Bond, Transfer and Financing Documents for Rehabilitation of Washington Plaza Apartments

**Contact:** Christine Weichert, Assistant Director, 440-1353, Celia Yniguez, Program Manager, 440-1302

**Department:** Sacramento Housing and Redevelopment Agency

**Description/Analysis**

**Issue:** Washington Plaza is a 76-unit, nine-story, reinforced concrete structure constructed in 1971. The forty-two year old building needs significant upgrades (the "Project") to preserve the building as housing for extremely low-income seniors. The structure's 1318 E Street location and a vicinity map are shown on Attachment 1.

The proposed rehabilitation of Washington Plaza results from the 2007 Repositioning Strategy Guiding Principles ("Strategy") adopted by the Housing Authority of the City of Sacramento ("Housing Authority") as a strategic response to reductions in federal funding sources for public housing capital improvements and operations. The Strategy recommended three mid-rise buildings operated by the Housing Authority as priority projects, one of which is Washington Plaza Apartments at 1318 "E" Street in the Alkali Flat neighborhood.

The Project will be implemented by a public/private partnership between Sacramento Housing Authority Repositioning Program, Inc. ("SHARP") and BRIDGE Housing Corporation ("BRIDGE"), an experienced non-profit affordable housing developer based in San Francisco. The Housing Authority created SHARP as a nonprofit public benefit corporation to pursue projects pursuant to the Repositioning Strategy. SHARP can attract private development partners and financing sources, including tax investor equity, not otherwise directly available to the Housing Authority. SHARP's corporate structure is similar to the Norwood Avenue Housing Corporation non-profit that the Agency operates, and the SHARP board members are appointed by the Agency's Executive Director

Washington Plaza Housing Associates, LP (Developer), the limited partnership formed by BRIDGE and SHARP in June 2013, will be the Developer of the Project. BRIDGE will remain in the partnership throughout construction and then exit the partnership after completion of the work. The Housing Authority will continue to own the underlying land and will execute a 99-year fair market ground lease with the Developer. The Housing Authority will also sell the existing Washington Plaza improvements to the partnership at appraised market value of \$5,458,000 through a seller carryback loan. The Housing Authority is expected to continue to manage Washington Plaza, and Housing with Heart, Inc. will provide a minimum of 15 hours of resident services each week.

On September 10, 2013, the City Council and Housing Authority approved a bond issuance for the Project, along with a carryback loan for the value of the improvements and permanent gap financing.

## Bond, Transfer and Financing Documents for Rehabilitation of Washington Plaza Apartments

In addition, the Housing Authority is being asked to terminate an existing ground lease with SHARP and approve a new 99-year ground lease with the Developer at fair market value.

The building's interior and exterior will be rehabilitated (see exterior building rendering and ground floor plan in Attachment 2). A 55-year regulatory agreement will assure use of the property as affordable senior housing. 16 units will be regulated at 50 percent of Area Median Income ("AMI"), 59 units regulated at 60% AMI, and one non-regulated manager's unit.

Background on the project developer and the property is included as Attachment 3. A project summary, including a proposed sources and uses of funds, is included as Attachment 4. Since the budget was approved in September 2013, a net increase in tax credit equity sources has been realized allowing for installation of solar voltaic panels and other energy efficiency improvements to the Project. A project cash flow pro-forma is included as Attachment 5, and a schedule of maximum rents is included as Attachment 6.

**Policy Considerations:** The recommended actions are in keeping with the strategy adopted in the Housing Authority's 2007 Repositioning Strategy to attract non-traditional sources of equity and debt to preserve affordable housing. The actions are also generally consistent with approved Agency tax-exempt bond and multi-family loan policies. The total debt load of the property will exceed a 90% loan-to-value ratio, and the loan term will be 55 years. Regulatory restrictions on the property will be specified in bond and loan regulatory agreements. Compliance with the regulatory agreements will be monitored by the Agency on a regular basis for 55 years.

**Economic Impacts:** This residential rehabilitation project is expected to create approximately 96 total jobs (54 direct jobs and 42 jobs through indirect and induced activities) and result in approximately \$12.9 million in total economic output (\$7.9 million direct output and another \$5 million of output through indirect and induced activities).

*The indicated economic impacts are estimates calculated using a calculation tool developed by the Center for Strategic Economic Research (CSER). CSER utilized the IMPLAN input-output model (2009 coefficients) to quantify the economic impacts of a hypothetical \$1 million of spending in various construction categories within the City of Sacramento in an average one-year period. Actual impacts could differ significantly from the estimates and neither the City of Sacramento nor CSER shall be held responsible for consequences resulting from such differences.*

**Environmental Considerations:**

**California Environmental Quality Act (CEQA):** On September 10, 2013, the Housing Authority of the City of Sacramento passed its Resolution 2013-0013, which found the proposed action to be categorically exempt under CEQA Guidelines Section 15301.

**National Environmental Policy Act (NEPA):** Review under the NEPA was completed with findings that the proposed activities are categorically exempt under HUD regulations at 24 CFR Part 58 from NEPA requirements.

**Sustainability Considerations:** The renovation of Washington Plaza is consistent with City Sustainability Master Plan goal number one (Energy Independence) by improving energy efficiency and a consequent reduction in fossil fuel use, as well as the reduction of peak electrical demand through installation of solar polar generating equipment. The Project is consistent with goal number five (Public Health and Nutrition) in that it will rehabilitate an inefficient, aged building and contribute to improvement of the historic Alkali Flat neighborhood.

**Commission Action:** At its meeting on November 20, 2013, the Sacramento Housing and Redevelopment Commission considered the staff recommendation for this project. The votes were as follows:

AYES:

NOES:

ABSENT:

**Rationale for Recommendation:** The actions recommended in this report enable SHRA and HACS to continue to utilize public/private partnerships to leverage private equity to preserve existing affordable housing units and to provide a range of affordable housing opportunities in the City.

**Financial Considerations:** Bonds issued for the Project will be the sole obligation of Washington Plaza Housing Associates, LLC, as general partner of the Project development entity. It will bear all costs associated with issuing the bonds. The Agency will receive a one-time issuance fee of 0.25 percent of the bond issuance amount, payable at bond closing, and the Agency will collect a fixed annual fee of 0.15 percent of the total bond issuance amount. The law firm of Orrick, Herrington & Sutcliffe LLP, is acting as bond counsel for the Housing Authority.

December 3, 2013

Bond, Transfer and Financing Documents for Rehabilitation of Washington Plaza  
Apartments

The Housing Authority seller carryback loan and the 99-year ground lease rent amounts reflect appraised value of the improvements and of the land. The August 2013 approval by the Federal Home Loan Bank of \$750,000 Affordable Housing Program financing allowed reduction of the Agency permanent gap loan to \$3.12 million, comprised of \$2.568 million of federal HOME funds and \$552,000 of City Community Development Block Grant funds. Repayment of the Housing Authority improvements carryback loan, ground lease, and Agency loan will occur as cash flow permits, with all unpaid amounts due and payable at the loans 55-year maturity.

**M/WBE and Section 3 Considerations:** Minority and Women's Business Enterprise requirements will be applied to all activities to the extent required by federal funding to maintain federal funding. Section 3 requirements will be applied to the extent they may be applicable.

Background Information**

Washington Plaza Housing Associates, LLC, a joint venture between BRIDGE Housing Corporation (BRIDGE) and the Sacramento Housing Authority Repositioning Program, Inc. (SHARP) will rehabilitate the Washington Plaza Apartments at 1318 E Street in Sacramento.

**Project Description:** Washington Plaza is a 76-unit, nine-story, reinforced concrete structure constructed in 1971. Although structurally sound, the forty-four year old building needs significant upgrades to preserve it as housing for very low-income seniors. The almost \$10 million in rehabilitation will include correction of life-safety and code compliance issues, environmental remediation, replacement and waterproofing of the building's exterior materials, window replacements, mechanical and electrical system upgrades, energy efficiency improvements, unit interior improvements including new kitchens, bathrooms, lighting and finishes. In addition, the ground floor entry and common areas will be significantly altered and increased by about 730 square feet to improve security, function and usefulness to tenants.

Washington Plaza will continue to be occupied during the eleven-month construction period although three floors of tenants will be temporarily relocated to off-site locations on a rotating basis until work is complete. Vacating full floors will expedite the remediation and rehabilitation work. After approximately two months of temporary relocation, tenants will return to their renovated units.

**Developer:** BRIDGE Housing Corporation is a non-profit developer based in San Francisco, California. They have won numerous awards for design, finance, environmental sustainability, and multifamily affordable communities, and have participated in the development of over 14,000 housing units. BRIDGE was established in 1983 and their projects display the same quality of construction as market-rate housing. BRIDGE strives to create sustainable living environments that enhance and uplift the neighborhoods around them and to prevent people from being priced out of their own communities. BRIDGE recently completed the Foothill Farms Senior Housing project in Sacramento County.

SHARP is a nonprofit public benefit corporation created by the Housing Authority in 2009, to implement the Repositioning Strategy Guiding Principles adopted by the Housing Authority in 2007. Its activities include acquiring, providing, developing, financing, rehabilitating, owning and operating affordable housing, for the purpose of repositioning aging Housing Authority assets to maintain and preserve their affordable units. It is currently partnering with BRIDGE to purchase and rehabilitate three Housing Authority properties, including Washington Plaza.

**Property Management:** The property is proposed to be managed by the Housing Authority. Housing Authority staff currently manage the units at Washington Plaza, along with 3,300 other housing units throughout the City and County of Sacramento.

**Resident Services:** Resident services at Washington Plaza will be provided by Housing with HEART, an affiliate of Jamboree Housing Corporation. Housing with HEART will provide 15 hours of services to the residents per week, including health and wellness and life building services. Housing with HEART provides services at several properties in the City and County of Sacramento, including the Hotel Berry.

**Security:** Developer will be required to provide a security camera system and lighting adequate to properly illuminate all common spaces.

**Project Financing:** Funding includes mortgage revenue bond proceeds, four percent Low-Income Housing Tax Credits (LIHTC), an Affordable Housing Program loan from the Federal Home Loan Bank, a Housing Authority seller carryback loan for the improvements, ground lease, an Agency permanent gap loan, and construction period income.

The property has an ongoing Housing Assistance Payments (HAP) contract from the US Department of Housing and Urban Development (HUD), which will provide a source of income to supplement rents paid by tenants. Pursuant to the HAP contract, each unit will have a Housing Choice Voucher associated with it. Tenants pay no more than 30 percent of their income in rent each month, and the HUD voucher will pay the difference between the tenant's payment and a market rent calculated by HUD.

**Low-Income Set-Aside Requirements:** As a condition of receiving tax credits and the benefits of tax-exempt bond financing, federal law requires the apartments be set-aside for targeted income groups. The Agency's gap financing will also restrict rents at the property. Regulatory restrictions on the units will last for 55 years. The following chart summarizes the combined proposed affordability restrictions:

<b>Funding</b>	<b>% of Units</b>	<b>Affordability Restrictions</b>	<b>No. Units</b>	<b>Regulatory Requirements</b>
Tax-Exempt Bonds, Tax Credits (LIHTC), Agency Loan	21%	Very Low Income (50% AMI)	16	55 years

Unrestricted	.01%	Unrestricted	1	None
<b>Total</b>	<b>100%</b>		<b>76</b>	

Maximum rent and income limits for the mortgage revenue bond program can be found in Attachment 6. The project's affordability restrictions will be specified in regulatory agreements with the Developer.

**RESOLUTION NO. 2013 –**  
**Housing Authority of the City of Sacramento**

on the date of

**WASHINGTON PLAZA APARTMENTS REHABILITATION (“PROJECT”);  
APPROVAL OF TERMINATION OF GROUND LEASE WITH SACRAMENTO  
HOUSING AUTHORITY REPOSITIONING PROGRAM, INC. (“SHARP”); APPROVAL  
OF DISPOSITION AND DEVELOPMENT AGREEMENT; APPROVAL OF \$390,000  
GROUND LEASE; APPROVAL OF \$5,458,000 SELLER CARRYBACK LOAN  
AGREEMENT FOR IMPROVEMENTS; APPROVAL OF USE AGREEMENT AND  
RELATED DOCUMENTS WITH WASHINGTON PLAZA HOUSING ASSOCIATES,  
LP; RELATED BUDGET AMENDMENTS AND ENVIRONMENTAL FINDINGS**

**BACKGROUND**

- A. The Housing Authority of the City of Sacramento (“Housing Authority”) adopted Resolution No. 2009-003 on March 10, 2009 to authorize application to the United States Department of Housing and Urban Development (“HUD”) for disposition of Washington Plaza Apartments (“Washington Plaza” or “Project”) at 1318 E Street, Sacramento;
- B. Said resolution also authorized the transfer of ownership of Washington Plaza to an instrumentality of the Housing Authority for ultimate further transfer to an entity that can benefit from the use of low-income housing tax credits to accomplish necessary renovations to Washington Plaza;
- C. HUD approved the disposition of Washington Plaza on October 8, 2009 and the instrumentality, the Sacramento Housing Authority Repositioning Program, Inc., (“SHARP”) was established;
- D. SHARP and BRIDGE Housing Corporation (“BRIDGE”) created Washington Plaza Housing Associates, LP, (“Developer”) to seek California Tax Allocation Committee tax credits to accomplish rehabilitation of Washington Plaza;
- E. On September 10, 2013, Housing Authority Resolution 2013-0014 authorized: i) 5,458,000 fair market value seller financing of the Washington Plaza improvements (“Carryback Loan Commitment”), ii) a ground lease to the Developer, and iii) other related documents and actions by the Executive Director required to accomplish the Project.

- F. On October 24, 2013 HUD approved the sale of Washington Plaza improvements to the Developer at fair market value, and a long term year ground lease for the underlying land with Developer at fair market value.
- G. Project implementation requires termination of the existing ground lease between the Housing Authority/SHARP and approval of i) a disposition and development agreement, ii) a fair market value ground lease and iii) a use agreement with Developer.
- H. On September 10, 2013 environmental impacts of the Project were considered in accordance with California Environmental Quality Act (CEQA) and determined that the Project is exempt due to CEQA §15301, where rehabilitation to the existing facility involves no expansion or change to the existing use, Resolution 2013-0014.
- I. The Project was also reviewed under the National Environmental Policy Act (NEPA) and made a Finding of No Significant Impact Resolution 2013-0014
- J. Further environmental review is not required under CEQA or NEPA because there is neither any new information of substantial importance nor any substantial changes to the circumstances under which the project will be undertaken that would require the preparation of supplemental environmental documentation the actions herein fall within the scope of the project that was previously analyzed.

**BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE HOUSING AUTHORITY OF THE CITY OF SACRAMENTO RESOLVES AS FOLLOWS:**

- Section 1. All of the evidence having been duly considered, the findings, including the environmental findings, as stated above, are found to be true and correct.

- Section 5. The Executive Director or her designee is authorized to enter the Acquisition Loan Agreement ("Seller Carryback Loan"), the form of which is attached as Exhibit C, for financing the \$5,458,000 fair market value acquisition of Washington Plaza improvements by Developer.

b) Agency shall pay to Developer through credit in Escrow against the cash portion of the Purchase Price for the cost of repairing or correcting such damage not covered by insurance, provided, however, that the amount of any payment of such credit against the Purchase Price pursuant to this clause shall not exceed thirty percent (30%) of the Purchase Price. If this DDA is to continue in full force and effect after such condemnation action, Agency shall pay any amounts received on account of, and assign to Developer all of Agency's rights regarding, any awards for such taking.

3.6.2. **COMMISSIONS.** Agency is not responsible, by this DDA or otherwise, to pay commissions on this transaction or any related transaction.

**4. AGENCY FUNDING.** The Agency shall provide funding for the Project as follows: a seller carryback loan for the improvements and payment of capitalized rent pursuant to the ground lease, and permanent financing in the form of a combined HOME and CDBG loan. All terms and conditions specifically related to the seller carryback loan and the permanent loan are in their respective loan agreements, including without limitation, the source and use of funds. The rent shall be financed pursuant to the terms and conditions of the Ground Lease. As to this Agency Funding, the order of repayment priority shall be the seller carryback loan for the Improvements first; the ground lease rent, second; and, the permanent financing, third.

**5. PREPARATION AND APPROVAL OF PLANS AND RELATED DOCUMENTS.** The Agency shall have the right, but not the obligation, to review Plans to assure their conformity with the provisions of this DDA. Based upon such review the Agency shall have the right to approve or reject the Plans for reasonable cause.

5.1. **EXTENT AND CHARACTER OF PLAN REVIEW.** Agency's right of review includes, without limitation, the right to review architectural and engineering plans and specifications, off-site plans and specifications, and landscaping designs and specifications. Agency's approval of

Plans is neither a representation of nor an assurance of their adequacy or correctness. Agency has reserved approval rights solely (a) to assure that the Plans further the objectives of the Project; (b) to assure that the Final Plans conform to the Plans; and (c) to assure that Agency's purposes are fulfilled and any Agency funds which may be obligated under this DDA are used as intended by the Agency. This DDA is a financing document and not a land use or planning document. Approval of the Project and Plans under this DDA is only an approval by Agency of the Project design "concept" as presented in this DDA. Such approval by Agency is not and shall not be considered an approval of land use entitlements, structural design of the Project, or the aesthetic design of the Project. Developer shall comply with all applicable land use, planning and design laws, rules and regulations of each governmental agency acting in proper exercise of its respective jurisdiction, including without limitation, departments, staff, boards and commissions of the City.

**5.2. CONCURRENT REVIEW.** Agency agrees that its review of the Final Plans shall occur before or concurrently with City's review of such plans, so as not to delay the commencement and progress of Project development.

**5.3. PLANS.** Developer has provided Agency with Plans, and the Agency has approved the Plans concurrently with this DDA. The Agency has been induced to undertake its obligations under this DDA by Developer's promise to develop the Project in accordance with the Plans, the Scope of Development and the provisions of this DDA.

**5.4. PREPARATION OF FINAL PLANS AND RELATED DOCUMENTS.** Developer has prepared the Final Plans that shall include all construction plans, drawings, specifications and other documents necessary to obtain all required building permits for the construction of the Project. Developer has submitted the Final Plans to the Agency for Agency's review. The Final Plans shall conform in all material respects to this DDA, including without limitation, Plans and the Scope of Development. To the extent that the DDA has insufficient detail or is unclear, the DDA shall be deemed to provide that the Project shall contain high-quality materials, and shall conform to all applicable laws, regulations, zoning, design and usage guidelines. The Final Plans included all changes or corrections approved as provided in this DDA. The Final Plans incorporated all related mitigation measures required, if any there are, for compliance with approvals under CEQA and or NEPA and any conditions of City approval of the project, unless otherwise fulfilled. Developer agrees that it is complying with the requirements of the City of Sacramento Design Review/Preservation Board to the extent of its jurisdiction.

**5.5. DELIVERY.** Developer has delivered the Final Plans or changes to the Final Plans for Agency review.

**5.6. GOVERNMENTAL CHANGES.** If any revisions or corrections of the Final Plans shall be required by any government official, agency, department or bureau in exercise of its proper jurisdiction, the Developer shall inform the Agency. Developer shall incorporate the change and it shall be deemed approved by Agency.

**5.7. APPROVAL OF SUBSTANTIAL CHANGES TO FINAL PLANS.** If the Developer desires to make any substantial changes in the Final Plans, Developer shall submit such proposed changes,

in writing, to the Agency for its approval. The Agency shall approve or disapprove the proposed change as soon as practicable. The Final Plans shall be construed to include any changes approved in the same manner as for approval of the original Final Plans under this section. The Final Plans shall be construed to include any such changes. Nothing in this Section shall be construed to relieve Developer of its obligations under all applicable laws regarding such changes.

**5.7.1. SUBSTANTIAL CHANGE.** A substantial change in the Final Plans shall include, without limitation, the following changes, excluding those items generally considered to be tenant improvements:

- a) Material changes in the layout, elevation design, functional utility or square footage.
- b) Material changes in use of exterior finishing materials substantially affecting architectural appearance or functional use and operation.
- c) Any change that reduces the effectiveness of any mitigation measure required for CEQA approval of the Project.
- d) Material changes in site development items for the Property that are specified in the Final Plans.
- e) Material changes in quality of project or landscaping materials.
- f) Any change in public amenities specified in the Final Plans.
- g) Any changes requiring approval of, or any change required by, any city, county or state board, body, commission or officer.
- h) Any change that would preclude or materially reduce the ability to use the Project as intended by this DDA.

**5.7.2. MISREPRESENTATION.** If the Agency's approval of the Final Plans is reasonably based upon a material misrepresentation to Agency by Developer or by anyone on Developer's behalf, the Agency may, within a reasonable time after discovery of the misrepresentation, take any action permitted by law with regard to any such misrepresentation, notwithstanding Agency's prior approval, including without limitation, rescission of the approval or such other equitable remedies as may then be appropriate to such rescission.

**6. DEVELOPMENT PROVISIONS.** As stated in detail in this Section 6, Developer shall construct and manage the Project according to the requirements established in this DDA, which includes, without limitation, the Scope of Development, the Schedule of Performances and the Plans. Developer shall promptly begin, diligently prosecute and timely complete the construction of the Project. In interpreting the provisions of this DDA, the provisions that specifically enforce

the Redevelopment Plan and the applicable provisions of the California Redevelopment Law (commencing at Health and Safety Code Section 33000) shall control.

**6.1. NOTICE TO PROCEED.** Developer shall not enter the Property or begin work on the Project until the Agency has issued to Developer a written notice to proceed with the work. Agency will issue a notice to proceed after, City's issuance of a building permit for substantially more than the Project foundations, Developer's compliance with all governmental requirements for start of construction, Developer's provision of required policies of insurance, and Developer's provision of proof of construction financing in an amount adequate to begin the Project work.

**6.2. CONSTRUCTION CONTRACTS.** Developer shall submit to Agency the construction contract or contracts for the Project. Agency's review of the construction contract shall be only for determining its compliance with this DDA. If the cost of construction of the Project or any part of the Project exceeds the costs projected by Developer, Developer shall, nevertheless, bear the responsibility to complete, at Developer's cost, the construction of the Project in accordance with this DDA. If the property is reverted in the Agency pursuant to Section 12.1, Developer shall assign all rights under the construction contracts to Agency.

**6.3. GOVERNMENTAL REVIEW PROCESS.** Notwithstanding any other provision of this DDA, Developer is subject to all building, planning, design and other plan review requirements that are otherwise applicable to the project, including without limitation those of the City of Sacramento. Conditions to the project imposed by the City shall be considered obligations of the Developer under this DDA. If a dispute with City staff arises regarding such City conditions, Developer shall accept the decision of the City's Planning Commission interpreting, imposing and enforcing such City conditions, subject to any applicable appeals process of the Planning Commission.

**6.4. ART IN PUBLIC PLACES EXEMPTION.** The Project improves and preserves the stock of affordable housing in the community. Imposition of the Art in Public Places Program would increase the cost of the Project substantially and reduce either the number of affordable units available in the Project or the affordability of those units. Therefore, the Aesthetic Improvement Policy requirements are not applicable.

**6.5. SUBSTANTIAL CHANGES.** Developer covenants and agrees that Developer shall not make or permit to be made any construction of the Project which incorporates a substantial change in the Final Plans, as described in Section 5.7, without Agency approval of such changes as provided in Section 5.7.

**6.6. LOCAL, STATE AND FEDERAL LAWS.** The Developer shall assure that the construction of the Project is carried out in conformity with all applicable laws and regulations, including all applicable federal and state labor standards. Before commencement of construction or development of any buildings, structures or other work of improvement upon the Property, Developer shall at its own expense secure any and all certifications and permits which may be required by any governmental agency having jurisdiction over such construction, development or work. Agency shall cooperate in securing certifications and permits which require consent of the

owner of the property. Developer shall permit only persons or entities which are duly licensed in the State of California, County of Sacramento and City of Sacramento, as applicable, to perform work on or for the Project.

**6.7. PREVAILING WAGES.** Developer agrees to comply with the provisions of Section 1720 et seq. of the California Labor Code in the award of public works contracts and subcontracts involving the expenditure of funds provided in this DDA, and to insure that its contractor and subcontractors meet the requirements of those enactments. Specifically, the Developer shall be ultimately responsible for collecting certified payrolls and will include the requirements for labor compliance in its contract with the General Contractor as to California prevailing wages.

The Funds provided in Section 4, above, are federal funds and require that Davis-Bacon prevailing wages are also to be paid on this Project. Developer shall inform the Contractor and shall require the Contractor to inform all subcontractors and materialmen furnishing goods or services to the Project of Agency's determination of the applicability of Davis –Bacon prevailing wage requirements.

The Contractor and all Subcontractors shall pay higher of state prevailing wage or Davis Bacon prevailing wages as determined for each trade. Developer and General Contractor have made their own independent determinations of the applicability of prevailing wage laws and have independently implemented such determinations. Developer indemnifies, holds harmless and defends the Lender from all additional wages, benefits, fees, penalties, fines, legal fees, court costs, arbitration costs, and other costs arising from the improper application of these prevailing wage laws to the Project by Developer or General Contractor or both of them

**6.8. PUBLIC SAFETY PROTECTIONS.** Developer shall assure that all necessary steps are taken (including the erection of fences, barricades and warning devices) to protect private contractors and their employees and the public from the risk of injury arising out of the condition of the Property or Developer's activities in connection with the Project, including without limitation, fire, or the failure, collapse or deterioration of any improvements or buildings.

**6.9. NO DISCRIMINATION DURING CONSTRUCTION.** Developer for itself, the general contractor and their respective successors and assigns, agrees that the following provisions shall apply to, and be contained in all contracts and sub-contracts for the construction of the Project.

**6.9.1. EMPLOYMENT.** Developer shall not discriminate against any employee or applicant for employment because of sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, sexual orientation or gender identity. The Developer will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their sex, race, color, religion, ancestry, national origin, language proficiency, age, disability, medical condition, marital status, or sexual orientation or gender identity. Such action shall include, but not limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Developer agrees to post in conspicuous places, available to employees and

applicants for employment, notices to be provided by the Agency setting forth the provisions of this nondiscrimination clause.

**6.9.2. ADVERTISING.** Developer or its Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Developer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, creed, sex, marital status, national origin, ancestry, familial status, or disability.

**6.9.3. MONITORING PROVISIONS.** Developer, Contractor and subcontractors shall comply with the requirements of the Agency for monitoring the anti-discrimination and all applicable labor requirements.

**6.10. PUBLIC IMPROVEMENTS.** Developer shall, at Developer's expense, undertake and complete any modification, construction, relocation or improvement of public facilities, improvements and utilities for the development of the Property.

**6.11. AGENCY ACCESS TO THE PROPERTY.** Developer shall permit Agency representatives access, without charge, to the entire Property at any time and for any purpose which Agency reasonably considers necessary to carry out its obligations and protect its interests under the DDA. Purposes for Agency entry may include, without limitation, inspection of all work being performed in connection with the construction of the Project.

**6.11.1. INSPECTION.** Agency may, at any time and without notice to Developer, enter on the Property and inspect the Project; and, during regular business hours, examine the books, records, accounting data, plans, shop drawings, specifications, and other documents of Developer pertaining to the Project and to make extracts or copies. Developer shall make all such documents available to Agency promptly on demand. Developer agrees to cooperate fully (and to cause the General Contractor to cooperate fully) with the Agency and its Lender's designated agent and to permit all appropriate access to the Property and to all relevant books and records. Developer shall bear the cost of reasonable inspections, except that Agency shall bear its costs of inspection. If however, Lender's inspection discovers issues of a nature that require further third-party review or investigation, Developer shall bear the costs of such third party review.

**6.12. PROJECT SIGN.** If Developer places a sign on the Project during construction stating the names of the Project participants, it shall also name "Sacramento Housing and Redevelopment Agency" as a participant in the Project. The Agency name on the sign shall be in letters not less than the size of letters used to name any of the other participants.

**6.13. CERTIFICATE OF COMPLETION.** After the Agency has determined that Developer has completed the construction of the Project in accordance with the Final Plans and Developer's obligations under this DDA, the Agency will furnish the Developer with the Certificate of Completion certifying such completion. The Agency's issuance of the Certificate of Completion shall be a conclusive determination of satisfaction and termination of the agreements and covenants in the DDA with respect to the obligations of the Developer to rehabilitate the Project as of the Completion Date specified in the Schedule of Performances, subject to any qualifications or limitations stated in such certification. Agency shall prepare and execute the

Certificate of Completion in a form suitable for recording in the Official Records of Sacramento County.

6.13.1. The Certificate of Completion shall not constitute evidence of compliance with any governmental requirements regarding the Project other than those of Agency or satisfaction of any obligation of the Developer to any holder of a mortgage, or any insurer of a mortgage, securing money loaned to finance all or any part of the Project. The Certificate of Completion shall not constitute evidence of compliance with or satisfaction of any provision of this DDA that is not related to construction of the Project.

6.13.2. If the Agency fails to provide a Certificate of Completion within fifteen (15) days after written request by Developer, the Agency shall, within an additional fifteen (15) days after a second written request by the Developer, provide the Developer with a written statement, indicating in adequate detail in what respects the Developer has failed to complete the Project in accordance with the provisions of the DDA, or is otherwise in default, and what measure or acts it will be necessary, in the opinion of the Agency, for the Developer to take or perform in order to obtain such certification.

6.14. **REPORTS.** During the period of construction, the Developer shall submit to the Agency a written report of the progress of the work as and when reasonably requested by the Agency, but not more often than once each month.

6.15. **NOTIFICATION OF GENERAL CONTRACTORS, ARCHITECTS AND ENGINEERS.** Developer shall assure notification of the Project contractors, architects and engineers for the Project of the requirements of this DDA. Developer shall include, where applicable, the provisions of this DDA in construction contracts, subcontracts, materials and supplies contracts and services and consulting contracts for the Project, and Developer shall undertake the enforcement of such provisions.

6.16. **PROPERTY IS TRANSFERRED IN ITS AS-IS CONDITION.** The Project is being transferred in it as-is condition. Developer, at Developer's expense, shall conduct any investigation beyond those provided by Agency under this DDA and which Developer may consider necessary to determine the condition of the Property for the development of the Project. As between the Agency and Developer, Developer shall be solely responsible for the adequacy of such investigations. Except as provided in this DDA, if the condition of the Project is not in all respects entirely suitable for the use or uses to which the Project will be put, it is the sole responsibility and obligation of the Developer to take such reasonable actions as may be necessary to place the condition of the Project in a condition which is entirely suitable for its development in accordance with the construction plans and drawings approved by Agency. Agency shall not be responsible for removing any surface or subsurface obstructions, or structures of any kind on or under the Project.

6.17. **ZONING.** Agency exercises no authority with regard to zoning of the Project. Developer shall assure that zoning of the Project at the time of development shall be such as to permit the development and construction, use, operation and maintenance of the Project in accordance with the provisions of this DDA.

**6.18. HAZARDOUS SUBSTANCES.** Developer has obtained such Hazardous Substances assessments as Developer deems reasonably necessary to assure the development of the Project in accordance with all applicable laws, rules and regulations; provided, however that such assessments are prepared by a qualified environmental specialist in accordance with nationally recognized standards to determine the existence of and to quantify the extent of Hazardous Substances on the Property. As between the Agency and Developer, Developer shall be solely responsible. Developer is relying on these assessments, as adequate Hazardous Substances investigations. If Hazardous Substances are known to be present, based on these assessments, Developer shall remediate or encapsulate such Hazardous Substances to the extent required by any federal, state or local agency having jurisdiction regarding Hazardous Substances standards or remediation and as may be necessary to avoid incurring liability or further liability under any federal, State and local law or regulation. If Hazardous Substances are discovered after conveyance of the project to Developer and have not been released after conveyance to Developer and the cost to remediate such Hazardous Substances is reasonably estimated to exceed Fifty Thousand Dollars (\$50,000), Developer may elect to terminate this DDA, upon reconveyance of the Property to Agency and return of all monies and properties delivered by Agency to Developer pursuant to or in furtherance of this DDA.

**6.19. DEVELOPER ACCESS TO PROPERTY.** Prior to the conveyance of the Project by Agency to Developer, the Agency shall permit representatives of Developer to have access, without charge, to the Project, at all reasonable times for the purpose of obtaining data and making various tests necessary to carry out Developer's obligations under the DDA; provided, however, that Developer shall not enter the Property except (a) after execution by Developer and Agency of Agency's standard "Permit for Entry" and (b) after Developer has obtained insurance coverage then required by Agency. No work shall be performed on the Property until a "Notice of Nonresponsibility" has been recorded and posted in accordance with applicable laws, assuring that Agency interest in the Project shall not be subject to mechanic's liens related to such work. Developer shall not commence any work on the Project without Agency's written approval of the work to be done, and in any event, Developer shall not commence any work which might be construed as commencement of the work of the Project for establishment of mechanic's lien rights.

**7. RELOCATION.** Agency is required by law to provide relocation services and make relocation payments to eligible tenants that are displaced as a result of the Project. Developer shall comply fully with all relocation laws that are the obligation of Agency or are otherwise applicable to the Project. Developer's compliance with the relocation requirements as stated in this Section 7 is a material element of this DDA. Developer's failure to comply with the relocation requirements as stated in this Section 6 is an Event of Default, subject to Developer's opportunity to cure in accordance with applicable law.

**7.1. RELOCATION COSTS.** Unless otherwise stated in this Agreement, any required payments by Agency for relocation costs and services shall be considered advances under the Agency funding.

**7.2. COOPERATION AND ACCESS.** Developer shall cooperate fully with Agency in complying with such relocation laws, including without limitation, providing Agency access to all tenants of the Project, to all books and records related to the tenants of the Project and to all properties offered for temporary or permanent relocation. Prior to taking any action with respect to relocation of tenants, Developer shall meet with Agency to establish reasonable protections for tenants and related reporting requirements for Developer.

**7.3. DEVELOPER AS RELOCATION AGENT.** Developer is acting as Agency's agent in accomplishing relocation. Developer may enter into agreements for the provision of relocation services, or Developer may perform such services directly. Developer shall, by provisions in its agreements or by direction to its staff, assure that the entity performing the relocation services: (a) complies with all applicable laws; (b) fully informs Agency of all relocation activities; (c) makes all requests for direction or clarification to Agency; and (d) responds to and follow the Agency's instruction and direction.

**8. DEVELOPMENT FINANCING.** Except as specifically provided in this DDA, Developer shall be responsible for and shall pay all costs of developing the Project in accordance with this DDA. As a condition precedent to Agency's conveyance of the Project to Developer, Developer shall provide the Agency with a complete and firm Project budget including all proposed sources and uses of funds, all "hard" and "soft" costs and contingencies and reflecting, as possible, firm bids or accepted contracts and with evidence of sufficient funds to meet all budget requirements. To the extent that funds specified in this DDA for the Project are insufficient to fully fund the Project, the Developer shall provide evidence, satisfactory to the Agency, of the additional required construction and permanent financing. Agency is not obligated by this DDA or otherwise to make any contribution beyond its obligations stated in this DDA.

**8.1. EVIDENCE OF AVAILABLE FUNDS.** Unless otherwise approved by the Agency, Developer's evidence of available funds, as required in the preceding section, must include only the following: (a) Developer equity (as provided in Section 8.3); (b) firm and binding loan commitments (as provided in Section 8.2) from each Lender, in form and content acceptable to Agency; and (c) Agency contribution, if any, as specified in this DDA. Within ten (10) days after Agency's request, Developer shall provide all additional information requested by the Agency for evaluation of the actual availability of funds included in such evidence, including without limitation, requests for clarification, further evidence or audited financial reports.

**8.2. COMMITMENT AND LOAN REQUIREMENTS.** As a material obligation under this DDA, Developer shall assure that the loan documents for the Project are consistent with the Lender's commitment approved by the Agency and comply, in all respects, with this DDA. The Agency may reject a loan commitment unless such commitment: (a) is subject only to Lender's reasonable conditions of title and Developer's execution of standard loan documents (copies of which have been previously provided to and approved by the Agency); (b) contains only usual, customary, and commercially reasonable loan terms; (c) continues in effect until a time when subject financing is reasonably expected to be required; and (d) for construction financing, provides for a construction loan term not less than that specified in the Schedule of Performances for completion of construction and any additional time necessary to fulfill all conditions precedent to funding of permanent financing. The Agency may also reject any commitment if it

is based upon sources and uses of Project funds that are different from those approved by Agency for the Project. The Agency may also reject any commitment that requires changes to the Project which conflict with this DDA, that require amendment of this DDA or that require the Agency to enter into agreements with any Lender, guarantor, equity partner or any other third-party.

**8.3. EVIDENCE OF DEVELOPER EQUITY.** Developer shall provide proof of an equity commitment for the Project in the amount of approximately \$9,200,000 in Tax Credit Equity.

**8.4. Other Financing:** Developer, as a requirement this DDA and Agency Funding (Section 4 above) , shall procure and deliver to Agency evidence satisfactory to Agency that Developer has obtained the following described financing which may be secured by a lien upon the Improvements (Developer's Leasehold Interest) superior or subordinate to Agency's liens, and which shall be otherwise on terms and conditions acceptable to Agency:

8.4.1. As a condition precedent to disbursement of the of the Agency loan, financing from a private lender(s) in an amount(s) sufficient to complete construction of the Property according to a scope of work as approved by Agency and made for a term not less than that specified in the Schedule of Performance for completion of construction, and in any event not less than the time necessary to fulfill all conditions precedent to funding of the permanent financing.

8.4.2. Commitments for seller carryback loan financing in an amount equal to appraised value of the improved real property and ground lease with capitalized rent amount equal to appraised value of the land.

8.4.3. Commitments for permanent financing sufficient to "take out" all liens senior to the Agency's liens.

Such commitments for financing shall not require modification of Agency loan documents, or ground lease or any term of the DDA.

Such commitments shall not be based upon sources and uses of Project funds that are different from those approved by Agency for the Project or be subject to conditions which require amendment of the Agency loan documents or other agreements.

**9. INDEMNIFICATION FOR HAZARDOUS SUBSTANCES.** Developer shall indemnify, protect and defend Agency, its officers, directors, council members and supervisors, employees, advisory committee members, and agents, and hold them harmless from any and all liability, costs, fees, fines, penalties and claims (including without limitation court, mediation or arbitration costs, attorneys' fees, witnesses' fees, and investigation fees) related to the existence of Hazardous Substances on the Project that were not on the Property prior to Agency's transfer of possession of the Project to Developer or that were related to the removal or discharge of Hazardous Substances by Developer, or its employees, agents or contractors, during Developer's remediation of the Project pursuant to this Section.

Agency shall indemnify, protect and defend Developer, its officers, directors, employees, and agents, and hold them harmless from any and all liability, costs, fees, penalties and claims (including without limitation court, mediation or arbitration costs, attorneys' fees, witnesses' fees, and investigation fees) related to Hazardous Substances discharged on the Project during Agency's ownership of the Project or related to the removal or discharge of Hazardous Substances by Agency or its employees, agents or contractors.

**10. INDEMNIFICATION.** Developer shall indemnify, protect, defend and hold harmless Agency, its officers, directors, commission members, employees, advisory committee members, and agents from any and all liability from bodily injury, death and property damage caused by or resulting from the acts or omissions of Developer, its officers, employees, agents or independent contractors and for any and all costs incurred by Agency in defending against such liability claims, including reasonable attorney's fees, except for injury, death or property damage caused by the negligent act or willful misconduct of Agency.

Agency shall indemnify, protect, defend and hold Developer harmless from any and all liability from bodily injury, death and property damage caused by or resulting from the acts or omissions of Agency, its officers, commission members, employees, advisory committee members or agents and for any and all costs incurred by Developer in defending against such liability claims, including reasonable attorney's fees, except for injury, death or property damage caused by the negligent act or willful misconduct of Developer. This indemnification provision shall survive the termination of this Agreement.

**11. LIABILITY INSURANCE.** With regard to this DDA, the Developer shall obtain and maintain for the life of the regulatory agreements in connection with the Agency Loan, and require the Contractor and subcontractors for the Project to obtain and maintain for the term of the development of the Project, such insurance as will protect them, respectively, from the following claims which may result from the operations of the Developer, Contractor, subcontractor or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable: (a) claims under workers' compensation benefit acts; (b) claims for damages because of bodily injury, occupational sickness or disease, or death of its employees; (c) claims for damages because of bodily injury, sickness or disease, or death of any person other than its employees; (d) claims for damages insured by usual personal injury liability coverage which are sustained (1) by any person as a result of an offense directly or indirectly related to the employment of such person by the Developer, or (2) by any other person, claims for damages, other than to the construction itself, because of injury to or destruction of tangible property, including resulting loss of use; (e) claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle; and (f) claims for contractual liability arising from the Developer's obligations under this DDA.

**11.1 LIABILITY INSURANCE POLICY LIMITS.** Developer shall obtain all insurance under this Section 11 written with a deductible of not more than Twenty-five Thousand Dollars (\$25,000) or an amount approved by Agency, and for limits of liability which shall not be less than the following:

**11.2 WORKER'S COMPENSATION.** Developer shall obtain and maintain worker's compensation coverage shall be written for the statutory limits as required by Article 1 (commencing with Section 3700) of Chapter 4 of Part 1 of Division 4 of the California Labor Code (as it may, from time to time, be amended) and having an employer's liability of not less than \$1,000,000, or statutory limits, whichever are greater.

**11.3 COMMERCIAL GENERAL LIABILITY.** Developer shall obtain and maintain Commercial General Liability insurance in Insurance Services Office ("ISO") policy form CG 00 01 Commercial General Liability (Occurrence) or better. Such insurance shall have limits of liability, which are not less than \$1,000,000, per occurrence limit; \$5,000,000 general aggregate limit, and \$5,000,000 products and completed operations aggregate limit, all per location of the Project.

**11.4 COMPREHENSIVE AUTOMOBILE LIABILITY.** Developer shall obtain and maintain comprehensive automobile liability coverage for any vehicle used for, or in connection with, the Project (owned, nonowned, hired, leased) having a combined single limit of not less than \$1,000,000.

**11.5 PROPERTY INSURANCE.** For the duration of the Regulatory Agreement, Developer shall obtain and maintain property insurance in ISO policy form CP 10 30 - Building and Personal Property Coverage - Causes of Loss - Special Form, to the full insurable value of the Property with no coinsurance penalty (and with endorsements of Builder's Risk until completion of construction of the Project), Boiler and Machine to the extent necessary to obtain full insurance coverage, and with such other endorsements and in such amounts as the Agency may reasonably require to protect the Project. In the event of damage to the Project and subject to the requirements of Lender, Developer shall use the proceeds of such insurance to reconstruct the Project and the public improvements.

**11.6 INSURANCE PROVISIONS.** Each policy of insurance required under this DDA shall be obtained from a provider licensed to do business in California and having a current Best's Insurance Guide rating of A+ VII, which rating has been substantially the same or increasing for the last five (5) years, or such other equivalent rating, as may reasonably be approved by Agency's legal counsel. Each policy shall contain the following provisions as applicable, unless otherwise approved by Agency's legal counsel in writing in advance:

**11.6.1 ADDITIONAL INSURED.** Developer shall obtain a policy in ISO form CG 20 33 or better, naming Agency as additional insured under the Commercial General Liability Policy.

**11.6.2 SINGLE PROJECT INSURANCE.** It is the intent of the parties that the Project have available all the specified insurance coverages. Developer shall not provide insurance coverages that are considered in aggregate with other Projects which Developer or its Contractor might have concurrently under construction. The Agency may at its discretion permit an aggregate policy if and only if Developer or the respective Contractor or subcontractor has fully disclosed to Agency other projects which will or may be considered in aggregate with the Project, and thereafter, Developer shall immediately inform Agency of the change in or addition to any such

projects. Nevertheless, Agency may at any time require that the insurance coverage be provided solely for the Project.

**11.6.3 CERTIFIED POLICY COPY.** Developer shall provide Agency with a certified copy of each required policy of insurance. Pending delivery of the certified policy, Developer shall provide Agency with a Certificate of Insurance for each policy on the applicable ACORD form. a) Developer will provide the Agency with the cancellation clause and/or any amendatory endorsements that modify or change the policy cancellation clause of the insurance policies in force. It is the Developer's responsibility to notify the Agency of any notice of cancellation, non-renewal or non-payment of premium in accordance with your policy provisions. In the event insurance is cancelled or not renewed, the Developer shall notify the Agency within forty eight (48) hours of such cancellation or non-renewal.

\_\_\_\_\_**Developer's Initials**

**11.6.5 FAILURE TO MAINTAIN.** If Developer fails to obtain or maintain, or cause to be obtained and maintained, any insurance required by this DDA, the Agency shall have the right, but not the obligation, to purchase the insurance on Developer's behalf, and Developer shall promptly reimburse the full cost of such insurance to the Agency. If Developer fails to reimburse the Agency for insurance, the amount of unpaid reimbursement shall bear interest at the maximum rate permissible under the law until paid. Failure to maintain the insurance required by this Section 11 shall be a default under this DDA (see Section 12.3, below).

**11.6.7. BLANKET COVERAGE.** Developer's obligation to carry insurance as required under this Section 11 may be satisfied by coverage under a "blanket" policy or policies of insurance (as the term is customarily used in the insurance industry); provided, however, that the Agency shall nevertheless be named as an additional insured under such blanket policy or policies to the extent required by this Section, the coverage afforded the Agency will not be reduced or diminished thereby, and all of the other requirements of this Section 12 with respect to such insurance shall otherwise be satisfied by such blanket policy.

**12. DEFAULTS AND REMEDIES.** Except as otherwise provided in the DDA, if either party defaults in its obligations under this DDA, the defaulting party shall immediately commence and diligently proceed to cure the default within thirty (30) days after written notice of default from

the other party or, if reasonable, such longer time as is reasonably necessary to remedy such default if such default cannot reasonably be cured within thirty (30) days for reasons beyond the control of the defaulting party, provided that the defaulting party shall promptly begin and diligently pursue such cure to completion. If the defaulting party does not promptly begin and diligently cure the default within a reasonable time, the other party may institute proceedings to cure the default, including without limitation, proceedings to compel specific performance by the defaulting party. Subject to any extension of time permitted by this DDA, a failure or delay by a party to perform any term or provision of this DDA constitutes a default of this DDA. As a condition precedent to termination of the DDA under this Section, each party shall first tender the return of all property or funds received from or on behalf of the other party, other than funds properly retained as liquidated damages. After such return of property and funds and termination of the DDA, neither Agency nor Developer shall have any further rights against or liability to the other under the DDA except as expressly set forth in this DDA to the contrary.

**12.1. REVESTING TITLE IN AGENCY.** Notwithstanding any other provisions of this DDA and in addition to any other rights and remedies of the Agency, for a period of ten years following the Effective Date, after conveyance of any part of the Property to Developer and prior to issuance of Certificate of Completion, if Developer defaults in its obligations related to the Project development, abandons or unreasonably suspends Project construction work, permits any unauthorized encumbrance or lien (including tax liens) and fails to discharge any such unauthorized lien or encumbrance, or permits any transfer of all or any part of the Property, after the appropriate cure period has passed and all other reasonable remedies are exhausted, then the Agency shall have, the right to re-enter and take possession of the Project, or any part of the Project conveyed to Developer, and to terminate and revert in the Agency the estate so conveyed. It is the intent of this DDA that the conveyance of the Project to Developer shall be made upon, and that the Grant Deed shall contain, a condition subsequent to the effect that in the event of any default, failure, violation, or other action or inaction by the Developer specified in this Section, failure on the part of Developer to remedy, end, or abrogate such default, failure, violation, or other action or inaction, within the period and in the manner stated in the DDA, the Agency at its option may declare a termination in favor of the Agency of the title, and of all the rights and interest in the Property conveyed by the Grant Deed to Developer, and that such title and all rights and interests of Developer, and any assigns or successors in interest to and in the Property, shall revert to the Agency. Such condition subsequent and any such revesting of title in the Agency shall always be subject to and limited by the lien or security interest authorized by the DDA, and any rights or interests provided in the DDA for the protection of the Lenders; and shall not apply to individual parts or parcels of the Property on which the Project have been completed in accordance with the DDA and for which a Certificate of Completion issued as provided in the DDA. Such condition subsequent shall conform to the provisions of Civil Code Sections 885.010 through 885.070.

**12.1.1. RESALE OF REACQUIRED PROPERTY.** Upon the revesting of title of the Project in the Agency, Agency shall use its best efforts to resell the Project, as soon and in such manner as the Agency shall find feasible and consistent with the objectives of the Disposition Agreement between the United States Department of Housing and Urban Development (HUD) and the Housing Authority of the City of Sacramento, to a qualified and responsible party, as determined by the Agency and approved by HUD, who will assume the obligation of completing the Project

or such other improvements in their stead as shall be satisfactory to the Agency. Upon such resale of the Project, the resale proceeds (after repayment of any liens and encumbrances which have previously been approved by Agency in writing) shall be applied as follows:

**12.1.2. AGENCY REIMBURSEMENT.** Said proceeds shall be paid first to Agency to reimburse Agency for all costs and expenses incurred by the Agency, including reasonable legal costs, attorney's fees and salaries of personnel, in connection with the recapture, management, and resale of the Property (but less any net income derived by Agency from the Project after such revesting); all taxes, assessments, and water and sewer charges with respect to the Project (or, in the event the Project is exempt from such taxation or assessment during Agency's ownership, an amount equal to such taxes, assessment, or charges (as determined by local assessing authorities) as would have been payable if the Project were not so exempt); any payments necessary to discharge any encumbrances or liens existing on the Property at the time of such revesting or to discharge or prevent any subsequent encumbrances or liens due to obligations, defaults, or acts of the Developer; any expenditures made or obligations incurred with respect to completion of the Project; and any amounts otherwise owing the Agency by the Developer.

**12.1.3. DEVELOPER REIMBURSEMENT.** After payment to Agency of the sum specified herein, said proceeds shall be paid to Developer to reimburse Developer in an amount not to exceed: (1) the sum of the purchase price paid by Developer for the Property and the cash actually expended by it in actual construction of any of the Project (including without limitation fees and expenses paid to any governmental agency on account of the Project, mitigation or development fees, earned developer fee payable to the Developer, the costs and expenses of all third-party architects, engineers, or similar design professionals, hard and soft costs of construction expended in construction of the Project, and Lender's interest, loan fees and other fees and charges on account of the Loan); less (2) any gains or income withdrawn or made by it from the DDA or the Project and any amounts, including interest on loans, then due from Developer to Agency.

**12.1.4. BALANCE TO AGENCY.** Any balance remaining after such reimbursements shall be retained by the Agency as its property.

**12.2. NONLIABILITY OF AGENCY OFFICIALS AND EMPLOYEES.** No member, official or employee of Agency shall be personally liable under this DDA to Developer, or any successor in interest, in the event of any default or breach by Agency or for any amount which may become due to Developer or its successors, or on any obligations under the terms of this DDA.

**12.3. FEES AND COSTS ARISING FROM DISPUTE.** If an action is commenced between the parties, the Prevailing Party in that action shall be entitled to recover from the nonprevailing party all reasonable attorney fees and costs, witness fees, arbitrator's fees, and court and arbitration costs. "Prevailing Party" shall include without limitation a party who dismisses an action in exchange for sums allegedly due; the party who receives performance from the other party for an alleged breach of contract or a desired remedy where the performance is substantially equal to the relief sought in an action; the party who receives any award for relief through arbitration; or the party determined to be the prevailing party by a court of law.

**13. ENCUMBRANCE OF PROJECT AND LENDER PROTECTIONS.** Before issuance of a Certificate of Completion, if Developer has obtained Agency's prior written approval, which approval Agency may withhold in exercise of its reasonable discretion and in consideration of the commercially reasonable protection of its interests under this DDA, the Developer may obtain a Loan and encumber the Project as security for the Loan, provided either that the proceeds of the Loan are used solely for construction of the Project improvements upon usual and customary and commercially reasonable terms or that the Loan is permanent project financing made upon usual and customary and commercially reasonable terms. Each lender shall be a federal or state chartered financial institution, a pension fund, an insurance company or such other lender which Agency may approve in writing in advance. After issuance of a Certificate of Completion, the Agency shall have no rights of approval regarding financing secured by the Project. As a condition to Agency's approval of a Loan, Developer shall provide the Agency with a conformed copy of all documents related to the Loan. Agency acknowledges that a Lender will rely upon this DDA in making the Loan and that Agency's obligations under this DDA are inducements to Lender's making of the Loan.

**13.1. NOTICES.** If the Agency gives any notice of default to Developer under this DDA, the Agency shall contemporaneously give a copy of such notice to each Lender who has requested such notice in the following form of request for notice at the address stated in such request for notice. Any such default notice that is not so delivered to Lender shall not be effective or binding with regard to Lender or otherwise affect Lender, but failure to deliver such default notice to Lender shall not affect its validity with respect to Developer. Lender shall use the following form for requesting notice:

[Date]

The undersigned, whose address for notices is stated immediately below its signature, does hereby certify that it is the Lender as such term is defined in that certain Disposition and Development Agreement dated \_\_\_\_\_ between the Sacramento Housing and Redevelopment Agency and **Washington Plaza Housing Associates, LP** ("DDA"). Lender requests, in accordance with the DDA, that if any default notice shall be given to Developer under the DDA, a copy of such default notice shall be given to Lender.

[Lender Name and Address for Notice]

**13.2. ASSIGNMENTS AND TRANSFERS OF THE LOAN.** Agency shall not be bound to recognize any assignment of Lender's Loan or related encumbrance of the Project unless and until Lender has given Agency written notice of the name and address of the assignee (and if more than one person is an assignee, the designated name and address for notices) and such assignee qualifies as a Lender under this DDA. Thereafter, such assignee shall be considered a Lender with respect to the Loan and the related encumbrance on the Project.

**13.3. LENDER NOT OBLIGATED TO CONSTRUCT.** Notwithstanding any of the provisions of the DDA, Lender shall not be obligated by the provisions of the DDA to construct or complete the Project. Nothing in this Section or any other provision of the DDA shall be construed to permit or authorize Lender to devote the Project to any uses, or to construct any improvements on the Project, other than those uses or improvements provided or permitted in the DDA.

**13.4. LENDER'S AND LIMITED PARTNER'S OPTION TO CURE DEFAULTS.** After any default of Developer's obligations under the DDA, each Lender shall have the right, at its option, to cure or remedy such default, within the time for cure allowed to Developer, and to add the cost of such cure to the debt and the lien secured by the Project. The Agency shall accept such performance as if it had been performed by Developer; provided, however, that such Lender shall not be subrogated to the rights of the Agency by undertaking such performance. If the breach or default relates to construction of the Project, however, Lender shall not undertake or continue the construction of the Project (beyond the extent necessary to conserve or protect Project or construction already made) unless Lender assumes, in writing satisfactory to the Agency, Developer's obligations to complete the Project on the Project in the manner provided in the DDA. Any Lender who properly completes the Project as provided in the DDA shall be entitled, upon written request made to the Agency, to a Certificate of Completion from the Agency in a manner provided in the DDA. Such certification shall mean that any remedies or rights with respect to the Project that the Agency may have, because of Developer's failure to cure any default with respect to the construction of the Project, or because of any other default of the DDA by the Developer, shall not apply to the part of the Project to which such Certification relates. Nothing in this Section shall be deemed to limit, modify or release any claim or remedy that the Agency may have against the Developer for such default. The Developer's limited partner has the same cure rights afforded to the Developer in this Section 13.

**13.5. DEFAULT BY DEVELOPER.** In the event of a default by Developer, Agency shall not terminate this DDA unless and until the Agency has given notice to Lender of such default, and Lender has failed to cure such default.

**13.5.1.** If such default cannot practicably be cured by the Lender without taking possession of the Property, then the Schedule of Performances (and, therefore, the Agency's right to terminate this DDA) shall be tolled if and so long as, all of the following are true: (a) Lender has delivered to the Agency, prior to the date on which Agency is entitled to give notice of termination of this DDA, a written instrument satisfactory to Agency in which Lender or its designee unconditionally agrees that it will commence the cure of such default immediately upon Lender or its designee taking possession of the Property and will thereafter diligently pursue such cure to completion; provided, however, that neither the Lender nor its designee shall be obligated to pay damages to the Agency on account of such default, except to the extent of any monies due and unpaid from Developer; (b) Lender or its designee has rights to obtain possession of the Project (including possession by receiver) through foreclosure, deed in lieu of foreclosure or otherwise, and Lender or its designee promptly commences and diligently proceeds to obtain possession of the Project; (c) if Lender is prevented by court action or by any statutory stay from prosecuting foreclosure proceedings, that Lender is diligently seeking relief from such action or stay; and (d) upon receiving possession of the Project, Lender or its designee promptly commences and diligently proceeds to cure such default in accordance with this DDA.

**13.5.2.** From and after the cure of such Developer default, Lender or its designee is not required to obtain possession or to continue in possession of the Project. Nothing in this Section shall preclude the Agency from exercising any of its rights or remedies with respect to Developer during any period of such forbearance.

**13.6. FORECLOSURE.** Foreclosure of any encumbrance securing the loan of Lender, or any sale under such encumbrance, whether by judicial proceedings or by virtue of any power contained in such encumbrance, or any conveyance of the Project from the Developer to the Lender or its designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature of foreclosure, shall not require the consent of the Agency. Upon such foreclosure, sale or conveyance, the Agency shall recognize the resulting purchaser or other transferee as the Developer under this DDA, provided that such purchaser or transferee expressly assumes each and every obligation of the Developer under this DDA (except for the obligation to pay damages except to the extent of any monies due and unpaid from Developer under this DDA) by assumption agreement satisfactory to the Agency. If any Lender or its designee acquires Developer's right, title and interest under this DDA as a result of a judicial or nonjudicial foreclosure under any power contained in such encumbrance, or any conveyance of the Property from the Developer to the Lender or its designee through, or in lieu of, foreclosure or other appropriate proceedings in the nature of foreclosure, such Lender or its designee shall have the right to assign or transfer Developer's right, title and interest under this DDA to an assignee; provided, however, that the assignee or transferee shall thereafter be subject to all of the terms and conditions of this DDA.

**13.7. MODIFICATIONS.** No modification or amendment to the DDA which materially and adversely affects the Lender's interest in the Project shall be valid and effective unless the Lender's written consent to such modification or amendment has first been obtained, which consent shall not be unreasonably withheld.

**13.8. FURTHER ASSURANCES TO LENDERS.** Agency and Developer shall in good faith consider making such reasonable modifications to this DDA and executing such further instruments and agreements between them as a Lender may reasonably request, provided such modifications, instruments and agreements do not materially, adversely affect any party's expectations or benefit, rights or obligations under this DDA and provided such modifications, instruments, and agreements serve a material economic purpose.

**13.9. ESTOPPEL CERTIFICATE.** Any party may, at any time, request in writing of any other party to certify in writing that, to the knowledge of the certifying party, (i) this DDA is in full force and effect and a binding obligation of the parties; (ii) this DDA has not been amended or modified, or, if so amended, identifying the amendments; and (iii) the requesting party is not in default in the performance of its obligations under this DDA, or, if in default, describing the nature and extent of any such defaults. A party receiving such a request shall execute and return such certificate to the requesting party, or give a detailed written response explaining why it will not do so, within ten (10) days following its receipt. The Agency's designee shall be authorized to execute any such certificate requested by Developer from the Agency.

**13.10. PROHIBITIONS AGAINST ASSIGNMENT AND TRANSFER.** In reliance on the financial capability and experience of Developer, substantial public financing and other public aids have been made available by law and by the federal and local governments to make development of the Property possible. Developer shall not, prior to issuance of a Certificate of Completion, which in accordance with Section 6.13 may terminate this DDA subject to provisions expressly stated to survive this DDA, assign Developer's interests or obligations under this DDA or

undertake any act or transaction resulting in a significant change in the interests of the principals of Developer or the degree of their control of Developer without the prior written consent of Agency. The transfer or assignment, pursuant to this Section, requires the transferee or assignee to execute and deliver to Agency a valid, binding, written assumption of all obligations of Developer. Such a transfer as permitted in this Section shall not relieve Developer, or any other party bound in any way by the DDA, from any of its obligations under the DDA. With respect to this provision, the Developer and the parties signing the DDA on behalf of the Developer represent that they have the authority of all of Developer's principals to agree to and bind them to this provision. Agency acknowledges that after the issuance of the Certificate of Completion Winfield Hill, Inc., will withdraw from the general partner entity.

**14. CONCURRENT AGREEMENTS.** The following agreements are to be executed and delivered to each party at Close of Escrow:

**15. DOCUMENT INTERPRETATION.** This DDA shall be interpreted in accordance with the following rules.

**15.1. ENTIRE DDA; SEVERABILITY.** This DDA integrates all of the terms and conditions related or incidental to its subject matter, and supersedes all negotiations or previous agreements between the parties with respect to its subject matter. If any term or provision of this DDA shall, to any extent, be held invalid or unenforceable, the remainder of this DDA shall not be affected; provided that the intent of the DDA may then be reasonably fulfilled.

**15.2. WAIVERS AND AMENDMENTS.** All waivers of the provisions of this DDA must be in writing and signed by Agency or Developer, as applicable, and all amendments to this DDA must be in writing and signed by Agency and Developer. Any delay by Agency in asserting any rights under this Section shall not operate as a waiver of such rights or to deprive Agency of or limit such rights in any way. Any waiver in fact made by Agency with respect to any specific default by Developer under this Section shall not be considered as a waiver of the rights of Agency with respect to any other defaults by Developer under this Section or with respect to the particular default except to the extent specifically waived in writing.

**15.3. CAPTIONS, GENDER AND NUMBER.** The section headings, captions and arrangement of this DDA are for the convenience of the parties to this DDA. The section headings, captions and arrangement of this instrument do not in any way affect, limit, amplify or modify the terms and provisions of this DDA. The singular form shall include plural, and vice versa, and gender references shall be construed to include all genders.

15.4. **DRAFTER.** This DDA shall not be construed as if it had been prepared by one of the parties, but rather as if both parties have prepared it. 15.5. **MERGER.** All of the terms, provisions, representations, warranties, and covenants of the parties under this DDA shall survive the Close of Escrow and shall not be merged in the Grant Deed or other documents.

15.6. **TIME FOR PERFORMANCE.** In determining time for performance, it shall be construed that Agency and Developer shall each do the actions required of them, promptly and when specified in this DDA, and that each action specified in the Schedule of Performances shall be performed by the responsible party on or before the date scheduled for its completion.

15.7. **GOVERNING LAW.** This DDA shall be governed and construed in accordance with California law.

15.8. **NO JOINT VENTURE, PARTNERSHIP, OR OTHER RELATIONSHIP.** Nothing contained in this DDA or in any other document executed in connection with this DDA shall be construed as creating a joint venture or partnership between Agency and Developer. Each Party is acting as an independent entity and not as an agent of the other in any respect. No relationship exists as between Agency and Developer other than that of a governmental entity regulating the development of private property, and the owner of such private property.

15.9. **NO THIRD PARTIES BENEFITED.** This DDA is made and entered into for the sole protection and benefit of the parties and their permitted successors and assigns, and no other Person will have any right of action or any rights to any property, benefits or funds at any time on deposit in the Construction Account or the Impound Account, if established.

15.10. **INSPECTION OF BOOKS AND RECORDS.** Agency has the right, at all reasonable times, to inspect the books and records of Developer regarding the Project as reasonably necessary to carry out its purposes under this DDA.

**GRANT DEED**

(WITH REVESTMENT PROVISIONS, COVENANTS, RESTRICTIONS AND RESERVATIONS)

For valuable consideration, receipt of which is hereby acknowledged,

THE HOUSING AUTHORITY OF THE CITY OF SACRAMENTO, a public body, corporate and politic, of the State of California (the "Grantor"), acting to carry out rehabilitation and operation of residential units, the ("Project"), under the Housing Authority Law of California, hereby grants to Washington Plaza Housing Associates, L.P. a California limited partnership (the "Grantee"), the Improvements, only (the "Property"), as, described in Exhibit 1 which is attached to, and incorporated in this Deed by this reference, and as situated upon certain real property, subject to the covenants, restrictions and reservations set forth below which covenants, restrictions and reservations shall inure to the benefit of, and bind, each and every successor, assign or successor in interest of the parties, including any heirs, executors, administrators, transferees or any other person or entity claiming through the parties.

The Property is conveyed in accordance with, and subject to, (i) the Disposition and Development Agreement (DDA) entered into by and between Grantor and Grantee on \_\_\_, 2013.

1. The Grantee covenants and agrees that the Property shall be devoted only to the uses specified in the applicable provisions of the United States Department of Housing and Urban Development Use Agreement, this Deed and any and all instruments recorded pursuant to the Disposition and Development Agreement, including such Agreement, duly recorded by Grantor and affecting the Property. Grantee hereby covenants and agrees that the Grantee, such successors and such assigns shall rehabilitate, use, and maintain the Property as follows: residential units available for rent by the general public and containing not less than the following number of units: 76, of which one will be a manager unit; affordable to tenants having an income of not more than 80% of the Average Median Income as determined by the United States Department of Housing and Urban Development.

2. Grantee acknowledges and agrees that the Property shall be subject to the Use Agreement as recorded against the Property.

2.1. As provided in the DDA, Grantee shall promptly commence and complete development of the Property in accordance with plans and specifications approved by Grantor. Rehabilitation of improvements and redevelopment of the Property (the "Improvements") required by the DDA shall commence and be prosecuted diligently to completion at the time specified in, and subject to the terms of, the DDA.

2.2. Grantee shall maintain the Improvements and any other improvements on the Property in good condition and order, shall keep the Property free from accumulation of debris and waste materials and shall permit no action or

inaction on the Property such that the Property detracts from the surrounding neighborhood in any substantial manner.

2.3. All obligations imposed upon Grantee herein shall bind any and all successors of Grantee; provided, however, that upon sale or conveyance of the Project, the party selling or conveying shall be relieved of any such obligation to the extent that such obligation arises after the date of sale or conveyance.

3. Grantee covenants and agrees that prior to recordation of any Certificate of Completion for the Property:

3.1. The Grantor shall have the additional right, at its option, to re-enter and take possession of the Property and all improvements on the Property and to terminate and revest the Property in the Grantor if the Grantee or its successors in interest shall, in accordance with and subject to the terms of the DDA:

3.1.1. Fail to commence or complete the construction of the Improvements when required by the DDA and after sixty days written notice from the Grantor of Grantee's failure to timely commence or complete rehabilitation, provided that the Grantee shall not have obtained an extension or postponement to which Grantee may be entitled or that Grantee or Grantee's lender, or limited partner for the project have commenced and are diligently proceeding to cure such default; or

3.1.2. Abandon or substantially suspend construction or rehabilitation of the Improvements for more than sixty days after written notice from the Grantor to continue such construction, provided that Grantor shall not have obtained an extension or postponement to which Grantee may be entitled or that Grantee or Grantee's lender, or limited partner for the Project have commenced and are diligently proceeding to cure such default; or

3.1.3. Transfer, or suffer any involuntary transfer, of all or any part of, or interest in, the Property, in violation of the DDA or this Grant Deed.

3.2. The right to re-enter, repossess, terminate and revest shall be subject to and be limited by and shall not defeat, render invalid, or limit:

3.2.1. Any mortgage,, deed of trust or limited partner permitted by the DDA or this Deed and duly approved by the Grantor; or

3.2.2. Any rights or interests provided for the protection of the holders of such mortgages or deed of trust.

3.2.3. The limited partner of Grantee for the Project shall have the same rights to notice and cure herein as the holders of such mortgages or deeds of trust.

3.3. The right to re-enter, repossess, terminate and revest with respect to the Property shall terminate when the Certificate of Completion has been recorded by the Grantor.

3.4. In the event title to all or any part of the Property is revested in the Grantor as provided in this Section 0, the Grantor shall, pursuant to its responsibilities under California Law, use its best efforts to resell the Property or part as soon and in such manner as the Grantor shall find feasible and consistent with the objectives of such law to a qualified and responsible party or parties (as determined by the Grantor) who will assume the obligation of making or completing the Improvements or such other improvements in their stead as shall be satisfactory to the Grantor and in accordance with the uses specified for such Property or part in the Redevelopment Plan. Upon such resale of the Property the proceeds thereof shall be applied as follows:

3.4.1. First, the Grantor shall be reimbursed, on its own behalf or on behalf of the City of Sacramento, California for all costs and expenses incurred by the Grantor, including but not limited to salaries of personnel incurred in connection with the recapture, management and resale of the Property or part (but less any income derived by the Grantor from the Property in connection with such management); all taxes, assessments, and water and sewer charges with respect to the Property or part (or, in the event the Property is exempt from taxation, assessment or such charges during the period of Grantor's ownership thereof, an amount equal to such taxes,

assessments or charges as determined by the assessing official as would have been payable if the Property were not exempt); any payments made or necessary to be made to discharge any encumbrances or liens existing on the Property or part at the time of revesting of title in the Grantor or to discharge or prevent such encumbrances or liens from attaching or being made by any subsequent successors or transferees; any expenditures made or obligations incurred with respect to the completion of the Improvements; and any amounts otherwise owed to the Grantor by the Grantee and its successors or transferee except with respect to loans from Grantor to Grantee as evidenced by loan documents; and

3.4.2. Second, to the extent possible, the Grantee shall be reimbursed in an amount not to exceed the sum of (1) the Purchase Price paid to the Grantor by the Grantee for the Property (or allocable to the part thereof); (2) the costs incurred for the development of the Property and for the improvements existing on the Property at the time of the reentry and repossession, (3) less any gains or income withdrawn or made by the Grantee from the Property or the Improvements; and

3.4.3. Third, any balance remaining after such reimbursements shall be retained by the Grantor.

3.4.4. To the extent that this right of reverter involves a forfeiture, it must be strictly interpreted against the Grantor, the party for whose benefit it is created. This right of reverter shall, however, be interpreted in light of the fact that the Grantor is by this deed conveying the Property to the Grantee for development and not for speculation in undeveloped land and that such development is a material element of the consideration received by Grantor for the Property.

4. The Grantee covenants and agrees that:

4.1. There shall be no discrimination against or segregation of any person on the basis of sex, race, color, religion, ancestry, national origin, disability, medical condition, marital status, language proficiency or sexual orientation or gender identity, in the sale, lease, or rental or in the use or occupancy of the Property. Grantee covenants by and for itself, its successors and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. Grantee covenants by and for himself, his heirs, executors, administrators, and assigns, and all persons claiming under or through them that there shall be no discrimination against or segregation with reference to the selection, location, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the Property. The foregoing covenants shall run with the land.

4.2. All advertising (including signs) for sale and/or rental of the whole or any part of the Property shall include the legend "Equal Opportunity Houser" in type or lettering of easily legible size and design. The word "Project" or "Development" may be substituted for the word "Housing" where circumstances require such substitution.

5. No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed shall defeat or render invalid or in any way impair the lien or charge of any mortgage or deed of trust made in good faith and for value; provided, however, that any subsequent owner of the Property shall be bound by such remaining covenants, conditions, restrictions, limitations and provisions, whether such owner's title was acquired by foreclosure, deed in lieu of foreclosure, trustee's sale or otherwise.

6. All covenants contained in this Deed shall be covenants running with the land and equitable servitudes thereon. The covenants contained in Section 3 of this Deed shall terminate upon issuance of a Certificate of Completion for the Property. Every covenant contained in this Deed not previously terminated shall terminate thirty (30) years from the date of recordation in the official records of Sacramento County, except that the covenants against discrimination contained in Section 4 of this Grant Deed shall remain in perpetuity.

7. All covenants without regard to technical classification or designation shall be binding for the benefit of the Grantor, its successors and assigns, the City of Sacramento, California, any successor in interest to the Property, the owner of any other land (or of any interest in such land) in Project which is subject to the covenants against discrimination contained in Section 4.1 shall be binding for the benefit of the Grantor, the City of Sacramento and the United States of America and such covenants shall run in favor of the Grantor, the City of Sacramento and the United States of America, for the entire period during which such covenants shall be in force and effect, without

regard to whether the Grantor or the City of Sacramento, is or remains an owner of any land or interest therein to which such covenants relate. The Grantor, in the event of any breach of any such covenant, and the City of Sacramento (and the United States of America, in the event of any such breach of the covenants in Section 4), shall have the right to exercise all the rights and remedies, and to maintain any actions at law or suits in equity or other property proceedings to enforce the curing of such breach against Grantee, its successors to and assigns of the Property or any part or interest in the Property, any subcontracting party or parties or other transferees under the DDA, and any party in possession or occupancy of all or any part of the Property.

8. Both before and after issuance of a Certificate of Completion, the Grantor and Grantee and their successors and assigns only shall have the right to mutually consent and agree to changes in, or to eliminate in whole or in part, any of the covenants, easements, or other restrictions contained in this Deed or to subject the Property to additional covenants, easements, or other restrictions, and Grantor and Grantee may do so without the consent of any tenant, lessee, easement holder, licensee, or any other such person or entity having any interest less than a fee in the Property other than lenders with loans secured by the Property.

9. The covenants contained in this Deed shall not be construed as conditions which might result in forfeiture of title, except for the covenants and conditions contained in Section 3 of this Grant Deed.

10. Promptly after the issuance of a Certificate of Occupancy from the City of Sacramento Building Department and completion of the Improvements in accordance with the provisions of the construction plans approved pursuant to the DDA and fulfillment of the related obligations of the Grantee under the DDA, the Grantor shall furnish the Grantee with an appropriate instrument (the "Certificate of Completion") certifying such completion and stating that the Certificate of Completion shall be a conclusive determination of satisfaction and termination of the agreements and covenants in the DDA and in this Deed obligating the Grantee with respect to the construction of the Improvements and the dates for beginning and completion thereof.

With respect to such individual parts or parcels of the Property which, if so provided in the DDA, the Grantee may convey or lease as the Improvements thereon are completed, the Grantor shall also, upon proper completion of the Improvements relating to any such part or parcel and prior to such conveyance or lease, issue a Certificate of Completion with regard to such part of parcel. Such certification shall mean and provide (1) that any party purchasing or leasing such individual part or parcel with required authorization shall not (because of such purchase or lease) incur any obligation with respect to the construction of the Improvements relating to such part or parcel or to any other part or parcel of the Property; and (2) that neither the Grantor nor any other party shall thereafter have or be entitled to exercise with respect to any such individual part or parcel so sold (or, in the case of lease, with respect to the leasehold interest) any rights or remedies or controls that it may otherwise have or be entitled to exercise with respect to the Property as a result of a default in or breach of any provisions of the DDA or of this Deed by the Grantee or any successor in interest or assignee, unless (i) such default or breach be by the purchaser or lessee, or any successor in interest to or assignee of such individual part or parcel with any other of the covenants contained and referred to in this Deed and the Regulatory Agreements and (ii) the right, remedy or control relates to such default or breach.

The Certificate of Completion shall be in a form acceptable for recordation in the proper office for the recordation of deeds and other instruments pertaining to the Property. If the Grantor shall refuse or fail to provide the Certificate of Completion, the Grantor shall, within thirty (30) days after written request by the Grantee provide the Grantee with a written statement, indicating in what respects the Grantee has failed to duly complete said Improvements and what measures or acts will be necessary, in the opinion of the Grantor, for the Grantee to take or perform in order to obtain such certification.

11. The Grantor certifies that Grantor has complied with all conditions precedent to the valid execution and delivery of this Deed required on its part and that all things necessary to constitute this Deed and its valid, binding and legal agreement on the terms and conditions and for the purposes set forth herein have been done and performed and have happened, and that the execution and delivery of this Deed on its part have been and are in all respects authorized in accordance with law. The Grantee similarly certifies with reference to its execution and delivery of this Deed.

IN WITNESS WHEREOF, the Grantor and the Grantee have caused this instrument to be executed on their behalf by their respective and duly authorized officers, on the following dates, effective as of \_\_\_\_\_, 2013.

WHEREAS, PHA has entered into that certain ground lease of even date herewith with Lessee for the Disposition Property, a memorandum of which will be recorded against the Disposition Property concurrently herewith; and

WHEREAS, as a condition of the Approval Letter, the parties are obligated to enter into this Use Agreement on the terms and conditions hereinafter provided.

**AGREEMENT**

NOW THEREFORE, in consideration of the foregoing recitals, each of which is incorporated herein by reference, and the promises and covenants herein set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Lessee, for itself and for its successors and assigns, hereby covenants and agrees to develop, operate and maintain the Required Units in strict conformance with the Use Requirement for the duration of the Restricted Period.

2. The following will not constitute a breach of the Use Requirement:

a. It shall not constitute a breach of the Use Requirement if one or more of the Required Units are left vacant for a period (i) while one tenant is moving out and before another has moved in, (ii) while waiting for a new qualifying tenant in the event there are none immediately available to move in after the previous qualifying tenant vacates, or (iii) while the unit is being renovated or repaired.

b. In the event one or more of the Required Units are damaged or destroyed by fire or other casualty, cessation of the use of the unit or units in conformance with the Use Requirement during the period of repairs or reconstruction shall not constitute a breach of the Use Requirement; provided (i) Lessee uses commercially reasonable efforts to cause the units to be repaired or restored to substantially the same condition as existed prior to the event causing damage or destruction, (ii) the units are actually repaired or restored within eighteen (18) months after the date of the casualty, or such longer period as may be approved by HUD in writing, such approval not to be unreasonably withheld, conditioned, or delayed, and (iii) the units are thereafter operated in accordance with the Use Requirement for the remainder of the Restricted Period.

c. In the event one or more of the Required Units are taken for any public or quasi-public use under governmental law, ordinance or regulation, or by right of eminent domain, or by private purchase in lieu thereof (a "**Taking**"), or if any other portion of the property in which one or more Required Units are located, which property is necessary for a tenant's occupancy of a Required Unit, has been subject to a Taking, cessation of the use of a unit or units in conformance with the Use Requirement resulting from a Taking shall not constitute a breach of the Use Requirement; provided (i) Lessee applies funds received as a result of the Taking of the Restricted Unit(s) for the acquisition and development of other residential units that will be operated in accordance with the Use Requirement, (ii) the new units are acquired or developed within two years after the date of the Taking, or such longer period as may be approved by HUD in writing, such approval not to be unreasonably withheld, conditioned or delayed, and (iii) the new units are thereafter operated in accordance with the Use Requirement for the remainder of the Restricted Period.

3. In the event the Use Requirement ceases to be satisfied prior to the expiration of the Restricted Period:

a. PHA shall give written notice of the failure to Lessee (a "**Notice of Violation**"), which Lessee shall have one hundred twenty (120) days to cure. PHA agrees to give to (i) the beneficiary of any deed of trust encumbering the Disposition Property, and its successors or assigns (a "**Holder**") and (ii) the one or more special limited partners and investor limited partners of Lessee, and their successors or assigns (the "**Special and Investor Limited Partners**") (collectively, the "**Project Financiers**"), a written copy of any Notice of Violation

that PHA may give to Lessee under this Agreement. No notice or demand under this Agreement shall be effective unless a copy of such notice is given to the Project Financiers. Any Notice of Violation shall describe the violation of the Agreement with reasonable detail. Project Financiers shall have the right, but not the obligation, to cure any breach or default within one hundred twenty (120) days after receipt of such notice.

b. If a Notice of Violation is incapable of being cured within such one hundred twenty (120) day period, each Project Financier shall have such additional time as may be approved by HUD in writing, such approval not to be unreasonably withheld, conditioned or delayed, to cure such violation. Any cure tendered by a Project Financier shall be accepted by the PHA or HUD as if tendered by the Lessee.

c. Any notice, pursuant to this Agreement, given to the Project Financiers hereunder shall be sent to the addresses set forth below or to such additional Special or Investor Limited Partners who record a request to receive notice and provide a mailing address to which the notice shall be sent under this Agreement:

Holder: Bank of America, N.A.  
CA4-70202-29  
2001 Clayton Road, 2nd Floor  
Concord, CA 94520  
Attention: Loan Administration Manager

ILP: Merritt Community Capital Fund XVI, L.P.  
c/o Merritt Community Capital Corporation  
1970 Broadway, Suite 250  
Oakland, California 94612  
Attention: Bernard T. Deasy

Special Limited Partner: May be designated in the future by notice to the PHA

d. If, after written Notice of a Violation has been provided as required by this Agreement, the failure is not corrected to the satisfaction of PHA within the prescribed amount of time, PHA may declare a default under this Agreement (an "**Event of Default**") without further notice. In case of an Event of Default, to the extent permitted by applicable law, PHA shall have the right to seek specific performance of the Use Requirement and/or to enjoin any violation of the Use Requirement in a court of competent jurisdiction. The right to specific performance and injunction shall be in addition to all other remedies available under statute, at law and in equity.

4. "PHA" means the Housing Authority of the City of Sacramento, California, a public body corporate and politic organized under the laws of the State of California and/or its successors and assigns. No party other than PHA shall exercise the rights and privileges reserved herein to PHA unless such party shall receive and record in the official records of the

County where the Disposition Property is located a written assignment of all or a portion of such rights, privileges and obligations.

5. Recordation of this Agreement shall constitute the agreement by Lessee, for its successors and assigns, to be bound by and to comply with the restrictions set forth in this Agreement. The benefits and burdens of this Agreement touch and concern and run with the land and are binding upon and shall inure to the benefit of the respective successors and assigns of the parties to this Agreement. Wherever the term "Lessee" is used herein such term shall be construed to include Lessee's successors and assigns in title to the Disposition Property.

6. Upon the expiration of the Restricted Period, the Use Requirement shall cease and terminate and the Disposition Property shall be deemed released of the Use Requirement and this Agreement without the requirement of any further writing between the parties. Notwithstanding the foregoing, upon expiration of the Restricted Period, PHA agrees to execute and deliver to Lessee such documents as Lessee shall reasonably request releasing and confirming the release of the Use Requirement and this Agreement from title to the Disposition Property and clearing title to the Disposition Property from any cloud created by the Use Requirement or this Agreement.

7. All notices under this Agreement shall be in writing and shall be served by (a) personal service or receipted courier service, (b) by registered or certified first class mail, return receipt requested, or (c) nationally-recognized overnight delivery service, addressed to PHA or Lessee, as appropriate, at the addresses for such parties set forth in the initial paragraph of this Agreement and with a courtesy copy provided to HUD at 600 Harrison Street, Third Floor, San Francisco, CA, 94107. Any notice or other communication sent pursuant to clause (a) hereof shall be deemed received upon such personal service, if sent pursuant to clause (b) shall be deemed received five (5) days following deposit in the mail and/or if sent pursuant to clause (c) shall be deemed received the next succeeding business day following deposit with such nationally recognized overnight delivery service. Either party may change its address by notice given in accordance with this Section 7.

8. The invalidity of any clause, part or provision of this Agreement shall not affect the validity of the remaining portions thereof.

9. This Agreement may be executed in any number of original counterparts, all of which evidence only one agreement, and only one of which need be produced for any purpose.

10. The terms and provisions of this Agreement shall be construed and enforced in accordance with the laws of the State of California.

11. Lessee shall reimburse PHA for all reasonable attorneys' fees and expenses reasonably incurred by PHA in connection with the enforcement of PHA's rights under this Agreement, including, but not limited to, all such fees and expenses for trial, appellate proceedings, out-of-court workouts, mediation, and settlements and for enforcement of rights under any state or federal statute, including, but not limited to, all such fees and costs relating to bankruptcy and insolvency proceedings such as in connection with seeking relief from stay in a

bankruptcy proceeding or negotiating and documenting any amendment or modification of this Agreement.

12. Notwithstanding anything to the contrary set forth in Section 5 above, in no event shall the Holder or any other purchaser at foreclosure have any liability for sums due and payable under this Agreement prior to its acquisition of title to the Disposition Property.

13. Notwithstanding anything to the contrary set forth in this Agreement, this Agreement shall extend to and be binding upon Holder only in the event and after Holder acquires ownership of the Disposition Property.

A copy of the approved annual budget will be provided to the Authority no later than January 31<sup>st</sup> of the budget year.

## **ASSURANCES OF LESSEE; TAXES AND ASSESSMENTS**

**dd Assurances of Lessee.**

Lessee shall use the Leased Premises for the operation of the Improvements on the Leased Premises in accordance with the restrictions and assurances set forth in this Lease. Further, Lessee agrees and warrants:

i That income from the Leased Premises will only be used to maintain, operate and improve the Leased Premises, including funding the reserves required by Article 6.

ii That Lessee will use commercially reasonable efforts to prevent any member of any Tenant Household from committing or maintaining any nuisance or unlawful conduct on or about the Leased Premises and that Lessee will not use or allow the Leased Premises to be used for any disorderly or unlawful purpose;

iii That Lessee will use commercially reasonable efforts to prevent any member of any Tenant Household from violating any of the covenants and conditions of this Lease with respect to the Leased Premises;

iv Subject to all applicable laws and the rights of Tenant Households, that Lessee will take commercially reasonable action, if necessary, to abate any violation of this Lease by any member of any Tenant Household upon notice from the Authority; and

v Lessee shall operate the Leased Premises as provided in the HUD Disposition Approval.

ee Taxes and Assessments.

i Payment of Taxes and Assessments. Except as provided in Section 8.2(e), Lessee covenants and agrees during the entire Lease Term, at its own cost and expense, to pay the public officers charged with their collection, as the same become due and payable and before any fine, penalty, interest, or other charge may be added to them for non-payment, all real estate taxes, general and special, ordinary and extraordinary, unforeseen as well as foreseen, of any kind and nature, made, assessed, levied or imposed upon, or due and payable in connection with, or which become a lien upon, the Leased Premises, the Improvements, or any part of the Leased Premises or Improvements, or upon this Lease, as well as assessments for sidewalks, streets, sewers, water, or any other public improvements and any other improvements or benefits which shall, during the Lease Term, be made, assessed, levied, or imposed upon or become due and payable in connection with, or a lien upon the Leased Premises, the Improvements, or any part of the Leased Premises or Improvements, or upon this Lease. Lessee shall be responsible for obtaining a low-income housing property tax exemption, as available, or necessary.

ii Payment of Fees. Except as provided in Section 8.2(e), Lessee covenants and agrees during the entire Lease Term, at its own cost and expense, to pay, as the same become due and payable and before any fine, penalty, interest, or other charge may be added to them for non-payment, license and permit fees, charges for public utilities of any kind, and any and all governmental charges relating to the use or occupancy of the Improvements.

iii Copies of Notices to Lessee. The Authority agrees promptly to send to Lessee copies of any and all notices received by it in respect to any taxes, assessments, charges, or fees for which Lessee is liable pursuant to this Section 8.2.

iv Lessee's Right to Contest. If Lessee disputes any amount or validity of any liens, taxes, assessments, charges, penalties or claims, including liens or claims of material suppliers, mechanics or laborers, upon the Leased Premises or the Improvements, regardless of whether such amounts are payable by the Authority or Lessee, Lessee may contest and defend against the same at its cost, and in good faith diligently conduct any necessary proceedings in

connection therewith to prevent and avoid the same; provided, however, that such contest shall be prosecuted to a final conclusion as speedily as possible. The Authority agrees to render to Lessee all reasonable assistance, at no expense to the Authority, in contesting the validity or amount of any such taxes, assessments or charges, including joining in the signing of any protests or pleadings which Lessee may deem advisable to file. During any such contest, Lessee shall (by the payment of such disputed taxes, assessments, or charges, if necessary) prevent any advertisement of tax sale, any foreclosure of, or any divesting thereby of title, reversion or other interest in or to the Leased Premises.

v        The Authority's Obligations. The provisions of this Lease shall not be deemed to require Lessee to pay any municipal, county, state, or federal income or gross receipts or excess profits taxes assessed against the Authority, or any municipal, county, state, or federal capital levy, estate, succession, inheritance, gift, or transfer taxes of the Authority, or franchise taxes imposed upon any owner in fee of the Leased Premises. Any rebate made on account of any taxes or charges paid by the Authority and not reimbursed by Lessee shall belong and be paid to the Authority; otherwise such rebate shall belong to Lessee.

ff        Assignment of Lessee's Leasehold Interest.

Lessee may not assign its interest in this Lease without the written consent of the Authority, which consent shall be at the Authority's sole discretion except as set forth in Article 18, below.

## **HAZARDOUS MATERIALS.**

gg        Certain Covenants and Agreements.

Lessee hereby covenants and agrees that:

i Lessee shall not knowingly permit the Leased Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Materials in violation of any applicable law or otherwise knowingly permit the presence of Hazardous Materials in, on or under the Leased Premises in violation of any applicable law;

ii        Lessee shall keep and maintain the Leased Premises and each portion thereof in compliance with, and shall not cause or permit the Leased Premises or any portion thereof to be in violation of, any Hazardous Materials Laws;

iii        Upon receiving actual knowledge of the same Lessee shall immediately advise the Authority in writing of:

(1) any and all enforcement, cleanup, removal or other governmental or regulatory actions instituted, completed or threatened against Lessee or the Leased Premises pursuant to any applicable Hazardous Materials Laws;

(2) any and all claims made or threatened by any third party against Lessee or the Leased Premises relating to damage, contribution, cost recovery, compensation,

loss or injury resulting from any Hazardous Materials (the matters set forth in the foregoing clause (i) and this clause (ii) are hereinafter referred to as "Hazardous Materials Claims");

(3) the presence of any Hazardous Materials in, on or under the Leased Premises in such quantities which require reporting to a government agency; or

(4) Lessee's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Leased Premises classified as "borderzone property" under the provisions of California Health and Safety Code, Sections 25220 et seq., or any regulation adopted in accordance therewith, which would materially restrict the ownership, occupancy, transferability or use of the Leased Premises or to be otherwise subject to any material restrictions on the ownership, occupancy, transferability or use of the Leased Premises under any Hazardous Materials Laws.

If the Authority reasonably determines that Lessee is not adequately responding to a Hazardous Material Claim or any condition in Sections 9.1(c)(iii) or (iv), the Authority shall have the right to join and participate in, as a party if it so elects, any legal proceedings or actions initiated in connection with any such Hazardous Materials Claims and to have its reasonable attorney's fees in connection therewith paid by Lessee.

iv Without the Authority's prior written consent, which shall not be unreasonably withheld or delayed, Lessee shall not take any remedial action in response to the presence of any Hazardous Materials on, under, or about the Leased Premises (other than in emergency situations or as required by governmental agencies having jurisdiction), nor enter into any settlement agreement, consent decree, or other compromise in respect to any Hazardous Materials Claims.

v Authority acknowledges that Leased Premises contains existing Hazardous Materials in the form of asbestos and lead based paint that was present in building materials used in construction of the Improvements prior to Lessee's ownership and Authority has agreed that, in compliance with all regulatory and statutory requirements, Lessee will be remediating and removing an agreed upon portion of said Hazardous Materials in accordance with the Final Plans and will also be encapsulating and leaving in place within the Leased Premises the remaining portion of said Hazardous Materials in accordance with the Final Plans.

hh Indemnity.

Without limiting the generality of the indemnification set forth in Section 11.4 below, Lessee hereby agrees to indemnify, protect, hold harmless and defend (by counsel reasonably satisfactory to the Authority) the Authority, its board members, commissioners, officers, agents, successors, assigns and employees (the "Indemnitees") from and against any and all claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including, but not limited to, attorney's fees and expenses), arising directly or indirectly, in whole or in part, out of:

i The failure of Lessee or any other person or entity (other than an indemnitee) on or after the Effective Date (or prior to the Effective Date if due to the negligence or willful misconduct of Lessee or any other person under the control of Lessee to the extent resulting in material harm to an Indemnatee), to comply with any Hazardous Materials Law relating in any

way whatsoever to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Materials into, on, under or from the Leased Premises;

ii Any release or discharge of any Hazardous Materials into, on, under or from the Leased Premises, arising on or after the Effective Date, or the presence in, on, or under the Leased Premises of any Hazardous Materials that occurs on the Leased Premises after the Effective Date (or prior to the Effective Date if due to the negligence or willful misconduct of Lessee or any person under the control of Lessee to the extent resulting in material harm to an Indemnitee); or

iii Any activity or omission of activity carried on or undertaken on or off the Leased Premises, on or after the Effective Date (or prior to the Effective Date if due to the negligence or willful misconduct of Lessee or any employees, agents, contractors or subcontractors of Lessee to the extent resulting in material harm to an Indemnitee), and whether by Lessee or any employees, agents, contractors or subcontractors of Lessee or any successor in title that is related to Lessee occupying or present on the Leased Premises, in connection with the handling, treatment, removal, storage, decontamination, cleanup, transport or disposal of any Hazardous Materials located or present on or under the Leased Premises. Lessee's indemnity obligations as they pertain to activities occurring off the Leased Premises shall only extend to activities performed by or arising from activities performed by Lessee or any employees, agents, contractors or subcontractors of Lessee.

The foregoing indemnity shall further apply to any residual contamination on or under the Leased Premises, or affecting any natural resources, and to any contamination of any property or natural resources arising in connection with the generation, use, handling, treatment, storage, transport or disposal of any such Hazardous Materials, and irrespective of whether any of such activities were or will be undertaken in accordance with Hazardous Materials Laws. The provisions of this subsection shall survive expiration of the Term or other termination of this Lease, and shall remain in full force and effect. This indemnity obligation shall not extend to any claim arising from the Authority's or any indemnitee's negligence or willful misconduct.

ii No Limitation.

Lessee hereby acknowledges and agrees that Lessee's duties, obligations and liabilities under this Lease, including, without limitation, under Section 9.2 above, are in no way limited or otherwise affected by any information the Authority may have concerning the Leased Premises and/or the presence on the Leased Premises of any Hazardous Materials, whether the Authority obtained such information from Lessee or from its own investigations, except to the extent the Authority's knowledge prior to the Effective Date and failure to act on such knowledge constituted negligence or willful misconduct on the part of the Authority.

jj As-Is Conveyance.

This Lease is made "AS IS," with no warranties or representations by the Authority concerning the condition of the Leased Premises, including the presence or absence of any Hazardous Materials, except as set forth in Section 9.5, below. Lessee hereby agrees and acknowledges that except in the event of any fraud, misrepresentation, or withholding of information by the Authority: (i) neither the Authority, nor anyone acting for or on behalf of the Authority, has made any representation, statement, warranty or promise to Lessee concerning the development potential or condition of the Leased Premises except as set forth in Section 9.5 below; and (ii) in

entering into this Lease, Lessee has not relied on any representation, statement or warranty of the Authority, or anyone acting for or on behalf of the Authority, other than as may expressly be contained in writing in this Lease; and (iii) THAT LESSEE IS LEASING THE LEASED PREMISES, IN AN "AS IS" PHYSICAL CONDITION AND IN AN "AS IS" STATE OF REPAIR.

kk Authority Representations. Except as set forth in Exhibit D:

i The Authority has not received any information that Hazardous Materials exist on the Leased Premises in violation of Hazardous Materials Laws, nor has the Authority received any information indicating that there are any Hazardous Materials Claims with respect to the Leased Premises.

ii General Release. Subject to Section 9.3 and 9.4, above, Lessee and its owners, employees, agents, assigns and successors agree that upon the Effective Date, Lessee shall be deemed conclusively to have released and discharged the Authority and its agents, employees, trustees, assigns and successors, from any and all damages, losses, demands, claims, debts, liabilities, obligations, causes of action and rights, whether known or unknown, by Lessee regarding the Leased Premises, including, but not limited to, the environmental condition of the Leased Premises.

iii Waiver of Civil Code § 1542. Lessee agrees that, with respect to the General Release contained in Section 9.5(b) above, the General Release extends to all matters regarding the Leased Premises, whether or not claimed or suspected, to and including the date of execution hereof, and constitutes a waiver of each and all the provisions of the California Civil Code § 1542, which reads as follows:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

Lessee herein acknowledges that the effect and import of the provisions of Civil Code § 1542 have been explained to it by its own counsel. Lessee understands and acknowledges the significance and the consequence of such specific waiver of unknown claims and hereby assumes full responsibility for any injuries, damages, losses or liabilities that it may hereinafter incur from the waiver of these unknown claims.

## LIENS

### ll Liens and Encumbrances Against Lessee's Interest in the Leasehold Estate.

Lessee shall have a right to encumber the Leasehold Estate or the Improvements with approved leasehold deeds of trust, mortgages, and regulatory agreements or with any other liens or encumbrances with the written approval of the Authority.

## INSURANCE

### mm Required Insurance Coverage.

i Fire and Extended Coverage Endorsement. Lessee shall during the Lease Term keep the Leased Premises insured against loss or damage by a standard all risk policy in amounts such that the proceeds of such insurance shall not be less than the replacement value of the Leased Premises, or, should insurance in such amount not be reasonably and commercially available, or the cost of such insurance shall not be commercially reasonable given Lessee's net income, such lesser amount as may be reasonably acceptable to the Authority. The amount of such insurance shall be adjusted by reappraisal of the Improvements by the insurer or its designee at least once every five (5) years during the Lease Term, if requested by the Authority. If an all risk policy insuring the full replacement value of the Leased Premises is not reasonably and commercially available, Lessee shall use best efforts to obtain and maintain an extended coverage endorsement that ensures the full replacement value of the Leased Premises as soon as such coverage becomes commercially and reasonably available, subject to the approval of the Authority.

ii Liability and Property Damage Insurance. During the Lease Term, Lessee shall keep in full force and effect a policy or policies of comprehensive general liability and property damage insurance against liability for bodily injury to or death of any person or property damage arising out of an occurrence on or about the Leased Premises. The limits of such insurance shall be not less than Three Million Dollars (\$3,000,000) combined single limit for bodily injury and property damage. The limits of the insurance shall be adjusted once every five (5) years if and as reasonably required by the Authority.

iii Workers' Compensation Insurance. Lessee shall carry or cause to be carried workers' compensation insurance covering all persons employed in connection with the Leased Premises and with respect to whom death, bodily injury, or sickness insurance claims could be asserted against the Authority or Lessee.

iv Builders' Risk Insurance. During the course of any alteration, construction or reconstruction, the cost of which exceeds Two Hundred Fifty Thousand Dollars (\$250,000), Lessee shall require any contractor to provide builders' risk insurance for not less than Five Million Dollars (\$5,000,000) combined single limit for bodily injury or property damage insuring the interests of the Authority, Lessee and any contractors and subcontractors.

nn Insurance Policies and Premiums.

i All liability policies required by this Lease shall name the Authority as an additional insured. Duplicate copies of such policies or certificates of such insurance shall be promptly furnished to the Authority.

ii To the extent obtainable, any policy of insurance shall provide that any change or cancellation of said policy must be made in writing and sent to Lessee and the Authority at their respective principal offices at least thirty (30) days before the effective date of change or cancellation.

(1) It is the Lessee's responsibility to notify the Agency of any notice of cancellation, non-renewal or non-payment of premium in accordance with your policy provisions. In the event insurance is cancelled or not renewed, the Lessee shall notify the Agency within forty eight (48) hours of such cancellation or non-renewal.

\_\_\_\_ Lessee's Initials

(2) Lessee is in material breach of this Lease for so long as Lessee fails to maintain all of the required insurance. Authority has the right, but not the obligation, to pay any delinquent insurance premiums and any other charges to reinstate or maintain the required insurance policies and coverage. Upon Authority's demand, Lessee must immediately reimburse Authority for any and all costs incurred by Authority in so obtaining or maintaining insurance.

oo Proceeds of Insurance.

All insurance proceeds received under the policies set forth in this Article 11 shall be paid to Lessee, provided that Lessee shall apply such proceeds, to the extent possible, for reconstruction or repair in a manner consistent with the provisions of Section 13.1.

pp Limitation of Liability.

i Lessee shall indemnify and hold harmless the Authority, its officers, commissioners, employees, agents, contractors, servants, and directors from all claims, actions, demands, costs, expenses and reasonable attorneys' fees arising out of, attributable to or otherwise occasioned, in whole or in part, by any act or omission of Lessee, its agents, contractors, servants, employees, or invitees, arising from or relating to operation of the Leased Premises.

ii The Authority shall indemnify and hold harmless Lessee, its officers, employees, agents, contractors, servants, directors, members or partners from all claims, actions, demands, costs, expenses and reasonable attorneys' fees arising out of, attributable to or otherwise occasioned, in whole or in part, by any act or omission of the Authority, its agents, contractors, servants, employees, or invitees, arising from or relating to operation of the Leased Premises.

## CONDEMNATION

### qq Termination of Lease.

The Authority and Lessee agree that, in the event of a Taking such that Lessee reasonably determines that the Leased Premises cannot continue to be operated, at reasonable cost, for its then-current use, then, subject to the rights of Leasehold Mortgagees, this Lease shall, at Lessee's sole option, terminate as of the Taking Date.

### rr Continuation of Lease and Presumption of Restoration.

The Authority and Lessee agree that, in the event of Taking that does not result in the termination of this Lease pursuant to Section 12.1 above, this Lease shall continue in effect as to the remainder of the Leased Premises, and the Net Condemnation Award will be disbursed in accordance with Section 12.4 below to Lessee and/or any Leasehold Mortgagee, if the terms of the applicable Leasehold Mortgage so require, and shall be used so as to make the same as complete, unified and efficient operating unit as nearly as reasonably possible to the condition existing prior to the Taking, subject to any applicable requirements of the Leasehold Mortgagee.

### ss Temporary Taking.

If there shall be a temporary Taking with respect to all or any part of the Leased Premises or of Lessee's interest in this Lease, then the Term shall not be reduced and Lessee shall continue to pay in full all Rents, taxes and other charges required herein, without reduction or abatement thereof at the times herein specified; provided, however, that Lessee shall not be required to perform such obligations that Lessee is prevented from performing by reason of such temporary Taking.

### tt Apportionment of Award.

If there is a Taking, whether whole or partial, the Authority and Lessee shall be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to their respective interests in any condemnation proceedings, or as may be otherwise agreed, taking into consideration the fact that the Authority's interest in the Leased Premises is limited to the land (exclusive of the Improvements, as encumbered by this Lease), and a reversionary interest in the Leased Premises upon the expiration of the Term. If the Leased Premises shall be restored as in contemplated in Section 12.2 above, Lessee shall be entitled to recover the costs and expenses incurred in such restoration out of any Net Condemnation Award. Thereafter, if the condemning authority does not make separate awards, the Parties agree that any Net Condemnation Award will be allocated on a proportionate basis. If the Parties are unable to agree as to the exact amount of such allocation, and the Parties are unable to agree as to amounts that are to be allocated to the respective interest of each Party, then each Party shall select an independent M.A.I. real estate appraiser (an "Appraiser"). Each Appraiser shall separately determine the amount of the balance of the Net Condemnation Award that is to be allocated to the interests of each Party. If the percentage of the balance of the Net Condemnation Award each Appraiser allocates to the Authority (a) are within ten percent (10%) of each other, the two allocations shall be averaged, and such average shall be the final allocation of the Net Condemnation Award, or (b) are not within ten percent (10%) of each other, the two Appraisers shall then select a third Appraiser, who shall independently allocate the Net Condemnation Award between the Authority and Lessee, and the middle of such three allocations shall be the final allocation of the Net Condemnation Award.

### uu Joinder.

If a Leasehold Mortgage exists, the Leasehold Mortgagees, to the extent permitted by law, shall be made a party to any Taking proceeding.

## **DAMAGE OR DESTRUCTION**

### **vv Damage or Destruction to Leased Premises.**

Lessee shall give prompt written notice to the Authority after the occurrence of any fire, earthquake, act of God or other casualty to or in connection with the Leased Premises, the Improvements or any portion thereof (hereinafter sometimes referred to as "Casualty"). Subject to Section 13.2 below, if during the Term the Improvements shall be damaged or destroyed by Casualty, Lessee shall repair or restore the Improvements, so long as Lessee determines, after consultation and approval by the Authority, that it is feasible to do so and in such event Lessee provides or causes to be provided sufficient additional funds which, when added to such insurance proceeds, will fully effect such repair or restoration. Upon the occurrence of any such Casualty, Lessee, promptly and with all due diligence, shall apply for and collect all applicable insurance proceeds recoverable with respect to such Casualty, for the benefit of the Leasehold Mortgagees, if any. In the event that Lessee shall determine, subject to the rights of any Leasehold Mortgagees, by notice to the Authority given within thirty (30) days after receipt by Lessee of any such insurance proceeds, that it is not economically practical to restore the Leased Premises to substantially the same condition in which they existed prior to the occurrence of such Casualty, then Lessee may terminate this Lease as of a date that is not fewer than thirty (30) days after the date of such notice. If Lessee terminates this Lease pursuant to this Section 13.1, Lessee immediately shall surrender possession to the Authority of that part of the Leased Premises determined not economically feasible to restore and assign to the Authority (or, if same has already been received by Lessee, pay to the Authority) all of its right, title and interest in and to the proceeds from Lessee's insurance upon the Leased Premises, subject to the prior rights of any Leasehold Mortgagee therein, as referenced in Section 13.3 below.

### **ww Damage or Destruction Near End of Term.**

If, during the last year of the Term, the Improvements shall be damaged by Casualty, then Lessee shall have the option, to be exercised within one hundred twenty (120) days after such Casualty:

i to repair or restore the Improvements as hereinabove provided in this Article 13; or

ii subject to the rights of Leasehold Mortgagees, to terminate this Lease by notice to the Authority, which termination shall be deemed to be effective as of the date of Casualty. If Lessee terminates this Lease pursuant to this Section 13.2, Lessee shall surrender possession of the Leased Premises to the Authority immediately and assign to the Authority (or, if same has already been received by Lessee, pay to the Authority) all of its right, title and interest in and to the proceeds from Lessee's insurance upon the Leased Premises, subject to the prior rights of any Leasehold Mortgagee therein, as referenced in Section 13.3 below.

### **xx Distribution of Insurance Proceeds.**

In the event that this Lease is terminated pursuant to Sections 13.1 or 13.2 hereof, the insurance proceeds received as the result of such Casualty shall be distributed as follows: (a) first, if a Leasehold Mortgage is in place to

the Leasehold Mortgagee to the extent of any indebtedness then owed to such Leasehold Mortgagee; (b) second, the balance, if any, of such insurance proceeds shall be paid to Lessee or, as applicable pursuant to Sections 13.1 and 13.2 above, assigned or paid over to the Authority.

## **PARTICULAR COVENANTS**

### **yy Non-Discrimination.**

i Lessee or its designee shall not, in the selection or approval of Tenant Households or provision of services or in any other matter, discriminate against any person or group of persons on the grounds of race, color, creed, religion, sex, sexual orientation or gender identity, marital status, disability, national origin, ancestry, language proficiency, source of income, or that the prospective tenant is receiving rental assistance pursuant to the HUD Housing Choice Voucher Program or any other rental assistance program. In addition, Lessee covenants by and for Lessee and Lessee's successors, assigns and all persons claiming under or through Lessee that this Lease is made subject to the condition that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, creed, sex, sexual orientation or gender identity, marital status, disability, national origin, ancestry, language proficiency, source of income or that the Tenant Household is receiving rental assistance pursuant to the HUD Housing Choice Voucher Program or any other rental assistance program in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the Units, nor shall Lessee or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of Tenant Households, lessees, sublessees, subtenants or vendees on the Leased Premises.

ii The Authority shall be entitled to invoke any remedies available at law or in equity to redress any breach of these subsections or to compel compliance therewith by Lessee. The Authority shall be entitled to invoke any remedies available at law or in equity to redress any breach of this Article 13 or to compel compliance therewith by Lessee.

## **ASSURANCES OF THE AUTHORITY**

### **zz The Authority to Give Peaceful Possession.**

The Authority covenants that it owns in fee simple, and that it has good and marketable title to the Leased Premises and that the Leased Premises are free of all liens, encumbrances, easements, covenants, conditions, and restrictions except for those exceptions specifically approved in writing by Lessee. The Authority covenants and warrants that Lessee and its tenants shall have, hold and enjoy, during the Lease Term, peaceful, quiet, and undisputed possession of the Leased Premises without hindrance from anyone so long as Lessee is not in default under this Lease.

### **aaa Release of the Authority.**

The Authority may sell, assign, transfer, or convey all or any part of the Authority's interest in the Leased Premises, reversionary interest in the Improvements or this Lease without obtaining Lessee's consent, provided that

the purchaser, assignee, or transferee expressly assumes all of the obligations of the Authority under this Lease by a written instrument in a form reasonably satisfactory to the Authority. In the event the Authority intends to sell all or any part of the Leased Premises, the Authority shall notify Lessee and all Tenant Households of such intention not later than sixty (60) days before the approval of such sale is scheduled for approval by the Authority Commission. In the event of a sale, assignment, transfer, or conveyance by the Authority of the Leased Premises or its rights under this Lease, the same shall operate to release the Authority from any liability arising on or after the effective date of such transfer upon any of the covenants or conditions of this Lease, expressed or implied, in favor of Lessee, and in such event Lessee shall look solely to the successor in interest of the Authority in and to the Site or this Lease. Provided, however, Lessee may terminate this Lease if, after notice of the Authority's intent to sell, assign, transfer or convey any part of the Leased Premises, within thirty (30) days of receipt of such notice, it declares its intention to terminate in writing to the Authority. This Lease shall not be affected by any such sale, and Lessee agrees to attorn to any such purchaser or assignee.

## ADDITIONAL HUD PROVISIONS

Notwithstanding any provisions in this Lease to the contrary, the following provisions shall prevail:

- (a) The Leased Premises shall only be used for the specific purposes outlined in the HUD Use Agreement and the HUD Disposition Approval; namely, that the Units shall continue to be affordable to and occupied by households having incomes no greater than eighty percent (80%) of AMI for thirty (30) years from the Effective Date;
- (b) The Leased Premises shall be leased solely to Lessee and no subsequent assignment, sublease, transfer or encumbrance of the Property shall be permitted without the prior written approval of HUD, with the exception of the transfer of Winfield Hill, Inc.'s membership and management of the General Partner to SHARP or a nonprofit affiliate of SHARP at the conclusion of the rehabilitation as evidenced by the final equity contribution of the investor limited partner, and subject to the notice and cure provisions provided in this Lease regarding the rights and obligations of the lenders and investors as described in Section 18, below.
- (c) The Lessee shall use and operate the Leased Premises in accordance with the HUD Disposition Approval during the Lease Term, including the duration of any extensions;
- (d) The terms of this Lease shall not be materially modified, amended, supplemented or revised, nor subordinated to any lien, charge or encumbrance upon the Property without the prior written approval of the Secretary of HUD;
- (e) If Lessee fails to correct a violation under the HUD Use Agreement or HUD Disposition Approval, in the time periods set forth in Section 17.1(a), such failure shall be an Event of Default under this Lease.
- (f) If the Lessee fails to use and operate the Leased Premises in accordance with the HUD Use Agreement or HUD Disposition Approval at any time during the Lease Term, following the notice and cure period provided for in the default provisions of Section 17.1, this Lease shall terminate and, subject to the rights of Leasehold Mortgagees as set forth in Article 18, below, all of Lessee's interest in the Leased Premises shall revert to the Authority; and

(g) If Lessee's interest in the Leased Premises and the Improvements is transferred during the term of the HUD Use Permit, any transferee shall expressly assume the HUD Use Agreement.

## DEFAULTS AND REMEDIES

bbb Events of Default; Remedy of Default by Lessee.

i Any one or more of the following events shall constitute an "Event of Default":

(1) Failure to pay rent when due, or any other payment required hereunder, and continuance of such failure for a period of thirty (30) days after receipt by Lessee of written notice specifying the non-payment; or

(2) Failure of Lessee to observe and perform any covenant, condition, or agreement hereunder on its part to be performed, including, but not limited to failure to use and operate the Leased Premises as provided in the HUD Disposition Approval, and (i) continuance of such failure for a period of ninety (90) days after receipt by Lessee of written notice specifying the nature of such default, or (ii) if by reason of the nature of such default the same cannot be remedied within said ninety (90) days, Lessee fails to proceed with reasonable diligence after receipt of said notice to cure the same; or

(3) A general assignment by Lessee for the benefit of creditors; or

(4) The filing of a voluntary petition by Lessee, or the filing of an involuntary petition by any of Lessee's creditors seeking the rehabilitation, liquidation, or reorganization of Lessee under any law relating to bankruptcy, insolvency, or other relief of debtors, provided that in the case of an involuntary petition Lessee shall have one hundred twenty (120) days to cause such petition to be withdrawn or dismissed; or

(5) The appointment of a receiver or other custodian to take possession of substantially all of Lessee's assets or of this leasehold which appointment is not withdrawn or dismissed within one hundred twenty (120) days; or

(6) Lessee declares it is unwilling to pay its debts as they become due; or any court enters a decree or order directing the winding up or liquidation of Lessee or of substantially all of its assets; or Lessee takes any action toward the dissolution or winding up of its affairs or the cessation or suspension of its use of the Leased Premises; or

(7) Attachment, execution, or other judicial seizure of substantially all of Lessee's assets or this leasehold, which is not dismissed, bonded, or stayed within ninety (90) days.

ii Whenever any default shall have occurred and be continuing and upon expiration of any applicable cure periods provided herein, the Authority may take whatever action at law or in equity as may appear reasonably necessary to enforce performance or observance of any obligations, agreements, or covenants of Lessee under this Lease, including without limitation, termination of this Lease. In the event of such default, the Authority's remedies shall be cumulative, and no remedy expressly provided for in this Section shall be deemed to exclude any other remedy allowed by law.

**ccc      Remedy of Material Breach by the Authority.**

If the Authority defaults under the Lease, Lessee shall give the Authority written notice requiring that the default be remedied by the Authority. If the default is not cured within the time set forth by Lessee (which shall be a reasonable time for curing the default and shall in any event be at least thirty (30) days), Lessee may take any action as may be necessary to protect its interests. Such action, in the event that the Authority shall fail to perform any of its obligations under this Lease and such failure shall continue after the expiration of the cure period specified in this Section, shall include the right of Lessee to cure such default and receive any reimbursement of expenditure with interest thereon from the Authority within thirty (30) days after sending to the Authority a statement therefor.

## **PERMITTED MORTGAGES AND INVESTOR RIGHTS**

**ddd      Right to Encumber.**

Lessee shall have the right during the Term to encumber, through a Leasehold Mortgage pursuant to the Approved Financing and the Regulatory Agreements, all of Lessee's right, title and interest in the Leased Premises, subject to the provisions of this Lease; provided, however, that any Leasehold Mortgage shall be in all respects be subordinate and inferior to Authority's right, title and interest in the Leased Premises and such Leasehold Mortgagee shall be subject to all of the rights and obligations of Authority herein contained in this Lease, except as otherwise provided in this Lease. For purposes of this Lease, Authority and Lessee acknowledge and agree that the bond trustee for the benefit of Bank of America, N.A., along with their respective successors and assigns ("Senior Leasehold Mortgagee"), is a permitted Leasehold Mortgagee and all references to a "Leasehold Mortgagee" shall specifically include Senior Leasehold Mortgagee. Notwithstanding anything to the contrary contained herein, a Leasehold Mortgagee shall be deemed to be a third party beneficiary of this Lease.

**eee      Notice to Leasehold Mortgagee.**

During any period in which a Leasehold Mortgage is in place, Authority shall give any such Leasehold Mortgagee of which Authority has received notice from Lessee a duplicate copy of all notices of default or other notices that Authority may give to or serve in writing upon Lessee pursuant to the terms of this Lease. The address of the Leasehold Mortgagee originally designated in the Leasehold Mortgage may be changed upon written notice delivered to Authority in the manner specified in Section 20.2 below. Authority's failure to give any such notice to any such Leasehold Mortgagee shall not render such notice ineffective, nor shall any such failure constitute an Event of Default hereunder; provided, however, that Authority shall not exercise any remedies under Section 17 of this Lease unless such notice has been provided and Leasehold Mortgagee has been provided the opportunity to cure the default as provided in Section 18.3 below.

**fff      Right of Leasehold Mortgagee to Cure.**

Notwithstanding any default by Lessee under this Lease, Authority shall have no right to terminate this Lease unless Authority shall have given each Leasehold Mortgagee written notice of such default and such

Each Leasehold Mortgagee shall have one hundred twenty (120) days after receipt of notice from Authority describing such default to cure the default. All payments so made and all things so done shall be as effective to prevent a termination of this Lease as the same would have been if made and performed by Lessee instead of by Leasehold Mortgagees.

In addition to the cure period provided in this Section 18.3 above, if the default is such that possession of the Property may be reasonably necessary to remedy the default, any Leasehold Mortgagee shall have a reasonable time after the expiration of such one hundred twenty (120) period within which to remedy such default, provided that (i) such Leasehold Mortgagee shall have fully cured any default in the payment of any monetary obligations of Lessee under this Lease, other than Prior Indemnity Obligations, within such one hundred twenty (120) day period and shall continue to pay currently such monetary obligations when the same are due and (ii) such Leasehold Mortgagee shall have acquired Lessee's leasehold estate hereunder or commenced foreclosure or other appropriate proceedings prior to or within such period, and shall be diligently prosecuting the same.

Any default under this Lease which by its nature cannot be remedied by any Leasehold Mortgagee and all Prior Indemnity Obligations shall be deemed to be remedied if (i) within one hundred twenty (120) days after receiving written notice from Authority describing the default, or prior thereto, any Leasehold Mortgagee shall have acquired Lessee's leasehold estate or commenced foreclosure or other appropriate proceedings, (ii) Leasehold Mortgagee shall diligently prosecute any such proceedings to completion, (iii) Leasehold Mortgagee shall have fully cured any default in the payment of any monetary obligations of Lessee hereunder (other than the Prior Indemnity Obligations) which does not require possession of the Leased Premises, and (iv) after gaining possession of the Leased Premises, the Leasehold Mortgagee shall cure within a reasonable time all non-monetary defaults of Lessee hereunder capable of cure by Leasehold Mortgagee.

As used herein, "Prior Indemnity Obligations" means all monetary obligations arising from the acts or inactions of Lessee prior to the date that the holder of a Leasehold Mortgage obtains possession of the Project by foreclosure, deed in lieu of foreclosure, or a new lease pursuant to Section 18.7, below.

If any Leasehold Mortgagee is prohibited, stayed or enjoined by any bankruptcy, insolvency or other judicial proceedings involving Lessee from commencing or prosecuting foreclosure or other appropriate proceedings, the times specified for commencing or prosecuting such foreclosure or other proceedings shall be extended for the period of such prohibition; provided that any Leasehold Mortgagee shall have fully cured any default in the payment of any monetary obligations of Lessee under this Lease and shall continue to pay currently such monetary obligations when the same fall due; provided, further, that such Leasehold Mortgagee shall not interfere with Authority's efforts to seek compliance by the Lessee with any non-monetary obligation under this Lease.

#### **ggg                    Limitation on Liability of Leasehold Mortgagee.**

No Leasehold Mortgagee shall be or become liable to Authority as an assignee of this Lease or otherwise unless it expressly assumes by written instrument executed by Authority and Leasehold Mortgagee such liability (in which event the Leasehold Mortgagee's liability shall be limited to the period of time during which it is the owner of the leasehold estate created hereby) and no assumption shall be inferred from or result from foreclosure or other appropriate proceedings in the nature thereof or as the result of any other action or remedy provided for by such

Leasehold Mortgage or other instrument or from a conveyance from Lessee pursuant to which the purchaser at foreclosure or grantee shall acquire the rights and interest of Lessee under the terms of this Lease.

hhh                      Estoppel Certificates.

Authority and Lessee agree that at any time and from time to time upon not less than twenty (20) days' prior written notice by the other Party, or upon request from any Leasehold Mortgagee or Investor or a permitted assignee or other interested party, Authority or Lessee will execute, acknowledge and deliver to the other Party or to such Leasehold Mortgagee or Investor a statement in writing certifying (a) that this Lease is unmodified and in full force and effect; (b) the date through which the Rents have been paid; and (c) that, to the knowledge of the certifier (if such be the case), there is no default, set off, defense or other claim against Authority or Lessee, as applicable, other than those, if any, so specified under the provisions of this Lease. It is intended that any such statement may be relied upon by any persons proposing to acquire the interest of Authority, Lessee or any Leasehold Mortgagee or Investor, as the case may be, in this Lease or by any prospective Leasehold Mortgagee or Investor or permitted assignee of any Leasehold Mortgagee or Investor.

iii                      Registration of Leasehold Mortgages.

Upon written request by Authority, Lessee shall provide written notice to Authority of the name and address of each Leasehold Mortgagee under this Lease.

jjj                      New Lease.

In the event of the termination of this Lease prior to the natural expiration of the Term of this Lease due to a default of Lessee or operation of law (except by eminent domain) or upon a foreclosure of Lessee's estate by a Leasehold Mortgagee or acceptance of a deed in lieu of foreclosure, Authority, upon written request from any Leasehold Mortgagee, shall enter into a new lease with such holder or its designee in accordance with and upon the same terms and conditions as set forth herein. In this regard, in the event of the filing of a petition in bankruptcy by the Lessee, and the Lessee rejects this Lease under the then applicable provisions of the Bankruptcy Code, Authority shall, upon the request of a Leasehold Mortgagee, affirm this Lease, and Authority will enter into a new lease on the same terms and conditions set forth herein with such holder or its designee immediately upon Lessee's rejection of this Lease. In the event of the filing of a petition in bankruptcy by the Authority, and the Authority rejects this Lease and the Lessee does not affirm it, a Leasehold Mortgagee will have the authority to affirm this Lease on behalf of the Lessee and to keep the Lease in full force and effect. If more than one Leasehold Mortgagee requests such New Lease, the most senior Leasehold Mortgagee shall be provided the New Lease.
