While the Agency is proposing to maintain authorized full-time equivalent (FTE) positions at 253, the loss of redevelopment funding combined with cuts to our federal programs necessitate that 38.8 FTE positions remain unfunded for 2013. Reductions were achieved through the unfunding of vacant positions, employee layoffs and position reclassification and downgrades.

The Agency further proposes to implement three additional closure days during 2013 in conjunction with the Agency's year-end closure schedule and to make additional cuts to services and supplies for added operational savings.

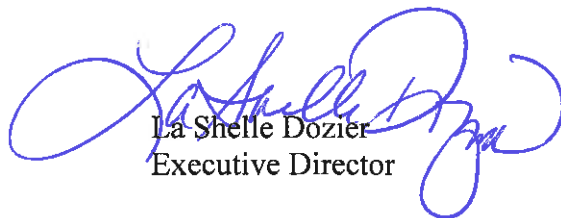

The estimated savings associated with these measures is a \$4.2 million reduction in operational costs. The proposed cuts represent a 14 percent reduction in salaries, benefits and a 6 percent reduction in services and supplies compared with 2012. Since 2011, the Agency has cumulatively reduced the salaries and benefit costs of the Agency by over \$6.8 million or 25 percent and services and supplies by \$1.5 million or 9 percent in response to the State's elimination of redevelopment and the cuts to federal programs.

Since 2008 the Agency has worked to restructure and re-engineer the organization requiring an analysis of span of control (number of employees reporting to management), process improvements, service level expectations and implementing initiatives that streamline and consolidate services and functions. Many of the initiatives have been implemented and have resulted in a much more cost effective and efficient organization.

As more information becomes available regarding the magnitude of federal funding cuts, the Agency will implement additional measures to meet the new challenges.

Although the Agency is operating through a period of economic uncertainty, with your leadership and support, we will continue to bring forward award-winning projects and to invest in community revitalization activities through effective partnerships that improve Sacramento's quality of life.

Sincerely,

La Shelle Dozier
Executive Director

Section 27. The Executive Director, or designee, is authorized to transfer project appropriations among fund groups.

Section 28. The Executive Director, or designee, is authorized to amend the Budget to reflect all required debt service payments, pass through payments loan repayments, and other existing obligations based on actual higher or lower revenues.

Section 29. The Executive Director, or designee, is authorized to transfer funding of approved capital projects within the respective project area funds in compliance with approvals, bond covenants, tax laws and applicable redevelopment laws and regulations or changes to the aforementioned.

Section 30. Agency is authorized to enter into "loan work outs," to the extent reasonably necessary to protect Agency assets, and in entering such "work outs," Agency is authorized to renegotiate and rewrite the terms of the loan as if the loan were made according to current loan program underwriting criteria (including forgiveness of principal as necessary to reflect underwriting the loan at current fair market value of the subject property). Further, The Executive Director, or designee, is authorized to renegotiate existing Agency debt obligations and execute new security instruments provided the terms of the new debt do not increase the principal outstanding and either result in a cost savings or

provide the Agency with more favorable loan terms.

Section 32. All project appropriations in existence as of December 31, 2012 will be carried over and continued in 2013.

Section 33. All multi-year operating grant budgets in existence as of December 31, 2012 shall be continued in 2013.

Section 36. The Executive Director, or designee, is authorized to delegate the authorities as set out in this resolution.

RESOLUTION NO. 2012-375

Adopted by the Sacramento City Council

November 8 2012

APPROVAL OF 2013 BUDGET FOR SACRAMENTO HOUSING AND REDEVELOPMENT AGENCY; RELATED FINDINGS, APPROVALS, DELEGATIONS AND IMPLEMENTING AUTHORITIES; INCLUDING AUTHORITIES FOR HUD SUBMISSIONS, GRANTS AND FUND TRANSFERS

BACKGROUND

- A. The Sacramento Housing and Redevelopment Agency (Agency) is a joint powers agency comprised of six separate legal entities: City of Sacramento, Redevelopment Agency of the City of Sacramento (or its Successor), Housing Authority of the City of Sacramento, County of Sacramento, Redevelopment Agency of the County of Sacramento (or its Successor) and Housing Authority of the County of Sacramento.
- B. Agency receives annual funding from a combination of federal, state and local sources.
- C. The sources of Agency revenues require each constituent entity to have an operating budget adopted prior to the start of each new fiscal year.
- D. As of February 1, 2012, pursuant to Health and Safety Code Section 34173 and resolution # 2012-018, the fiscal administration of the former Redevelopment Agency of the City was assumed within the management structure of the City of Sacramento which elected to manage the dissolution of its redevelopment agency and administer the Redevelopment Agency Successor Agency (RASA). The budget of the former Redevelopment Agency is no longer incorporated within the Agency Budget.

**BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL
RESOLVES AS FOLLOWS:**

Section 1. The proposed actions to adopt the 2013 Proposed Agency Budget are considered administrative and management activities. As such, these actions do not constitute a project subject to environmental review under the California Environmental Quality Act (CEQA), as provided in CEQA Guidelines Section 15378(b)(4). These actions are also exempt from environmental review under the National Environmental Policy Act (NEPA) per 24 CFR Section 58.34(a)(3). Public services provided for in the budget associated with multi-family supplemental assessments and rental assistance are actions associated with existing facilities with no changes to or expansion of use. As such, these activities are categorically exempt under CEQA pursuant to CEQA Guidelines Section 15301. There is no federal funding associated with these actions; therefore, NEPA does not apply.

All other actions are associated with the adoption of the 2013 proposed budget, and do not make any commitments to, or give approvals for, specific projects. Environmental Review for specific projects will be completed prior to any discretionary action(s) being carried out with regard to such projects.

Section 2. The 2013 Operating Budget totaling \$151,073,105 and the 2013 Project Budget totaling \$18,611,895, all as further described in the 2013 Proposed Agency Budget (hereinafter "2013 Agency Budget" or "Budget"), a copy of which is on file with the Agency Clerk and copies of which have been provided to the respective governing board members, are approved as the Budget of Agency for the 2013 fiscal year. The 2013 Agency Budget incorporates the budgets of the Housing Authority of the City of Sacramento, the Housing Authority of the County of Sacramento, and the Sacramento Housing Development Corporation, and adoption of those budgets is contingent upon the approval of each of these respective entities.

Section 3. A total of 253 Agency full time equivalent positions (FTE) are approved subject to classification review by the Executive Director of the Sacramento Housing and Redevelopment Agency.

Section 4. The budgeted amount for any item in the Budget may be amended by majority vote of the governing body of each entity actually undertaking and funding the activity. Section 5. The Agency is authorized to amend the Budget as necessary and to transfer funds among operating budgets or project budgets to facilitate legal directives of the California State Department of Finance and/or the State Controller's Office and the actions taken by the City of Sacramento acting as Successor Agency of the former Redevelopment Agency approved by the Successor Agency's Oversight Board.

Section 4. RASA further finds and declares that the proposed expenditure of tax increment housing funds, as set forth in approved Recognized Obligation Payment Schedules to provide subsidies to, or for the benefit of, extremely low income households through either site specific rental assistance or tenant based rental assistance, increases, improves, and preserves the community's supply of low and moderate-income housing available at an affordable housing cost to persons and families that are extremely low, very low, low or moderate income households and will be of benefit to the community.

Section 5. RASA finds and declares that the proposed planning and administrative expenses which may be paid for from the former low and moderate income housing fund, pursuant to an approved Recognized Obligation Payment Schedule, is necessary for the production, improvement and/or preservation of low and moderate income housing during the 2013 Agency Budget year.

- Section 29. The Executive Director, or designee, on behalf of HACS serving as the Successor Housing Entity, is authorized to execute, and implement internal loans between Agency managed funds as reflected in the Budget and as consistent with bond covenants, tax laws and applicable redevelopment laws and regulations; and to modify the terms of loans and reconcile available revenues as needed for the completion of enforceable housing obligations of the former redevelopment agency to assure receipt of anticipated revenues.
- Section 30. The Executive Director, or designee, is authorized to exercise default remedies and take other actions to protect HACS assets under contracts, loans, disposition and development agreements, owner participation agreements and other HACS agreements and to appropriate the associated revenues in the Budget. Agency, on behalf of HACS is authorized to enter into "loan work outs," to the extent reasonably necessary to protect HACS assets, and in entering such "work outs," Agency is authorized to renegotiate and rewrite the terms of the loan as if the loan were made according to current loan program underwriting criteria (including forgiveness of principal as necessary to reflect underwriting the loan at current fair market value of the subject property). Further, The Executive Director, or designee, is authorized to renegotiate existing HACS debt obligations and execute new security instruments provided the terms of the new debt do not increase the principal outstanding and either result in a cost savings or provide HACS with more favorable loan terms.

- Section 32. All multi-year operating grant budgets in existence as of December 31, 2012 shall be continued in 2013.

APPROVAL OF 2013 BUDGET FOR SACRAMENTO HOUSING AND REDEVELOPMENT AGENCY; RELATED FINDINGS, APPROVALS, DELEGATIONS AND IMPLEMENTING AUTHORITIES; INCLUDING AUTHORITIES FOR HUD SUBMISSIONS, GRANTS AND FUND TRANSFERS

WHEREAS, the Sacramento Housing and Redevelopment Agency (Agency) is a joint powers Agency comprised of six separate legal entities: City of Sacramento, Redevelopment Agency of the City of Sacramento (or its Successor), Housing Authority of the City of Sacramento, County of Sacramento, Redevelopment Agency of the County of Sacramento (or its Successor), and Housing Authority of the County of Sacramento;

WHEREAS, the Agency receives annual funding from a combination of federal, state and local sources;

WHEREAS, the sources of Agency revenues requires each constituent entity to have an operating budget adopted prior to the start of each new fiscal year; and

WHEREAS, On February 1, 2012, pursuant to Health and Safety Code Section 34173 and resolution no. 2012-0051, the fiscal administration of the former Redevelopment Agency of the County was assumed within the management structure of the County of Sacramento which elected to manage the dissolution of its redevelopment agency and administer the County Redevelopment Agency Successor Agency (CRASA). The budget of the former Redevelopment Agency is no longer incorporated within the Agency Budget; and

WHEREAS, the Agency's fiscal year is the calendar year from January 1st through December 31st; and

WHEREAS, Pursuant to Health and Safety Code Section 34173 (g) CRASA is a separate public entity from the public agency that provides for its governance; and

WHEREAS, Pursuant to Health and Safety Code Section 34176 and resolution no. HA-2012-2329 the County of Sacramento designated the Housing Authority of the County of Sacramento (HACOS or Authority) as the local authority to retain the housing-assets and housing-functions previously performed by its Redevelopment Agency.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF SACRAMENTO:

Section 1. The proposed actions to adopt the 2013 Proposed Agency Budget are considered administrative and management activities. As such, these actions do not constitute a project subject to environmental review under the California Environmental Quality Act (CEQA), as provided in CEQA Guidelines Section 15378(b)(4). These actions are also exempt

from environmental review under the National Environmental Policy Act (NEPA) per 24 CFR Section 58.34(a)(3). Public services provided for in the budget associated with multi-family supplemental assessments and rental assistance are actions associated with existing facilities with no changes to or expansion of use. As such, these activities are categorically exempt under CEQA pursuant to CEQA Guidelines Section 15301. There is no federal funding associated with these actions; therefore, NEPA does not apply. All other actions are associated with the adoption of the 2013 proposed budget, and do not make any commitments to, or give approvals for, specific projects. Environmental Review for specific projects will be completed prior to any discretionary action(s) being carried out with regard to such projects.

Section 2. The 2013 Operating Budget totaling \$151,073,105 and the 2013 Project Budget totaling \$18,611,895, all as further described in the 2013 Proposed Agency Budget (hereinafter “2013 Agency Budget” or “Budget”), a copy of which is on file with the Agency Clerk and copies of which have been provided to the respective governing board members, are approved as the Budget of the Agency for the 2013 fiscal year. The 2013 Agency Budget incorporates the budgets of the Redevelopment Agency of the City of Sacramento, the Redevelopment Agency of the County of Sacramento, the Housing Authority of the City of Sacramento, the Housing Authority of the County of Sacramento, and the Sacramento Housing Development Corporation, and adoption of those budgets is contingent upon the approval of each of these respective entities.

Section 3. A total of 253 Agency full time equivalent positions (FTE) are approved subject to classification review by the Executive Director of the Sacramento Housing and Redevelopment Agency.

Section 4. The budgeted amount for any item in the Budget may be amended by majority vote of the governing body of each entity actually undertaking and funding the activity. Such an amendment to the Budget so enacted shall be deemed to have been approved by all of the entities that originally adopted the Budget without further action of the remaining entities.

Section 5. The Agency is authorized to amend the Budget as necessary and to transfer funds among operating budgets or project budgets to facilitate legal directives of the California State Department of Finance and/or the State Controller’s Office and the actions taken by the County of Sacramento acting as Successor Agency of the former Redevelopment Agency (CRASA) approved by the CRASA Oversight Board.

Section 6. The Agency is authorized to submit the 2013 Annual Housing Operating Budget and all supporting documents to the United States Department of Housing and Urban Development (HUD), including all required amendments for utilities and other miscellaneous adjustments. Furthermore, the Agency is authorized to amend the Budget to reflect actual HUD approved expenditures and revenues for HUD funded programs and projects.

Section 7. The proposed expenditures under the 2013 Housing Operating Budget are necessary for the efficient and economical operation of Agency housing to serve low-income families.

Section 8. The housing financial plan set forth in the 2013 Housing Operating Budget is reasonable in that:

- a. It indicates a source of funding adequate to cover all proposed expenditures.
- b. It does not provide for use of federal funding in excess of amounts payable under the provisions of the pertinent regulations.
- c. It proposes rental charges and expenditures that are consistent with provisions of law and the Annual Contributions Contract.
- d. It implements the fee for service provisions and support service costs based on the HUD requirement for public housing authorities to implement Asset Management that includes fee for service. The fee for service provision is predicated on the revenues generated by fees being sufficient to cover the cost of services provided over time and that in any given year the gain or loss is not more than five percent.

Section 9. The Housing Authority of the County of Sacramento (Authority or HACOS), staffed by the Agency is authorized to submit applications to HUD for the Capital Fund Plan and Program funding. If such grants are awarded, the Agency is authorized to accept the grant or grants, execute all related documents, execute contracts to implement the Capital Fund Program subject to HUD approval of the annual statements and amend the Budget accordingly. The Agency is directed to comply with all policies, procedures, and requirements prescribed by HUD as a condition of such grants. The Agency is authorized to submit the Comprehensive Plan or annual statement to HUD, after receiving public comments and resident review.

Section 10. On an annual basis, HUD requires HACOS, staffed by the Agency to conduct a physical inventory, analyze receivables for collectability and accordingly, reconcile

and adjust related financial records. The Agency is authorized to amend the Budget and financial records as needed for such adjustments.

Section 11. Agency is authorized to purchase all lines of applicable insurance for its properties and operations through local independent agents, direct carriers, or risk retention pools, provided that the insurance requirements, coverage and terms are commercially reasonable and provided that the cost does not exceed the amounts in the approved Budget. Agency is also authorized to obtain flood insurance through the federal flood insurance program for Agency properties and this coverage may be secured through a local independent agent.

Section 12. Subject to availability under the Budget of any required funds, Agency is authorized to approve conversion of HUD funded conventional public housing dwelling units to non-dwelling use or disposition as long as the use or disposition is approved by HUD and consistent with adopted Agency/Housing Authority policy and governing board approvals. The Agency is authorized to amend the Budget as necessary and to transfer funds among operating budgets or project budgets to facilitate the approved HUD approved conversion.

Section 13. The Agency is authorized and directed to approve, submit and implement the Public Housing the Agency (PHA) Annual Plan and PHA Five-Year Plan, and the attachments and/or amendments to such Plans to comply with the Quality Housing and Responsibility Act of 1998.

Section 14. The Agency is authorized to submit to HUD the One Year Action Plan for Community Development Block Grant (CDBG), Home Investment Partnership (HOME), Emergency Solutions Grant (ESG) and Housing Opportunities for People with AIDS (HOPWA). The Authority, staffed by the Agency, is delegated authority to administer federal funds appropriated by HUD and is the designated recipient of funds outlined in the One Year action Plan. If such grants are awarded, Agency is authorized to accept the grant or grants, execute all related documents and amend the Budget accordingly. Agency is directed to comply with all policies, procedures, and requirements prescribed as a condition of such grants. Agency is authorized to amend the Capital Reserve Project in the event that the actual entitlement exceeds, or is less than, that estimated in the Budget.

Section 15. Agency is authorized to administer funds or delegate authority to other appropriate entities approved by the governing boards, to administer ESG and HOPWA programs and expend funds and to execute contracts with the appropriate entities to carry out the activities contained in the Action Plan utilizing ESG and HOPWA funds, strictly in accordance with the terms of approved Action Plans and funding source requirements.

Section 16. Agency is authorized to enter into necessary grants and agreements with HUD, the State Housing and Community Development Department (HCD), and other governmental or private entities for homeless programs for which the Agency is the designated recipient of grant funds or contracting agency. Agency is authorized to accept such grants, execute contracts to implement homeless activities funded in the Budget and amend the Budget accordingly (provided that the activities are fully funded by the grant or are within the Agency Budget). The Agency is authorized to execute contracts for homeless activities funded in the Agency Budget as outlined in the Agency public services schedule.

Section 17. The Agency is authorized to submit grant applications on behalf of the County of Sacramento for any and all housing and community development activities within the jurisdiction of Agency. If such grants are awarded, Agency is authorized to accept the grant or grants, execute contracts to implement grant activities with the appropriate entities (provided that the activities are fully funded by the grant or within the Budget), execute all related documents and amend the Budget. Budget expenditure and amendments for such grants are permitted for positions, services and supplies, equipment and projects. Agency is directed to comply with all policies, procedures, and requirements prescribed as a condition of such grants. Such grants may include but are not limited to the following:

restricted by law or regulations related to the funding source. Further, Agency is authorized to expend available balances from the payroll fund for the cost of liabilities such as post retirement medical benefits, sick leave, and vacation accruals.

Further, the Agency is authorized to renegotiate existing Agency debt obligations and execute new security instruments provided the terms of the new debt do not increase the principal outstanding and either result in a cost savings or provide the Agency with more favorable loan terms.

Section 29. All project appropriations in existence as of December 31, 2012 will be carried over and continued in 2013.

WHEREAS, Agency receives annual funding from a combination of federal, state and local sources; and

WHEREAS, the sources of Agency revenues requires each constituent entity to have an operating budget adopted prior to the start of each new fiscal year. As of February 1, 2012, pursuant to Health and Safety Code Section 34173 and resolution no. 2012-0051 the fiscal administration of the former Redevelopment Agency of the County was assumed within the management structure of the County of Sacramento which elected to manage the dissolution of its redevelopment agency and administer the County Redevelopment Agency Successor Agency (CRASA). The budget of the former Redevelopment Agency is no longer incorporated within the Agency Budget. Pursuant to Health and Safety Code Section 34173 (g) CRASA is a separate public entity from the public agency that provides for its governance; and

WHEREAS, Agency's fiscal year is the calendar year from January 1st through December 31st; and

WHEREAS, Pursuant to Health and Safety Code Section 34176 and resolution no. HA-2012-2329 the County of Sacramento designated the Housing Authority of the County of Sacramento (HACOS) as the local authority to retain the housing-assets and housing-functions previously performed by its Redevelopment Agency.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF SACRAMENTO ACTING AS THE REDEVELOPMENT AGENCY SUCCESSOR AGENCY:

Section 1. The proposed action consenting to the adoption of the 2013 Proposed Agency Budget and making related findings are considered administrative and management activities. As such, these actions do not constitute a project subject to environmental review under the California Environmental Quality Act (CEQA), as provided in CEQA Guidelines Section 15378(b)(4). These actions are also exempt from environmental review under the National Environmental Policy Act (NEPA) per 24 CFR Section 58.34(a)(3). Public services provided for in the budget associated with multi-family supplemental assessments and rental assistance are actions associated with existing facilities with no changes to or expansion of use. As such, these activities are categorically exempt under CEQA pursuant to CEQA Guidelines Section 15301. There is no federal funding associated with these actions; therefore, NEPA does not apply. All other actions are associated with the adoption of the 2013 proposed budget, and do not make any commitments to, or give approvals for, specific projects. Environmental Review for specific projects will be completed prior to any discretionary action(s) being carried out with regard to such projects.

Section 2. County Redevelopment Agency Successor Agency (CRASA) may, if it becomes necessary or advisable, enter into agreements with the Agency or Housing Authority of the County of Sacramento (HACOS) to facilitate legal directives of the California State Department of Finance and/or the State Controller's Office or to provide staffing services to CRASA. Such agreements with the Agency or HACOS are subject to CRASA Oversight Board Approval.

Section 3. CRASA finds and declares that the proposed expenditure of tax increment housing funds, as set forth in approved recognized obligation payment schedules, for activities serving the homeless, including providing subsidies to, or for the benefit of, extremely low income households through either site specific rental assistance or tenant based rental assistance, as allocated/outlined in the budget, will not cause or exacerbate racial, ethnic or economic segregation and will be beneficial to all former Redevelopment Project Areas by facilitating the production of affordable housing and providing housing for a population which remains in or frequents the former Redevelopment Project Areas and is perceived as a blighting influence by business owners, property owners, workers and residents, and as a result impedes the elimination of blight in the community.

Section 4. CRASA further finds and declares that the proposed expenditure of tax increment housing funds, as set forth in approved recognized payment schedules to provide subsidies to, or for the benefit of, extremely low income households through either site specific

rental assistance or tenant based rental assistance, increases, improves, and preserves the community's supply of low and moderate-income housing available at an affordable housing cost to persons and families that are extremely low, very low, low or moderate income households and will be of benefit to the community.

Section 5. CRASA finds and declares that the proposed planning and administrative expenses which may be paid for from the former low and moderate income housing fund, pursuant to an approved recognized payment obligation payment schedule, is necessary for the production, improvement and/or preservation of low and moderate income housing during the 2013 Agency Budget year.

Section 6. CRASA is authorized to transfer funding consistent with an approved recognized payment obligation schedule to the Agency or HACOS for approved capital projects or operating expenses in compliance with all bond covenants, tax laws and applicable laws and regulations or changes to the aforementioned.

Section 7. If any entity requires a separate resolution for any action approved within this resolution other than resolutions for approval or amendment of projects, programs or the Agency Budget, the Sacramento Housing and Redevelopment Commission is delegated the authority to approve and deliver such resolution..

Section 8. CRASA consents to the adoption of the 2012 Agency budget summarized in Exhibit A.

Section 9. This resolution shall take effect immediately.

On a motion by Supervisor Nottoli, seconded by Supervisor Yee, the foregoing Resolution was passed and adopted by the Board of Supervisors of the County of Sacramento, State of California, this 11th day of December, 2012, by the following vote, to wit:

These actions are also exempt from environmental review under the National Environmental Policy Act (NEPA) per 24 CFR Section 58.34(a)(3). Public services provided for in the budget associated with multi-family supplemental assessments and rental assistance are actions associated with existing facilities with no changes to or expansion of use. As such, these activities are categorically exempt under CEQA pursuant to CEQA Guidelines Section 15301. There is no federal funding associated with these actions; therefore, NEPA does not apply. All other actions are associated with the adoption of the 2013 proposed budget, and do not make any commitments to, or give approvals for, specific projects. Section 3. A total of 253 Agency full time equivalent positions (FTE) are approved subject to classification review by the Executive Director of the Sacramento Housing and Redevelopment Agency.

Section 4. Subject to availability under the Budget or limitations on use of any required funds, the Executive Director or her designees is authorized to amend the Budget as necessary to accept funds, expend funds, or transfer funds among operating budgets or project budgets to complete enforceable housing obligations, comply with legal directives of the California State Department of Finance and/or the State Controller’s Office, facilitate the dissolution of redevelopment pursuant to AB 1x 26 and AB 1484, or to provide staffing services to CRASA. Such transactions must comply with applicable laws and regulations and agreements to provide staffing services for CRASA are subject to CRASA Oversight Board Approval.

Section 5. The budgeted amount for any item in the Budget may be amended by majority vote of the governing body of each entity actually undertaking and funding the activity. Such an amendment to the Budget so enacted shall be deemed to have been approved by all of the entities that originally adopted the Budget without further action of the remaining entities.

Section 6. If such grants are awarded, the Executive Director, or designee, is authorized to accept the grant or grants, execute all related documents, execute contracts to implement the Capital Fund Program subject to HUD approval of the annual statements and amend the Budget accordingly. Agency is authorized to enter into "loan work outs," to the extent reasonably necessary to protect Agency assets, and in entering such "work outs," Agency is authorized to renegotiate and rewrite the terms of the loan as if the loan were made according to current loan program underwriting criteria (including forgiveness of principal as necessary to reflect underwriting the loan at current fair market value of the subject property). Further, The Executive Director, or designee, is authorized to renegotiate existing Agency debt obligations and execute new security instruments provided the terms of the new

Section 31. All project appropriations in existence as of December 31, 2012 will be carried over and continued in 2013.

Section 32. All multi-year operating grant budgets in existence as of December 31, 2012 shall be continued in 2013.

Section 34. The Executive Director, or designee, is authorized to incorporate the changes listed on Exhibit A as part of the 2013 Budget.

Section 35. If any entity requires a separate resolution for any action approved within this resolution other than resolutions for approval or amendment of projects, programs or the Agency Budget, the Sacramento Housing and Redevelopment Commission is delegated the authority to approve and deliver such resolution.

RESIDENTIAL PROJECT OPERATING BUDGET; RELATED FINDINGS,
AUTHORIZATIONS AND APPROVALS**

NOW THEREFORE BE IT RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF THE SACRAMENTO HOUSING DEVELOPMENT CORPORATION:

Section 1. The proposed actions to adopt the 2013 Proposed Agency Budget are considered administrative and management activities. As such, these actions do not constitute a project subject to environmental review under the California Environmental Quality Act (CEQA), as provided in CEQA Guidelines Section 15378(b)(4). These actions are also exempt from environmental review under the National Environmental Policy Act (NEPA) per 24 CFR Section 58.34(a)(3). Public services provided for in the budget associated with multi-family supplemental assessments and rental assistance are actions associated with existing facilities with no changes to or expansion of use. As such, these activities are categorically exempt under CEQA pursuant to CEQA Guidelines Section 15301. There is no federal funding associated with these actions; therefore, NEPA does not apply. All other actions are associated with the adoption of the 2013 proposed budget, and do not make any commitments to, or give approvals for, specific projects. Environmental Review for specific projects will be completed prior to any discretionary action(s) being carried out with regard to such projects.

Section 2. The Budget totaling \$593,465 for the Riverview Plaza Residential project, which is incorporated in the budget of the Sacramento Housing and Redevelopment Agency, all as further described in the "2013 Proposed Budget", a copy of which is on file with the Agency Clerk, is approved as the Operating Budget for the 2013 fiscal year for the Sacramento Housing Development Corporation (2013 Budget).

Section 3. The Executive Director of the Sacramento Housing Development Corporation (Executive Director) is authorized to obtain flood insurance for the Riverview Plaza Residential project through the federal flood insurance program, and is authorized to purchase liability insurance and enter into agreements with risk retention pools or other similar organizations, provided that the insurance requirements, coverage and terms are

commercially reasonable and provided that the cost does not exceed the amounts in the approved 2013 Budget.

Section 4. The Executive Director is authorized to submit grant applications for any and all activities within the authority and jurisdiction of the Sacramento Housing Development Corporation. The Executive Director is authorized to accept such grants, to amend the 2013 Budget to receive and allocate the grant funds, and to implement the actions required by the grant for any projects and programs currently within the Sacramento Housing Development Corporation's authorization and jurisdiction, provided that the activities are fully funded by the grant. Such Budget amendments are permitted for, but not limited to, positions, services and supplies, equipment and projects.

Section 5. The Executive Director is authorized to make transfers of fund balances to accommodate reserve requirements. The Executive Director may allocate and transfer any available fund balances to accounts held for future projects or to reduce budget shortfalls in any other fund balances, provided monies so used are not restricted by law or regulations related to the funding source.

Section 6. The Executive Director is authorized to make payments on debt incurred by the Sacramento Housing Development Corporation as necessary to comply with the provisions of the Partnership Agreement within which the Corporation serves as the General Partner, and as deemed prudent and necessary by the Executive Director on behalf of the Sacramento Housing Development Corporation and within the 2013 Budget hereby adopted.

Section 7. The Executive Director is authorized to incorporate the changes listed on Exhibit A as part of the 2013 Budget.

Section 8. The Executive Director is authorized to act on behalf of the Sacramento Housing Development Corporation with the same authority as conferred upon the Executive Director of the Sacramento Housing and Redevelopment Agency.

FINANCIAL MANAGEMENT POLICIES

FINANCIAL MANAGEMENT POLICIES

Revenue Policy

- Revenues will be conservatively estimated using the best information available, and the Agency will strive to maintain a stable revenue system and operating structure that protects the Agency from short term fluctuations in individual revenue sources.
- Intergovernmental assistance in the form of grants and loans will be used to finance only capital projects or programs that can be sustained over time or have a limited horizon.
- In general, one-time revenues will be used only to support capital projects or other non-recurring expenditures. One-time revenues may be used for operating programs provided that longer term financial planning is addressing any imbalances between operating revenues and expenditures.

Debt Policy

- It is the intent of the Agency to issue debt in a manner that adheres to state and federal laws, existing bond covenants and prudent financial management.
 - Minimize debt service and issuance costs
 - Maintain the highest practical credit rating
 - Evaluate the cost effectiveness of all potential borrowings
- In general, when the Agency finances redevelopment projects using tax allocation bonds, it will pay back the bonds within a period that is consistent with the useful life of the projects financed with the bond proceeds.
- The Agency will not use long-term debt financing for any recurring purpose such as current operating and maintenance expenditures. While the Agency does not anticipate issuing any short-term debt instruments such as tax or bond anticipation notes, these financing instruments shall be excluded from this limitation.
- The Agency will diligently monitor its compliance with bond covenants and ensure its adherence to federal arbitrage regulations.
 - Full and timely repayment of outstanding debt
 - Compliance with continuing disclosure requirements

FINANCIAL MANAGEMENT POLICIES

Interdepartmental Charges / Indirect Cost Recovery

The Agency currently utilizes an internal service fund for the following purposes:

- Support Services: to accumulate resources in the form of fees for service which are charged to operating departments for the costs of support services and for the replacement of equipment serving the entire organization.
- Insurance: to accumulate resources for payment of insurance premiums, deductibles, and loss reserves.
- Capital Facilities: to accumulate resources for the maintenance, repair and debt payments of the Agency administrative building.
- Payroll Fund: to accumulated resources to pay for employee payroll and benefit costs as well as the costs of future post-retirement medical benefits.

Annual Audit

The Agency is required to have an independent audit performed annually by a qualified independent accounting firm.

The independent auditing firm will be selected by the Agency based on a competitive proposal process and the selection will be approved by the City Council and the County Board of Supervisors

Budget Policies and Procedures

The Agency is a joint powers authority formed by the City and County of Sacramento, and the annual budget is prepared on a calendar year basis. Initially, the Executive Director is required to submit a proposed budget to the Agency advisory board, the Sacramento Housing and Redevelopment Commission for their recommendation. The budget is then submitted for approval to the Sacramento City Council, sitting as the City Council, and the Housing Authority of the City of Sacramento. Simultaneously, the budget is also submitted for approval to the Sacramento County Board of Supervisors, sitting as the County Board of Supervisors and the Housing Authority of the County of Sacramento. The budget submitted is required to be a balanced budget either through the matching of ongoing revenues with proposed expenditures or through the use of existing fund balances.

FINANCIAL MANAGEMENT POLICIES

Budget Basis

The basis of the budget refers to when revenues and expenditures are recognized in the funds. Governmental funds recognize revenues when they become measurable and available and expenditures are generally recognized when the related liability is incurred. Proprietary funds are accounted for using the accrual basis of accounting. Their revenues are recognized when they are earned, and their expenses are recognized when incurred.

Responsibility

Each department's management team is responsible for preparing the individual departmental budget requests in accordance with the guidelines provided by the Executive Director and Director of Finance. The Finance Department provides each department with cost experience data and assists departments in addressing issues related to funding availability. The Finance Department prepares all revenue, debt service and financial transaction estimates.

Budget Review

During the budget review process, the Executive Director, in conjunction with the Finance Department, analyzes new positions, operating and capital budget requests. This information is then compiled and the Executive Director or Director of Finance holds meetings with each department, as needed, to review their expenditure request for the proposed budget year. At the completion of these meetings, the Finance Department again compiles all the financial data and the Director of Finance presents the proposed budget to the Executive Director for review.

Budget Adoption

The Executive Director presents, via publicly noticed sessions, the budget to the governing boards. Three publicly noticed budget workshops are conducted at the Sacramento Housing and Redevelopment Commission prior to submission of the proposed budget to all governing boards for approval.

Budget Implementation

A budgetary control system is maintained to ensure compliance with the budget. The Finance Department is responsible for setting up the budget for tracking purposes and is charged with ensuring fund availability during the year to cover expenditures and appropriations. Reports comparing the budget with expenditures are generated and posted for review by departments on a monthly basis.

Budget Control

The Agency budget is controlled at the fund group level. Except as provided in the enclosed budget resolutions, no expenditure will exceed the approved budget.

FINANCIAL MANAGEMENT POLICIES

Accounting Structure and Principles

Accounting System

In developing and evaluating the Agency's accounting system, consideration is given to the adequacy of internal accounting controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against loss from unauthorized use or disposition; and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a specific control feature should not exceed the benefits likely to be derived and the evaluation of costs and benefits require estimates and judgments by management.

All evaluations of the Agency's internal control will continue to occur within the above framework. The Agency's internal accounting controls adequately safeguard assets and provide reasonable assurance of proper recording of financial transactions.

Basis of Accounting

Special revenue and other governmental fund types are accounted for on a modified accrual basis. Under the modified accrual basis, revenue is recognized when susceptible to accrual (e.g., when it becomes both measurable and available).

"Measurable" means the amount can be determined and "available" means collectible within the current period or soon enough thereafter to pay current liabilities. This is generally within sixty (60) days after the end of the fiscal year. Expenditures are recognized when the related fund liability is incurred.

Proprietary funds (enterprise and internal service funds) are accounted for on an accrual basis. Under this method, revenue is recognized when earned and expenses are recognized at the time the liability is incurred.

Fund Descriptions

The Agency's accounting records are organized and operate on a "fund" basis, which is the basic financial accounting entity in governmental accounting. The accounting system is designed to enable the use of these types of funds. Each fund is designed by fund type and classification:

- Proprietary Funds: Enterprise and Internal Service
- Governmental Funds: Special Revenue, Debt Service and Capital Projects
- Account Groups: Capital Assets and Long-Term Debt

Proprietary Funds

Generally Accepted Accounting Principles (GAAP) applicable to a private commercial business is applicable to proprietary funds of a governmental entity. The accrual basis of accounting is utilized. The measurement focus is based upon a determination of net income, financial position and cash flows. Accordingly, basic financial statements are

FINANCIAL MANAGEMENT POLICIES

required, such as the balance sheet, the statement of revenues, expenses and changes in retained earnings (deficit), and the statement of cash flows.

Enterprise Fund: accounts for operations that are financed and operated in a manner similar to private enterprises, where the intent is that the cost of providing goods or services is recovered primarily through user charges.

Internal Service Fund: accounts for activities involved in rendering services to departments within the Agency. Costs of materials and services used are accumulated in these funds and are charged to the user departments as such goods are delivered or services rendered.

Governmental Funds

Governmental Funds are used to account for the Agency's expendable financial resources and related current liabilities, except for those accounted for in proprietary funds. The basic financial statements necessary to fairly present financial position and operating results for governmental funds are the balance sheet and the statement of revenues, expenditures and changes in fund balance. Governmental funds are maintained using the modified accrual basis of accounting.

Special Revenue Fund: accounts for the proceeds of specific revenue sources that are restricted by law or administrative action for specified purposes.

Debt Service Fund: accounts for accumulation of resources for, and payment of, interest and principal on long-term debt.

Capital Project Fund: accounts for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds).

Account Groups

Account Groups are used to establish accounting control and accountability for the Agency's capital assets and long-term debt.

Capital Assets Account Group: accounts for long-term assets of the Agency, except for those accounted for in proprietary fund types.

Long-Term Debt Account Group: accounts for long-term debt of the Agency, except for debt accounted for in proprietary fund types.

Summary of Full Time Equivalent (FTE) Positions By Department

The 2013 budget maintains full time equivalent positions (FTE) at 253, but recommends that 38.8 authorized positions be left unfunded for the 2013 budget. Reductions were achieved through the unfunding of vacant positions, employee layoffs and position reclassification and downgrades. In total, the Agency has reduced authorized FTE positions by 22 percent since 2005 when the Agency had 325 FTE positions.

Major Revenue Description, Trends And Estimates

Enterprise Funds - Housing

Public Housing:

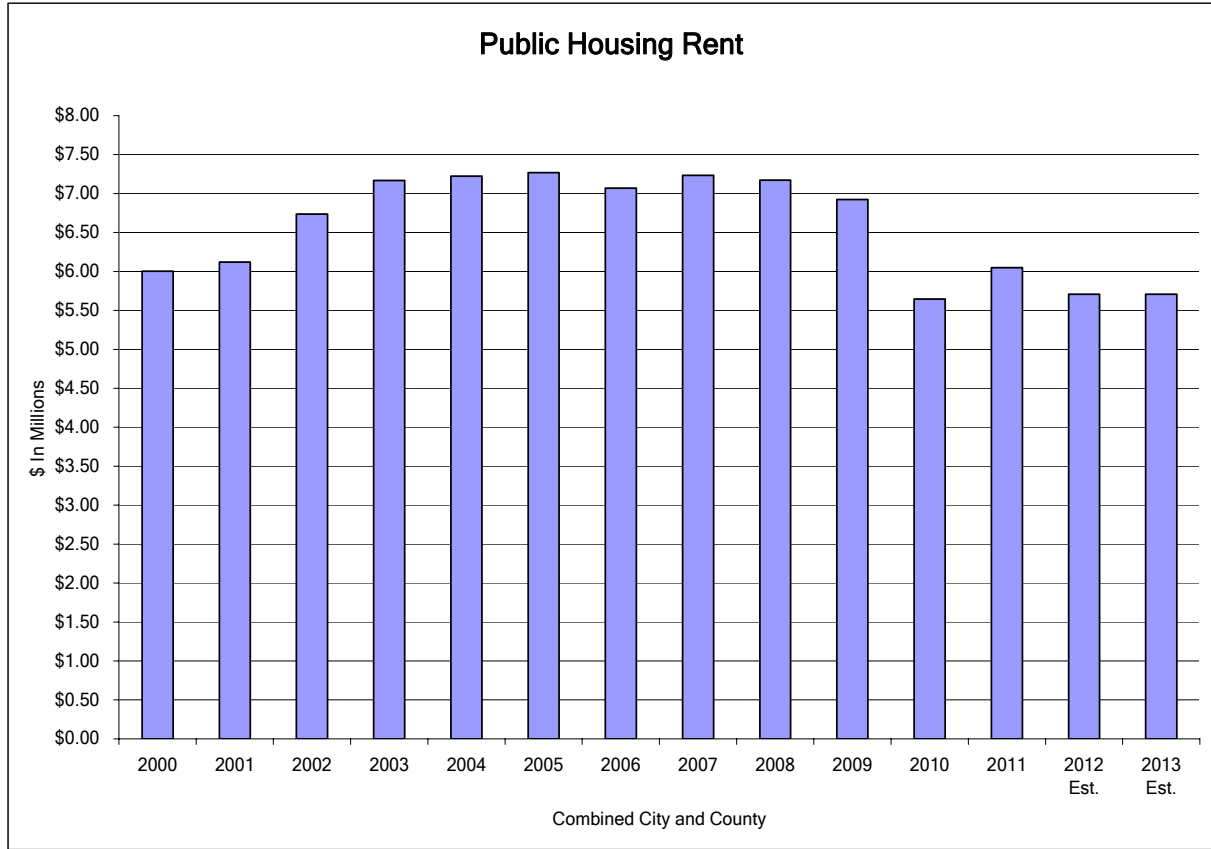

The Agency owns and manages approximately 3,494 housing units within the City and County of Sacramento. Approximately 3,068 of the units were developed under the federal public housing program administered by the Department of Housing and Urban Development (HUD) and are located throughout the Sacramento region with (2,021 units) in the City and (1,047 units) in the County. Of those units, approximately 1,000 units are designated as elderly and/or disabled only with the remaining units available to families. Program revenues are generated from tenant rent collections and operating subsidies provided by HUD. The amount of rent paid by the tenants is based on 30 percent of gross family income minus certain other adjustments. In addition to the public housing units, the Housing Authority manages another 426 units of local non-public housing.

Revenue Estimate

The average occupancy rate in the Public Housing program is in the mid 90's for public housing properties available to be leased. The recent decline in rents is due to several factor including: 1) the vacancies in 626 I Street associated with the Agency's relocation from the commercial space and the relocation of the tenants for the planned rehabilitation of the site, 2) the disposition of public housing units sold under the HUD 5h/Section 32 program, 3) the disposition of the Washington, Sutterview and Sierra Vista high-rises to the Agency affiliated non-profit the Sacramento Housing Asset Repositioning Program, Inc. (SHARP), 4) vacant and boarded units being sold under the NSP PRP program and 5) the reduction in TANF and SSI income to PHA tenants which reduces the tenants share of the rental payments (30% of income). Rent revenues are expected to improve beginning in late 2012 as both the commercial and residential floors of 626 I Street is brought back online.

HUD Operating subsidy levels have risen in recent years with federal appropriations for the program reaching as high as 103% of funding eligibility in 2010 and 100% in 2011. However, since program funding is determined annually, the level of subsidy receive from HUD can be very volatile from year to year depending upon the federal appropriations process in Washington. Base upon the first 8 months of 2012, we expect to receive only 96% of our 2012 funding eligibility and have targeted a similar level of prorated for 2013.

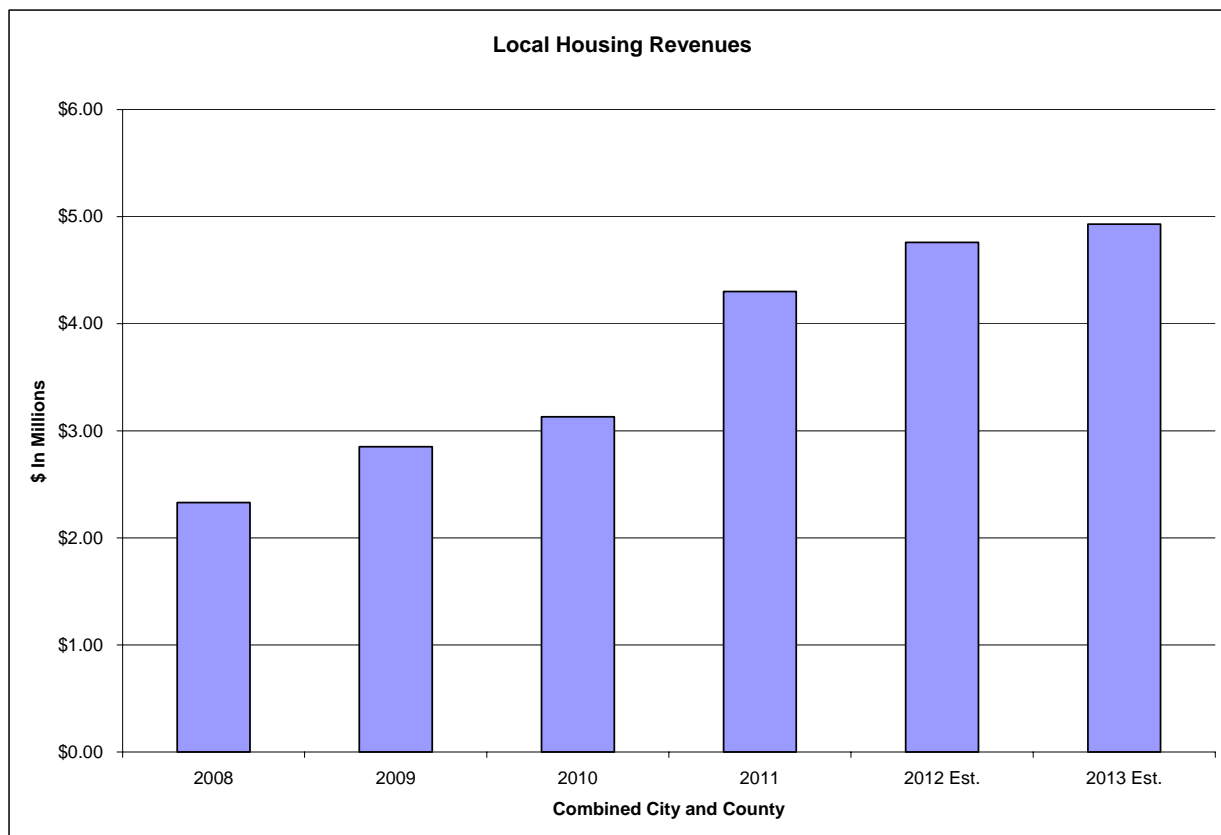

Major Revenue Description, Trends And Estimates

Major Revenue Description, Trends And Estimates

Public Housing (Non-Federal):

While the public housing units have shown decreases in both rents and operating subsidy, the Agency's local housing projects, units not regulated by HUD, have shown positive revenue trends. The primary reason for this change is the implementation of the Housing Authority's asset repositioning strategy that has moved two Public Housing high-rise buildings to the Sacramento Housing Authority Asset Repositioning Program, Inc. (SHARP), and the increased usage of project based vouchers on many of the non-federal units.

Major Revenue Description, Trends And Estimates

Housing Choice Voucher Program (HCV):

The Housing Choice Voucher (formerly Section 8 Housing Assistance) program is funded by the U.S. Department of Housing and Urban Development (HUD) through Annual Contribution Contracts (ACC). The Agency administers this program on behalf of the Housing Authority of the County of Sacramento. The Housing Choice Voucher program permits the applicant to obtain housing in the private rental market using housing vouchers. The program participants pay a portion (an adjusted 30 percent of gross family income) of the lease rate to the owner and the remaining rent amount is paid by the Agency. Participants can utilize their voucher anywhere in the City or County of Sacramento.

Revenue Estimate

Revenue under the HCV program is received from HUD in the form of Housing Assistance Payments (HAP) and Administrative Fees (AF). The federal appropriations process dictates the amount of funding that will be allocated to the HCV program on a national level. Jurisdictional funding allocations are performance based, with the funding level determined by the number of authorized vouchers leased. Currently, the Agency's HCV program has 11,762 housing choice vouchers authorized for leasing each month and the program has maintained leasing levels in excess of 98 percent since 2008. The high utilization level of vouchers makes the program eligible for maximum funding from HUD. Despite the fact that the Agency is entitled to maximum funding for the program, HUD has intentionally provided less funding than required to cover HAP costs in an effort to recapture accumulated HAP reserves from public housing authorities across the country. In 2008 and 2009 HUD intentionally recaptured HAP reserves leaving the Housing Authority with approximately two weeks of reserves; therefore, managing leasing levels becomes exceptionally important.

2013 funding for HAP is expected to cover our actual HAP costs provided federal appropriations for the program remain the same. However, 2012 administrative funding for the program appears to be headed for a 5% reduction compared with prior year. We anticipate no further reduction to funding for 2013 based upon the information currently coming out of Washington D.C.

Other Governmental Funds (Special Revenue):

Community Development Block Grant (CDBG):

This is a federal entitlement program provided to communities annually for the benefit of low-income persons through housing improvement, public improvements, economic development, public service and elimination of blighting conditions. Areas of Sacramento which are low-income and extremely physically blighted have been selected for targeted CDBG assistance in the areas of capital improvements, housing preservation and renovation, and economic development and commercial revitalization activities. These funds must be used to augment but not replace local funds and responsibilities.

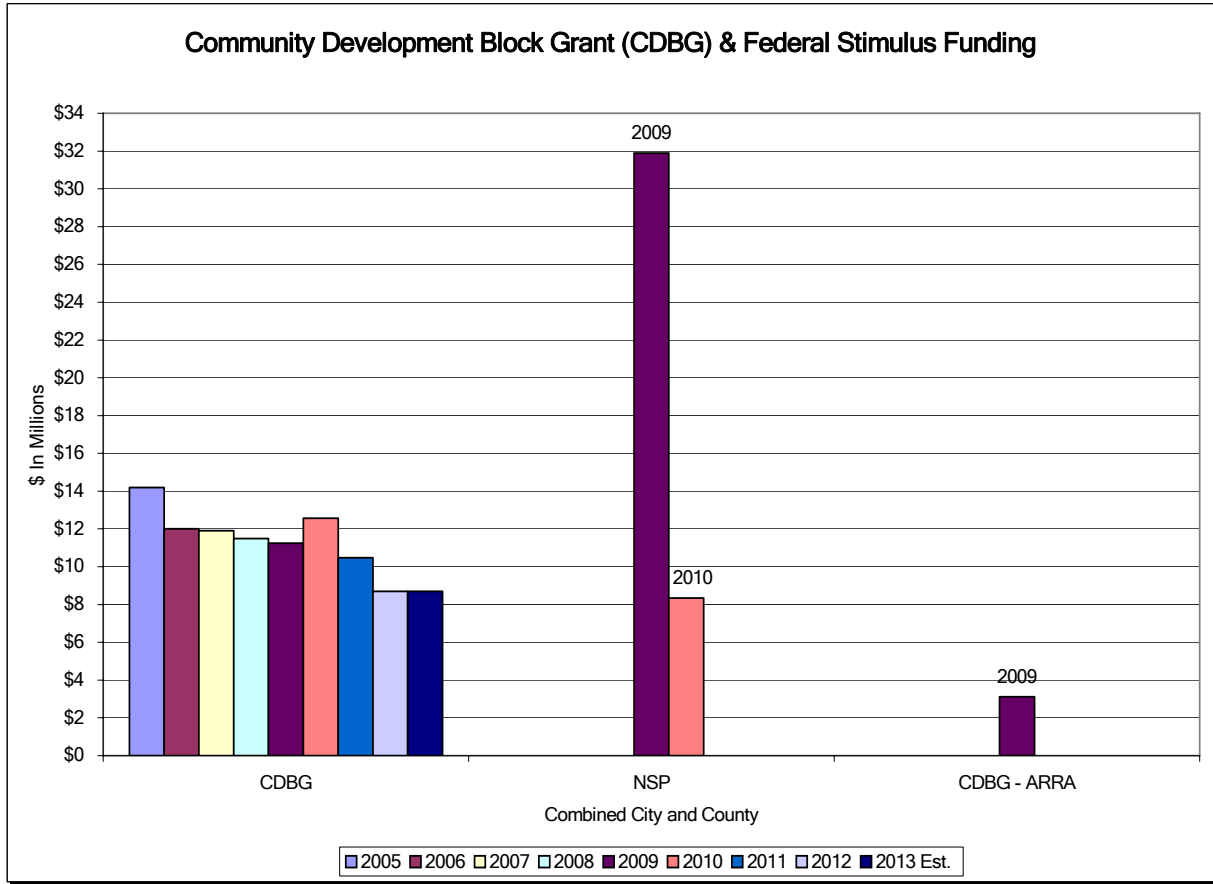

Also included on the chart are the one time federal stimulus funds provided to the Agency under the Housing and Economic Recovery Act (HERA) of 2008. In the first round of funding, the Agency received \$31.8 million of funding for the Neighborhood Stabilization Program (NSP) to assist with the acquisition and/or rehabilitation of foreclosed properties in the City and County of Sacramento. In 2010, HUD announced that the Agency would receive an additional \$8.3 million in NSP Funding.

Further, the Agency received \$3.12 million in additional CDBG funding under the American Recovery and Reinvestment Act of 2009.

Revenue Estimate

The annual HUD CDBG entitlement budget is allocated to cities and counties based on a formula comprised of several measures. The Agency receives grants for both the City of Sacramento and the County of Sacramento. From 2010 to 2012 CDBG appropriations have been cut by 31%. For 2013, current proposals reflect a level of funding consistent with 2012 funding levels.

Major Revenue Description, Trends And Estimates

Major Revenue Description, Trends And Estimates

Home Investment Partnership Program (HOME):

This program provides for the preservation and expansion of affordable housing to very low and low-income persons. Housing developers and sponsors (both for-profit and non-profit) apply to SHRA for funding. In the past, HOME funds have assisted families in purchasing their first home, renovated deteriorating housing units and assisted in special housing programs.

Revenue Estimate

The annual HUD HOME budget is allocated to states and participating jurisdictions as formula grants. The Agency receives HOME entitlement for both the City of Sacramento and the County of Sacramento. Funding has remained fairly level for the last several years, but since 2010 appropriations for HOME have declined by 46%. Current federal funding proposal reflect status quo funding levels for 2013. Estimates are generally based on the current year grant amounts and adjusted as needed based upon Federal appropriation proposals.

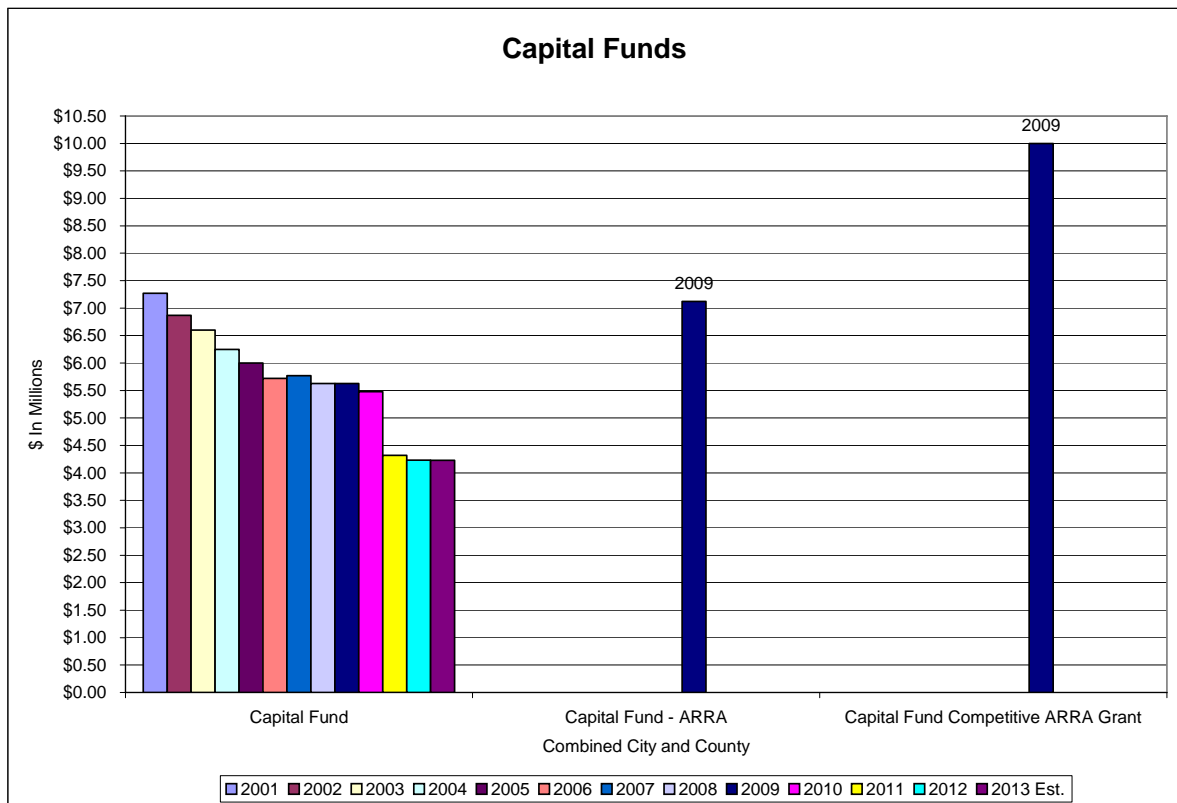

Major Revenue Description, Trends And Estimates

Other Governmental Funds (Capital Project Funds):

Capital Fund Program:

The HUD Capital Fund program provides funding annually via a formula, and program funds are allocated to public housing authorities (PHA) across the nation. Capital Fund grants are intended specifically for the development, financing, modernization, and management improvements for properties owned under the HUD public housing program. The Agency receives funding for the public housing properties owned by the City and County Housing Authorities. In 2012, the federal government cut program funding by 23 percent compared with 2010 level and current proposals reflect status quo funding for 2013. Revenue estimates are based on the current year grant amounts and are adjusted based upon Federal appropriation proposals. Also included on the chart are the one time federal stimulus funds provided to the Agency under the American Recovery and Reinvestment Act of 2009. The Housing Authority received \$7.2 million on a formula basis and an additional \$10 million under a competitive grant application. The City Housing authority was the only Housing Authority on the west coast to win a competitive award of the ARRA grant funds. The ARRA funds are to be used for the rehabilitation and modernization of public housing units in the portfolio, and the competitive grant funds were awarded for the specific purpose of rehabilitating a residential high-rise located in Downtown Sacramento.

Major Revenue Description, Trends And Estimates

Housing Trust Funds (HTF):

The Agency administers Housing Trust Funds on behalf of the City and County of Sacramento. The City and County of Sacramento adopted ordinances in 1989 and 1990 respectively, for the purposes of generating fees for the development of affordable housing near employment centers. Fees collected from non-residential development are deposited in the Housing Trust Fund, and are used to fund affordable housing projects that are intended to serve the low income workforce employed by the commercial businesses in the surrounding area.

Revenue Estimate

Housing Trust Fund fees have dropped dramatically due to the sharp decline in number of commercial building permits being issued. HTF fees are expected to continue to decline given the current economic pressures impacting commercial construction in the region.

Major Revenue Description, Trends And Estimates

Redevelopment Tax Increment:

The passage of Assembly Bill X1 26 and Assembly Bill X1 27 enacted on June 29, 2011 provided for the elimination of redevelopment unless redevelopment agencies participated in a voluntary alternative redevelopment program that required a substantial payment to the County Auditor-Controller for distribution to taxing entities. AB x1 26 was upheld by the California Supreme Court on December 29, 2011 and Assembly Bill x1 27 was invalidated in its entirety. Accordingly, as of February 1, 2012, redevelopment agencies in California, including the Redevelopment Agency of the City of Sacramento and the Redevelopment Agency of the County of Sacramento, were terminated and successor agencies were appointed to wind down the affairs of the redevelopment agencies in accordance with the provisions of Assembly Bill X1 26.

The elimination of redevelopment resulted in the City and County electing to assume responsibility for the wind down of the former redevelopment agencies. This includes, but is not limited to, the payment of all enforceable obligations, the disposition of property and the servicing of loans.

The Housing Authorities of the City and County of Sacramento administered by the Sacramento Housing and Redevelopment Agency, a joint powers authority, have been named the Successor Housing Agencies and are tasked with the closeout of enforceable housing obligations, primarily housing projects and agreements, as well as ownership of all housing Property and housing Loans of the former redevelopment Agency.

Prior to the elimination of redevelopment, revenues were generated from the incremental property taxes collected from properties within the boundaries of redevelopment project areas. The Agency administers 15 project areas throughout the City and County of Sacramento:

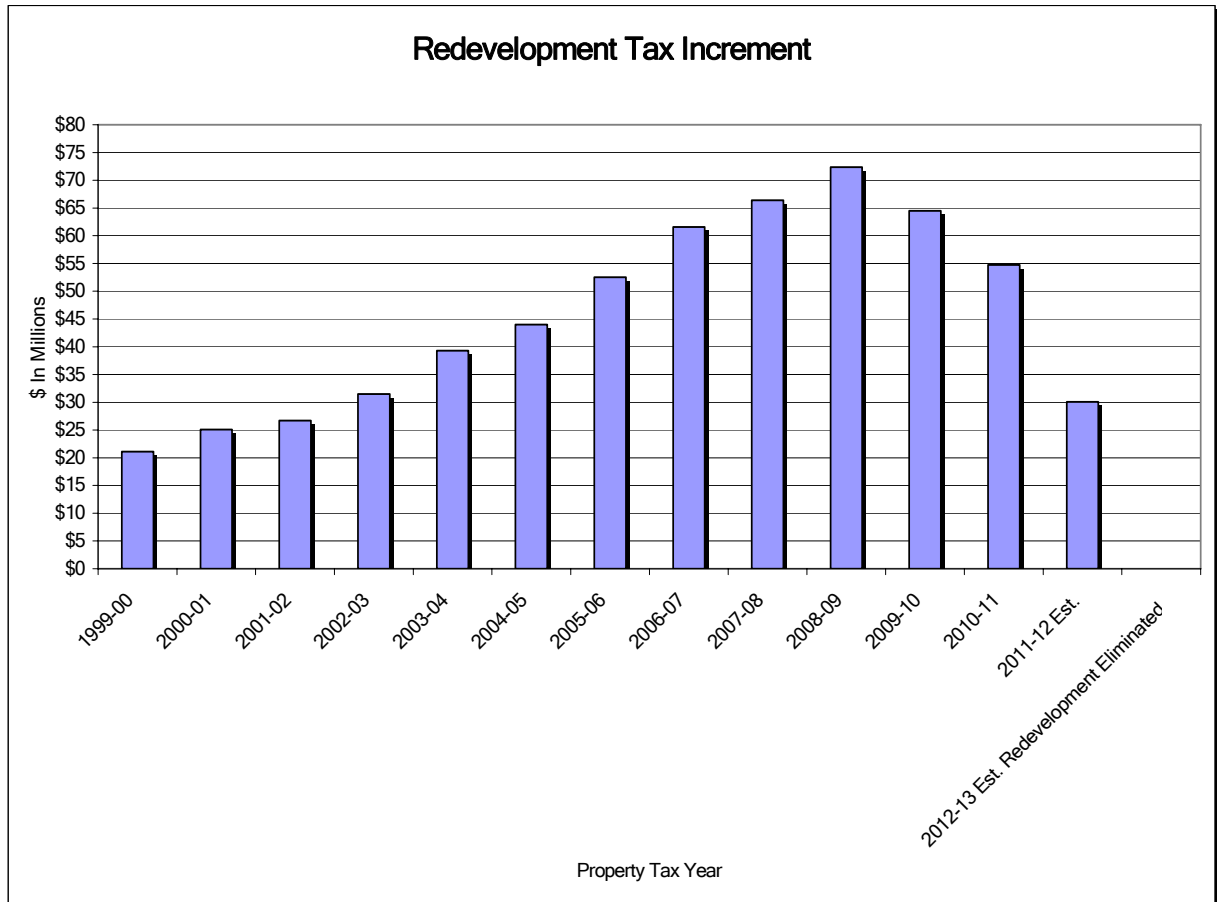

CITY	COUNTY	JOINT
65 th Street Alkali Flat Army Depot Del Paso Heights Merged Downtown North Sacramento Oak Park Rail Yards River District	Florin Road Mather McClellan	Auburn Franklin Boulevard Stockton Boulevard

When redevelopment project areas are formed, the property tax values on the tax roll prior to the formation of the project area, become the project area's base year. As

Major Revenue Description, Trends And Estimates

property values in the project area grow, the values in excess of the base year represent the incremental assessed value. The property tax revenues derived from this incremental assessed value are referred to as tax increment revenue. California redevelopment law requires that a minimum of 20 percent of the gross tax increment received be set aside for the development and/or preservation of affordable housing. Due to the implementation of SB211 Plan Extensions, the Merged Downtown and Del Paso Heights redevelopment areas must allocate a minimum of 30 percent to the housing set aside fund. With the exception of the joint project areas, Merged Downtown, River District, and Railyards, the Agency's governing boards adopted a finding of benefit in order to aggregate the majority of the housing set aside funds into two distinct aggregated housing funds, City and County.

Total tax increment revenue was \$30.5 million for the 2011-12 fiscal year and represents fiscal year tax increment collection up to the point of elimination on January 31, 2012.

Activities Detail

HCV Waitlist Management

It is important to manage a current waiting list of sufficient number to fill vacancies in order to maintain usage of 100% of the vouchers we receive from HUD. There are currently six waitlists available for the HCV program. In this way, HCV program can be responsive and efficient helping low-income families live where they choose to live.

Intake Functions

When vacancies occur, staff “pull” families from the waiting list and begin the process to determine their eligibility to participate in the program. Staff may meet with families on an individual basis or in larger groups to explain the program rules and regulations.

Maintenance of Participating Families

Participating families must annually recertify that they are still eligible to participate in the program. This documentation is electronically submitted to HUD. Participating families must also have their rental unit inspected annually to ensure that it still meets Housing Quality Standards. Families must promptly report any changes in household composition and/or income to ensure that the housing is appropriate and affordable for the family.

Housing Choice Vouchers

Owner Participation

The HCV program could not exist without participating landlords so continuing to market to the landlord community is key. Owner outreach and training and other efforts to make the program accessible to landlords is important. Issuing timely and accurate payments and providing assistance when there are questions or problems are also key elements.

2013 Initiatives

- Expanded use of the internet so that applicants are managing the information we receive while they are on the wait lists. Changes in address, income and family members would be reported directly.
- Implementation and expanded use of a landlord portal where landlords can have better visibility of Housing Authority activities concerning their rental properties: inspections and payments will be more available and visible.
- Use of debit cards to pay tenants the utility reimbursements so that we eliminate the use of issuing and mailing checks entirely.

2012 Accomplishments

- Opened the HCV tenant-based wait list and received more than 49,000 applications. A total of 3,000 families were accepted onto the waitlist. This is expected to be sufficient to fill program vacancies for the next two years. The last time this wait list opened was in September, 2006.
- Began paying landlords via direct deposit. We plan to have 100% of participating landlords receiving their rent payments via direct deposit.
- Improve business operations for participating landlords by creating a secure portal to track payments, inspections and other related information on line.
- Received a score of 86% in HUD's evaluation (which is 4 points away from becoming a high performing agency).
- Relocated to 630 I Street to a Housing Authority-owned building. This will allow the Housing Authority to control its future.
- Implemented a kiosk system for office visitors so that can more quickly sign in to be seen. This provides improved customer service and streamlines the process for staff also.

Appropriation Summary

<u>Type of Expense</u>	Budget 2011	Budget 2012	Budget 2013

Activities Detail

Successor Agency Assistance

The Department assists the City and County with the wind down activities of the former redevelopment project areas. Activities include staffing the County of Sacramento's Oversight Board, managing projects, clean-up of environmentally contaminated sites, and coordination with State of California departments overseeing the wind down activities.

Community Development Block Grant (CDBG)

The CDBG program develops viable urban communities by providing decent housing, a suitable living environment, and economic opportunities principally for persons of low- and moderate-income. CDBG funds are used for a wide variety of eligible activities including: housing rehabilitation, homeownership assistance, infrastructure construction, public services, and planning activities, among others.

Foreclosure Response Programs

The Department administers two programs aimed at curbing the impact of foreclosed properties in the City and County of Sacramento. The first is the Neighborhood Stabilization Program (NSP), which is one of the federal stimulus fund packages intended to stabilize neighborhoods that are hardest hit by the foreclosure crisis. In Sacramento funds are used to purchase foreclosed and/or vacant homes and residential properties. While NSP funds are focused on recovery and redevelopment of vacant, abandoned foreclosed homes, there is flexibility in the program for rehabilitation, redevelopment, demolition, re-construction, and land-banking of vacant foreclosed

Department Summaries

Downtown Economic Development

Since September 1997, the Agency has contracted with the City of Sacramento's Downtown Economic Development Department to attract new business and industry to the City while expanding and retaining existing business through redevelopment activities in the Merged Downtown and River District (formerly Richards Boulevard) redevelopment project areas. The Railyards redevelopment project area was adopted in 2008 and was included as a responsibility of the City Downtown Economic Development Department. With the elimination of redevelopment effective 2/1/2012, the Agency's contract with the City of Sacramento's Economic Development Department was cancelled.

Activities Detail

Downtown Economic Development is now tasked with serving as staff for the redevelopment oversight board and the City of Sacramento as Successor Agency of the former Redevelopment Agency.

Community Social Services

Since the beginning of 1994, the Community/Social Services programs have been managed by the County of Sacramento Department of Human Assistance (DHA). Beginning in 2012 several functions administered by DHA transitioned to the newly formed non-profit Sacramento Steps Forward (SSF). Additionally, beginning in 2012 and continuing in 2013, SHRA began assuming specific programs previously administered by DHA.

SSF will coordinate various funding sources including Agency funds to support the continuum of care programs including: transitional housing programs and permanent supportive housing programs.

Affiliated Organizations

SHRA will assume administration of the Shelter Plus Care, Housing Opportunities for Persons With AIDS (HOPWA) and Emergency Shelter Grants (ESG) programs from DHA.

Other non-profits will administer Senior Nutrition programs.
