SPOTLIGHT

How has your stay in the shelter made you feel?

"I feel like I was given a second chance in life. I talk to staff and other Guests and I see myself moving towards a better life. For the first time in 20 years I don't feel like using drugs. I can go be who I want to be. I want to be a woman that makes a difference in the world. One that is motivating and encouraging to others in need..."

Housed Guests: Program Total

Housing Terms Defined

Permanent Housing:

The Guest must be the tenant on a lease (or sublease) for an initial term of at least one year that is renewable and is terminable only for cause.

Temporary Housing:

The Guest declares they are living on a temporary basis with family or friends.

Transitional Housing:

The Guest lives in housing for a defined time period and may include supportive services.

Institution:

The Guest lives in:

- Foster Care Home or Foster Care Group Home
- Jail, Prison or Juvenile Detention Facility
- Psychiatric Hospital or other Psychiatric Facility
- Residential Project or Halfway House with no homeless criteria
- Substance Abuse Treatment Facility or Detox Center
- Long-term Care Facility or Nursing Home
- Hospital or Residential Non-Psychiatric Medical Facility

The Program Total counts may increase without proper accounting from the prior monthly totals. This is due to the delay in the verification of a Guest's move out address and/or exit interview. Without a verified address the Guest cannot be categorized in any of the housed options. When an address is verified, the update is recorded on the next report in the appropriate housing Program Total section.

EXITS

Exits: March

Exits: Program Total

Exits Defined

Program-Exit:

Exit based on noncompliance of program rules.

Self-Exit:

Exit based on the Guest leaving the program of their own choice.

Housed-Exit:

Exit based on the Guest leaving the program to Permanent, Transitional, Temporary Housing or to an Institution.

The counts in the Program Total may fluctuate without proper accounting from the monthly total. This is due to the delay in the verification of a Guest's move out address and/or exit interview. The type of exit does not dictate the destination.
