HOUSING AUTHORITY OFFERS HELP FOR PROGRAM PARTICIPANTS AND APPLICANTS TO APPLY FOR AFFORDABLE HEALTH INSURANCE
March 31, 2014 is deadline to apply for coverage

ARE YOU COVERED? The Sacramento Housing Authority is offering free help for anyone participating in the Housing Choice Voucher (HCV) or public housing programs, and housing applicants to get information and enroll in an affordable health insurance plan through Covered California before the March 31, 2014 deadline.

Anyone who misses the deadline must wait until the next open enrollment period to apply, which begins October 1, 2014.

Certified enrollment counselors from the Housing Authority are available to explain health plan options, determine eligibility, and help applicants complete the enrollment process. Counselors can also help update household information for anyone who is already enrolled. Anyone currently enrolled in Medi-Cal or Medicare does not need to apply.

To get information or enroll, contact Housing Authority Resident Services by email at residentservices@shra.org, or call (916) 449-6250.
