B.3 Progress Report.

Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.

The PHA continues to provide quality housing that is affordable to the low, very low, and extremely low-income households. Strategies pursued by the PHA as outlined in the 5 Year PHA plan continue to be successful and allows the authority to meet our Mission to promote adequate and affordable housing, economic opportunities, and a suitable living environment free from discrimination.

Goal: Increase the availability of decent, safe, and affordable housing

Progress: The PHA has applied for the Byrne Criminal Justice Innovation Program grant which would create a consortium of criminal justice, community and/or human service partners to plan and implement a targeted strategy addressing crime in a specific community.

Goal: Improve the quality of assisted housing

Progress:

- The PHA has achieved the designation of a High Performer for FY2015.
- The PHA used Capital Funds to rehabilitate and modernize approximately 209 public housing units in 2015.
- The PHA staff attended the following training in 2015 for the operations, maintenance and administration of assistant housing:
 - Excellence in Customer Service
 - Fair Housing and Reasonable Accommodations
 - Preparing of lease termination, hearing and trial
 - Fire Life Safety

Goal: Increase assisted housing choices

Progress:

- The PHA continues to conduct outreach and build relationships with other governmental agencies, non-profits, and other businesses to partner to increase options for low-income residents.
- The PHA continues to research the feasibility of changes to homeownership, and other affordable housing options to increase the housing choices for public housing residents.

Goal: Improve community quality of life and economic vitality

Progress:

In late December 2015, we were awarded the Jobs Plus Pilot Program Grant. In late 2015, this grant has allowed us to begin to develop locally-based, job-driven approaches to increase earnings and advance employment outcomes through work readiness, employer linkages, job placement, educational advancement technology skills, and financial literacy for residents of public housing. This action is helping to achieve previously stated goals; to improve community quality of life and economic vitality, promote self-sufficiency, and asset development of families and individuals.

The PHA linked and provided the following services through its Resident Opportunity for Self Sufficiency - Family Self Sufficiency (FSS) and Service Coordination programs in 2015:

- Twenty-two residents received Child Care Services
- Seventy residents attended Financial Literacy classes
- Outreached to 874 residents
- Eighty-Five residents received Health Referrals
- Eighteen residents received transportation vouchers that enabled employment
- Seventeen residents received job training skills

Goal: Promote self-sufficiency and asset development of families and individuals

Progress:

- The PHA has a Resident Service Department that includes one Family Self Sufficiency Coordinator and two Service Coordinators that provide resources, referrals, goal setting for residents seeking economic self-sufficiency, access to a variety of programs, and supportive services.
- The PHA has fine-tuned its processes to help residents identify the critical needs and coordinate them across the supportive services through resident services.
- The PHA will continue to expand services pending the availability of financial resources and awarding of funds for coordinator positions.
- The PHA helped residents achieve the following:
 1. Three residents graduated from 2-year and 4-year colleges
 2. Two FSS Program graduates purchased homes without utilizing their escrow account
 3. Six program participants have drafted plans to start local businesses.
 4. Three of those companies have been incorporated and are preparing to open for business upon completion of their SBA trainings and/or certifications.

Goal: Ensure Equal Opportunity to Housing for all Americans

Progress:

- The PHA continues to take affirmative measures to ensure that access to assisted housing is provided regardless of race, color, religion, national origin, sex, familial status, disability, sexual orientation, and gender identity.
- The PHA has updated its Language Access Plan, which incorporates a framework to assure its continual improvement to language efforts to meet the needs of those with limited English speaking skills.
- The PHA attended Fair Housing workshops on February 19, 2016 to ensure that fair housing efforts continue to be implemented.

The Housing Authority of the City of Sacramento has units in its inventory built in the 1940s. Some of the units contain flooring with asbestos that do not present an immediate health and safety issue, as long as the flooring is not disturbed. It has been the practice of the PHA to remedy the issue at the time of vacancy turn, approximately 20 units per year. In regards to the units in Developments CA005000101 (360) and CA005000102 (391), the PHA requested approval to exclude units from dwelling status at a date to be determined after July 1, 2016, and before June 30, 2017.

Other Capital Grant Programs

The Housing Authority of the City of Sacramento plans on submitting an application for the Emergency Safety and Security Grants for various public housing owned developments located throughout City of Sacramento.
