A Joint Powers Agency

MEMBERS

City of Sacramento

County of Sacramento

Housing Authority of the
City of Sacramento

Housing Authority of the
County of Sacramento

Honorable Members in Session:

Today, I present to you the Sacramento Housing and Redevelopment Agency’s proposed budget for 2016. This budget document provides detailed information about the forecasted revenues and expenditures for the Agency in the coming year.

OVERVIEW OF THE 2016 SHRA PROPOSED BUDGET

The 2016 Proposed Budget recommends total expenses of \$179.6 million, with the Housing Assistance Payments Budget at \$105.6 million; the Operating Budget at \$39.3 million; the Capital Project Budget at \$26.2 million; the Public Services Budget at \$5.7 million; and, the Debt Service and Financial Transaction Budget at \$2.8 million.

The 2016 Proposed Budget of \$179.6 million represents a \$4.5 million or 2.4% decrease compared with the total 2015 Adopted Budget. This change in annual budget appropriations is primarily the result of the following factors: 1) the 2014 award of \$3.0 million in State CalHOME funds was a two year grant and there was no Notice of Funding Availability (NOFA) in 2015. 2) A one-time increase in debt service payments in 2015 related to the maturity of a California Housing Finance Agency (CalHFA) Help Loan. 3) A decrease in city housing successor project revenues/expenditures due to the wind down of projects.

Some of the guiding principles used to develop the Agency’s budget include:

- Protecting “core services” to the greatest extent possible, with delivery of housing programs, public services and capital projects being a major priority;
- Managing program activities by focusing on the efficiency of program delivery and the maximization of results;
- Consideration of the overall financial health of the organization, not just the cash flow from year to year;
- Fostering partnerships with community based organizations and private entities whenever possible; and
- Developing budget plans that employ strategies to address the long-term needs of the communities we serve.

As with the 2015 budget, the 2016 budget continues to focus on moving forward:

- We will continue to maximize leasing of vouchers in the housing choice voucher program.
- We will continue to pursue new funding opportunities to decrease reliance on traditional funding sources for the creation and preservation of affordable housing.
- We will continue to focus on the rehabilitation and repositioning of former Public Housing properties.

Federal Funding Trends

Beginning in 2011, Congress systematically began reducing federal spending for domestic programs and, in 2013, implemented the cuts required by the Sequestration Transparency Act of 2012. The vast majority of the spending cuts imposed by sequestration directly impacted the federal discretionary programs we administer on behalf of the City and County of Sacramento.

Though funding in 2014 for the HOME program was slightly up from sequestration levels, the effects continue to be felt as funding for the program has been cut more than 40% between 2011 and 2015 and it is anticipated that additional cuts will occur in 2016.

While conditions appear to have stabilized, the reductions in federal support for community development, affordable housing and public services continue to impact the needs of our community. In 2014, the opening of the HCV waitlist resulted in over 46,000 applications in a two week period. This just underscores the continued need for affordable housing opportunities in the Sacramento region.

The charts on the following pages provide a visual representation of the trends of the major federal funding administered by the Agency over the past several years.

2015 Accomplishments

The Agency continues to employ strategies to address affordable housing needs, though not at the same volume as in the pre-redevelopment era. While federal and local funding remains a constant challenge, SHRA has been remarkably successful in securing competitive grants and developing public-private-nonprofit partnerships that provide significant leveraging ability and assist in accomplishing our goal to improve housing and communities. As such, our performance continues to be regarded as a model for best practices in affordable housing preservation and production. Those accomplishments are worthy of recognition.

Asset Repositioning

- **Received a highly competitive \$30 million federal Choice Neighborhoods Implementation Grant, one of only five awarded in 2015 to redevelop the 70 year-old Twin Rivers public housing community and significantly improve the surrounding neighborhoods in the River District-Railyards by addressing housing, education, health and safety, social and economic services and transportation.**
- **Received a federal Promise Zone designation as Sacramento's lead agency, one of only eight awarded in the U.S. in 2015 and the only one on the west coast which will provide federal technical resources and AmeriCorps assistance to support public-private partnerships and attract millions of dollars in investment to improve some of Sacramento's most distressed neighborhoods.**
- Submitted the draft Neighborhood Transformation Plan as part of the Choice Neighborhoods planning process for Upper Land Park-Broadway, including the Marina Vista and Alder Grove public housing sites.
- Launched a new Property Resale Entity (PRE) program to purchase, renovate and sell 76 vacant single family public housing units which will result in the elimination of blight through the complete rehabilitation of the homes as well as provide homeownership opportunities for qualified low income families.
- The asset repositioning strategies employed by the Housing Authority over the last three years have been successful with the completion of the rehabilitation of the Washington Plaza Apartments. Substantial rehabilitation of Sierra Vista and Sutterview high-rise apartment buildings in midtown are both on schedule to be completed in 2015.

Affordable Housing

- Monitored the rehabilitation and construction of affordable housing including:
 - 700 K Street
 - Curtis Park Senior Apartments
 - Olivewood Apartments
 - Woodhaven Senior Apartments
- **Appointed as lead housing Agency for Sacramento's Downtown Housing Initiative in partnership with City staff to create 10,000 places to live in the next 10 years.**
- Provided approximately \$16.6 million in Multifamily Loan assistance to five projects totaling 430 of affordable units (Anton Arcade, Olivewood, Sutter Place, Land Park Woods, and Ethan Terrace).
- Issued \$42.5 million in Mortgage Revenue Bonds for rehabilitation and construction of multifamily developments (Anton Arcade, Olivewood, Ethan Terrace and Mutual Housing at Foothill Farms).
- Celebrated the grand openings of the transit oriented Cannery Place Apartments, Garden Village Apartments and three rental apartment communities that incorporated energy efficiency and water conservation; Greenway Village, Los Robles Apartments & Glen Ellen Estates.
- Completed renovation and/or construction of four multifamily developments totaling 326 newly affordable or preserved units (Arbor Creek Senior, Woodhaven, Sutterview, and Sierra Vista).
- Construction of 14 new single family homes in Del Paso Nuevo Phase IV, selected a developer and began construction of five model homes for Phase V.
- Approved financing for 70 families for Home Buyer and Mortgage Credit Certificate programs.
- Managed a \$309 million portfolio of over 1,300 loans.
- Inspected over 2,250 resident units and files within the multifamily properties financed by the Agency which consists of over 22,800 units.
- Provided local rental subsidies to 208 extremely low households in supportive services developments.

Neighborhood Stabilization Program (NSP)

We are continuing to administer Sacramento's federal NSP 3 funds which are being used to rehab homes in low income communities that were severely impacted by the housing crisis.

- Managed the disposition, rehabilitation, loans and income certification necessary for the rehabilitation and sale of 15 owner-occupied single family homes in the NSP program.

Commercial/Infrastructure and public facilities (completed/under construction)

- Began Phase II (ADA Accessibility Improvements) of the preservation of the Bing Kong Tong building in Isleton which will eventually be restored as a community gathering place and museum of Chinese and Chinese American culture and history in the delta.
- Partnered with the Isleton Brannon Andrus Historical Society and applied for a grant from the California Cultural Historical Endowment for Phase III of the Bing Kong Tong facility.
- Funded completion of the Franklin Blvd. & Florin Road Streetscape Improvements.
- In partnership with the City of Sacramento, was awarded \$3.6 million in Complete Street funding from the Sacramento Area Council of Governments (SACOG) for the 12th Street Cycle Track.
- Funded continued design planning for the R Street Corridor.
- Funded design and engineering for the Downtown Street Lighting and the Meadowview Manorside Traffic Signal.
- Completed improvements that were funded in partnership with the City and County of Sacramento such as the Eagles Nest Road Design, McComber/Florin Road Parking Lot, the South Sacramento Lighting Project, and R Street Phase III.
- Completed improvements such as the Jean Harvey Community Center Well, Waterline and the Main Avenue Ball Fields.

Job Creation and Employment Opportunities

Our work to produce affordable housing and to revitalize communities also creates job opportunities in a range of positions at every step of the process from groundbreaking to grand opening.

It is the Agency's belief that residents who live in the communities where these projects are being completed should have an opportunity to compete for jobs on those projects and to receive the necessary training and certification to become qualified for employment.

Staff in the Resident Services Department assists residents in their efforts to obtain education, training and employment skills. The Housing Authority supports resident training programs in three areas: clerical, painting and janitorial. Approximately 30 residents currently work for the Housing Authority in one of the aforementioned areas and are receiving a wage while learning the technical skills of the program. After completion of the training program, graduates have had success transitioning into regular employment.

In 2014, SHRA launched the First Source Sacramento job training and hiring program in partnership with the Greater Sacramento Urban League and Sacramento Employment and Training Agency/CalWorks (SETA). The program is a first of its kind in the nation, helping low income housing residents compete successfully in the job market through case management, skills assessment, job training and placement.

- Successfully created a database for residents looking for employment and/or job training. To date, 4,000 public housing program residents have registered in the database allowing employers to be matched with public housing residents looking for work at the site where the work is to be completed.
- Provided internship opportunities through the summer at City Hall for five high school students in our Public Information Office, Public Housing, Housing Choice Voucher, Finance and Risk Management Departments.

Public Service Programs

The Agency administers federal programs on behalf of the City and County that support public improvements and services for low income residents, emergency housing and homeless services. These programs include the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), and Rapid Re-Housing Programs.

- Through September of this year, more than 300,000 meals have been delivered to homes and served at café sites in the City and County through the Meals on Wheels Senior Nutrition Program.
- 54 households consisting of 135 individuals received placement assistance through the Rapid Re-Housing/ESG Program within the first six months of implementation.
- Transitioned the administration of the Comprehensive Alcohol Treatment Center (Detox) program from the County Department of Human Assistance (DHA) to SHRA.
- Transitioned the T-Street Co-op from the Housing Opportunities for Persons With AIDS (HOPWA) inventory to SHRA.
- In partnership with Sacramento Steps Forward, launched the coordinated Entry Program for the Continuum of Care.
- Began the coordination of the Rapid Rehousing Program as part of ESG with DHA's Housing Support program (HSP) as part of CalWorks.
- Entered into contracts with Legal Services of Northern California and Self Help Housing to reinstitute a countywide Fair Housing Program.
- In partnership with United Way, received a \$25,000 grant from the San Francisco Bay Area Super Bowl 50 Fund to combat "summer slide", the time during which low-income students can lose up to two months of reading comprehension. The program served 900 children by providing books and activity materials targeting essential skills required to become proficient readers.
- Funded the start-up of a Boys and Girls Program in North Natomas to serve children living in low income apartment complexes in the community.

Sustainable Communities

The Agency strives to seek out, as well as provide funding to improve access to affordable housing and increase transportation options while protecting the environment. As a result, SHRA has:

- In partnership with the Sacramento Valley Air Quality Management District, the City of Sacramento and the Sacramento Metropolitan Utility District (SMUD), received a \$1.2 million award to be used for implementation of an Equitable Car-Share program as part of the Disadvantaged Communities funding under California's Cap and Trade Program.
- Received a \$25,000 U.S. Environmental protection Agency (EPA) grant for the assessment and remediation of 1224 D Street.
- Applied for a \$600,000 EPA Brownfields Clean-Up Grant for the Rio Linda Super Block.

Housing Administration

Sacramento Housing and Redevelopment Agency serves as the Housing Authority for the City and the County of Sacramento. The Housing Authority provides rent assistance and affordable housing to more than 51,000 low income residents through the HCV Program and the Conventional Public Housing Program.

Housing Choice Voucher Program

After weathering the challenges of sequestration, the Agency continues to deliver a very successful HCV program. In 2016, the Agency is expected to maintain close to 98-100% leasing of our HUD vouchers, providing rental assistance to an estimated 12,063 families each month.

In 2015, HUD notified SHRA that the **HCV program had received high performer designation from HUD for receiving maximum Section Eight Management Assessment Plan (SEMAP) points.** Staff will continue to assess quality control standards and focus on implementing the tools and technology needed to ensure that we are able to maintain these high standards.

- Received an award from HUD for maintaining over 92% lease up of VASH vouchers to serve the homeless disabled veterans in Sacramento County.

- Awarded additional vouchers from the Department of Veterans Affairs to provide housing opportunities for homeless veterans and their families; bringing the total vouchers to 399 administered by the Agency.
- Signed up over 80% of the (5,500) landlords to utilize the landlord portal. This portal provides a secure avenue for landlords and payees to track payments, review past inspections, access tenant ledgers, sign up for direct deposit, change contact information and complete other information online.
- Pulled 2,000 families from the HCV tenant based waitlist increasing the utilization of HCV vouchers to 99.6% post sequestration.
- Launched a housing search tool for landlords and tenants to help bridge the gap between landlords looking to rent their properties and tenants in search of properties to rent.

Public Housing and Local Housing Programs

The Housing Authorities' own and/or manage approximately 3,416 housing units within the City and County of Sacramento. Of these, 2,788 of the units were developed under the federal public housing program administered by the Department of Housing and Urban Development (HUD) and are located throughout the Sacramento region with (1700 units) in the City and (1,013 units) in the County. In addition to the public housing units, the Housing Authority manages another 498 units of local non-public housing.

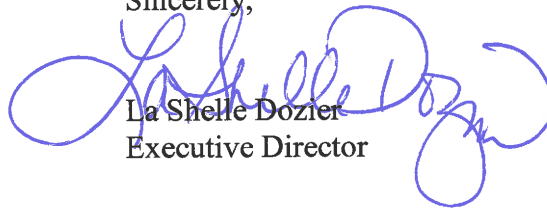

In 2015, HUD notified SHRA that the **City Housing Authority had received high performer status based upon 2014 operating results.** Staff is continuing to streamline operations where possible and diligently monitoring operating activities to ensure that we continue to maintain these high standards of performance into the future. In addition, the Housing Authority:

- Received renewal funding from the U.S. Department of Housing and Urban Development for a City and County Family Self Sufficiency (FSS) Coordinator to develop the FSS program. In 2015, 25 participants were newly employed for six months or longer; an additional 49 participants were employed for a year or more and 18 families established bank accounts for the 1st time.
- Scored 90% or higher on the units inspected by HUD this year.
- Consistently maintained a 99% rent collection rate.
- Maintained a 99% occupancy rate.
- Received overall favorable ratings from the 88% of the residents that responded to the customer service survey; (62%) Excellent & (26%) Good.

- Issued a “Request for Proposals” for Youth Services at our three big housing sites to ensure that we are involving a variety of providers to offer the best services to the youth living at Marina Vista, Alder Grove and Twin Rivers.
- Increased efficiency by revamping rent collection processes to align with enhanced check scanning processes.
- Implemented two new literacy/reading programs for children in public housing.
- Continued to encourage resident participation in extracurricular activities. Approximately 28 children in public housing created posters for the annual “What Housing Means to Me” poster contest. One of which won at the Chapter and Regional level of the National Association of Housing and Redevelopment Officials (NAHRO) and as a result continued on to the national competition

After several years of uncertainty, the Agency has reached a period of recovery. We are optimistic that with your leadership and support, we will continue to bring forward award-winning projects and to invest in community revitalization activities through effective partnerships that improve Sacramento’s quality of life.

Sincerely,

La Shelle Dozier
Executive Director

PROFILE OF THE AGENCY

The Agency is located in Sacramento, California. The City of Sacramento, established in 1849, serves as the capitol for the State of California and is the center of state government. Sacramento also serves as the seat of Sacramento County government. It is the sixth largest populated city in California and continues to see a migration of people from the San Francisco Bay Area and Southern California. The State of California Department of Finance estimates the population on January 1, 2013 at 473,509 for the City and 1,445,806 for the County of Sacramento. Sacramento encompasses 99 square miles and is located in the northern section of California's burgeoning Central Valley. Sacramento is a charter city and operates under a Council-Manager form of government.

The Agency is a joint powers authority formally created in 1982 (but operating since 1973) to provide common professional staffing to the City and County of Sacramento to administer and manage its housing authorities and the city and county federal housing and community development entitlement funds. The Agency is a separate legal entity and is not a component unit of the City or County of Sacramento. The Agency receives no City or County general funds and SHRA is not included in Comprehensive Annual Financial Report of either the City or County of Sacramento.

The members of the joint powers agency included the City and County of Sacramento, the Housing Authorities of the City and County of Sacramento and the Redevelopment Agencies of the City and County of Sacramento. On February 1, 2012, all Redevelopment Agencies in the State of California were eliminated and replaced with a Successor Agency responsible for the wind down of former redevelopment agency activities and obligations. On February 1, 2012, the legal and treasury functions related to the administration and management of the former redevelopment activities and payment of debt for the former redevelopment agencies of the City and County of Sacramento were assumed within the City and County management structure. However, all housing assets and housing functions of the former redevelopment agencies were assumed by the Housing Authority of the City and the Housing Authority of the County to be staffed, managed and administered by the Agency

The Agency serves as the fiscal agent/administrator and provides the exclusive staffing for the Housing Authorities of the City and County of Sacramento. The Housing Authorities of the City and County were formed in July 1939 and June 1940, respectively. Additionally, since June of 1982 the Agency administers and manages the federal Community Development Block Grant Programs (CDBG) and Home Investment Partnership Programs (HOME) for the City and County of Sacramento. In 2012 with changes to federal regulations related to Homeless Continuum of Care funding, the Agency assumed administration of Housing Opportunities for Person with AIDS (HOPWA), a federal grant program from the County of Sacramento.

The governing board of the Agency is the Sacramento Housing and Redevelopment Commission (Commission). The Commission authority to approve housing related projects, programs and budgets is limited to what is delegated to them by the governing boards of the Agency members. The City Council serves as the City Housing Authority

and the City Redevelopment Agency Successor Agency governing boards and retained the power to approve City housing related projects, programs and budgets. The County Board of Supervisors, serves as the County Housing Authority and the County Redevelopment Agency Successor Agency governing boards and retained power to, approve County related housing agenda items. The Commission also serves in an advisory capacity for each Agency member and the Commission has operational authority within the budget and policy direction approved by the City Council and County Board of Supervisors.

FACTORS AFFECTING ECONOMIC CONDITION

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the Agency operates.

Local economy

The California State University Sacramento College of Business Administration reports that more than two years into the local recovery, the Sacramento economic outlook continues to improve, albeit at a moderate pace, as expected. The regional unemployment rate is currently 8%, down from 9.6% a year ago and is expected to fluctuate between 7% -8.5% in 2014. This compares to 8.3% for California and 6.6% for the United States (unadjusted). The fact that Sacramento lags the national economy in recovery is due largely to the housing crash that precipitated the recent recession. Housing is typically the sector that drives regional economic rebounds, but not so this time. While most other recoveries have been paced by resurgence in construction, this last downturn was caused by overbuilding and it will take longer to correct. As a result, every year of this recovery seems to look pretty much like the year before. The housing bust associated with the recession has also dampened another factor that drove strong growth in the past: population inflows. Rapid population growth fueled the economic growth in the Sacramento region prior to the recession but not during the recovery. In 2014, population growth is expected to continue to be moderate without faster job growth to attract more people to the Sacramento area.

Long-term financial planning

Recognizing an emerging trend toward economic instability on a national and local level, the Agency adopted conservative fiscal strategies in anticipation of a progressive decline in resources. In 2008 the Agency began to restructure and re-engineer the organization which entailed an analysis of span of control (number of employees reporting to management), process improvements, adjusting service level expectations and implementing initiatives that streamline and consolidate services and functions. Many of the initiatives have been implemented and have resulted in a much more cost effective and efficient organization. Had the Agency not implemented a timely response at the first signs of these fiscal challenges, our current budget situation would have required a more drastic approach.

Some of the guiding principles used to develop the Agency's budget include:

- Protecting "core services" to the greatest extent possible, with delivery of housing programs, public services and capital projects being a major priority;
- Managing program activities by focusing on the efficiency of program delivery and the maximization of results;
- Consideration of the long term financial sustainability;
- Using partnerships with community based organizations and private entities whenever practical; and
- Developing budget plans that deal with the immediate needs of the Agency and employ strategies that address the long-term needs of the communities we serve.

Relevant financial policies

The demand for affordable housing in Sacramento City and County, and in the entire Sacramento region, has increased with the slow housing recovery and as unemployment and household income remains stagnate. In turn, this trend has put pressure on the rental market and has increased the demand for affordable housing. The Agency is committed to increasing the supply of affordable housing and has worked closely with the City and County in the development of inclusionary ordinances, the development of a ten year plan to end chronic homelessness, and other policies that will help increase rental housing production and homeownership opportunities. As a lender and developer, the Agency strives to efficiently manage its resources in order to address the range of need and reach special populations, the workforce population, and those who are moving out of the rental market and buying their first homes.

WHEREAS, the sources of Agency revenues require an operating budget adopted prior to the start of each new fiscal year; On February 1, 2012, pursuant to Health and Safety Code Section 34173, the fiscal administration of the former City and County Redevelopment Agencies was assumed within the management structure of the City and County of Sacramento which elected to administer the dissolution of their redevelopment agencies. The budgets of the former Redevelopment Agencies are no longer incorporated within the Sacramento Housing and Redevelopment Agency Budget; and

WHEREAS, Agency's fiscal year is the calendar year from January 1st through December 31; and

project subject to environmental review under the California Environmental Quality Act (CEQA), as provided in CEQA Guidelines Section 15378(b). These actions are also exempt from environmental review under the National Environmental Policy Act (NEPA) per 24 CFR Section 58.34(a)(3). Public services provided for in the budget associated with multi-family supplemental assessments and rental assistance are actions associated with existing facilities with no changes to or expansion of use. As such, these activities are categorically exempt under CEQA pursuant to CEQA Guidelines Section 15061(b), and categorically excluded under NEPA pursuant to 24 CFR Section 58.35(b)(1), (2), (3), and (4).

All other actions are associated with the adoption of the 2016 proposed budget, and do not make any commitments to, or give approvals for, specific projects. Environmental Review for specific projects will be completed prior to any discretionary action(s) being carried out with regard to such projects.

Section 2. The 2016 Operating Budget totaling \$153,385,810 and the 2016 Project Budget totaling \$26,195,497, all as further described in the 2016 Proposed Agency Budget (hereinafter “2016 Agency Budget” or “Budget”), a copy of which is on file with the Agency Clerk and copies of which have been provided to the respective governing board members, are approved as the Budget of Agency for the 2016 fiscal year. The 2016 Agency Budget incorporates the budgets of the Housing Authority of the City of Sacramento, the Housing Authority of the County of Sacramento, and the Sacramento Housing Development Corporation, and adoption of those budgets is contingent upon the approval of each of these respective entities.

Section 3. A total of 225 Agency full time equivalent positions (FTE) are approved subject to classification review by the Executive Director of the Sacramento Housing and Redevelopment Agency.

Section 4. The budgeted amount for any item in the Budget may be amended by majority vote of the governing body of each entity actually undertaking and funding the activity. Such an amendment to the Budget so enacted shall be deemed to have been approved by all of the entities that originally adopted the Budget without further action of the remaining entities.

Section 5. The Executive Director, or designee, is authorized to amend the Budget as necessary and to transfer funds among operating budgets or project budgets to facilitate legal directives of the United States Department of Housing and Urban Development (HUD), the California State Department of Finance and/or the State Controller’s Office and the actions taken by the Successor Agencies of the former Redevelopment Agencies approved by the Successor Agency oversight Boards.

Section 6. The Executive Director, or designee, is authorized to submit the 2016 Annual Housing Operating Budget and all supporting documents to the United States Department of Housing and Urban Development (HUD), including all required amendments for utilities and other miscellaneous adjustments. Furthermore, the Executive Director, or designee, is authorized to amend the Budget to reflect actual HUD approved expenditures and revenues for HUD funded programs and projects.

Section 7. The proposed expenditures under the 2016 Housing Operating Budget are necessary in the efficient and economical operation of Agency housing to serve low-income families.

Section 8. The housing financial plan set forth in the 2016 Housing Operating Budget is reasonable in that:

- a. It indicates a source of funding adequate to cover all proposed expenditures.

- b. It does not provide for use of federal funding in excess of amounts payable under the provisions of the pertinent regulations.
- c. It proposes rental charges and expenditures that are consistent with provisions of law and the Annual Contributions Contract.
- d. It implements the fee for service provisions and support service costs based on the HUD requirement for public housing authorities to implement Asset Management that includes fee for service,. RESOLUTION NO. 2015-0348

Adopted by the Sacramento City Council

November 10, 2015

APPROVAL OF 2016 BUDGET FOR SACRAMENTO HOUSING AND REDEVELOPMENT AGENCY; RELATED FINDINGS, APPROVALS, DELEGATIONS AND IMPLEMENTING AUTHORIZATIONS INCLUDING AUTHORITY FOR HUD SUBMISSIONS, GRANTS AND FUND TRANSFERS

BACKGROUND

- A. The Sacramento Housing and Redevelopment Agency (Agency) is a joint powers agency created to eliminate duplicate staffing efforts to manage and administer federal housing and community development programs on behalf of the City and County of Sacramento, which provides a competitive advantage to the City and County when seeking federal and other housing and community development funding opportunities. The consolidation of multiple departments from different jurisdictions achieved close coordination of housing and community development programs and provides budget savings for operation and overhead. The Agency Executive Director reports directly to the City and the County governing boards. The Agency is recognized statewide and nationally as a model public agency that achieves multi-jurisdictional cooperation and effectively leverages local, state and federal housing and community development funds.
- B. The Agency receives annual funding from a combination of federal, state and local sources. The sources of Agency revenue require an operating budget adopted prior to the start of each new fiscal year. The Agency's fiscal year is the calendar year from January 1st through December 31st.
- C. As of February 1, 2012, pursuant to Health and Safety Code Section 34173 and City Resolution No. 2012-018, the fiscal administration of the former Redevelopment Agency of the City was assumed within the management structure of the City of Sacramento, which elected to administer the dissolution of its redevelopment agency and to manage and staff the Redevelopment Agency Successor Agency (RASA). The budget of the former Redevelopment Agency is no longer incorporated within the Agency Budget.
- D. Pursuant to Health and Safety Code Section 34176, City Resolution No. 2012-018, and Housing Authority Resolution No. 2012-001, the City of Sacramento designated the Housing Authority of the City of Sacramento (Authority), managed and staffed by the Agency, as the designated local authority to retain the housing assets and housing functions previously performed by its Redevelopment Agency, and the Housing Authority elected to serve in that role.

APPROVAL OF 2016 BUDGET FOR SACRAMENTO HOUSING AND REDEVELOPMENT AGENCY; RELATED FINDINGS, APPROVALS, DELEGATIONS AND IMPLEMENTING AUTHORITIES; INCLUDING AUTHORITY FOR HUD SUBMISSIONS, GRANTS AND FUND TRANSFERS

WHEREAS, the Sacramento Housing and Redevelopment Agency (Agency) is a joint powers agency created to eliminate duplicate staffing efforts to manage and administer federal housing and community development programs on behalf of the City and County of Sacramento which provides a competitive advantage to the City and County when seeking federal and other housing and community development funding opportunities. The consolidation of multiple departments from different jurisdictions achieves close coordination of housing and community development programs and provides budget savings for operation and overhead. The Agency Executive Director reports directly to the City and the County governing boards. The Agency is recognized statewide and nationally as a model public agency that achieves multi-jurisdictional cooperation and effectively leverages local, state and federal housing and community development funds; and

WHEREAS, the Agency receives annual funding from a combination of federal, state and local sources; and

WHEREAS, the sources of Agency revenue require an operating budget adopted prior to the start of each new fiscal year. The Agency's fiscal year is the calendar year from January 1st through December 31st; and

WHEREAS, On February 1, 2012, pursuant to Health and Safety Code Section 34173 and resolution no. 2012-0051, the fiscal administration of the former Redevelopment Agency of the County was assumed within the management structure of the County of Sacramento which elected to administer the dissolution of its redevelopment agency and manage the County Redevelopment Agency Successor Agency (CRASA). The budget of the former Redevelopment Agency is no longer incorporated within the Agency Budget; and

WHEREAS, pursuant to Health and Safety Code Section 34176 and resolution no. HA-2012-2329 the County of Sacramento designated the Housing Authority of the County of Sacramento (Authority), managed and staffed by the Agency, as the local authority to retain the housing-assets and housing-functions previously performed by its Redevelopment Agency.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF SACRAMENTO:

Section 1. The proposed actions to adopt the 2016 Proposed Agency Budget are

considered administrative and management activities. As such, these actions do not constitute a project subject to environmental review under the California Environmental Quality Act (CEQA), as provided in CEQA Guidelines Section 15378(b). These actions are also exempt under the National Environmental Policy Act (NEPA) per 24 CFR Section 58.34(a)(3). Public services provided for in the budget associated with multi-family supplemental assessments and rental assistance are actions associated with existing facilities with no changes to or expansion of use. As such, these activities are categorically exempt under CEQA pursuant to CEQA Guidelines Section 15061(b), and these activities are categorically excluded under NEPA pursuant to 24 CFR Section 58.35(b)(1), (2), (3) and (4). All other actions are associated with the adoption of the 2016 proposed budget, and do not make any commitments to, or give approvals for, specific projects. Environmental Review for specific projects will be completed prior to any discretionary action(s) being carried out with regard to such projects.

Section 2. The 2016 Operating Budget totaling \$153,385,810 and the 2016 Project Budget totaling \$26,195,497, as further described in the 2016 Proposed Agency Budget (hereinafter “2016 Agency Budget” or “Budget”), a copy of which is on file with the Agency Clerk and copies of which have been provided to the respective governing board members, are approved as the Budget of the Agency for the 2016 fiscal year. The 2016 Agency Budget incorporates the budgets of the Housing Authority of the City of Sacramento, the Housing Authority of the County of Sacramento, and the Sacramento Housing Development Corporation, and adoption of those budgets is contingent upon the approval of each of these respective entities.

Section 3. A total of 225 Agency full time equivalent positions (FTE) are approved subject to classification review by the Executive Director of the Sacramento Housing and Redevelopment Agency.

Section 4. The budgeted amount for any item in the Budget may be amended by majority vote of the governing body of each entity actually undertaking and funding the activity. Such an amendment to the Budget so enacted shall be deemed to have been approved by all of the entities that originally adopted the Budget without further action of the remaining entities.

Section 5. The Agency is authorized to amend the Budget as necessary and to transfer funds among operating budgets or project budgets to facilitate legal directives of the California State Department of Finance and/or the State Controller’s Office and the actions taken by the County of Sacramento acting as Successor Agency to the former Redevelopment Agency (CRASA) as approved by the CRASA Oversight Board regarding housing successor matters.

Section 6. The Agency is authorized to submit the 2016 Annual Housing Operating Budget and all supporting documents to the United States Department of Housing and Urban Development (HUD), including all required amendments for utilities and other miscellaneous adjustments. Furthermore, the Agency is authorized to amend the Budget to reflect actual HUD approved expenditures and revenues for HUD funded programs and projects.

Section 7. The proposed expenditures under the 2016 Housing Operating Budget are necessary for the efficient and economical operation of Agency housing to serve low-income families.

Section 8. The housing financial plan set forth in the 2016 Housing Operating Budget is reasonable in that:

- a. It indicates a source of funding adequate to cover all proposed expenditures.
- b. It does not provide for use of federal funding in excess of amounts payable under the provisions of the pertinent regulations.
- c. It proposes rental charges and expenditures that are consistent with provisions of law and the Annual Contributions Contract.
- d. It implements the fee for service provisions and support service costs based on the HUD requirement for public housing authorities to implement Asset Management that includes fee for service. The fee for service provision is predicated on the revenues generated by fees being sufficient to cover the cost of services provided over time.

Section 9. The Housing Authority of the County of Sacramento, staffed by the Agency is authorized to submit applications to HUD for the Capital Fund Plan and Program funding. If such grants are awarded, the Agency is authorized to accept the grant or grants, execute all related documents, execute contracts to implement the Capital Fund Program subject to HUD approval of the annual statements and amend the Budget accordingly. The Agency is directed to comply with all policies, procedures, and requirements prescribed by HUD as a condition of such grants. The Agency is authorized to submit the Comprehensive Plan or annual statement to HUD after receiving public comments and resident review and approval of the Sacramento Housing and Redevelopment Agency Commission.

Section 10. On an annual basis, HUD requires the Authority, staffed by the Agency to conduct a physical inventory, analyze receivables for collectability and accordingly, reconcile and adjust related financial records. The Agency is authorized to amend the Budget and financial records as needed for such adjustments.

Section 11. The Agency is authorized to purchase all lines of applicable insurance for its properties and operations through local independent agents, direct carriers, or risk retention pools, provided that the insurance requirements, coverage and terms are commercially reasonable and provided that the cost does not exceed the amounts in the approved Budget. The Agency is also authorized to obtain flood insurance through the federal flood insurance program for Agency properties and this coverage may be secured through a local independent agent.

Section 12. Subject to availability under the Budget of any required funds, the Agency is authorized to approve conversion of HUD funded conventional public housing dwelling units to non-dwelling use or disposition as long as the use or disposition is approved by HUD and consistent with adopted Agency/Housing Authority policy and governing board approvals. The Agency is authorized to amend the Budget as necessary and to transfer funds among operating budgets or project budgets to facilitate the HUD approved conversion.

Section 13. The Agency is authorized and directed to approve, submit and implement the Public Housing Agency (PHA) Annual Plan and PHA Five-Year Plan, and the attachments and/or amendments to such Plans to comply with the Quality Housing and Responsibility Act of 1998, as approved by the Sacramento Housing and Redevelopment Agency Commission.

Section 14. The Agency is authorized to submit to HUD the One Year Action Plan (Action Plan) for Community Development Block Grant (CDBG), Home Investment Partnership (HOME), Emergency Solutions Grant (ESG) and Housing Opportunities for People with AIDS (HOPWA). The Agency is delegated authority to administer federal funds appropriated by HUD and is the designated recipient of funds outlined in the One Year Action Plan. If such grants are awarded, the Agency is authorized to accept the grant or grants, execute all related documents and amend the Budget accordingly. The Agency is directed to comply with all policies, procedures, and requirements prescribed as a condition of such grants. The Agency is authorized to amend the Capital Reserve Project in the event that the actual entitlement exceeds, or is less than, that estimated in the Budget.

Section 15. The Agency is authorized to administer funds or delegate authority to other appropriate entities approved by the governing boards, to administer ESG and HOPWA programs and expend funds and to execute contracts with the appropriate entities to carry out the activities contained in the Action Plan utilizing ESG and HOPWA funds, strictly in accordance with the terms of approved Action Plans and funding source requirements.

Section 16. The Agency is authorized to enter into necessary grants and agreements with HUD, the State Housing and Community Development Department (HCD), and other

governmental or private entities for homeless programs for which the Agency is the designated recipient of grant funds or contracting agency. The Agency is authorized to accept such grants, execute contracts to implement homeless activities as outlined in the Agency public services schedule and funded in the Budget and amend the Budget accordingly (provided that the activities are fully funded by the grant or are within the Agency Budget).

Section 17. The Agency is authorized to submit grant applications on behalf of the County of Sacramento for any and all housing and community development activities within the jurisdiction of the Agency. If such grants are awarded (and approved by the governing board if in excess of \$100,000) the Agency is authorized to accept the grant or grants, execute contracts to implement grant activities with the appropriate entities (provided that the activities are fully funded by the grant or within the Budget), execute all related documents and amend the Budget. Budget expenditure and amendments for such grants are permitted for positions, services and supplies, equipment and projects. APPROVAL OF 2016 BUDGET FOR SACRAMENTO HOUSING AND REDEVELOPMENT AGENCY; RELATED FINDINGS, APPROVALS, DELEGATIONS, AND IMPLEMENTING AUTHORITIES; INCLUDING AUTHORITY FOR HUD SUBMISSIONS, GRANTS AND FUND TRANSFERS

WHEREAS, the Sacramento Housing and Redevelopment Agency (Agency) is a joint powers agency created to eliminate duplicate staffing efforts to manage and administer federal housing and community development programs on behalf of the City and County of Sacramento which provides a competitive advantage to the City and County when seeking federal and other housing and community development funding opportunities. The consolidation of multiple departments from different jurisdictions achieves close coordination of housing and community development programs and provides budget savings for operation and overhead. The Agency Executive Director reports directly to the City and the County governing boards. The Agency is recognized statewide and nationally as a model public agency that achieves multi-jurisdictional cooperation and effectively leverages local, state and federal housing and community development funds; and

WHEREAS, the Agency receives annual funding from a combination of federal, state and local sources; and

WHEREAS, the sources of Agency revenues requires an operating budget adopted prior to the start of each new fiscal year. The Agency's fiscal year is the calendar year from January 1st through December 31st.

WHEREAS, as of February 1, 2012, pursuant to Health and Safety Code Section 34173 and resolution no. 2012-0051, the fiscal administration of the former Redevelopment Agency of the County was assumed within the management structure of the County of Sacramento which elected to administer the dissolution of its redevelopment agency and manage the County Redevelopment Agency Successor Agency (CRASA). The budget of the former Redevelopment Agency is no longer incorporated within the Agency Budget; and

WHEREAS, pursuant to Health and Safety Code Section 34176 and resolution no. HA-2012-2329 the County of Sacramento designated the Housing Authority of the County of

Sacramento (HACOS), managed and staffed by the Agency, as the local authority to retain the housing-assets and housing-functions previously performed by its Redevelopment Agency.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSING AUTHORITY OF THE COUNTY OF SACRAMENTO:

Section 1. The above recitals are found to be true and correct and are hereby adopted.

Section 2. The proposed actions to adopt the 2016 Proposed Agency Budget are considered administrative and management activities. As such, these actions do not constitute a project subject to environmental review under the California Environmental Quality Act (CEQA), as provided in CEQA Guidelines Section 15378(b). These actions are also exempt under the National Environmental Policy Act (NEPA) per 24 CFR Section 58.34(a)(3). Public services provided for in the budget associated with multi-family supplemental assessments and rental assistance are actions associated with existing facilities with no changes to or expansion of use. As such, these activities are categorically exempt under CEQA pursuant to CEQA Guidelines Section 15061(b), and these activities are categorically excluded under NEPA pursuant to 24 CFR Sections 58.35(b)(1), (2), (3), and (4). All other actions are associated with the adoption of the 2016 proposed budget, and do not make any commitments to, or give approvals for, specific projects. Environmental Review for specific projects will be completed prior to any discretionary action(s) being carried out with regard to such projects.

Section 3. The 2016 Operating Budget totaling \$153,385,810 and the 2016 Project Budget totaling \$26,195,497, all as further described in the 2016 Proposed Agency Budget (Budget), a copy of which is on file with the Agency Clerk and copies of which have been provided to the respective governing board members, are approved as the Budget of the Agency for the 2016 fiscal year. The 2016 Agency Budget incorporates the budgets of the Housing Authority of the City of Sacramento, the Housing Authority of the County of Sacramento, and the Sacramento Housing Development Corporation, and adoption of those budgets is contingent upon the approval of each of these respective entities.

Section 4. A total of 225 Agency full time equivalent positions (FTE) are approved subject to classification review by the Executive Director of the Sacramento Housing and Redevelopment Agency.

Section 5. Subject to availability under the Budget or limitations on use of any required funds, the Executive Director or her designees is authorized to amend the Budget as necessary to

accept funds, expend funds, or transfer funds among operating budgets or project budgets to complete enforceable housing obligations, comply with legal directives of the California State Department of Finance and/or the State Controller's Office, facilitate the dissolution of redevelopment pursuant to AB 1x 26 and AB 1484, or to provide staffing services to County Redevelopment Agency Successor Agency (CRASA). Such transactions must comply with applicable laws and regulations and agreements to provide staffing services for CRASA and are subject to CRASA Oversight Board Approval.

Section 6. The budgeted amount for any item in the Budget may be amended by majority vote of the governing body of each entity actually undertaking and funding the activity. Such an amendment to the Budget so enacted shall be deemed to have been approved by all of the entities that originally adopted the Budget without further action of the remaining entities.

Section 7. The Executive Director, or designee, is authorized to submit the 2016 Annual Housing Operating Budget and all supporting documents to the United States Department of Housing and Urban Development (HUD), including all required amendments for utilities and other miscellaneous adjustments. Furthermore, the Executive Director, or designee, is authorized to amend the Budget to reflect actual HUD approved expenditures and revenues for HUD funded programs and projects. Please see Exhibit B-1 for a summary of the Public Housing operating budget.

Section 8. The proposed expenditures under the 2016 Housing Operating Budget are necessary for the efficient and economical operation of Agency housing to serve low-income families.

Section 9. The housing financial plan set forth in the 2016 Housing Operating Budget is reasonable in that:

Section 11. Based on the HUD requirement for public housing authorities to implement Asset Management that includes fee for service, the Budget implements the fee for service provisions and support service costs. The fee for service provision is predicated on the revenues generated by fees being equal to the cost of services provided.

Section 12. The Executive Director, or designee, is authorized to submit applications to HUD for the Capital Fund Plan and Program funding. If such grants are awarded, the Executive Director, or designee, is authorized to accept the grant or grants, execute all related documents, execute contracts to implement the Capital Fund Program subject to HUD approval of the annual statements and amend the Budget accordingly. The Executive Director, or designee, is directed to comply with all policies, procedures and requirements prescribed by HUD as a condition of such grants. The Executive Director is authorized to submit the Comprehensive Plan or annual statement to HUD, after receiving public comments and resident review and approval of the Sacramento Housing and Redevelopment Agency Commission.

Section 13. On an annual basis the Agency, on behalf of the Housing Authority of the County of Sacramento (HACOS) conducts a physical inventory, analyzes receivables for collectability and, accordingly, reconciles and adjusts related financial records. The Executive Director, or designee, is authorized to amend the Budget and financial records as needed for such adjustments.

Section 14. The Executive Director, or designee, is authorized to purchase all lines of applicable insurance for its properties and operations through local independent agents, direct carriers, or risk retention pools, provided that the insurance requirements, coverage and terms are commercially reasonable and provided that the cost does not exceed the amounts in the approved Budget. The Agency on behalf of HACOS is also authorized to obtain flood insurance through the federal flood insurance program for HACOS properties and this coverage may be secured through a local independent agent.

Section 15. Subject to availability under the Budget of any required funds, the Executive Director, or designee, is authorized to approve conversion of HUD funded conventional public housing dwelling units to non-dwelling use or disposition as long as the use or disposition is approved by HUD and consistent with HACOS policy and governing board approvals. The

Executive Director or her designee is authorized to amend the Budget as necessary and to transfer funds among operating budgets or project budgets to facilitate the approved HUD approved conversion.

Section 16. The Executive Director, or designee, is authorized and directed to approve, submit and implement the Public Housing Agency (PHA) Annual Plan and PHA Five-Year Plan, and the attachments and/or amendments to such Plans to comply with the Quality Housing and Responsibility Act of 1998.

Section 17. The Executive Director, or designee, is authorized to submit to HUD the One Year Action Plan for Community Development Block Grant (CDBG), Home Investment Partnership (HOME), Emergency Solutions Grant (ESG) and Housing Opportunities for People with AIDS (HOPWA). HACOS, staffed by the Agency is delegated authority to administer federal funds appropriated by HUD and is the designated recipient of funds outlined in the One Year Action Plan (Action Plan). If such grants are awarded, the Agency is authorized to accept the grant or grants, execute all related documents and amend the Budget accordingly. The Agency is directed to comply with all policies, procedures, and requirements prescribed as a condition of such grants. The Agency is authorized to amend the Capital Reserve Project in the event that the actual entitlement exceeds, or is less than, that estimated in the Budget.

Section 18. The Executive Director, or designee, is authorized to administer funds or delegate authority to other appropriate entities approved by the governing boards, to administer ESG and HOPWA programs and expend funds and to execute contracts with the appropriate entities to carry out the activities contained in the Action Plan utilizing ESG and HOPWA funds, strictly in accordance with the terms of the Action Plan and funding source requirements.

Section 19. The Executive Director, or designee, is authorized to enter into necessary grants and agreements with HUD, the State Housing and Community Development Department (HCD), and other governmental or private entities for homeless programs for which HACOS or the Agency is the designated recipient of grant funds or contracting agency. The Agency is authorized to accept such grants, execute contracts to implement homeless activities funded in the Budget and to amend the Budget accordingly (provided that the activities are fully funded by the grant or are within the Agency Budget). The Executive Director, or designee, is authorized to execute contracts for homeless activities funded in the Agency Budget as outlined in the Agency public services schedule.

Section 20. HACOS finds and declares that the proposed expenditure of tax increment

housing funds, as set forth in approved recognized obligation payment schedules, for activities serving the homeless, including providing subsidies to, or for the benefit of, extremely low income households through either site specific rental assistance or tenant based rental assistance, as allocated/outlined in the budget, will not cause or exacerbate racial, ethnic or economic segregation and will be beneficial to all former Redevelopment Project Areas by facilitating the production of affordable housing and providing housing for a population which remains in or frequents the former Redevelopment Project Areas and is perceived as a blighting influence by business owners, property owners, workers and residents, and as a result impedes the elimination of blight in the community.

Section 21. HACOS further finds and declares that the proposed expenditure of tax increment housing funds, as set forth in approved recognized payment schedules to provide subsidies to, or for the benefit of, extremely low income households through either site specific rental assistance or tenant based rental assistance, increases, improves, and preserves the community's supply of low and moderate-income housing available at an affordable housing cost to persons and families that are extremely low, very low, low or moderate income households and will be of benefit to the community.

Section 22. HACOS finds and declares that the proposed planning and administrative expenses which may be paid for from the former low and moderate income housing fund, pursuant to an approved recognized payment obligation payment schedule, is necessary for the production, improvement and/or preservation of low and moderate income housing during the 2016 Agency Budget year.

Section 23. HACOS is authorized to amend the budget to transfer or accept funding or assets consistent with an approved recognized payment obligation schedule to the Agency or County RASA for approved capital projects or operating expenses in compliance with all bond covenants, tax laws and applicable laws and regulations or changes to the aforementioned.

Section 24. HACOS is authorized to amend the budget to receive assets or transfer assets, receive funds or transfer funds to the County RASA and execute agreements with the County or RASA as necessary to facilitate authorized directives of the State of California, the California State Department of Finance and/or the State Controller's Office or to provide staffing services to RASA. Agreements between the Agency or HACOS and the County RASA are subject to Successor Agency Oversight Board Approval.

Section 25. The Executive Director, or designee, is authorized to submit grant applications on behalf of the Housing Authority of the County for any and all housing and community development activities within the jurisdiction of the Agency. If such grants are awarded (and approved by the governing board if in excess of \$100,000) the Agency is authorized to accept the grant or grants, execute contracts to implement grant activities with the appropriate entities (provided that the activities are fully funded by the grant or within the Budget), execute all related documents, and amend the Budget. Budget expenditure and amendments for such grants are permitted for positions, services and supplies, equipment and projects. The Agency is directed to comply with all policies, procedures, and requirements prescribed as a condition of such grants. Such grants may include but are not limited to the following:

The Executive Director, or designee, may allocate and transfer any available fund balances to accounts held for future projects or reduce budget shortfalls in any other fund balances, provided monies so used are not otherwise restricted by law or regulations related to the funding source. Further, the Agency is authorized to expend available balances from the payroll fund for the cost of liabilities such as post retirement medical benefits, sick leave, and vacation accruals.

Section 28. The Executive Director, or designee, is authorized to amend the Budget to appropriate for expenditure all revenues received in revolving funds.

Section 29. The Executive Director, or designee, is authorized to increase or decrease operating Budget appropriations up to \$100,000. Operating Budget appropriation increases and decreases in excess of \$100,000 must be approved by the appropriate governing board.

Section 30. The Executive Director, or designee, is authorized to transfer appropriations up to \$100,000 per transaction in Operating Budget and contingency reserves.

Section 31. The Executive Director is authorized to increase or decrease project budget appropriations by not more than \$100,000 for each project or activity. Project budget appropriation increases and decreases in excess of \$100,000 must be approved by the appropriate governing board.

Section 32. The Executive Director, or designee, is authorized to transfer any available fund balances from HACOS instrumentalities or affiliates to allocate for future HACOS projects or to reduce budget shortfalls, provided the use and receipt of funds is not otherwise restricted by law or regulations. Such transactions are subject to HACOS instrumentality or affiliate board approval.

Section 33. The Executive Director, or designee, is authorized to amend the Budget to reflect all required debt service payments, pass through payments, loan repayments and other existing obligations based on actual higher or lower revenues.

Section 36. The Executive Director, or designee, is authorized to exercise default remedies and take other actions to protect Agency assets under contracts, loans, disposition and development agreements, owner participation agreements and other Agency agreements and to appropriate the associated revenues in the Budget. The Agency is authorized to enter into “loan work outs,” to the extent reasonably necessary to protect Agency assets, and in entering such “work outs,” the Agency is authorized to renegotiate and rewrite the terms of the loan as if the loan were made according to current loan program underwriting criteria (including forgiveness of principal as necessary to reflect underwriting the loan at current fair market value of the

subject property). Further, the Executive Director, or designee, is authorized to renegotiate existing Agency debt obligations and execute new security instruments provided the terms of the new debt do not increase the principal outstanding and either result in a cost savings or provide the Agency with more favorable loan terms.

Section 37. All project appropriations in existence as of December 31, 2015 will be carried over and continued in 2016.

Section 38. All multi-year operating grant budgets in existence as of December 31, 2015 shall be continued in 2016.

NOW THEREFORE BE IT RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF THE SACRAMENTO HOUSING DEVELOPMENT CORPORATION:

Section 1. The proposed actions to adopt the 2016 Proposed Agency Budget are considered administrative and management activities. As such, these actions do not constitute a project subject to environmental review under the California Environmental Quality Act (CEQA), as provided in CEQA Guidelines Section 15378(b). These actions are also exempt under the National Environmental Policy Act (NEPA) per 24 CFR Section 58.34(a)(3). Public services provided for in the budget associated with multi-family supplemental assessments and rental assistance are actions associated with existing facilities with no changes to or expansion of use. As such, these activities are categorically exempt under CEQA pursuant to CEQA Guidelines Section 15061(b). There is no federal funding associated with these actions; therefore, NEPA does not apply. All other actions are associated with the adoption of the 2016 proposed budget, and do not make any commitments to, or give approvals for, specific projects. Environmental Review for specific projects will be completed prior to any discretionary action(s) being carried out with regard to such projects.

Section 2. The Budget totaling \$720,580 for the Riverview Plaza Residential project, which is incorporated in the budget of the Sacramento Housing and Redevelopment Agency, all as further described in the “2016 Proposed Budget”, a copy of which is on file with the Agency Clerk, is approved as the Operating Budget for the 2016 fiscal year for the Sacramento Housing Development Corporation (2016 Budget).

The Executive Director of the Sacramento Housing Development Corporation (Executive Director) is authorized to obtain flood insurance for the Riverview Plaza Residential project through the federal flood insurance program, and is authorized to purchase liability insurance and enter into agreements with risk retention pools or other similar organizations, provided that the insurance requirements, coverage and terms are commercially reasonable and provided that the cost does not exceed the amounts in the approved 2016 Budget.

Section 4. The Executive Director is authorized to submit grant applications for any and all activities within the authority and jurisdiction of the Sacramento Housing Development Corporation. The Executive Director is authorized to accept such grants, amend the 2016 Budget to receive and allocate the grant funds, and to implement the actions required by the grant for any projects and programs currently within the Sacramento Housing Development Corporation's authorization and jurisdiction, provided that the activities are fully funded by the grant. Such Budget amendments are permitted for, but not limited to, positions, services and supplies, equipment and projects.

Section 5. The Executive Director is authorized to make transfers of fund balances to accommodate reserve requirements. The Executive Director may allocate and transfer any available fund balances to accounts held for future projects or to reduce budget shortfalls in any other fund balances, provided monies so used are not restricted by law or regulations related to the funding source.

Section 6. The Executive Director is authorized to make payments on debt incurred by the Sacramento Housing Development Corporation as necessary to comply with the provisions of the Partnership Agreement within which the Corporation serves as the General Partner, and as deemed prudent and necessary by the Executive Director on behalf of the Sacramento Housing Development Corporation and within the 2016 Budget hereby adopted.

FINANCIAL MANAGEMENT POLICIES

FINANCIAL MANAGEMENT POLICIES

Revenue Policy

- Revenues will be conservatively estimated using the best information available, and the Agency will strive to maintain a stable revenue system and operating structure that protects the Agency from short term fluctuations in individual revenue sources.
- Intergovernmental assistance in the form of grants and loans will be used to finance only capital projects or programs that can be sustained over time or have a limited horizon.
- In general, one-time revenues will be used only to support capital projects or other non-recurring expenditures. One-time revenues may be used for operating programs provided that longer term financial planning is addressing any imbalances between operating revenues and expenditures.

Debt Policy

- It is the intent of the Agency to issue debt in a manner that adheres to state and federal laws, existing bond covenants and prudent financial management.
 - Minimize debt service and issuance costs
 - Maintain the highest practical credit rating
 - Evaluate the cost effectiveness of all potential borrowings
- The Agency will not use long-term debt financing for any recurring purpose such as current operating and maintenance expenditures. While the Agency does not anticipate issuing any short-term debt instruments such as tax or bond anticipation notes, these financing instruments shall be excluded from this limitation.
- The Agency will diligently monitor its compliance with bond covenants and ensure its adherence to federal arbitrage regulations.
 - Full and timely repayment of outstanding debt
 - Compliance with continuing disclosure requirements

FINANCIAL MANAGEMENT POLICIES

Interdepartmental Charges / Indirect Cost Recovery

The Agency currently utilizes an internal service fund for the following purposes:

- Support Services: to accumulate resources in the form of fees for service which are charged to operating departments for the costs of support services and for the replacement of equipment serving the entire organization.
- Insurance: to accumulate resources for payment of insurance premiums, deductibles, and loss reserves.
- Capital Facilities: to accumulate resources for the maintenance, repair and debt payments of the Agency administrative building.
- Payroll Fund: to accumulated resources to pay for employee payroll and benefit costs as well as the costs of future post-retirement medical benefits.

Annual Audit

The Agency is required to have an independent audit performed annually by a qualified independent accounting firm.

The independent auditing firm will be selected by the Agency based on a competitive proposal process and the selection will be approved by the City Council and the County Board of Supervisors.

Budget Policies and Procedures

The Agency is a joint powers authority formed by the City and County of Sacramento, and the annual budget is prepared on a calendar year basis. Initially, the Executive Director is required to submit a proposed budget to the Agency advisory board, the Sacramento Housing and Redevelopment Commission for their recommendation. The budget is then submitted for approval to the Sacramento City Council, sitting as the City Council, and the Housing Authority of the City of Sacramento. Simultaneously, the budget is also submitted for approval to the Sacramento County Board of Supervisors, sitting as the County Board of Supervisors and the Housing Authority of the County of Sacramento. The budget submitted is required to be a balanced budget either through the matching of ongoing revenues with proposed expenditures or through the use of existing fund balances.

FINANCIAL MANAGEMENT POLICIES

Budget Basis

The basis of the budget refers to when revenues and expenditures are recognized in the funds. Governmental funds recognize revenues when they become measurable and available and expenditures are generally recognized when the related liability is incurred. Proprietary funds are accounted for using the accrual basis of accounting. Their revenues are recognized when they are earned, and their expenses are recognized when incurred.

Responsibility

Each department's management team is responsible for preparing the individual departmental budget requests in accordance with the guidelines provided by the Executive Director and Director of Finance. The Finance Department provides each department with cost experience data and assists departments in addressing issues related to funding availability. The Finance Department prepares all revenue, debt service and financial transaction estimates.

Budget Review

During the budget review process, the Executive Director, in conjunction with the Finance Department, analyzes new positions, operating and capital budget requests. This information is then compiled and the Executive Director or Director of Finance holds meetings with each department, as needed, to review their expenditure request for the proposed budget year. At the completion of these meetings, the Finance Department again compiles all the financial data and the Director of Finance presents the proposed budget to the Executive Director for review.

Budget Adoption

The Executive Director presents, via publicly noticed sessions, the budget to the governing boards. Three publicly noticed budget workshops are conducted at the Sacramento Housing and Redevelopment Commission prior to submission of the proposed budget to all governing boards for approval.

Budget Implementation

A budgetary control system is maintained to ensure compliance with the budget. The Finance Department is responsible for setting up the budget for tracking purposes and is charged with ensuring fund availability during the year to cover expenditures and appropriations. Reports comparing the budget with expenditures may be generated by departments as needed for review.

Budget Control

The Agency budget is controlled at the fund group level. Except as provided in the enclosed budget resolutions, no expenditure will exceed the approved budget.

FINANCIAL MANAGEMENT POLICIES

Accounting Structure and Principles

Accounting System

In developing and evaluating the Agency's accounting system, consideration is given to the adequacy of internal accounting controls. Internal accounting controls are designed to provide reasonable, but not absolute, assurance regarding the safeguarding of assets against loss from unauthorized use or disposition; and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a specific control feature should not exceed the benefits likely to be derived and the evaluation of costs and benefits require estimates and judgments by management.

All evaluations of the Agency's internal control will continue to occur within the above framework. The Agency's internal accounting controls adequately safeguard assets and provide reasonable assurance of proper recording of financial transactions.

Basis of Accounting

Special revenue and other governmental fund types are accounted for on a modified accrual basis. Under the modified accrual basis, revenue is recognized when susceptible to accrual (e.g., when it becomes both measurable and available).

"Measurable" means the amount can be determined and "available" means collectible within the current period or soon enough thereafter to pay current liabilities. This is generally within sixty (60) days after the end of the fiscal year. Expenditures are recognized when the related fund liability is incurred.

Proprietary funds (enterprise and internal service funds) are accounted for on an accrual basis. Under this method, revenue is recognized when earned and expenses are recognized at the time the liability is incurred.

Fund Descriptions

The Agency's accounting records are organized and operate on a "fund" basis, which is the basic financial accounting entity in governmental accounting. The accounting system is designed to enable the use of these types of funds. Each fund is designed by fund type and classification:

- Proprietary Funds: Enterprise and Internal Service
- Governmental Funds: Special Revenue, Debt Service and Capital Projects
- Account Groups: Capital Assets and Long-Term Debt

Proprietary Funds

Generally Accepted Accounting Principles (GAAP) applicable to a private commercial business is applicable to proprietary funds of a governmental entity. The accrual basis of accounting is utilized. The measurement focus is based upon a determination of net income, financial position and cash flows. Accordingly, basic financial statements are

FINANCIAL MANAGEMENT POLICIES

required, such as the balance sheet, the statement of revenues, expenses and changes in retained earnings (deficit), and the statement of cash flows.

Enterprise Fund: accounts for operations that are financed and operated in a manner similar to private enterprises, where the intent is that the cost of providing goods or services is recovered primarily through user charges.

Internal Service Fund: accounts for activities involved in rendering services to departments within the Agency. Costs of materials and services used are accumulated in these funds and are charged to the user departments as such goods are delivered or services rendered.

Governmental Funds

Governmental Funds are used to account for the Agency's expendable financial resources and related current liabilities, except for those accounted for in proprietary funds. The basic financial statements necessary to fairly present financial position and operating results for governmental funds are the balance sheet and the statement of revenues, expenditures and changes in fund balance. Governmental funds are maintained using the modified accrual basis of accounting.

Special Revenue Fund: accounts for the proceeds of specific revenue sources that are restricted by law or administrative action for specified purposes.

Debt Service Fund: accounts for accumulation of resources for, and payment of, interest and principal on long-term debt.

Capital Project Fund: accounts for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds).

Account Groups

Account Groups are used to establish accounting control and accountability for the Agency's capital assets and long-term debt.

Capital Assets Account Group: accounts for long-term assets of the Agency, except for those accounted for in proprietary fund types.

Long-Term Debt Account Group: accounts for long-term debt of the Agency, except for debt accounted for in proprietary fund types.

MAJOR REVENUE DESCRIPTION, TRENDS AND ESTIMATES

Major Revenue Description, Trends And Estimates

Enterprise Funds - Housing

Public Housing:

The Housing Authorities' own and/or manage approximately 3,416 housing units within the City and County of Sacramento. Of these, 2,713 of the units were developed under the federal public housing program administered by the Department of Housing and Urban Development (HUD) and are located throughout the Sacramento region with (1700 units) in the City and (1,013 units) in the County. Approximately 1,000 of these units are designated as elderly and/or disabled only with the remaining units available to families. Program revenues are generated from tenant rent collections and operating subsidies provided by HUD. The amount of rent paid by the tenants is based on 30 percent of gross family income minus certain other adjustments. In addition to the public housing units, the Housing Authority manages another 498 units of local non-public housing.

Revenue Estimate

The average occupancy rate in the Public Housing program is 97 percent for public housing properties available to be leased. Rents reflect a slight decline over the last several years due primarily to: 1) long term vacancies associated with major rehabilitation projects, 2) the disposition of three public housing high-rises to the Agency affiliated non-profit the Sacramento Housing Asset Repositioning Program, Inc. (SHARP), 3) the sale of single family public housing units under the HUD 5h/Section 32/PRE program and 4) the reduction in TANF and SSI income to PHA tenants which reduces the tenants share of the rental payments (30% of income).

HUD operating subsidy, the funds provided by HUD to pay the costs of the program not covered by tenant rents, is appropriated annually through the federal budget process. Given the turmoil surrounding the federal budget, annual appropriations have been erratic reaching as high as 103% of funding eligibility in 2010 to as low as 82% in 2013. In 2015 the program is being funded at 87% of funding eligibility, meaning that the program is only receiving 87% of what HUD believes the Agency needs to run the program. This requires the public housing program to cut operating costs wherever possible and utilize its meager operating reserves. The Agency anticipates a similar level of funding for 2016.

Major Revenue Description, Trends And Estimates

Major Revenue Description, Trends And Estimates

Public Housing (Non-Federal):

The Agency's local housing projects, units not regulated by HUD, have shown positive revenue trends. The primary reason for this change is increased revenues in the Phoenix Park and Riverview Plaza projects and the addition of Villa De Novo and Norcade Circle Projects. Revenues are projected to be relative status quo with 2015 levels.

Major Revenue Description, Trends And Estimates

Housing Choice Voucher Program (HCV):

The Housing Choice Voucher (formerly Section 8 Housing Assistance) program is funded by the U.S. Department of Housing and Urban Development (HUD) through Annual Contribution Contracts (ACC). The Agency administers this program on behalf of the Housing Authority of the County of Sacramento. The Housing Choice Voucher program permits the applicant to obtain housing in the private rental market using housing vouchers. The program participants pay a portion (an adjusted 30 percent of gross family income) of the lease rate to the owner and the remaining rent amount is paid by the Housing Authority. Participants can utilize their voucher anywhere in the City or County of Sacramento.

Revenue Estimate

Revenue under the HCV program is received from HUD in the form of Housing Assistance Payments (HAP) and Administrative Fees (AF). The federal appropriations process dictates the amount of funding that will be allocated to the HCV program on a national level. Jurisdictional funding allocations are performance based, with the funding level determined by the number of authorized vouchers leased. Currently, the Housing Authority has 12,063 vouchers authorized for leasing each month and the program has effectively maintained a leasing level between 98% and 100% leasing for all vouchers authorized by HUD since 2008.

Major Revenue Description, Trends And Estimates

The high utilization level of vouchers makes the program eligible for maximum funding from HUD. Despite the fact that the Agency is entitled to maximum funding for the program, HUD has intentionally provided less funding than required to cover HAP costs in an effort to recapture accumulated HAP reserves from public housing authorities across the country. In 2008 and 2009 HUD intentionally recaptured HAP reserves leaving the Housing Authority with approximately two weeks of reserves; therefore, managing leasing levels becomes exceptionally important. During the Sequestration cuts of 2013, HUD provided significantly less funding than was required to cover the scheduled housing assistance payments to landlords. The Agency's 2013 funding eligibility of \$103.7 million was prorated at 95 percent, a funding cut of \$5.2 million. In 2014 and 2015, HUD prorated our eligibility at 99.5 percent and the Agency anticipates a similar funding level for 2016 based upon the current proposals moving through Congress.

Major Revenue Description, Trends And Estimates

HCV administrative funding eligibility is based upon the number of units leased within the Housing Authority's authorized voucher allocation, currently 12,063 units per month. Once eligibility is determined, HUD uses a formula to determine administrative fees for the Agency. For 2015, the Agency receives \$83.77 for the first 7200 unit months leased and \$78.19 on all remaining unit months leased. HUD then applies a proration to the formula to reduce fees paid so that the administrative fees paid to housing authorities' matches the appropriations provided by Congress. Sequestration triggered a 69 percent proration of 2013 HCV administrative funding eligibility. In 2014 and 2015 the pro-ration increased to 75 percent of administrative funding eligibility. The Agency expects funding in 2016 to remain the same given the wide array of funding levels purposed by the administration and Congress.

Major Revenue Description, Trends And Estimates

Other Governmental Funds (Special Revenue):

Community Development Block Grant (CDBG):

This is a federal entitlement program provided to communities annually for the benefit of low-income persons through housing improvement, public improvements, economic development, public service and elimination of blighting conditions. Areas of Sacramento which are low-income and extremely physically blighted have been selected for targeted CDBG assistance in the areas of capital improvements, housing preservation and renovation, and economic development and commercial revitalization activities. These funds must be used to augment but not replace local funds and responsibilities.

Revenue Estimate

The annual HUD CDBG entitlement budget is allocated to cities and counties based on a formula comprised of several measures. The Agency receives grants for both the City of Sacramento and the County of Sacramento. Since 2010, CDBG appropriations have been cut by 25 percent. Revenues are projected to be relative status quo with 2015 levels.

Major Revenue Description, Trends And Estimates

Home Investment Partnership Program (HOME):

The Agency administers HOME program on behalf of the City and County of Sacramento as well as the City of Citrus Heights through a consortium agreement. This program provides for the preservation and expansion of affordable housing to very low and low-income persons. Housing developers and sponsors (both for-profit and non-profit) apply to SHRA for funding. In the past, HOME funds have assisted families in purchasing their first home, renovated deteriorating housing developments and assisted in special housing programs.

Revenue Estimate

The annual HUD HOME budget is allocated to states and participating jurisdictions as formula grants. The Agency receives HOME entitlement for both the City of Sacramento and the County of Sacramento. Since 2010, appropriations for HOME have declined by 47 percent. Funding improved slightly in 2014 and 2015, but current federal funding proposals for 2016 reflect the possibility of another cut to the program on a national level.

Major Revenue Description, Trends And Estimates

Other Governmental Funds:

Capital Fund Program (CFP):

The HUD CFP provides funding specifically intended for the development, financing, modernization, and management improvements for properties owned under the HUD public housing program. Funds are allocated annually via a formula. The Agency receives funding for the public housing properties owned by the City and County Housing Authorities. Between 2002 and 2015, HUD funding for the capital improvements and modernization of Public Housing properties decreased 53 percent, with a sharp decrease coming in 2011 at 21 percent. 2016 HUD funding for the CFP is expected to decrease slightly from the 2015 level. Revenue estimates are based on the current year grant amounts and are adjusted based upon Federal appropriation proposals.

Major Revenue Description, Trends And Estimates

Housing Trust Funds (HTF):

The Agency administers Housing Trust Funds on behalf of the City and County of Sacramento. The City and County of Sacramento adopted ordinances in 1989 and 1990 respectively, for the purposes of generating fees for the development of affordable housing near employment centers. Fees collected from non-residential development are deposited in the Housing Trust Fund, and are used to fund affordable housing projects that are intended to serve the low income workforce employed by the commercial businesses in the surrounding area.

Revenue Estimate

Housing Trust Fund fees have dropped dramatically due to the sharp decline in number of commercial building permits being issued. The large increases in revenue in 2014 and 2015 are due to loan principal and interest repayments. HTF fees in the City are expected to improve in the near term due to the construction of the new arena in downtown.

Major Revenue Description, Trends And Estimates

Choice Neighborhoods Implementation Grant

The Agency and the City of Sacramento will receive a \$30 million Choice Neighborhoods Implementation Grant to redevelop the distressed Twin Rivers public housing community and revitalize the Sacramento River District-Railyards neighborhood. Sacramento was one of five recipients. The Twin Rivers proposal envisions the one-for-one replacement of the existing 218 units and additional workforce and market rate units in a mixed income development both on and off-site. Implementation Grants (typically in the amount of \$30 million each) support those communities that have undergone a comprehensive local planning process and are ready to implement their Transformation Plan to redevelop the neighborhood. The grant will provide additional resources to dozens of partner organizations to provide enhanced services to Twin Rivers public housing residents to improve outcomes in health, education and employment. The grant requires the project to break ground in the next 18 months.

Revenue Estimate

The Agency anticipates the 2016 revenues from the CNI grant to be approximately \$2.1 Million. More revenues will be drawn once the project breaks ground.

Summary of Full Time Equivalent (FTE) Positions By Department

The 2016 budget maintains full time equivalent positions (FTE) at 225, but recommends that 7.6 authorized positions be left unfunded for the 2016 budget. Reductions were achieved through the unfunding of vacant positions, employee layoffs and position reclassification and downgrades. In total, the Agency has reduced authorized FTE positions by 31 percent since 2005 when the Agency had 325 FTE positions.

Activities Detail

- Implement and maintain reliable voice and data networks.
- Enhance Agency productivity by incorporating computing and telecommunication applications that support a technologically smart workplace.
- Ensure that critical systems and data necessary to conduct Agency operations are secure.
- Provide access to information and data in a form that facilitates decision making and effective operational management.
- Enable the Agency to better communicate and exchange information with the public and its constituents via the Internet.

2016 Goals and Objectives

- Develop and implement Phase 1 of Applicant Portal to improve the current on-line Public Housing Authority application process by improving the family's ability to apply for existing a program(s) and the integration with existing waiting lists. Families who have already applied to a program will be able to sign into the portal and update any of their contact or family demographics information which is currently being managed via a paper request form. This will greatly improve our customer service for families and save hundreds of hours of labor for Housing Authority staff annually.

Information Technology

- Complete the implementation of Windows 7 and Office 2010 PC “image” for the agency desktops.
- Continue to define processes and procedures to automate manual document management with electronic workflows and project collaboration from within the SaaS applications Box.com, DocuSign and Clio through 2016.
- Foster a culture that recognizes its employees for their contributions to the Agency.

2015 Accomplishments

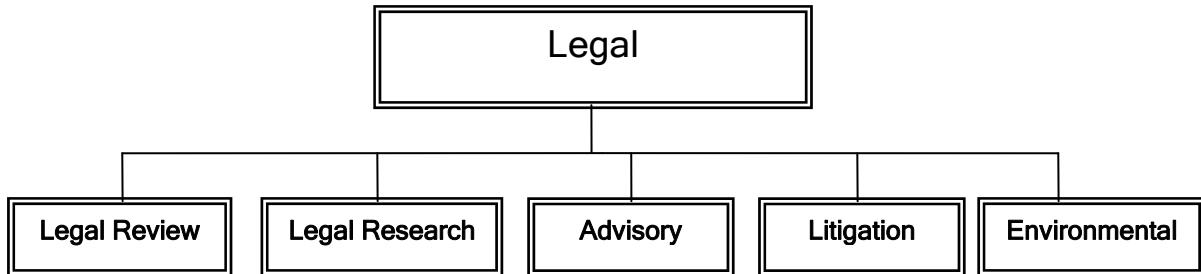

- IT completed a large portion of the implementation of Windows 7 and Office 2010 PC “image” to the agency desktops. These images are controlled by VMWare VDI and Unidesk software on clustered servers which are centrally managed by IT. The maintenance of desktop images will now be managed within minute’s verses hours and will eliminate the need for IT Help Desk staff to visit the desktop. In addition, IT entered into a Microsoft Enterprise Agreement for Windows and Office licenses which will provide the flexibility for the agency to upgrade to newer releases of Windows and Office as required. Upgrades to Windows and Office can potentially be accomplished within weeks rather than many months.
- IT and the Agency Clerk implemented Box.com to the first of many departments namely the Public Housing Authority, Housing Choice Voucher, Federal Programs and Human Resources departments. Box.com provides a secure and redundant, cloud based solution for collaboration on programs and projects with both internal staff and external partners along with version control, file exchanges, convenient messaging and task management and robust permissions management.
- DocuSign was also implemented to the Public Housing Authority, Federal Programs and IMTS to create and manage electronic workflows for the review and e-signature approvals for contracts, and the electronic archives of executed contracts. Staff’s productivity has increased by automating these currently manual processes. Beta tests have proven that the use of DocuSign for contract management has reduced the routing and signature time from a week or more to one to two days.

SHRA Administrative Building

Sacramento Housing and Redevelopment Agency maintains its administrative headquarters at 801 12th Street in Sacramento. The building was purchased in 2008 in order to centralize Agency staff that was previously located in three separate locations. The extensive rehabilitation of the six story building garnered a LEED Silver Certification as a “green” building.

Appropriations reflect the costs of the debt service and annual operations of the building. All costs are charged out to the departments utilizing the building or are expenditures of capital reserves for scheduled system replacements/repairs.

Activities Detail

Property Management and Capital Planning

Public Housing Administration provides a full service approach to property management and maintenance. In addition to the regulatory requirements to conduct annual tenant recertification, staff also conduct extensive quality control inspections and fiscal audits to confirm program compliance. Examples of the specific types of activities include, but are not limited to the following:

- Maintaining a 97% occupancy rate.
- Modernizing the public housing stock.
- Collecting rents and rent collection enforcement.
- Using energy efficient appliances, doors, and windows.

Public Housing

- Preparing and leasing vacant units with 21 days.
- Responding to requests for maintenance within 24 hours.
- Inspecting all units and building systems annually.
- Keeping tenant accounts receivable low.
- Maintaining appropriate levels of operating reserves.
- Keeping operating expenses within resources and established budgets.
- Carrying out a program of Resident Initiatives.
- Maintaining a capacity to develop additional units.

Administrative and PHA Plans

Annually the Housing Authority updates its Admissions and Continued Occupancy Program (ACOP) and Public Housing Authority Plan (PHA Plan) which provides a comprehensive guide to public housing agency (PHA) policies, programs, operations, and strategies for meeting local housing needs and goals. There are two parts to the PHA Plan: the Five-Year Plan, and the Annual Plan, which is submitted to HUD every year. It is through the Annual Plan that SHRA receives capital funding.

Site Inspections, Maintenance & Capital Improvements

General up-keep and maintenance of property is important for curb appeal and resident satisfaction. Regular site inspections using standard checklists are conducted at least annually by property management and maintenance staff. Inspection results are used to create the PHA Plan for capital improvements.

Audit

All Public Housing activities are audited to determine program compliance. Staff has developed various audit tools. They include on-site review and automated reporting using our YARDI database management system and independent audit by a qualified Certified Public Accounting firm.

Asset Repositioning

As a requirement from HUD the Housing Authority has developed an asset repositioning strategy for long term operation, capital investment, rehabilitation, modernization, disposition, and other needs for such inventory. Today, to be successful a Housing Authority must apply asset management principles in the same way that a private investor does. As a result of the asset repositioning study SHRA has:

- Extended the useful life of some aging properties.
- Altered and/or retrofitted facilities to consolidate space or accommodate new functions and technologies.

Public Housing

- Improved residential property-based standards for safety, environmental quality, and accessibility.
- Disposed of excess property.
- Found innovative ways and technologies to maximize limited resources.

2016 Goals and Objectives

- Complete activities in related to the Choice Neighborhood Grant in anticipation of applying for the Choice Neighborhoods Implementation Grant for Marina Vista and Alder Grove.
- Continue with Choice Neighborhood Initiative activities with the successful award of up to \$30,000,000 Implementation Grant for the Twin Rivers public housing development.
- Continue with efforts to revise the area immediately surrounding the Twin Rivers development.
- Develop a plan to strategically dispose of PHA-owned properties while developing others.
- Continue to implement new ways to support our residents in the areas of
 - Health
 - Education
 - Employment
- Obtain “high performer” status in both the City and the County Housing Authorities.
- Increase efficiencies
 - In how applicants update their information while they remain on the wait list
 - In how residents communicate with Housing Staff.
 - In how work orders are tracked and completed.
 - In tracking inventory within our rental units

2015 Accomplishments

- We scored 90% and higher on all the HUD inspections of our units this year.
- Approximately 28 children in public housing created a poster for the annual “What Housing Means to Me” poster contest and one of our posters won at the Chapter and Regional level of the National Association of Housing and Redevelopment Officials (NAHRO) and now goes on to the national competition.

Public Housing

- Implemented two new literacy/reading programs for children in public housing.
- Issued a “Request for Proposals” for Youth Services at our three big housing sites to ensure that we are involving a variety of providers to offer the best services to the youth living at Marina Vista, Alder Grove and Twin Rivers.
- Scored 90% or higher on all of our site inspections completed by HUD.
- Installed drop boxes at all of our housing sites so residents can make payments at their site office any time of the day or night. We have terminated the contract with our third party vendor who received rent payments so this process is more efficient and less costly.
- Created a new lease for residents, creating efficiencies by
 - Changing the date rent is due and how rent is paid to align with the new check scanning process.
 - Holding residents accountable—in the lease—for repayment agreements and damage claims tied to their previous unit.
 - Adding language making it illegal to grow marijuana.
 - Consolidating several separate documents in the Lease
 - Giving the Housing Authority discretion to discontinue leasing to a resident who has significant caused damage to a unit.
- Received renewal funding from the U.S. Department of Housing and Urban Development for a city and county Family Self Sufficiency (FSS) Coordinator to develop FSS program. The FSS program is a five year program that assists residents with job searches and links to social services, and allows residents to save a portion of rent subsidy towards future major purchases such as a home, car, or college tuition.
- Submitted the Transformation Plan for Marina Vista and Alder Grove to HUD.
- Added new classifications to the Maintenance positions, allowing for promotions and more efficient management of work load.
- Installed one lock system for all of our public housing residences so we change the code when residents move out or when residents lose their keys. We no longer have to replace the whole lock. This has created a time savings for our maintenance staff.
- Began the process to dispose of 76 single family homes to the Purchase and Resale Entity.

HCV Waitlist Management

It is important to manage a current waiting list of sufficient number to fill vacancies in order to maintain maximum usage of the vouchers received from HUD within the limitations of the HCV reduced budget. There are currently six waiting lists available for the HCV program enabling staff to be responsive and efficient to help low-income families.

Intake Functions

When vacancies occur, staff “pull” families from the waiting list and begin the process to determine their eligibility to participate in the program. Staff may meet with families on an individual basis or in larger groups to explain the program rules and regulations.

Maintenance of Participating Families

Participating families must annually recertify that they are still eligible to participate in the program. This documentation is electronically submitted to HUD. Participating families must also have their rental unit inspected to ensure that it meets Housing Quality Standards. Families must promptly report any changes in household composition and/or income to ensure that the housing is appropriate and affordable for the family.

Owner Participation

The HCV program could not exist without participating landlords so continuing to market the programs to the landlord community via proactive owner outreach and education is critical to have a good pool of landlords assisting our clients. Issuing timely and accurate payments and providing assistance when there are questions or problems are also key elements of providing good customer service to our landlords.

Housing Choice Vouchers

2016 Goals and Objectives

- Refine the landlord portal launched in 2015 where landlords have better visibility of Housing Authority activities related to their rental properties. Activities on the portal currently include signing up for direct deposit, reviewing tenant ledgers, updating contact information and reviewing past inspections. Future refinements will enable owners to track pending rent increase requests, lease and contract generations, and be able to proactively schedule future inspections.
- Enroll all 5,500 landlords participating in the HCV program to electronically receive their Housing Assistance Payment through direct deposit.
- Continue enhancements to the SHRA website to provide maximum resources online to HCV tenants, applicants and landlords. This includes direct links to the landlord portal, all relevant tenant/landlord forms, and answering frequently asked questions online.
- Launch Phase 1 of the Housing Opportunities (Applicant) Portal in order to manage changes in address, income and family members online directly by prospects/applicants.
- Promote enrollment in the First Source program for participants in the Resident Trainee Program, Family Self Sufficiency, Shelter Plus Care and HCV programs.
- Prioritize the recognition of employees on a regular basis to value their hard work and good performance.
- Launch the implementation of confidential electronic signatures for landlord/tenant documents through the vendor portal.
- Maximize the utilization of vouchers with a limited budget.
- Monitor inspections of rental units conducted on a biennial schedule per the 2014 Appropriations Act to create efficiencies within the program with limited administrative resources.

2015 Accomplishments

- Received high performer status from HUD for receiving maximum Section Eight Management Assessment Plan (SEMAP) points.
- Received award from HUD for maintaining over 92 percent lease up of VASH vouchers to serve the homeless disabled veterans in Sacramento County.
- Pulled 2,000 families off the HCV tenant based waitlist and increased the utilization of HCV vouchers to 99.6 percent post sequestration.
- Signed up over 80 percent of the (5,500) landlords to utilize the landlord portal. This portal provides a secure avenue for landlords and payees to track payments, review past inspections, access tenant ledgers, sign up for direct deposit, change contact information and complete other information online.

Development

Department Summary

The Development Department is comprised of three divisions, Community Development, Housing Finance and Portfolio Management, and Asset Repositioning. The Development Department is responsible for identifying real estate development opportunities that will increase the number of high quality affordable housing units and the preservation/rehab of the agency's existing housing stock. It also is responsible for coordinating funding from Federal programs, reviewing and funding mixed financing for development projects and new initiatives including the Choice Neighborhood development projects.

As a result of the elimination of redevelopment funding the Development Department is actively exploring opportunities to establish and expand our network of strategic partners and funding sources. Internally, we are in the process of aligning our staff to reflect the funding streams and goals of the organization. We are also taking deliberate actions to create and support a work environment that acknowledges and celebrates the achievements of its employees.

The Community Development Department (Department) works with various stakeholders to bring about positive change through investments in targeted neighborhoods. The primary responsibilities of the department include redevelopment successor agency assistance to the City and County of Sacramento, federally-funded programs including Community Development Block Grant (CDBG) and Neighborhood Stabilization Program (NSP), community outreach, and SHRA's Brownfields Program. In addition, the department is responsible for implementing a repositioning strategy for the public housing inventory of the City and County Housing Authorities

The Development Finance Department invests public funds in construction and rehabilitation projects that expand and preserve the supply of affordable housing and home ownership opportunities. In addition, the department oversees the implementation of affordable housing ordinances for both the City and unincorporated County of Sacramento. The department ensures that investments maintain their value over time by monitoring the Agency's loan portfolio for fiscal performance and for regulatory compliance. Staff conducts annual on-site inspections of housing projects for quality standards.

The Asset Repositioning Department working with the Housing Authority has developed an asset repositioning strategy for long term operation, capital investment, rehabilitation, modernization, disposition, and other needs for such its inventory. These projects were funded and built in past decades, when housing and neighborhood conditions in the City were far different from those today. Although they were built with expiring affordability restrictions, it was assumed that these developments would remain affordable housing resources for many future generations. Many of these projects are aging and have critical capital needs. The risk to the portfolio is significant without a comprehensive, sustained effort by the housing authority and its partners that is designed to ensure the preservation, viability and affordability of these housing units.

Department Summaries

Community Social Services

Since the beginning of 1994, the Community/Social Services programs have been managed by the County of Sacramento Department of Human Assistance (DHA). Beginning in 2012 several functions administered by DHA transitioned to the newly formed non-profit Sacramento Steps Forward (SSF). Additionally, beginning in 2012 and continuing in 2013, SHRA began assuming specific programs previously administered by DHA.

SSF will coordinate various funding sources including Agency funds to support the continuum of care programs including: transitional housing programs and permanent supportive housing programs.

SHRA has assumed administration of the Shelter Plus Care, Housing Opportunities for Persons With AIDS (HOPWA) and Emergency Shelter Grants (ESG) programs from DHA.

Other non-profits will administer Senior Nutrition programs.

Starting in July 2016, the administration of the Comprehensive Alcohol Treatment Center, also known as the “Detox Program”, transferred from DHA to SHRA.
