HOUSED

Guests Housed: November

Guests Housed: Program Total

Housing Terms Defined

Permanent Housing:

The Guest must be the tenant on a lease (or sublease) for an initial term of at least one year that is renewable and is terminable only for cause.

Temporary Housing:

The Guest declares they are living on a temporary basis with family or friends.

Transitional Housing:

The Guest lives in housing for a defined time period and may include supportive services.

The Program Total count for Permanent and Transitional may increase without proper accounting from the monthly total. This is due to the delay in the verification of a guest's move out address. Without a verified address the Guest cannot be categorized in any of the housed options. Once an address is verified and can be counted in a housed category the update is recorded on the next report in the appropriate housing Program Total section.

EXITS

Guests' Exits: November

Guests' Exits: Program Total

Exits Defined

Program-Exit:

Exit based on noncompliance of program rules.

Self-Exit:

Exit based on the Guest leaving the program of their own choice without securing Permanent Housing.

Housed-Exit:

Exit based on the Guest leaving the program to Permanent, Transitional, and Temporary Housing.

The counts in the Program Total may increase without proper accounting from the monthly total. This is due to the delay in the verification of a Guest's move out address. Without a verified address the Guest cannot be categorized under Housed-Exits. Once an address is verified, it can be properly placed on the next report in the Program Total section.
