Chronic Homeless:

Guest self-report their status as Chronic Homeless at time of intake.

Meals and Bed Nights (PYTD):

The counts may not add up consecutively across all reports if the on-site service provider is unable to meet the report cut off times or if after their review corrections were made. The on-site service provider may enter missed data entries after the report cutoff times, which can be accounted for in the next weekly report's PYTD section.

*The Homeless Management Information System that is used as our database has undergone updates, which has affected the names of the gender categories.
