City Council, Housing Authority and
Redevelopment Agency of the City of Sacramento
Board of Supervisors, Housing Authority and
Redevelopment Agency of the County of Sacramento
Sacramento Housing and Redevelopment Commission
Sacramento Housing Development Corporation
Sacramento, California

State law requires that the Sacramento Housing and Redevelopment Agency (the Agency) publish a complete set of financial statements presented in conformity with accounting principles generally accepted in the United States of America (GAAP) applied to governmental entities. The financial statements are to be audited by certified public accountants in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Pursuant to that requirement, we hereby issue this Comprehensive Annual Financial Report (CAFR) of the Agency for the year ended December 31, 2010.

Management assumes full responsibility for the completeness and reliability of the information contained in this report. To provide a reasonable basis for making these representations, Agency management has established a comprehensive internal control framework that is designed both to protect the Agency's assets from loss, theft or misuse and to compile sufficient reliable information for the preparation of the Agency's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Agency's comprehensive framework of internal controls has been designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The Agency's financial statements have been audited by Macias Gini & O'Connell LLP, a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Agency for the year ended December 31, 2010, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unqualified opinion that the Agency's financial statements for the year ended December 31, 2010, are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report, which can be found on pages 1 and 2.

P.O. Box 1834
Sacramento, CA 95812-1834

Management's discussion and analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. MD&A complement this letter of transmittal and should be read in conjunction with it.

PROFILE OF THE AGENCY

The Agency is located in Sacramento, California. The City of Sacramento, established in 1849, serves as the capitol for the State of California and is the center of state government. Sacramento also serves as the seat of Sacramento County government. It is the seventh largest populated city in California and continues to see a migration of people from the San Francisco Bay Area and Southern California. The State of California Department of Finance estimates the population on January 1, 2010 at 486,189 for the City and 1,445,327 for the County of Sacramento. Sacramento encompasses 99 square miles and is located in the northern section of California's burgeoning Central Valley. Sacramento is a charter city and operates under a Council-Manager form of government.

The Agency is a joint powers agency which serves as the fiscal agent/administrator for the following four legal entities: The Housing Authorities of the City and County of Sacramento, and the Redevelopment Agencies of the City and County of Sacramento, which are responsible for the development and implementation of housing, redevelopment, and selected economic development programs and activities for the City and County of Sacramento. The Housing Authorities of the City and County were formed in July 1939 and June 1940, respectively. The Redevelopment Agencies were formed in September 1950 and September 1974, respectively. Additionally, the Agency has served as the administrator of the Community Development Block Grant Programs for the City and County of Sacramento since June 1982.

The governing boards of the Agency include the City Council of the City of Sacramento (City), the Board of Supervisors of the County of Sacramento (County), and the Sacramento Housing and Redevelopment Commission (Commission). The City Council, acting as the City Housing Authority and the City Redevelopment Agency, approves all City related agenda items. The County Board of Supervisors, acting as the County Housing Authority and the County Redevelopment Agency, approves all County related agenda items. The Commission also serves in an advisory capacity for each entity. The Commission has operational authority within the budget and policy direction approved by the City Council and County Board of Supervisors.

The Agency has defined its reporting entity in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14, "The Financial Reporting Entity," which provides guidance for determining which governmental activities, organizations, and functions should be included in its reporting entity. The component units listed below are included in the Agency's reporting entity because of the significance of their operational or financial relationships with the Agency. Blended component units, although legally separate entities are, in substance, part of the government's operations. The discretely presented component units are reported in a separate column in the government-wide financial statements to emphasize that they are legally separate from the Agency. Complete financial statements of individual component units can be obtained from the Finance Department of the Agency.

- ◆ Blended Component Unit
 - Foundation Uniting Needs and Dollars (FUND, Inc.)
- ◆ Discretely Presented Component Units:
 - Sacramento Housing Development Corporation (SHDC)
Riverview Plaza Associates

- Shasta Hotel Corporation
- Sacramento Housing Authority Asset Repositioning Program, Inc. (SHARP)
- Norwood Avenue Housing Corporation (NAHC)
 - Phoenix Park I, L.P.
 - Phoenix Park II, L.P.

The Norwood Avenue Housing Partnership (NAHP) was dissolved in 2010. It was a limited partner of the Norwood Avenue Housing Corporation.

Budget. The annual budget of the Agency, consisting of the operating and project budgets, is adopted on a calendar year basis. Prior to December 1, the Executive Director submits a proposed operating budget to the governing bodies for review and approval. The budget is legally enacted through passage of resolutions prior to January 1 of each year. The budget adoption resolution specifies that the legal level of budgetary control is at the fund level. Budgeted expenditures represent original appropriations adjusted by supplemental budgetary appropriation amendments.

Annual operating budgets are adopted on a modified accrual basis for all Debt Service funds, Local Tax Special Revenue funds and Housing Special Revenue funds, except for the Revenue Bond Program and FUND, Inc. Project budgets are adopted for the Agency's major special revenue funds for the duration of the project which may extend over several years. The adopted project budgets for the Community Development, Tax Increment, and Revenue Bond Program Special Revenue funds and for the Capital Project funds are adopted on a project length basis. Additionally, although not legally required, the Agency adopts annual budgets for the Enterprise, Internal Service, and certain Component Unit funds.

FACTORS AFFECTING ECONOMIC CONDITION

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the Agency operates.

Local economy. The Sacramento region has a diverse economy and is now home to many high-tech manufacturers, software development companies, biotechnology and medical research laboratories, food processors, and medical equipment manufacturers. The region is also a transportation hub served by air cargo airports, an international airport, a deep water shipping port, two major interstate freeways, freight and passenger rail lines, and an extensive regional commuter bus and light-rail system. These key industries interface with Sacramento's service, hospitality, and government employers. The regional economy and employment base continues in a long term transition away from a state government and defense industry to health care and other private industries.

Much like the rest of the nation, Sacramento has been hit hard by the economic recession and resulting decline in consumer confidence. By June 2010, unemployment for the Sacramento metropolitan area and Sacramento County rose to 12.4% and 12.6% respectively. Industries experiencing the most severe slowdowns are: construction, building finishing contractors, retail, and food service. Job losses are expected to continue at a slower pace in the next year, even after the local economic climate begins to stabilize.

The declining real estate values, reduced property tax revenues, and restricted availability to credit has placed fiscal constraints on the Agency that are expected to last several years.

Beginning in early 2008 and continuing through 2010, the Sacramento County Assessor began a campaign to reassess property values down to the current market value under the 1978 provisions of Proposition 8. Countywide, approximately 170,000 parcels had their values reduced during the 2009-10 tax year. During the 2010-11 tax year, the Assessor's Office reviewed the market value of 150,000 residential parcels and 1,500 commercial and apartment properties. Many of these reviews resulted in adjusted values below their Prop 13 values. Another factor putting downward pressure on local property tax is the rise in the number of "at risk" appeals of property values in the commercial sector. Many owners of commercial property are appealing the current assessed values due to higher levels of vacancy, etc.

There is a definite link between the fiscal health of the State of California (State) and local government in the Sacramento region. During the 2009-10 State budget process, the State legislature enacted the Supplemental Education Revenue Augmentation Fund (SERAF) shift as a partial solution to the State budget problem. The impact of this mandate is a required payment of \$19.6 million from the Agency's redevelopment project areas. On May 10, 2010 the Agency was required to remit the payment to the Sacramento County Auditor Controller for distribution to local schools. The required payment represents 32% of the Agency's tax increment revenues for 2010. Further, the same legislation requests \$4 million in additional SERAF payments for the 2010-11 budget year.

On January 10th 2011, the Governor issued a proposed budget for FY 2011-12 which includes a provision to eliminate all California Redevelopment Agencies. The proposed legislation has been a focal point in recent budget debates; however, Senate Bill 77, which would have enacted the Governors proposal, failed passage in the Assembly, but could be called up again for a vote.

The legislation would eliminate all 425 redevelopment agencies in the State. SHRA administers redevelopment activities for both the City of Sacramento and the County of Sacramento. There are currently nine project areas in the City, three in the County and three City/County joint project areas.

The bill as currently drafted provides that on July 1, 2011, existing agencies would be dissolved, and a successor entity established for the liquidation of assets and the retirement of outstanding obligations.

As a part of the proposal, any unspent redevelopment housing fund balances would be transferred to the jurisdiction that formed the redevelopment agency (or the local housing authority) to use for low- and moderate-income housing. In 2011/12, the State would use redevelopment funds to offset \$1.7 billion of State Medi-Cal (\$840 million) and trial court (\$860 million) costs.

The bill, as currently drafted, further indicates that unencumbered funds held by a redevelopment agency on July 1, 2011 would be remitted to the County Auditor-Controller for redistribution to local taxing entities.

After fiscal year 2011/12, available monies, after the payment of existing redevelopment obligations, would be distributed to schools, counties, cities and non-enterprise special districts for general uses. In addition, the bill prohibits the Agency from entering into any contracts, incurring any obligations or making any commitments to any entity after the effective date of the legislation.

Long-term financial planning

In response to the negative impacts of the conditions outlined above, the Agency has taken a proactive approach and instituted a strategic planning effort to assure continued viability and relevance to the Agency's housing and community development missions. Revenue enhancements and expenditure mitigation measures are continually being evaluated.

In preparation of GASB Statement No. 45, *Accounting and Financial Reporting by Employers for Post Employment Benefits Other Than Pensions*, the Agency commissioned an actuarial valuation of post retirement medical benefits in 2007. The valuation is critical for the Agency to develop strategies to identify resources to fund the projected costs and/or to identify methods to reduce the potential obligations. In 2007, the Agency obtained governing board approval to participate in the California Employers' Retiree Benefit Trust (CERBT) fund and to contribute \$1.5 million to the CERBT fund. The Agency appropriated the cost of retiree medical based on the 2009 actuarial study, amortized over 30 years using the discount rate of 7.75%. A new actuarial study was commissioned and was completed in January 2011.

Relevant financial policies

The primary sources of non-local revenue are from numerous programs sponsored by the U.S. Department of Housing and Urban Development (HUD). The federal government continues to revise HUD practices, programs and overall appropriation levels. Currently, the Agency is administering \$56 million in funds authorized under the Housing Assistance Tax Act of 2008 and the American Recovery and Reinvestment Act of 2009. The majority of these funds are intended to stabilize the local real estate market and stimulate job creation through the completion of capital projects. To this end, the Agency has developed a comprehensive strategy and implemented specific programs targeted at the purchase, rehabilitation and sales of foreclosed properties in critical geographic areas throughout the City and County of Sacramento.

The demand for affordable housing in Sacramento City and County, and in the entire Sacramento region, has increased as household income continues to fall and regional foreclosures increase. In turn, this trend has put pressure on the rental market and has increased the demand for affordable housing.

The Agency is committed to increasing the supply of affordable housing and has worked closely with the City and County in the development of inclusionary ordinances, the development of a ten year plan to end chronic homelessness, and other policies that will help increase rental housing production and homeownership opportunities.

As a lender and developer, the Agency strive to efficiently manage its resources in order to address the range of need and reach special populations, the workforce population, and those who are moving out of the rental market and buying their first homes.

Since the 1980s, the Agency has been funded primarily by four major programs. From HUD, the Housing Choice Voucher (HCV) program is the largest by dollar volume, the Public Housing and the Capital Fund Programs are the Agency's most labor intensive programs, and the community development programs (CDBG and HOME) are the most versatile community development programs. The fifth major funding source is the redevelopment agency tax increment revenues.

Within the HUD programs, HUD dictates the financial framework by which the Agency is to expend the funds that it receives. After several years of major changes to the HCV program, the HCV

program was left relatively unchanged in 2007; however, in 2008 HUD and Congress enacted several changes related to funding allocations for housing assistance payments (HAP) and the calculation of administrative fees for the HCV program. Locally, the allocation of HAP funding has increased due to improved program lease up and the addition of an annual adjustment factor; however, this funding increase was offset by a recapture of excess HAP reserves accumulated from prior years. HUD completed the recapture of HAP reserved in 2010. The funding for HCV administrative fees was prorated at 92% of funding eligibility in 2010, but was sufficient to cover program operating costs. The 2011 federal appropriation for program operations is resulting in a deeper proration of funding eligibility and may necessitate operational reductions to match program expenses with available revenues.

HUD implemented dramatic changes to the Public Housing program in 2007 moving from the allowable expense level funding methodology used since the 1970s to the project based asset management model. Under this model, projects are managed independently and the regulatory requirements for compliance with the new model require a major shift in the way public housing is managed and funded.

With any shift in funding methodology, there are those that will receive more funding and those that will receive less funding. Unfortunately for the Agency, we will be one that will be receiving less. The reduction will be implemented during a five-year phase-in period. For the County Public Housing program, the loss is expected to be about five percent while the City is expected to lose about ten percent of its federal assistance. During the implementation phase of project based management, HUD allowed for the submission of “stop loss” packages for housing authorities that are losing money based upon the new HUD funding formula if they can prove that they are in compliance with the new management model. In November 2007, the Agency submitted a year 1 “Stop Loss” package to HUD in an effort to limit the amount of the funding loss during the phase in period. In 2008, HUD certified the Agency’s conversion to the project based management model and has awarded the stop loss funding which will provide a temporarily elevated funding level through 2011.

The HUD community development programs for Community Development Block Grant (CDBG) and Home Investment Partnership Program (HOME) increased slightly in 2010, but are expected to decrease in 2011.

Total tax increment revenue was \$64.4 million for the 2009-10 property tax year, a decrease of 11 percent from the previous fiscal year’s revenues. This reduction was due primarily to property tax declines associated with the Proposition 8 reductions and the impact of “at risk” appeals discussed previously. The Agency’s 2011 budget anticipates a continued decline of tax increment to \$60.1 million in calendar year 2011 as open property tax appeals are settled and refunds are issued.

INITIATIVES

The Agency will continue to partner with the City and County of Sacramento to initiate projects and programs that maximize affordable housing opportunities for low-income, very low-income, and extremely low-income households and revitalize low-income communities. A major focus of our housing initiatives will be the development of housing for the chronic homeless and the rehabilitation and replacement of single-room occupancy (SRO) units in the City of Sacramento. We will also continue strategies to eliminate blight and revitalize low-income communities, older commercial corridors, and converted military bases. Our initiatives include infrastructure and community facility improvements, financial assistance for commercial development, homeownership and housing rehabilitation assistance, and intervention to transform troubled rental properties into safe and affordable housing that complements the surrounding neighborhoods.

AWARDS AND ACKNOWLEDGEMENTS

Certificate of Achievement for Excellence in Financial Reporting

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Agency for its comprehensive annual financial report for the year ended December 31, 2009. This was the Eighteenth consecutive year that the Agency has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of this report could not be accomplished without the efficient and dedicated services of the entire staff of the Finance Department. Their dedication to professional excellence is reflected in an improved comprehensive annual financial report. We would also like to commend the Agency's Commission, the City Council and the County Board of Supervisors for their interest, support of this substantial effort, and shared commitment to assuring the financial viability of an Agency which remains progressively committed to meeting the economic, redevelopment and housing needs of the communities we serve.

Respectfully submitted,

LA SHELLE DOZIER
Executive Director

DONALD CAVIER
Director of Finance

Certificate of Achievement for Excellence in Financial Reporting

Presented to

Sacramento Housing
and Redevelopment Agency
California

For its Comprehensive Annual
Financial Report
for the Fiscal Year Ended
December 31, 2009

A Certificate of Achievement for Excellence in Financial
Reporting is presented by the Government Finance Officers
Association of the United States and Canada to
government units and public employee retirement
systems whose comprehensive annual financial
reports (CAFRs) achieve the highest
standards in government accounting
and financial reporting.

INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the Sacramento Housing and Redevelopment Agency (Agency), as of and for the year ended December 31, 2010, which collectively comprise the Agency's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Agency's management. Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Shasta Hotel Corporation (Hotel) and the Norwood Avenue Housing Corporation (Corporation) discretely presented component units. The Hotel and Corporation represent 75% of assets, 50% of net assets, and 30% of revenues of the aggregate discretely presented component units as of and for the year ended December 31, 2010. Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinion, insofar, as it relates to the amounts included for the Hotel and the Corporation, is based solely on the reports of the other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit and the reports of other auditors provide a reasonable basis for our opinions. The financial statements of the Hotel were not audited in accordance with *Government Auditing Standards*.

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the Agency as of December 31, 2010, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 20, 2011 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The management's discussion and analysis and the schedules of funding progress, listed as required supplementary information in the table of contents, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquires of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Agency's basic financial statements. The introductory section, combining and individual fund statements and schedules, Schedule of Annual Contribution Contracts for Capital Fund Program (CFP) and American Recovery and Reinvestment Act (ARRA), Actual Modernization Grant Cost Certificate (AMGCC) letters, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual fund statements and schedules and the Schedule of Annual Contribution Contracts for Capital Fund Program (CFP) and American Recovery and Reinvestment Act (ARRA) have been subjected to the auditing procedures applied by us and the other auditors in the audit of the basic financial statements and, in our opinion, based on our audit and the reports of other auditors, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The introductory and statistical sections and Actual Modernization Grant Cost Certificate (AMGCC) letter have not been subjected to the auditing procedures applied by us and the other auditors in the audit of the basic financial statements and, accordingly, we express no opinion on them.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

This portion of the Sacramento Housing and Redevelopment Agency's (Agency) annual financial report presents a narrative overview and analysis of the Agency's financial activities for the year ended December 31, 2010. Please read this in conjunction with the transmittal letter at the beginning of this report and the Agency's financial statements following this section. All dollar amounts are expressed in thousands unless otherwise indicated.

FINANCIAL HIGHLIGHTS

- The assets of the Agency exceeded liabilities at the end of the 2010 year by \$437,222 (net assets). Of this amount, \$289,034 is invested in capital assets, net of related debt and \$22,154 is restricted to specific purposes (restricted net assets). The unrestricted net assets of \$126,034 consists of amounts that are committed or assigned to capital projects, unassigned amounts and redevelopment debt that does not produce capital assets, yet is repaid from tax increment revenue which is not restricted.

	Governmental Activities	Business-type Activities	Total
Net assets:			
Invested in capital assets, net			
of related debt	\$ 130,643	\$ 158,391	\$ 289,034
Restricted	13,597	8,557	22,154
Unrestricted	98,320	27,714	126,034
Total net assets	<u>\$ 242,560</u>	<u>\$ 194,662</u>	<u>\$ 437,222</u>

- The Agency's total net assets, excluding discretely presented component units, decreased over the course of the year by \$4,960 to \$437,222. The net assets of governmental activities increased by \$1,981, and the net assets of business-type activities decreased by \$6,941.
- As of December 31, 2010, the Agency's governmental funds reported combined fund balances of \$363,004, a decrease of \$34,445 for the year.
- The capital assets of the Agency are primarily the property of the Agency's two Housing Authorities and the net assets will reflect positive balances long into the future because of this. The two Redevelopment Agencies have few capital assets, but have issued the majority of the debt for the Agency. As the redevelopment agencies continue to issue bonds, the net assets will decrease even though the cash for redevelopment projects continue to increase. As the cash is used for projects, the net assets will decrease further. The reduction of net assets is actually a positive trend for a redevelopment agency, in that an increase in debt reflects higher tax increment revenues and more ability to leverage project funds to revitalize redevelopment project areas.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Agency's basic financial statements. The Agency's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the basic financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide Financial Statements are designed to provide readers with a broad overview of Agency finances, in a manner similar to a private-sector business.

The *statement of net assets* presents information on all Agency assets and liabilities, with the difference between the two reported as *net assets*. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The *statement of activities* presents information showing how net assets changed during the most recent fiscal year. All changes in net assets are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods (e.g., grant revenue, accounts payable and earned but unused vacation leave).

Both of these government-wide financial statements distinguish functions of the Agency that are principally supported by tax increments and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or in part a portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the Agency include a variety of federal, state and local housing programs, community redevelopment programs funded by the federal government, including both the City and County Community Development Block Grant Program (CDBG), low and moderate housing activities associated with the redevelopment project areas using tax increment funds, community social service programs, and capital projects which include acquisition and construction of major capital facilities.

The business-type activities of the Agency consist of assisted housing, which includes public housing subsidized by the Department of Housing and Urban Development (HUD), locally funded housing projects, and units subsidized by the State of California's California Housing Finance Agency. In addition, the Housing Authority operates the Housing Choice Voucher (formerly Section 8) Program.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)**

Component units included in the Agency's basic financial statements consist of legally separate entities whose inclusion is necessary for the fair presentation in accordance with generally accepted accounting principles. Included within this grouping are: Sacramento Housing Development Corporation, Shasta Hotel Corporation, Sacramento Housing Authority Asset Repositioning Program, Inc. and the Norwood Avenue Housing Corporation.

The government-wide financial statements can be found on pages 22 - 23 of this report.

Fund Financial Statements are groupings of related funds that are used to maintain control over resources that have been segregated for specific activities or objectives. The Agency, like other state and local governments, uses fund accounting to ensure and demonstrate finance-related legal compliance. All of the funds of the Agency can be divided into two categories: governmental funds and proprietary funds.

Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements.

However, unlike the government-wide financial statements, governmental funds financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the Agency's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The Agency maintains 113 individual governmental funds. Information is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenues, expenditures and changes in fund balances for the City and County HOME funds, City Merged Downtown Debt Service fund, City Merged Downtown Capital Projects fund, and the City Low/Mod Merged Downtown Capital Projects fund as each is considered a major fund. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements elsewhere in this report.

The governmental funds financial statements can be found on pages 24 - 27 of this report.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

Proprietary funds include two different types of funds. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The Agency uses enterprise funds to account for City and County Public Housing Authorities' operations, locally funded housing projects, units funded by the State of California's California Housing Finance Agency and the Housing Choice Voucher program. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the Agency's various functions. The Agency uses internal service funds to account for the internal support services of administrative divisions, payroll, SHRA administration building and Community-Social Services staff assigned to Sacramento County's Department of Human Assistance and the Community Services Planning Council, and self-insurance. Because these services predominantly benefit governmental rather than business-type functions, they have been included with *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The County Housing Choice Vouchers fund is considered to be a major fund of the Agency.

The Agency's two internal service funds are combined into a single, aggregated presentation in the proprietary funds financial statements. Individual fund data for the nonmajor enterprise funds and internal service funds are provided in the form of *combining statements* elsewhere in this report.

The proprietary funds financial statements can be found on pages 28 - 31 of this report.

Notes to the Basic Financial Statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes can be found on pages 34 - 77 of this report.

Other information. The combining statements referred to earlier in connection with nonmajor governmental funds, nonmajor enterprise funds, and internal service funds are presented immediately following the Supplementary Information.

Combining and individual fund statements and schedules can be found on pages 82-184 of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

The government-wide financial statements provide long-term information about the Agency's overall financial condition. This analysis addresses the financial statements of the Agency as a whole.

Net Assets

	Governmental Activities		Business-type Activities		Total	
	2010	2009	2010	2009	2010	2009
Current and other assets	\$ 532,897	\$ 581,936	\$ 38,836	\$ 43,827	\$ 571,733	\$ 625,763
Capital assets	145,153	134,594	159,427	170,098	304,580	304,692
Total assets	<u>678,050</u>	<u>716,530</u>	<u>198,263</u>	<u>213,925</u>	<u>876,313</u>	<u>930,455</u>
Long-term liabilities	416,032	434,905	1,037	1,067	417,069	435,972
Other liabilities	19,458	41,046	2,564	11,255	22,022	52,301
Total liabilities	<u>435,490</u>	<u>475,951</u>	<u>3,601</u>	<u>12,322</u>	<u>439,091</u>	<u>488,273</u>
Net assets:						
Invested in capital assets, net of related debt	130,643	119,673	158,391	169,031	289,034	288,704
Restricted	13,597	13,762	8,557	9,375	22,154	23,137
Unrestricted	98,320	107,144	27,714	23,197	126,034	130,341
Total net assets	<u>\$ 242,560</u>	<u>\$ 240,579</u>	<u>\$ 194,662</u>	<u>\$ 201,603</u>	<u>\$ 437,222</u>	<u>\$ 442,182</u>

As noted earlier, net assets may serve over time as a useful indicator of a government's financial position. In the case of the Agency, assets exceeded liabilities by \$437,222 at the close of the most recent fiscal year. Combined net assets decreased 1.1% from 2009.

\$289,034 of the Agency's net assets reflects its investment in capital assets (e.g., land, buildings, property, and equipment); less any related debt used to acquire those assets that is still outstanding. The Agency uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although this investment in capital assets is reported net of related debt, it should be noted that resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. The amount invested in capital assets increased by \$330 in the current year.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)**

Changes in Amount Invested in Capital Assets, Net of Related Debt

2009 Ending Balance	\$288,704
Governmental activities:	
Additions:	
Purchases of land, buildings & equipment	6,045
Construction in progress	11,513
Reduction in debt related to capital assets	411
Deductions:	
Depreciation expense	(1,215)
Sales and deletions	(5,568)
Capital asset transfers to business-type activities	(216)
Total changes in governmental activities	<u>10,970</u>
Business-type activities:	
Additions:	
Construction in progress	115
Capital asset transfers from governmental funds	216
Reduction in debt related to capital assets	31
Deductions:	
Depreciation expense	(5,956)
Loss on disposal of capital assets	(5,046)
Total changes in business-type activities	<u>(10,640)</u>
2010 Ending Balance	<u>\$289,034</u>

The governmental activities increased by \$10,970 due to the following: purchases of land, buildings, and equipment mainly in the County CDBG & City and County CDBG NSP programs and the Merged Downtown, Del Paso Heights, North Sacramento, Oak Park, Mather/McClellan, Franklin Boulevard and Stockton Boulevard redevelopment areas in the amount of \$6,045.

Other increases were \$11,513 comprised of \$10,661 from construction in progress in the City and County Capital Fund program, City and County Capital Fund ARRA program, and the City Capital Fund ARRA Competitive Grant Program, \$636 in the City CDBG NSP program, and \$216 in the City and County Public Housing Homeownership Program. These increases were offset by \$1,215 of depreciation expense, \$5,568 in sales and deletions, and \$216 in transfers to the City and County Public Housing enterprise funds. The decrease in debt related to capital assets was \$411.

The business-type activities investment in capital assets decreased by \$10,640 in the current year due to the following: \$115 in construction in progress on the County Public Housing properties Tiara and Mariposa and \$216 in transfers of construction in progress from the City and County Public Housing Homeownership Programs that added to the value of buildings in the City and County Public Housing programs. These increases were offset by \$5,956 in depreciation expense, and \$5,046 in loss on disposal of capital assets. The decrease in debt related to capital assets was \$31.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)**

Restricted net assets represent amounts that must be used in accordance with external restrictions. Restricted net assets in governmental activities decreased approximately \$165 due to principal repayments on City and County Section 108 loans that reduced the restricted cash accounts.

Unrestricted net assets decreased by \$8,824 due mainly to the following: The Agency was required to pay the State of California \$19.6 million dollars for the Supplemental Educational Revenue Augmentation Fund (SERAF) in 2010. The Agency forgave \$5.4 million in principal and accrued interest on a loan to Riverview Plaza Associates LP for the Riverview Plaza project. Tax increment revenues decreased by \$6.4 million. These decreases were offset by a \$9,255 increase in new loans (net of principal repayments) and internal advances (net of principal repayments) of \$6.8 million (see schedule of new internal advances below):

<u>Original Amount</u>	<u>Advanced to</u>	<u>Advanced from</u>	<u>Purpose of Advance</u>
\$4,000	City Merged Downtown RDA	City L/M Merged Downtown RDA	Loan for financing SERAF pmt
2,000	County Housing Choice Vouchers	Revenue Bond Program	Tenant improvements
1,115	County Affordable Housing	County Housing Trust Fund	Costs for Arbor Creek Apartments
839	City Low/Mod Aggregate	City Oak Park RDA	Financing Broadway/MLK Jr. Blvd
250	County Mather RDA	Revenue Bond Program	Costs for County Mather RDA
<u>\$8,204</u>			

Restricted net assets for business-type activities decreased by \$818 due mainly to prior year advance funding from HUD being recaptured through a reduction in HAP revenues in the Housing Choice Vouchers program.

Business-type activities unrestricted net assets increased by \$4,517 due mainly to a unspent Housing Choice Vouchers administrative fees that were set aside to fund tenant improvements. A portion of the Veteran's Affairs Supportive Housing (VASH) funds received were not spent in 2010 in the amount of \$648 and in the public housing funds there was an increase in operating subsidy from HUD.

The following table indicates the changes in net assets for governmental and business-type activities.

Increase (decrease) in net assets	<u>1,981</u>	<u>25,612</u>	<u>(6,941)</u>	<u>(5,837)</u>	<u>(4,960)</u>	<u>19,775</u>
Net assets - beginning	240,579	214,967	201,603	207,440	442,182	422,407
Net assets - ending	<u>\$ 242,560</u>	<u>\$ 240,579</u>	<u>\$ 194,662</u>	<u>\$ 201,603</u>	<u>\$ 437,222</u>	<u>\$ 442,182</u>

Governmental Activities. Governmental activities increased the Agency's net assets by \$1,981. The key elements of this increase are as follows:

- Charges for services increased by \$291 due mainly to an increase in the amount of administrative fees collected in the Revenue Bond Program, increased income generated from the City Inclusionary Housing fund and an air rights lease payment in the City Merged Downtown capital projects fund.
- Operating grants and contributions increased by \$12,599 due primarily to An increase in City and County CalHOME funds and City and County Community Development Block Grants – Neighborhood Stabilization Program (CDBG – NSP) funds,
- Capital grants and contributions decreased by \$815 due to a decrease in capital improvement projects in the County Capital Fund program. The grants are for multiple years and revenue is recognized based on the amount expended for projects.
- Tax increment revenues decreased by \$6,425, due to Proposition 8 reductions enrolled by the Sacramento County Assessor's Office and a general decline in real estate market.
- Investment earnings decreased by \$3,757 due to the decline in available cash balances as capital project funds are expended, combined with lower investment yields and a reduction in fair market value of investments.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

- Miscellaneous income decreased by \$535 mainly due to decreases in the County HOME fund and the City and County CDBG – NSP program funds due to deferred revenue that was reclassified as revenue. This was offset by funds remaining after the payoff of a 1983 Single Family Mortgage Revenue Bond and a refund from CHARMA in the Self Insurance fund were remitted to the Agency.
- The special item of \$2,250 in 2009 is additional revenue related to the sale of the Sheraton Hotel. No special items were received in 2010.
- The increase in total revenue of \$1,358 was offset by an increase of \$26,430 in expenses. Housing operations increased by \$2,249. The Revenue Bond Program expenditures of \$2,370 were reported in Community Development in 2009, however it was determined that the 2010 expenditures of \$2,245 should be reported as housing operations. City and County Public Housing Homeownership Program decreased by \$121 since operations ceased until the housing market improves.
- Community development operations increased by \$19,282. The Agency was required to pay the State of California \$19,622 for the Supplemental Educational Revenue Augmentation Fund (SERAF) in 2010. The remaining increase was mainly due to the City and County CDBG-NSP programs. During 2009 expenditures were primarily for the Vacant Property Program. During 2010, there were expenditures for the Vacant Property Program, the Property Recycle Program, Targeted Blocks - Lerwick and Norcade, and rehabilitation and pre-development/holding costs for Morrison Creek Estates. These increases were offset by the Revenue Bond Program expenditures noted in the above paragraph.
- Community social services increased by \$5,547 mainly due an increase in City and County Homelessness Prevention and Rapid Re-housing Program (HPRP) expenditures. This is year two of a three year grant and the demand for services has increased. The City and County CDBG funds increased due to receiving higher revenues which increased the amount available for community social service activities. The Agency also received a HUD TANF-Emergency Contingency grant that was a pass-thru grant from the County of Sacramento, which is to be used only for community social service activities.
- Interest expense decreased by \$648 due to a decrease in accrued interest expense for governmental debt and decreases in interest payments due to amortizing amounts.
- The net transfers of (\$2,460) are mainly due to transfers from the Capital Fund program to the Public Housing funds for operating costs and management improvements (\$2,251). Transfers of construction in progress amounts from the Capital Fund program, Capital Fund ARRA and Public Housing Homeownership program to the City and County Public Housing funds to add to the cost of the buildings (\$216). The Security Deposit Revolving Loan fund transferred \$7 to the General Housing Reserve fund to close out the fund.

(dollar amounts expressed in thousands)**

The following graph shows the breakdown of revenue by source.

The following graphs show a comparison of expenses and program revenues for governmental activities and the general revenues that cover the expenses that program revenues do not.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2010**
(dollar amounts expressed in thousands)

Business-type activities. Business-type activities decreased the Agency's net assets by \$6,941. The key elements of this decrease are as follows:

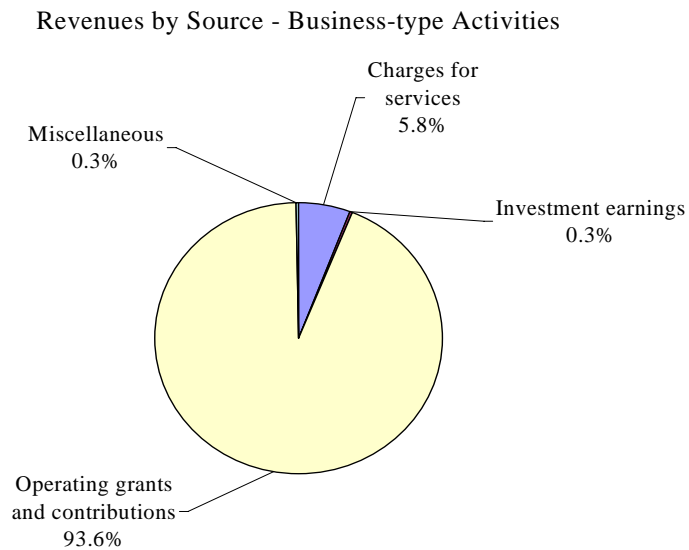

- The net transfers of (\$2,460) are mainly due to transfers from the Capital Fund program to the Public Housing funds for operating costs and management improvements (\$2,251). Transfers of construction in progress amounts from the Capital Fund program, Capital Fund ARRA and Public Housing Homeownership program to the City and County Public Housing funds to add to the cost of the buildings (\$216). The Security Deposit Revolving Loan fund transferred \$7 to the General Housing Reserve fund to close out the fund.

The key elements of the \$9,401 decrease in net assets before transfers are as follows:

- Charges for services decreased by \$1,480 mainly due to decreased lease up in Local and Public Housing funds.
- Operating grants and contributions increased by \$13,687 due mainly to funding for the housing choice voucher program and an increased public housing operating subsidy.
- Investment earnings decreased by \$12 due to lower investment earnings and a reduction in HCV reserves which were systematically recaptured by HUD over the course of the last two years.
- Miscellaneous revenue increased by \$115 due to an increase in the Phoenix Park fund for utility reimbursements, which was offset by a decrease in the County Housing Choice Vouchers program due to less FSS forfeiture and fraud recovery revenues..
- The increase in total revenue of \$12,310 was offset by an increase of \$9,723 in expenses. The increase in expenses is mainly due to a \$4,160 loss on disposal of capital assets transferred to the non-profit entity SHARP which is a component unit of the Agency and increased HAP \$3,084 and operating costs \$1,249 for lease up in the Housing Choice Vouchers Program.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)**

The following graphs show the breakdown of revenue by source and a comparison of expenses and program revenues for business-type activities. The variance in the revenues and expenses in Local Housing (\$1,743) and Public Housing (\$11,293) in the second graph are primarily due to transfers of capital assets of \$4,160 to the non-profit entity SHARP which is a component unit of the Agency and depreciation expenses of \$5,945. The variance in Housing Choice Vouchers of \$2,841 is due to the receipt of HAP revenues from HUD in excess of actual HAP payments. HAP expenditures vary month to month and year to year, so it is very common for HUD funding to fall above or below actual HAP costs. In 2010 HCV had a \$613 savings in administrative costs of which \$500 was budgeted in 2011 for tenant improvement costs.

Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)**

Expenses and Program Revenues - Business-type Activities

FINANCIAL ANALYSIS OF THE AGENCY'S FUNDS

As noted earlier, the Agency uses **fund accounting** to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The general government functions are contained in the Special Revenue, Debt Service, and Capital Projects Funds. The Agency does not have a General Fund. The focus of the Agency's *governmental funds* is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Agency's financing requirements. In particular, *assigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The Agency's governmental funds reported combined ending fund balances of \$363,004, a decrease of \$34,445 in comparison with the prior year. The major funds listed below are responsible for a decrease of \$17,344 in the combined fund balances and the nonmajor funds are responsible for a \$17,101 decrease.

The City Merged Downtown debt service fund has a total fund balance of (\$2,740), of which \$934 is restricted for the payment of debt service reserves and (3,674) is unassigned. The net decrease in fund balance during the current year in the debt service fund was (\$8,377). This decrease is mainly the result of the State of California SERAF payment.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)**

The City Merged Downtown capital projects fund has a total fund balance of \$65,760, of which \$33,987 is committed for community development capital projects, \$29,464 is for nonspendable long-term receivables and \$2,309 is assigned for community development activities. The net decrease in fund balance during the current year in the capital projects fund was \$4,267. This decrease is mainly the result of capital project expenditures in the bond funds using cash from the proceeds of bonds issued in previous years.

The City Low/Mod Merged Downtown capital projects fund has a total fund balance of \$55,867, of which \$36,673 is committed for community development projects, \$19,085 is for nonspendable long-term receivables, and \$109 is assigned for community development activities. The net decrease in fund balance during the current year in the fund was \$4,656. This decrease is mainly the result of capital project expenditures using funds accumulated in previous years.

The County HOME fund has a total fund balance of (\$44) which is unassigned. The decrease in the fund balance is due to deferred revenues due to a draw of funds not received until after 60 days from year end.

The City HOME fund has no fund balance.

Proprietary funds. The Agency's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail (See Business-type activities section above).

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets. The Agency's investment in capital assets for its governmental and business type activities as of December 31, 2010, amounted to \$304,580 (net of accumulated depreciation). This investment in capital assets includes land, building and improvements, property and equipment, and construction in progress.

The governmental activities increased by \$10,559. The increase in land purchases in the governmental activities is due to property purchases mainly in the Del Paso, Oak Park, North Sacramento, Merged Mather/McClellan, Franklin Boulevard and Stockton Boulevard redevelopment areas for future commercial development. Buildings and improvements decreased due to sales of property in the Merged Downtown, Alkali Flat and Merged Mather/McClellan redevelopment areas. Construction in progress increased in the Capital Fund, Capital Fund ARRA and Competitive ARRA Grant Programs for construction related activities in the public housing properties. The City CDBG NSP program had construction related activities for Del Paso and La Fresa Court properties.

The business-type activities decreased by \$10,671. The decrease in buildings and improvements is due to properties transferred from the Public Housing program to the SHARP non profit component unit and the demolition of properties in the Greenfair project. The decrease in construction in progress is due to completion of construction in the Locally Funded Projects fund and the amount being added to the cost of the building.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

Capital assets for the governmental and business-type activities are presented below.

Capital Assets (net of depreciation)							Increase/ (Decrease) Percent of Change
	Governmental Activities		Business-type Activities		Total		
	2010	2009	2010	2009	2010	2009	
Land	\$ 86,334	\$ 88,255	\$ 15,270	\$ 15,270	\$ 101,604	\$ 103,525	-1.86%
Building and improvements	38,888	37,956	142,569	152,731	181,457	190,687	-4.84%
Property and equipment	647	396	255	349	902	745	21.07%
Construction in progress	19,284	7,987	1,333	1,748	20,617	9,735	111.78%
Total	\$ 145,153	\$ 134,594	\$ 159,427	\$ 170,098	\$ 304,580	\$ 304,692	-0.04%

Long-term Debt. At the end of December 31, 2010, the Agency had long-term debt outstanding of \$412,904. This is a net decrease of \$18,799 from the prior year total of \$431,703.

Governmental activities notes payable decreased by \$5,159 due to scheduled principal payments. There were no new note issuances in 2010.

Governmental activities bonds payable decreased by \$14,357 due to scheduled principal payments. There were no new bond issuances in 2010.

Pollution remediation obligations increased by \$748 mainly due to costs associated with the Oak Park Regent Site and the Merged Downtown 731 K and Lot X projects.

Business-type activities notes payable decreased \$31 due to scheduled principal payments, which reduced the year-end balances.

Outstanding Debt

	Governmental Activities		Business-type Activities		Total

Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)**

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

The Agency has both housing authority and redevelopment agency functions. As such, its revenues and expenditures are dependent on external factors such as the availability of federal funding and the assessment of property values.

2011 BUDGET SUMMARY

The 2011 proposed budget represents a seven percent decrease in appropriations compared with the prior year. One factor reducing the size of the Agency budget is the decline in redevelopment tax increment revenues and the absence of one-time stimulus funds appropriated in previous budget cycles.

Much like the rest of the country, the Sacramento regional economy has suffered from high unemployment, high foreclosure rates and a general decline in real estate property values. This decline in property values directly impacts redevelopment tax increment. Under the provision of Proposition 8 (approved in 1978), the County Assessor is required to enroll property at the lower of market value or its established value under Proposition 13. Due to the implementation of Proposition 8, 2009-10 tax increment declined 11 percent compared with the prior year and the Agency is expecting an additional decline of five percent for the coming year due to additional Proposition 8 reductions and the estimated impact of property tax appeals.

Another significant impact to available redevelopment tax increment and the Agency's overall budget is the State's shift of tax increment to the Supplemental Educational Revenue Augmentation Fund (SERAF). For the third year in a row, the State of California is requiring that a portion of all redevelopment area revenues be transferred to the State to close the State budget deficit. Assembly Bill 26 4x authorized a two-year shift of redevelopment funds totaling \$2.05 billion statewide; the Agency paid a \$19.6 million SERAF payment on May 10th 2010 equal to roughly 30 percent of estimated 2010 tax increment. An additional payment of \$4 million is due May 10th 2011 which represents approximately seven percent of estimated 2011 tax increment.

The Agency's proposed 2011 budget includes \$97.5 million for housing assistance payments, \$26.7 million for salary and benefits, \$16.2 million for services and supplies, \$39.9 million in debt service payments, \$14.9 million in redevelopment and financial transactions (including the SERAF payment, redevelopment pass through payments, etc.) and \$4.5 million in public service programs. Funding available for capital projects is \$50.3 million (\$37.8 million in new funding and \$12.5 million in prior year project reprogramming).

The Agency is funded primarily from four sources: the HUD Housing Choice Voucher (HCV) Program, HUD Public Housing/Capital Fund Programs, HUD Community Development Programs (CDBG and HOME), and local redevelopment revenues (Tax Increment). The federal government, through HUD, provides approximately two-thirds of the Agency's total annual revenues.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)**

The total number of Agency positions remains unchanged at 291. Over the past five years, the Agency has reduced full time equivalent (FTE) positions 10 percent, from 325 FTE in 2005 to the current 291. During the current financial crisis the Agency also implemented a strategy of unfunding positions as they become vacant. Of the approved FTE reflected in the 2011 budget, 20.5 positions that impact tax increment either directly or indirectly have been left unfunded. Given the financial uncertainty of the coming year, the Agency will continue to scrutinize all vacancies to ensure that each position filled is critical to the successful delivery of programs and projects

Housing Choice Voucher Program

In 2010 the Housing Choice Voucher (HCV) program is expected to achieve 98-100 percent leasing for all 11,567 vouchers allocated to the Agency by HUD and is expected to maintain this lease up level through 2011. Based on current expenditure trends, housing assistance payments are projected to be \$96.4 million in 2011 and administration fees are estimated at \$9.3 million. The Agency expects that administration fees for the program will be funded at a level similar to 2010 based upon congressional appropriation recommendations and the Agency's current year leasing level which drives administration fee eligibility.

Public Housing Program

The public housing program continues to make significant progress improving the programs operating performance. Over the past four years, the Agency has reduced the public housing operating deficit through aggressive operational cuts and through the benefit of increased subsidy levels from HUD. HUD funds the public housing program using a formula that evaluates rent collections, property types, regional expense levels, etc., and calculates the required "Operating Subsidies" to run the program on a breakeven basis. For the first time in recent history, HUD announced that the 2010 operating subsidy would be funded at 103 percent of the formula allocation, instead of the 88 percent level of 2009. This increased funding has eliminated the public housing operating deficit for 2010. However, since there is no historical record of HUD funding operating subsidy at this level, the Agency is conservatively estimating the 2011 operating subsidy at a prorated level of 93 percent of the formula allocation.

Despite the current improvement in HUD's funding allocation, Public Housing management is continuing to evaluate and implement strategies to further control expenses and, when available, increase revenues. For example, the public housing program completed the first in a series of asset repositioning strategies geared toward improving the operating performance of several public housing high-rise properties. In 2010, two elderly high rise properties, 153 units in all, were transferred to the Sacramento Housing Asset Repositioning Program, Inc. (SHARP), a non-profit component unit of the Agency. The repositioned properties were awarded project based vouchers which provide market rate revenue for the properties. The impact of the repositioning is estimated to increase the annual operating revenue of the two properties by 80 percent. Additionally, as a part of the overall repositioning strategy, the Housing

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)

(dollar amounts expressed in thousands)**

Authority applied for and received a \$10 million competitive grant funded through the American Recovery and Reinvestment Act (ARRA) to help fund the renovation of the Public Housing high-rise located at 626 I Street. The City Housing Authority was the only west coast Housing Authority to be awarded the competitive grant funds and they are now fully obligated and the rehabilitation of the property is anticipated to be underway throughout 2011.

Community Development Programs

Tax Increment – Revenues from tax increment declined 11 percent in the 2009-10 property tax year and are expected to decline an additional 5 percent in 2011. The current and future declines are directly tied to the \$874 million in property value reductions imposed by the County Assessor's Office and from the estimated impact of open at risk appeals pending resolution. Additionally, for the first time since 1978 the consumer price index for real estate inflation in the Sacramento Region is a negative 0.5 percent.

Under the provisions of the 1978 Proposition 8, the County Assessor's Office reduced the values of over 170,000 parcels in the County of Sacramento to the lower of the current market value or the original Proposition 13 value. In our redevelopment project areas, the values on 9,777 parcels have been reduced by an average of \$89,336 per parcel. The decline in tax increment will impact near-term debt capacity of virtually all redevelopment project areas until the values are restored.

In addition to the general decline in tax increment, the State again enacted legislation to shift tax increment to the Supplemental Education Revenue Augmentation Fund (SERAF). Assembly bill 26 4x authorized a two year shift of redevelopment funds totaling \$2.05 billion statewide; the Agency paid a \$19.6 million SERAF payment on May 10th 2010 equal to roughly 30 percent of estimated 2010 tax increment. An additional payment of \$4 million is due May 10th 2011, which represents approximately 7 percent of estimated 2011 tax increment.

The California Redevelopment Association was unsuccessful in their attempt stop the May 2010 SERAF payment, but has appealed the Judge's decision. The appeal was heard August 30th 2010. While we are hopeful that the appeals Court will reverse the ruling; the reality is that even if the appeal is successful, the \$19.6 million is essentially lost, since the State Legislature that authorized the SERAF would have to appropriate the repayment. The best we can hope for is a stay on the May 2011 payment.

In order to proactively address the challenges impacting our redevelopment funding, The Agency has employed a balanced strategy of cutting operational costs and redeploying staffing resources to ensure that our community development objectives, housing programs and priority redevelopment projects continue to move forward.

CDBG/HOME – The proposed budget anticipates status quo funding for CDBG and HOME grants for 2011. Additionally, Congress is proposing competitive grant opportunities in its Neighborhood Stabilization Program (NSP).

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

Neighborhood Stabilization Program – In a third round of funding for the Neighborhood Stabilization Program, HUD has awarded the Agency an additional \$8.3 million to continue efforts to maintain and/or increase homeownership, and to reduce the number of vacant and foreclosed homes in target neighborhoods.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the Agency's finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to Director of Finance, Sacramento Housing and Redevelopment Agency, 801 12th Street, Sacramento, California, 95814.

Sacramento Housing and Redevelopment Agency
Reconciliation of the Statement of Revenues, Expenditures
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the Year Ended December 31, 2010
(amounts expressed in thousands)

Net change in fund balances - total governmental funds (page 26)	\$ (34,445)
--	-------------

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period:

Capital outlay	\$ 17,203	
Depreciation expense	<u>(900)</u>	
		16,303

In the statement of activities, only the loss on the disposal of capital assets is reported. However, in the governmental funds, the proceeds from the disposal increase financial resources. Thus, the change in net assets differs from the change in fund balances by the cost of the book value of the capital assets disposed of or sold.	(5,568)
--	---------

Capital assets transferred from governmental activities to business-type activities are reported as transfers in the statement of activities. The transfers are not reported in the governmental funds because there has been no use of current financial resources.	(216)
--	-------

Repayment of the principal on long-term debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets:

Principal repayments on long-term debt:		
Notes payable	4,748	
Bonds payable	<u>14,357</u>	
		19,105

The Agency has recorded an obligation and corresponding expense for pollution remediation activities which does not require the use of current financial resources, and therefore, is not reported as expenditures in governmental funds.	(748)
---	-------

Governmental funds report the effect of issuance costs and premiums when the related debt is first issued, whereas these amounts are deferred and amortized throughout the period during which the related debt is outstanding in the statement of activities:

Amortization of issuance costs	(486)	
Amortization of premium	275	
Amortization of discount	(32)	
Amortization of deferred amount on refunding	<u>(398)</u>	
		(641)

Interest expense reported in the statement of activities does not require the use of current financial resources, and therefore, is not reported as expenditures in governmental funds.	81
---	----

OPEB contributions made in excess of the annual required contribution are reported as expenditures in the governmental funds, however, in the statement of activities the excess contributions does not have any effect on net assets.	2,302
--	-------

Deferred revenue and other resources available to liquidate liabilities of the current period are not recognized in the funds.	7,437
--	-------

Internal service funds are used by management to charge the costs of certain activities, such as administration to individual funds. The net expense of the internal service funds is reported with the governmental activities.	(1,629)
--	---------

Change in net assets of governmental activities (page 23)	<u>\$ 1,981</u>
---	-----------------

***Notes to the Basic
Financial Statements***

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

I. Summary of Significant Accounting Policies

A. Reporting Entity

The Sacramento Housing and Redevelopment Agency (Agency) is a joint powers agency that includes the Housing Authorities of the City and County of Sacramento and the Redevelopment Agencies of the City and County of Sacramento, which are responsible for the development and implementation of housing, redevelopment, and selected economic development programs and activities for the City and County of Sacramento.

The Agency serves as the fiscal agent/administrator for the following four legal entities: The Housing Authorities of the City and County of Sacramento, and the Redevelopment Agencies of the City and County of Sacramento. The Housing Authorities of the City and County were formed in July 1939 and June 1940, respectively. The Redevelopment Agencies were formed in September 1950 and September 1974, respectively. Additionally, the Agency has served as the administrator of the Community Development Block Grant Programs for the City and County of Sacramento since June 1982.

The governing boards of the Agency include the City Council of the City of Sacramento (City), the Board of Supervisors of the County of Sacramento (County), and the Sacramento Housing and Redevelopment Commission (Commission). The City Council, acting as the City Housing Authority and the City Redevelopment Agency, approves all City related agenda items. The County Board of Supervisors, acting as the County Housing Authority and the County Redevelopment Agency, approves all County related agenda items. The Commission also serves in an advisory capacity for each entity. The Commission has operational authority within the budget and policy direction approved by the City Council and County Board of Supervisors.

The Agency has defined its reporting entity in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14, "The Financial Reporting Entity," which provides guidance for determining which governmental activities, organizations, and functions should be included in its reporting entity. The component units discussed in the following paragraphs are included in the Agency's reporting entity because of the significance of their operational or financial relationships with the Agency. Blended component units, although legally separate entities are, in substance, part of the government's operations. The discretely presented component units are reported in a separate column in the government-wide financial statements (see note below for description) to emphasize that they are legally separate from the Agency. Complete financial statements of individual component units can be obtained from the Finance Department of the Agency.

Blended Component Unit

Foundation Uniting Needs and Dollars (FUND, Inc.) - A nonprofit corporation established to maintain or aid charitable activities serving the public. It is a component unit of the Agency because the purpose of this corporation is to promote and support the activities and programs of the Sacramento Housing and Redevelopment Agency. The Board of Directors of FUND, Inc. is comprised of the members of the Commission. Acting in its capacity as the Board of Directors, the Commission approves the FUND, Inc. budget. The Executive Director of the Agency serves as the Executive Director of FUND, Inc.

Discretely Presented Component Units

Sacramento Housing Development Corporation (SHDC) - A nonprofit public benefit corporation created to serve as the general partner of Riverview Plaza Associates (RPA). It is a component unit of the Agency because the governing board of the SHDC is comprised of the members of one of the governing boards of the Agency, the County Board of Supervisors. The Redevelopment Agency of the City of Sacramento is legally obligated to finance any deficits of SHDC. The Executive Director of the Agency also serves as the Executive Director of SHDC. SHDC is the General Partner of the following limited partnership:

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

Riverview Plaza Associates (RPA) - A California limited partnership created to provide affordable housing to seniors with limited income. One of the governing boards of the Agency (the County Board of Supervisors) serves as the Board of Directors of the general partner. The Housing Authority of the City of Sacramento serves as the limited partner. Additionally, through contractual arrangement, the Agency is responsible for all financial matters including management of daily operations. Finally, the Agency has historically contributed funds to cover obligations of the RPA, to the extent that RPA revenues are inadequate. During the year ended December 31, 2010, the Agency did not contribute to RPA.

Shasta Hotel Corporation (Corporation) - A nonprofit corporation with a governing board comprised of Agency staff and representatives of selected nonprofit housing and social service entities. It is a component unit because the general partner's governing board members serve at the direction of the Executive Director of the Agency, and through contractual arrangements, the Agency is responsible for financial and operational matters of the Partnership. The Corporation is the General Partner of the following limited partnership:

Shasta Hotel Investors Partnership - A California limited partnership created for the purpose of constructing and operating an 80 unit rental housing project in Sacramento, California. The Partnership is comprised of the following two entities: (1) Shasta Hotel Corporation, as managing general partner and (2) Norwood Avenue Housing Corporation, a California nonprofit public benefit corporation as limited partner.

Sacramento Housing Authority Asset Repositioning Program, Inc. - As a nonprofit public benefit corporation, the Sacramento Housing Authority Repositioning Program, Inc. (SHARP), was formed for the purpose of serving as the general partner of the entity that will own, rehabilitate and operate former public housing properties acquired through HUD's assets demolition and disposition process. The purpose of SHARP is to allow the Housing Authority to leverage private sector funds to make improvements to housing inventory. SHARP will be closely controlled by the Housing Authority and board members will be appointed by the Agency's Executive Director. Assets transferred to SHARP will be rehabilitated through various financing structures including the use of limited partnerships that will be able to benefit from the use of tax credit financing.

Norwood Avenue Housing Corporation (NAHC) - A nonprofit public benefit corporation with a governing board comprised of three Agency staff appointed by the Executive Director of the Agency and two community representatives. It is a component unit because through contractual arrangements, the Agency bears some responsibility for financial and operational matters of NAHC, as well as having the ability to impose its will on the NAHC. The NAHC is the General Partner of the following limited partnerships:

Phoenix Park I L.P. (PPI) - A California limited partnership created for the purpose of providing low-income housing to the poor and distressed by developing, financing, constructing, rehabilitating, owning, maintaining and operating a rental housing project. The project consists of 178 units located in Sacramento, California. PPI has a Managing General Partner, Norwood Avenue Housing Corporation, a California nonprofit public benefit corporation; MMA Special Limited Partner, Inc., a Florida corporation, as Special Limited Partner; and MMA Financial Warehousing, LLC, a Maryland limited liability company, as Investor Limited Partner.

Phoenix Park II L.P. (PPII) - A California limited partnership created for the purpose of providing low-income housing to the poor and distressed by developing, financing, constructing, rehabilitating, owning, maintaining, and operating a rental housing project. The project consists of 182 units located in Sacramento, California. PPII has a Managing General Partner, Norwood Avenue Housing Corporation, a California nonprofit public benefit corporation; and MMA Financial Institutional Tax Credits XXVIII, LP, as an Investor Limited Partner.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

B. New Pronouncements

Effective January 1, 2010, the Agency implemented GASB Statement No. 51, *Accounting and Financial Reporting for Intangible Assets*, which provides guidance on recognizing and reporting intangible assets. The objective of GASB Statement No. 51 is to establish requirements for recognition, initial measurement, and amortization to reduce inconsistencies, and thereby improve comparability. There was no impact to the Agency resulting from the implementation of GASB Statement No. 51.

C. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net assets and the statement of activities) report information on all of the non-fiduciary activities of the Agency and its component units. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Tax increment revenues and other items not properly included among program revenues are reported instead as general revenues.

Separate fund financial statements are provided for governmental and proprietary funds. Major individual governmental and enterprise funds are reported as separate columns in the fund financial statements.

D. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Agency considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Investment earnings, property taxes, and certain state and federal grants and charges for services are accrued when their receipt occurs within sixty days after the end of the accounting period so as to be both measurable and available. All other revenue items are considered to be measurable and available only when cash is received by the Agency.

The Agency reports the following major governmental funds:

The *City and County Home Investment Partnerships Act (HOME) funds* account for the activities of programs/projects to provide more units of low-income housing in the City and County of Sacramento. HOME, reports federal and state grant revenues and program income receipts from loan repayments.

The *City Merged Downtown Debt Service fund* accounts for the accumulation of funds for the payment of interest and principal on bonds, notes and loans issued to finance capital improvements and redevelopment within the City Merged Downtown project area.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

The *City Merged Downtown Capital Projects fund* accounts for the financing and construction activities of capital improvements in the City Merged Downtown project area.

The *City Low/Mod Merged Downtown Capital Projects fund* accounts for the financing and construction activities of low and moderate housing capital improvements in the City Merged Downtown project area.

The Agency reports the following major enterprise funds:

The *County Housing Choice Vouchers fund* accounts for various U.S. Department of Housing and Urban Development programs that subsidize private landlords to house low-income households within the County of Sacramento.

Additionally, the Agency reports the following fund types:

Internal service funds are used to account for the costs of insurance and accumulated funds for catastrophic events and the financing of goods or services provided among and between Agency departments and to other governmental units, on a cost-reimbursement basis.

Private-sector standards of accounting and financial reporting issued prior to December 1, 1989, generally are followed in both the business type activities and proprietary fund financial statements to the extent that those standards do not conflict with or contradict guidance of the GASB. Governments also have the option of following subsequent private-sector guidance for their business-type activities and enterprise funds, subject to this same limitation. The Agency has elected not to follow subsequent private-sector guidance with the exception of its component units.

Eliminations have been made to minimize the double counting of internal activities in the government-wide financial statements. Interfund services provided and used are not eliminated in the process of consolidation.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Agency's enterprise funds are rental income from its public housing units. Operating expenses for enterprise funds include employee services, services and supplies, administrative expenses, utilities, depreciation on capital assets and housing assistance payments to landlords. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the Agency's policy to use restricted resources first, then unrestricted resources as they are needed.

E. Assets, Liabilities and Net Assets or Equity

1. Cash and Investments

The City Treasurer and the County Treasurer each manage portions of the Agency's cash and investments, except those that must be legally segregated. The share of each fund in the pooled cash accounts is separately accounted for and investment earnings is apportioned monthly to funds that are legally required to receive interest based on the relationship of a fund's average daily balance to the total pooled cash and investments. The balance of pooled cash is maintained at a level sufficient to meet current operating requirements. Cash in excess of current requirements is invested. Investments for the Agency are stated at fair value, based on quoted market prices.

The County Treasurer manages investments of the Agency and the County Treasury Oversight Committee is responsible for the regulatory oversight of its pool. The County invests funds pursuant to Sections 53601 et seq. and 53635 et seq. of the California Government Code.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

The City Treasurer manages investments of the Agency (except for funds held at the County Treasurer or with fiscal agents) and is responsible for the regulatory oversight of its pool. The Agency formally requested that the City invest the Agency's funds in compliance with Section 53601 of the California Government Code and the City Council adopted a revised investment policy to accommodate the Agency's request.

Investment of funds serve to maximize investment income and is accomplished by various custodial financial institutions vested with responsibility for administering funds under the control of the City Treasurer and the County Treasurer. The fair value of investments is determined monthly. The value of the pooled shares in the City and County and with the Local Agency Investment Fund (LAIF) that may be withdrawn is determined on an amortized cost basis, which is different than fair value. However, the fair value of the Agency's position in the pool is the same as the value of the pool shares.

Investment earnings on bond proceeds are recorded in the tax increment low/mod special revenue funds or in the debt service funds depending on the type of bond.

2. Property Taxes

The Agency receives property tax revenue in the form of tax increments. Tax increments are derived from the increase in assessed value of tax rate areas from the date first established as a redevelopment area to the current date, multiplied by the area tax rate. The property tax rate pursuant to the state constitution is 1% of the assessed value plus any amount necessary to provide coverage of debt established prior to 1977. Taxes are levied by the Sacramento County Assessor and become a lien on property on January 1 and are payable in two installments on November 1 and February 1. Taxes become delinquent after December 10 and April 10.

The County bills and collects property taxes and apportions them to the relevant public entities periodically during the year. The County utilizes an alternative method of distribution of property tax levies and assessments known as the "Teeter Plan." The State Revenue and Taxation Code allow counties to distribute secured real property assessments and supplemental property taxes based on the tax levy resulting in full payment to the Agency each fiscal year. Any subsequent delinquent payments and related penalties and interest collected revert to the County.

3. Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of inter-fund loans) or "advances to/from other funds" (i.e., the non-current portion of inter-fund loans). Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances." Advances to other funds, as reported in the governmental fund financial statements, are offset by nonspendable fund balance for long-term receivables in the applicable governmental funds to indicate that they are not in spendable form.

Notes receivable amounts primarily represent loans made for redevelopment, economic development and property rehabilitation. A committee of the governing body approves deferral of payments. The Agency has created an allowance for loan losses for notes that the Agency has identified as potentially uncollectible. If the amounts become uncollectible, they will be written-off and charged against the allowance when the determination is made. The allowance for loan losses as of December 31, 2010 was \$2,501.

Property tax revenues that are not received within 60 days of the Agency's year end that are attributable to periods prior to December 31 are recorded as property taxes receivable.

Amounts reported as due from other governments represent receivables from federal, state, and local governments for various programs.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

4. Deferred Charges and Prepaid Items

Deferred charges represent amortized bond issuance costs. Prepaid items represent costs for goods and/or services, which will benefit periods beyond December 31, 2010.

5. Restricted Cash and Investments

Certain proceeds of debt issuances, as well as certain resources set aside for their repayment, are classified as restricted assets on the statement of net assets and balance sheet because their use is limited by applicable debt covenants. In addition, certain cash and investments are restricted by grantors for replacement, tenant security deposits and insurance impounds. The total restricted assets on the government-wide statement of net assets equals \$26,377 of which \$15,774 represents cash and investments restricted by debt covenants, \$6,157 is restricted for the Housing Choice Voucher program, \$3,201 is for replacement and operating reserves, \$137 is for the Family Self Sufficiency program (FSS), \$1,068 is for tenant security deposits and \$40 is for insurance impounds.

6. Capital Assets

Capital assets, which include land, construction in progress, buildings and improvements, and property and equipment, are reported in the applicable governmental or business-type activities column in the government-wide financial statements and the proprietary funds financial statements. Capital assets are recorded at the lower of actual historical cost or fair market value (as of the date donated for contributed assets). Capital assets are depreciated using the straight-line method over the following estimated useful lives: 40 years for buildings and improvements, and 5 to 10 years for property and equipment. It is the policy of the Agency to capitalize all land, construction in progress, buildings and improvements, and property and equipment with an initial, individual cost of more than \$5. Interest incurred during the construction phase of capital assets of business-type activities and component units is reflected in the capitalized value of the asset constructed, net of interest earned on the invested proceeds over the same period. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the assets lives are not capitalized.

In the government-wide statements and in the proprietary funds financial statements, costs of assets sold or retired (and related amounts of accumulated depreciation) are eliminated from the accounts in the year of sale or retirement and the resulting gain or loss is included in the operating statement of the related fund. In governmental funds, the proceeds of the sale of general capital assets are included in the statement of revenues, expenditures and changes in fund balances.

7. Compensated Absences

An employee accumulates vacation time in accordance with the employee's respective Memorandum of Understanding. The amount of vacation vested and accrued depends on years of service and date of hire. Vacation vested may be accumulated up to various maximum hours and is paid in full upon retirement. Sick leave time may be accumulated without limit.

At retirement an employee may convert all unused sick leave towards retirement service credit or receive in cash the value of one-third (33.3%) of the unused balance and convert the remaining two-thirds (66.7%) to retirement service credit. Annually, employees with an accumulated sick leave balance of 500 hours or more, and who have used 24 hours or less of sick leave by December 1 of the current calendar year, may receive in cash the value of up to 16 hours sick leave by December 31.

In the government-wide and proprietary funds financial statements, accrued vacation and sick pay are charged as an expense in the period earned. Compensated absences are generally liquidated by the Agency's internal service funds. The related liability is recorded in the Internal Support Internal Service Fund.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

8. Deferred Revenue

Governmental funds report deferred revenue in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period and when resources are received before the Agency has a legal claim to them.

9. Long-Term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net assets.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt and bond premiums received on debt issuances are reported as other financing sources. Discounts on debt issuances are reported as other financing uses. Bond issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures. Bonds payable are reported net of the applicable bond premium or discount.

In the government-wide financial statements, bond premiums, discounts, issuance costs, and deferred amounts on refunding are deferred and amortized over the life of the bonds, using methods that approximate the effective interest method.

10. Fund Balance

In the fund financial statements, governmental funds report nonspendable or restricted classifications of fund balance for amounts that are not in spendable form or are legally restricted by outside parties for use for a specific purpose.

The committed fund balance classification is used for amounts that are committed through the Agency's staff report process and is approved by the Commission, the City Council and/or the Board of Supervisors for the County of Sacramento. Any modifications to the fund balance commitment will also go through the above process.

The assigned fund balance classification is used when the Agency intends to use funds for a specific purpose and can be assigned by the Agency's management. The City and County has given the Executive Director, or designee, authorization to assign fund balances that meet the purposes of the respective funds. The assigned category will also include all remaining amounts (except for negative balances) that are reported in governmental funds that are not classified as nonspendable and are neither restricted nor committed.

The unassigned fund balance is the residual classification for the general fund. However, the Agency does not have a general fund so it may only use the classification if expenditures incurred for specific purposes exceeded the amounts restricted, committed or assigned to those purposes, and it is necessary to report a negative unassigned fund balance.

The Agency considers restricted amounts to have been spent when expenditures are incurred for purposes for which both restricted and unrestricted fund balance is available. Committed amounts are considered to have been spent when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

11. Statement of Cash Flows

For the purposes of the statement of cash flows, cash and cash equivalents have been defined as all highly liquid investments (including restricted cash and investments) with a maturity of three months or less from the date of purchase and pooled cash.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

12. Estimates

The preparation of the basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

F. Extraordinary Item

On November 12, 2010, Riverview Plaza Associates LP requested forgiveness of the \$5,000 note payable to the Agency based on satisfactorily meeting the three conditions for loan forgiveness pursuant to the Owner Participation Agreement with the Agency. On December 9, 2010, the Agency approved the forgiveness of the outstanding note payable in the amount of \$5,000 and accrued interest of \$448.

II. Stewardship, Compliance, and Accountability

A. Budgets and Budgetary Accounting

The annual budget of the Agency is adopted on a calendar year basis. Prior to December 1, the Executive Director submits a proposed operating budget to the governing bodies for review and approval. The budget is legally enacted through passage of a resolution prior to January 1. The budget adoption resolution specifies that the Agency budget is controlled at the fund level and that no expenditure will exceed the approved budget. Budgeted expenditures represent original appropriations adjusted by supplemental budgetary appropriation amendments. Management has the authority to over expend appropriations at the function or department level without additional approval of the governing bodies as long as the total appropriations for the fund are not exceeded.

Encumbrance accounting is used during the year for budgetary control. Encumbrances outstanding at year-end do not constitute expenditures or liabilities, but rather, a commitment of fund balance. The Agency honors contracts represented by year-end encumbrances in the subsequent year's appropriations provided that the Agency has adequate funding to complete these transactions. Encumbrance appropriation carryovers are limited to the balance remaining of operating budget appropriations. All other operating budget appropriations and encumbrances lapse at year-end.

Annual operating budgets are adopted on a modified accrual basis for all debt service funds, Local Tax Special Revenue funds and Housing Special Revenue funds, except for the Revenue Bond Program and FUND, Inc. Project budgets are adopted for the Agency's major special revenue funds for the duration of the project which may extend over several years. The adopted project budgets for the Community Development, Tax Increment, Revenue Bond Program Special Revenue funds and for the capital project funds are adopted on a project length basis. Additionally, although not legally required, the Agency adopts annual budgets for the enterprise, internal service, and certain component unit funds.

For financial reporting purposes, budgetary information is presented on the modified accrual basis of accounting consistent with accounting principles generally accepted in the United States of America for those special revenue funds and debt service funds which have annual budgets.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

B. Excess of Expenditures over Appropriations

For the year ended December 31, 2010, the following funds had expenditures in excess of budgeted appropriations at the fund level.

Debt Service:	
City Merged Downtown	\$613
County Florin Road	51
City Railyard	23

The excess in the Debt Service funds was due to higher than anticipated pass through expenditures and property tax collection fees that occurred as a result of higher tax increment revenues in the County Florin Road and City Railyard redevelopment areas. The higher pass through payments in the City Merged Downtown redevelopment area was due to a change in methodology on amended redevelopment areas for 2010. The budget was estimated based on the old methodology. The excesses will be covered by future property tax revenues.

C. Net Assets/Fund Balances

The government-wide and proprietary fund financial statements utilize a net assets presentation. Net assets are categorized as invested in capital assets (net of related debt), restricted and unrestricted.

Invested in capital assets, net of related debt - This category groups all capital assets into one component of net assets. Accumulated depreciation and the outstanding balances of debt that are attributable to the acquisition, construction or improvement of these assets reduce the balance in this category.

Restricted net assets – This category presents external restrictions imposed by creditors, grantors, contributors or laws or regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation. These net assets are mainly restricted by HUD and the Health and Safety Code.

Unrestricted net assets – This category represents net assets of the Agency, not restricted for any project or other purpose.

In the fund financial statements, nonspendable, restricted and committed classifications segregate portions of fund balance, based primarily on the extent to which the Agency is bound to honor constraints on the specific purposes for which amounts can be spent. Nonspendable fund balance-amounts that are not in spendable form or are required to be maintained intact. Restricted fund balance-amounts constrained to specific purposes by their providers, through constitutional provisions, or by enabling legislation. Committed funds balance-amounts constrained to specific purposes by a government itself, using its highest level of decision-making authority; to be reported as committed, amounts cannot be used for any other purpose unless the government takes the same highest-level action to remove or change the constraint. The remaining portions of fund balance are categorized as assigned-amounts a government intends to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates authority, or unassigned which should be used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

D. Deficit Fund Balances/Net Assets

The following funds have deficit fund balances/net assets:

Special Revenue:

County HOME	\$ 44
City Misc Development Grants	609
City HPRP	596
County HPRP	942
City CDBG-NSP	527
County CDBG-NSP	206
City CDBG-R	4
County CDBG-R	27
City Low/Mod Oak Park	26
City Low/Mod Army Depot	45
City Local Tax	27

Debt Service:

City Merged Downtown	2,740
City/County Auburn Boulevard	599
County Florin Road	75
City Railyard	481

Capital Projects:

City Capital Fund	285
County Capital Fund	1,773
City 80% Aggregation	26
City Competitive CFP ARRA	701

Enterprise:

Disaster Housing Assistance-Ike	4
Hagginwood Manor	3

The deficit fund balance of the City Misc Development Grants special revenue fund will be funded by revenues due from the State of California. The deficit in the City Local Tax special revenue fund will be funded by future revenues. The deficit fund balance of the County HOME, City and County HPRP, City and County CDBG-NSP, and the City and County CDBG-R special revenue funds was a result of revenues that were received more than 60 days after year end and, therefore resulted in deferred revenue. The deficit fund balances within the City Low/Mod Oak Park and the City Low/Mod Army Depot special revenue funds, the debt service funds and City 80% Aggregation capital projects fund noted above will be funded by future tax increment revenues and transfers from other funds of the Agency. The City and County Capital Fund and the City Competitive CFP ARRA capital projects funds were a result of revenues that were received more than 60 days after year end and, therefore resulted in deferred revenue. The enterprise fund deficits will be funded by future revenues.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

III. Detailed Notes on All Funds

A. Cash and Investments

At December 31, 2010, total Agency cash and investments at fair value were as follows:

	Government-wide Statement of Net Assets		
	Primary Government	Component Units	Total
Cash and investments	\$ 244,888	\$ 2,084	\$ 246,972
Restricted cash and investments	23,086	3,291	26,377
Total cash and investments	<u>\$ 267,974</u>	<u>\$ 5,375</u>	<u>\$ 273,349</u>

At December 31, 2010, the Agency's cash and investments consist of the following:

Cash in bank	\$ 8,246
Investments	<u>265,103</u>
Total cash and investments	<u>\$ 273,349</u>

The table below identifies the investment types that are authorized for the Agency, including its discretely presented component units, by California Government Code Section 53601. This table does not address investments of debt proceeds held by bond trustees that are governed by the provisions of debt agreements of the Agency, rather than the general provisions of the Agency's investment policy.

Authorized Investment Type	Maximum Maturity	Maximum Percentage of Portfolio	Maximum Investment in One Issuer	Minimum Rating
Local Agency Bonds	5 years	None	None	None
U.S. Treasury Obligations	5 years	None	None	None
U.S. Agency Securities	5 years	None	None	None
Bankers Acceptance	180 days	40%	30%	None
Commercial Paper	270 days	25%	10%	A1/P1
Negotiable Certificates of Deposit	5 years	30%	30%	None
Repurchase Agreements	1 year	None	None	None
Reverse Repurchase Agreements	92 days	20%	None	None
Medium Term Notes (Corporate & Depository debt securities)	5 years	30%	None	A
Mutual Funds (that invest in allowable securities)	N/A	20%	10%	None
Money Market Mutual Funds	N/A	20%	10%	None
Collateralized Bank Deposits	5 years	None	None	None
Mortgage Pass-through Securities	5 years	20%	None	AA
Time Deposits	5 years	None	None	None
County Pooled Investment	N/A	None	None	None
Joint Powers Authority Pool	N/A	None	None	None
Local Agency Investment Fund (LAIF)	N/A	None	None	None

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value is to changes in market interest rates. As a means of limiting its exposure to fair value losses arising from rising interest rates, one of the ways that the City and County manages the Agency's exposure to interest rate risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturing evenly over time as necessary to provide the cash flow and liquidity needed for operations.

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code and the Agency's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments, other than the following provision for deposits and securities lending transactions: The California Government Code requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law. The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. The California Government Code limits the total of all securities lending transactions to 20% of the fair value of the investment portfolio. At December 31, 2010, the carrying amount of the Agency's deposits is \$3,851 and the bank balance is \$4,931. Of the bank balance, \$435 is covered by federal depository insurance, and \$4,496 is collateralized with securities held by the pledging financial institution, in accordance with the State of California Government Code. At December 31, 2010, the carrying amount of the Agency's discretely presented component units deposits is \$4,115 and the bank balance is \$3,315. Of the bank balance, \$76 is covered by federal depository insurance and \$3,239 is uninsured and uncollateralized. Those amounts which are uninsured and uncollateralized are held with state and federal agencies.

Concentration of Credit Risk

Nearly 12%, or \$32,048, of the Agency's investment portfolio at year-end are in U.S. Treasury Notes or U.S. Agency Securities. There is no limitation on amounts invested in these types of issues. Of the \$103,129, or 39%, of the Agency's investment portfolio invested in commercial paper, corporate bonds, and municipal bonds, no investment in a single issuer exceeded 5%. There were no investments in any one issuer (other than U.S. Treasury Securities, mutual funds and external investment pools) that represent 5% or more of the total investments of the Agency.

Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. It is the Agency's policy to purchase investments with the minimum ratings required by the California Government Code.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

As of December 31, 2010, the Agency's (primary government) investments and credit ratings are as follows:

	Credit Rating (S&P/Moody's)	Remaining Maturity in Years			Fair Value
		Under 1	1-5	Over 5	
Cash in banks		\$ -	\$ -	\$ -	\$ 4,931
Investments held by fiscal agents:

Total Cash and Investments-Component Units		<u>\$ 903</u>	<u>\$ 357</u>	<u>\$ -</u>	<u>\$ 5,375</u>

Investment in State Investment Pool

The Agency is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by the California Government Code. All investments with LAIF are secured by the full faith and credit of the State of California. The Local Investment Advisory Board (LIAB) has oversight responsibility for LAIF. The LIAB consists of five members as designated by State Statute. A total of \$23,250,599 is invested by public agencies in the LAIF as of December 31, 2010. LAIF is part of the State of California Pooled Money Investment Account (P.M.I.A.) whose balance at December 31, 2010 was \$74,459,007. Of this amount, 3.18% was invested in structured notes and asset-backed securities. P.M.I.A. is not SEC-registered, but is required to invest according to California State Code. The average maturity of P.M.I.A. investments was 215 days as of December 31, 2010.

B. Receivables

Receivables as of December 31, 2010 for the Agency's governmental activities are as follows:

	Accounts receivable	Property taxes receivable	Due from other governments	Total receivables	Gross notes receivable	Allowance for loan losses	Net notes receivable
City HOME	\$ 56	\$ -	\$ 1	\$ 57	\$ 33,526	\$ (416)	\$ 33,110

For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

Bonds and Notes Payable (continued):

\$6,594 NAHC Phoenix Park I, L.P. Permanent "Tax Credit" note dated May 10, 2006, payable to Citibank (West), F.S.B. The note bears interest at 6.56% per annum and requires monthly payments of principal and interest in the amount of \$42. The note matures June 1, 2021 at which time \$4,812 is due and is secured by a deed of trust encumbering the rental property. \$6,225

\$2,521 NAHC Phoenix Park I, L.P. Permanent "Section 8" note dated May 8, 2006, payable to Citibank (West), F.S.B. The note bears interest at 5.60% per annum and requires monthly payments of principal and interest in the amount of \$27. The note matures June 1, 2016 at which time \$55 is due and is secured by a deed of trust encumbering the rental property. 1,559

\$1,000 NAHC Phoenix Park I, L.P. note payable to Bank of the West. The note is non-interest bearing and is forgivable at the sole discretion of the Bank, 57 years after February 1, 2004 provided that the Partnership complies with all of its obligation under the Affordable Housing Program (AHP) Agreement. There are no scheduled payments of interest and principal. The note is secured by a deed of trust. 1,000

\$23,470 NAHC Phoenix Park II, L.P. Variable Rate Demand Bonds authorized and issued October 1, 2004, maturing on October 1, 2036, subject to the prior redemption of the bonds on demand by the bondholders, and are fully secured by a letter of credit in the amount of \$23,740 which expires on October 1, 2012. The bonds were issued for the rehabilitation and construction of the Phoenix Park II, L.P. affordable housing complex. The interest rate is determined on a weekly basis as described in the agreement. As of December 31, 2010, the interest rate percentage was 0.33%. 8,880

\$9,100 NAHC Phoenix Park II, L.P. note payable to the Multifamily Housing Program (MHP) State of California Department of Housing and Community Development (permanent loan) dated December 20, 2006. The note bears simple interest of 3% per annum and is secured by a deed of trust. Payment of the entire unpaid principal amount, together with all accrued but unpaid interest is due on December 20, 2061. Interest payments in the amount of 0.42% per annum on the unpaid principal balance of the loan are to be paid annually beginning December 31, 2006 and continuing annually thereafter up to and including December 31, 2035. Commencing December 31, 2006 and continuing annually thereafter, annual loan payments in an amount equal to the lesser of (1) the full amount of interest accruing on the unpaid principal amount advanced under the Loan Documents for the immediately preceding twelve (12) month period, or (2) the amount determined by the HCD to be necessary to cover the cost of continued monitoring of the Development for compliance with the requirements of the program. Additional payments are to be made only to the extent that net cash flow is available, as defined in the regulatory agreement. 9,100

\$2,000 Shasta Hotel Corporation Note Payable to the Department of Housing and Community Development principal and interest due in full January 2044 with interest payable at 3.0%, for the purpose of financing the construction of a multiple single room occupancy unit. This note is collateralized by land and building. 2,000

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

Pollution Remediation Obligations

The Agency has obligated itself to commence environmental assessment and remediation activities on eight projects. The nature and source of pollutants on these projects are petroleum and metals including arsenic, cadmium and lead. The total estimated costs of \$2,455 for remediation of these projects were derived by environmental remediation consultants. These estimates may change resulting from the Sacramento County Environmental Management Department (SCEMD) input and also from price increases or reductions. Estimated recoveries of \$503 will reduce the cost of remediation. The source of these estimated recoveries will be from the SWRCB Orphan Site Cleanup Fund (OSCF) or (Orphan Site Fund) (\$105), SWRCB Leaking Underground Storage Tank (UST) Trust Fund (\$148) and a City Brownfield grant (\$250). The estimated costs less the estimated recoveries are recorded as long-term liabilities on the statement of net assets for governmental activities.

Derivatives

Effective October 1, 2006, NAHC (Phoenix Park II L.P.) adopted SFAS No. 133, "Accounting for Derivative Investments and Hedging Activities," as amended. The NAHC uses a derivative to manage risks related to interest rate movements. An interest rate swap contract designated and qualifying as a cash flow hedge is reported at fair value. Valued separately, the interest rate swap agreement represents a liability as of December 31, 2010 in the amount of \$1,141. The value represents the fair value of the current difference in interest paid and received under the agreement over the remaining term of the agreement. Payments are recognized in current operating results as settlements occur under the agreement as a component of interest expense. In connection with the agreement, the Partnership made interest payments of \$376 during 2010. As of December 31, 2010 \$6 remains payable.

Pledged Revenues

The Agency pledged a portion of future property tax revenues to repay all bond issues and certain notes payable (Master Leases, Bank of America letters of credit, CIEDB, and Boating and Waterways). The bonds and notes are payable solely from property tax revenues through December 2038 on the bonds and December 2036 on the notes. As of December 31, 2010, the total remaining principal and interest on the bonds and notes was \$614,617 and \$118,930, respectively. For the current year, principal and interest paid was \$26,993 on the bonds and \$6,994 on the notes. Property tax revenue was \$61,367. Detailed information on the Bonds and Notes begins on page 55.

The Agency pledged a portion of future Community Development Block Grant (CDBG) entitlement and program income revenues to repay all Section 108 notes payable (City B-97-MC-06-0003, City B-06-MC-06-0003, and County B-01-UC-06-0005). The Section 108 notes are payable solely from CDBG revenues through August 2026. As of December 31, 2010, the total remaining principal and interest on the notes was \$12,186. For the current year, principal and interest paid was \$939 and CDBG revenue was \$11,454. Detailed information on the Section 108 notes begins on page 55.

Arbitrage

The Tax Reform Act of 1986 instituted certain arbitrage restrictions with respect to the issuance of tax-exempt bonds after August 31, 1986. Arbitrage regulations deal with the investment of all tax-exempt bond proceeds at an interest yield greater than the interest yield paid to bondholders. Generally, all interest paid to bondholders can be retroactively rendered taxable if applicable rebates are not reported and paid to the U.S. Department of Treasury at least every five years. The Agency utilized an independent consultant to perform calculations of excess investment earnings on various bonds during 2009 and did not incur a liability. An arbitrage calculation was not done in 2010.

Prior-Year Defeasance of Debt

In prior years, the Agency defeased certain bonds by placing the proceeds of new bonds in an irrevocable trust to provide for all future debt service payments on the old bonds. Accordingly, the trust account assets and the liability for the defeased bonds are not included in the Agency's financial statements. At December 31, 2010, \$15,240 of bonds outstanding is considered defeased.

Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

IV. Other Information

A. Risk Management

The Agency is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries and illnesses of employees; wrongful employment practices; and natural disasters. The Agency maintains an internal service fund to account for and finance its risks of loss. Under these programs the Agency is self-insured for the following risks up to the maximum amount per claim as follows: general liability, \$25; property, \$100; auto liability, \$0; and employment practice liability, \$50

For general liability, the Agency covers the first \$25 per claim. Excess liability coverage is obtained from a national housing authority insurance pool and is provided through the pool up to \$5,000 for each occurrence. Settled claims have not exceeded this commercial coverage in any of the past ten years.

For property the Agency covers the first \$100 per claim. Excess property coverage is obtained from Arthur J. Gallagher Insurance Brokers and covers up to maximum limit of \$2,500 per occurrence. Settled claims have not exceeded this commercial coverage in any of the past ten years.

For automotive insurance, the Agency covers the first \$500 per claim. The Agency obtains excess automotive liability coverage from a national housing authority insurance group up to \$5,000. Employee injuries and automotive body coverage is provided up to \$100.

For this policy year, the Agency has purchased employment liability insurance from Arthur Gallagher Insurance Brokers. The policy provides a maximum of \$2 million occurrence/aggregate per policy year with a \$50 retention/deductible for indemnifiable claims. Workers compensation insurance is provided through California Housing Workers Compensation Authority (CHWCA), a risk sharing pool. For worker's compensation claims, the pool covers the Agency's claims within the statutory limit. Should actual losses among participants be greater than anticipated, the Agency will be assessed its pro rata share of that deficiency. Conversely, if the actual losses are less than anticipated, the Agency will be refunded its pro rata share of the excess.

The Agency charges a fee for service on insurance and direct charges claims to the appropriate department. The operating funds no longer make payments to the internal service fund based on a historical cost and/or actuarial estimates of amounts needed to pay prior and current year claims. The accrued amount in the self insurance fund will remain as a reserve for future catastrophic claims that cannot be paid by a single department.

Claim estimates were made in accordance with the requirements of Governmental Accounting Standards Board Statement Nos.10 & 30, and include claims incurred but not reported and allocated loss adjustment expenses as of December 31. Changes in the self-insurance fund claims liability during the years ended December 31, 2010 and 2009 were as follows:

	Claims Liability January 1	Current Year Claims and Changes in Estimates	Current Year Claims Payments	Claims Liability December 31
2009	\$ 282	\$ 134	\$ (100)	\$ 316
2010	316	5	(20)	301

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

B. Employee Retirement Plan

1. Plan Description

The Agency contributes to the California Public Employees' Retirement System (CalPERS), an agent multiple-employer public employee defined benefit pension plan that acts as a common investment and administrative agent for participating public entities within the state of California. The Agency's defined benefit pension plan, the Agency miscellaneous plan, provides retirement and disability benefits, annual cost of living adjustments and death benefits to plan members and beneficiaries. The Agency's miscellaneous plan is part of the public agency portion of CalPERS.

All full-time Agency employees are required to participate in CalPERS. Benefits vest after five years of credited service. Employees who retire at or after age 50 with five years of credited service are entitled to an annual retirement benefit payable monthly for life, in an amount equal to 1.426% to 2.418% of their average salary, during their highest year of employment, for each year of credited service. These benefit provisions and all other requirements are established by state statute within the Public Employees' Retirement Law and Agency resolution. CalPERS issues a separate comprehensive annual financial report.

Copies of the CalPERS' annual financial report may be obtained from the CalPERS Executive Office – 400 P Street – Sacramento, CA 95814. A separate report for the Agency's plan is not available.

2. Funding Policy and Funding Progress

The Agency participated in two plans with CalPERS under the names of the Sacramento Housing Authority (SHA) and the Redevelopment Agency of the City of Sacramento (RACS). The first plan covered employees hired after 1974; the second plan covered employees hired prior to 1974. The plans merged effective July 1, 2001. Agency employees are required to contribute 7.0% of their annual salary to CalPERS, of which the Agency pays 50% to 57% of this amount on the employee's behalf depending on requirements set forth under contractual agreements with employee groups. The Agency is also required to contribute the remaining amounts necessary to fund the benefits for its members, using the actuarial basis recommended by the CalPERS actuaries and actuarial consultants and adopted by the CalPERS Board of Administration. Contribution rates are determined as a percentage of covered payroll. The Agency's required employer contribution rate for January 1, thru June 30, 2010 was 11.015% and for July 1, thru December 31, 2010 was 11.334%. The contribution requirements of the plan members are established by State statute and the employer contribution rate is established and may be amended by CalPERS. The funding progress of the plan as of the most recent actuarial valuation is presented in the table below.

Schedule of Funding Progress - Pension

	<u>A</u>	<u>B</u>	<u>C</u>	<u>D</u>	<u>E</u>	<u>F</u>
			Unfunded			Unfunded
		Entry Age	Actuarial			Actuarial
Actuarial	Actuarial	Actuarial	Accrued	Funded		Liability as
Valuation	Asset	Accrued	Liability	Ratio	Covered	Percentage of
Date	Value	Liability	[B - A]	[A / B]	Payroll	Covered Payroll
						[(B - A) / E]
6/30/2009	\$ 100,310	\$ 110,439	\$ 10,129	90.80%	\$ 16,009	63.30%

The schedule of funding progress, presented as required supplementary information following the notes to the basic financial statements, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

3. Annual Pension Cost

For the year ended December 31, 2010, the Agency's annual pension cost of \$1,636 was equal to the Agency's required and actual contributions. The required contribution for the year ended December 31, 2010 was determined as part of the June 30, 2008 and 2007 actuarial valuations using the entry age normal actuarial cost method with the contributions determined as a percentage of covered payroll. The actuarial assumptions in the June 30, 2009, 2008 and 2007 actuarial valuations included (a) 7.75% investment rate of return (net of administrative expenses) and (b) projected salary increases of 3.25% to 14.45% are attributable to inflation, merit, or seniority increases that vary by length of service and no post-retirement increases. Both (a) and (b) include an inflation component of 3.00% and an annual production growth of 0.25%. The actuarial value of the plan's assets was determined using a technique that smoothes the effect of short-term volatility in the market value of investments over a fifteen year period depending on the size of investments gains and/or losses. The amortization period on the unfunded actuarial liability is expected to be 22 years and is a closed period. The amortization method is a level percentage of projected payroll.

Three-Year Trend Information

<u>Fiscal Year Ending</u>	<u>Annual Pension Cost (APC)</u>	<u>Percentage of APC Contributed</u>	<u>Net Pension Obligation</u>
12/31/2008	\$ 1,611	100%	\$ -
12/31/2009	1,625	100%	-
12/31/2010	1,636	100%	-

C. Postemployment Health Benefits

1. Plan Description

The Agency's defined benefit postemployment healthcare plan, provides premium coverage for medical and dental benefits to eligible retired agency employees and their families up to a maximum that depends on the participant's unit and/or coverage level. The Agency established an irrevocable trust to prefund the other post employment benefits annual required contribution through the California Employer's Retiree Benefit Trust Program (CERBT). The funds in the CERBT are held in trust and after the first three years will be administered by the California Public Employees' Retirement System (CalPERS) as an agent multiple-employer plan. Benefit provisions are established and may be amended by Agency labor agreements which are approved by the City Council and County Board of Supervisors. The Agency's Other Postemployment Benefits (OPEB) financial statements are included in the CalPERS CAFR. Copies of the CalPERS' CAFR may be obtained from the CalPERS Executive Office – 400 P Street – Sacramento, CA 95814.

The Agency provides allowances for health benefits for all employees who retire from the Agency and for their survivors and dependents. Participants have the choice of enrolling in one of several health plans and one of two dental plans. Postemployment health benefits for the Agency range from \$360 to \$605 (in actual dollars, not thousands) per month per participant, depending on the participant's job classification at the time of retirement. The Agency covers the participant's health and dental benefits under these plans up to the allotted benefit allowance.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

The maximum allowances are shown in the following table:

Unit	Maximum Premium Coverage: Current Retirees
1 & 2	\$605/month
3 & 4	\$585/month
5	\$430/month
6	\$360/month

Coverage level for current retirees is set and assumed not to increase. Coverage continues at the participant's level for the spouse and any eligible dependents after the participant's death.

2. Funding Policy

The obligation of the Agency to contribute to the plan is established and may be amended by the City Council and County Board of Supervisors.

Employees are not required to contribute to the plan. The Agency is required to contribute the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The current ARC rate is 11 percent of annual covered payroll.

3. Annual OPEB Cost and Net OPEB Asset

For the year ended December 31, 2010, the Agency's annual OPEB cost (expense) was \$1,408. The Agency's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB asset for the last three years were as follows:

Year Ended	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Asset
12/31/2008	\$ 640	196%	\$ 1,026
12/31/2009	1,095	191%	2,018
12/31/2010	1,408	263%	4,320

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

The following table shows the components of the Agency's annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the Agency's net OPEB asset for the Retiree Health Plan:

Annual required contribution	\$ 1,403
Interest on net OPEB asset	(156)
Adjustment to annual required contribution	<u>161</u>
Annual OPEB cost (expense)	1,408
Contributions made	<u>(3,710)</u>
Increase in net OPEB asset	(2,302)
Net OPEB asset-beginning of year	<u>(2,018)</u>
Net OPEB asset-end of year	<u><u>\$ (4,320)</u></u>

4. Funded Status and Funding Progress

The funded status of the plan as of January 1, 2010, was as follows:

Actuarial accrued liability (AAL)	\$ 15,121
Actuarial value of plan assets	<u>2,560</u>
Unfunded actuarial accrued liability (UAAL)	<u><u>\$ 12,561</u></u>
Funded ratio (actuarial value of plan assets/AAL)	16.93%
Covered payroll (active plan members)	\$ 12,727
UAAL as a percentage of covered payroll	98.70%

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

5. Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

In the January 1, 2010, actuarial valuation, the entry age normal cost method was used. The actuarial assumptions included a 7.75 percent investment rate of return, (net of administrative expenses) and an annual blended healthcare cost trend rate of 9.5 percent initially, reduced by decrements to an ultimate rate of 4.5 percent after 8 years. The UAAL is being amortized as a level percentage of projected payrolls on an open basis. The Entry Age Normal (EAN) cost method spreads plan costs for each participant from entry date to the expected retirement date. Under the EAN cost method the plan's normal cost is developed as a level amount over the participants' working lifetime. The AAL is the cumulative value, on the valuation date, of prior service costs. For retirees, the AAL is the present value of all projected benefits.

The ARC under this method equals the normal cost plus the amortization of the unfunded AAL over a thirty (30) year period. The Plan costs are derived by making certain specific assumptions as to the rates of interest, mortality, turnover, and the like, which are assumed to hold for many years into the future. Actual experience may differ somewhat from the assumptions and the effect of such differences is spread over all periods. Due to these differences, the costs determined by the valuation must be regarded as estimates of the true Plan costs.

D. Commitments and Contingencies

1. Mortgage Insured Bonds

The City and the County of Sacramento, between 1980 and 2010, issued multifamily mortgage bonds totaling \$946,015. The bonds were issued to provide funds for the purchase of home mortgages in the Sacramento County area. The Agency was appointed by the City and the County of Sacramento to administer the mortgage program. The bonds do not constitute a liability of the Agency.

2. Litigation

The Agency is a defendant in various matters of litigation. Of these matters, management and the Agency's legal counsel do not anticipate any material effect to the December 31, 2010 financial statements if there was an unfavorable outcome to the Agency as a result of the litigation. Therefore, in accordance with Financial Accounting Standards Board Accounting Standards Codification (ASC) 450, Contingencies, no loss has been accrued.

3. Contractual Obligations

At December 31, 2010, the outstanding contractual obligations for the Agency's governmental activities are as follows:

	<u>Encumbrances</u>
City HOME	\$ 2,191
County HOME	1,692
City Merged Downtown Capital Projects	6,925
City Low/Mod Merged Downtown Capital Projects	8,402
Nonmajor funds	60,847
Internal Service	<u>1,519</u>
Total	<u>\$ 81,576</u>

These obligations are primarily for housing project site improvements and structural rehabilitation. The encumbrances are included in the committed fund balance on the governmental funds balance sheet.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2010
(dollar amounts expressed in thousands)

4. Contingent Liabilities

The Agency receives funding from a number of federal, state, and local assistance programs, comprised principally of Community Development Block Grants, and Housing and Urban Development Housing Programs. These programs are subject to financial and compliance review by the grantors. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time although the Agency expects such amounts, if any, to be immaterial. Receipt of these federal, state, and local grant revenues is not assured in the future.

E. Subsequent Event

1. Education Revenue Augmentation Fund

There is a definite link between the fiscal health of the State of California (State) and local government in the Sacramento region. During the 2009-10 State budget cycle, the State legislature enacted the Supplemental Education Revenue Augmentation Fund (SERAF) shift as a partial solution. May 10, 2011 the Agency paid an ERAF payment of \$4 million from our redevelopment project areas. This payment equates to approximately 7% of the Agency's tax increment revenues for 2011.

2. Governor's Proposed 2011-12 Budget: Disestablishment of Redevelopment Agencies

On January 10th 2011, the Governor issued a proposed budget for FY 2011-12 which includes a provision to eliminate all California Redevelopment Agencies. The proposed legislation has been a focal point in recent budget debates; however, Senate Bill 77, which would have enacted the Governors proposal, failed passage in the Assembly, but could be called up again for a vote.

The legislation would eliminate all 425 redevelopment agencies in the State. The Agency administers redevelopment activities for both the City of Sacramento and the County of Sacramento. There are currently nine project areas in the City, three in the County and three City/County joint project areas.

The bill as currently drafted provides that on July 1, 2011, existing agencies would be dissolved, and a successor entity established for the liquidation of assets and the retirement of outstanding obligations.

As a part of the proposal, any unspent redevelopment housing fund balances would be transferred to the jurisdiction that formed the redevelopment agency (or the local housing authority) to use for low-and moderate-income housing. In 2011/12, the State would use redevelopment funds to offset \$1.7 billion of State Medi-Cal (\$840 million) and trial court (\$860 million) costs.

The bill, as currently drafted, further indicates that unencumbered funds held by a redevelopment agency on July 1, 2011 would be remitted to the County Auditor-Controller for redistribution to local taxing entities.

After fiscal year 2011/12, available monies, after the payment of existing redevelopment obligations, would be distributed to schools, counties, cities and non-enterprise special districts for general uses. In addition, the bill prohibits the Agency from entering into any contracts, incurring any obligations or making any commitments to any entity after the effective date of the legislation.

The Agency cannot predict what the final language of the proposed legislation will be and no assurance can be given regarding whether or not the proposed legislation will be enacted in its present form, or even at all.

Nonmajor Special Revenue Funds

Special revenue funds account for specific financial resources (other than for major capital projects) that are legally restricted to expenditure for specific purposes.

- ◆ **Housing Funds** are used to account for a variety of federal, state and local housing programs that provide public housing assistance for low and moderate income households within the City and County.
- ◆ **Community Development Funds** are used to account for a variety of specific community programs funded by the federal government.
- ◆ **Tax Increment Funds** are used to account for the low and moderate housing activity associated with the redevelopment project areas.
- ◆ **Local Tax Funds** are used to account for payments in lieu of taxes. Revenues from the City and County Public Housing Funds are used to fund community service activities.

Nonmajor Housing Special Revenue Funds

- ◆ **General Housing Reserve** acts as a clearing account for excess funding to go to housing authority programs requiring additional funding.
- ◆ **Revenue Bond Program** accounts for the revenue from Mortgage Revenue Bonds and Mortgage Credit Certificates.
- ◆ **Local Housing Revenue** accounts for the receipt and use of rebates derived from various energy conservation programs and accounts for activities relating to the Ping Yuen Center.
- ◆ **City Public Housing Homeownership** accounts for the sale of single-family public housing units to eligible public housing residents in the City of Sacramento.
- ◆ **County Public Housing Homeownership** accounts for the sale of single-family public housing units to eligible public housing residents in the County of Sacramento.
- ◆ **Riverview Plaza Reserve** acts as a clearing account for excess funding to go to Riverview Plaza activities and other housing programs.
- ◆ **Foundation Uniting Needs and Dollars (FUND), Inc.** accounts for the fundraising activities of the Agency.
- ◆ **City Ross Grant** promotes the development of local strategies to coordinate the use of assistance under the Public Housing program with public and private resources, for supportive services and resident empowerment activities.
- ◆ **City State/Local Housing Grant** is used to account for the receipt of grants from sources outside of the housing authority and the expenditures associated with those grants.
- ◆ **County State/Local Housing Grant** is used to account for the receipt of grants from sources outside of the housing authority and the expenditures associated with those grants.

Nonmajor Community Development

Special Revenue Funds

- ◆ **County Economic Development Activities** accounts for various economic development projects in the County of Sacramento.
- ◆ **City Brownfields Cleanup** accounts for loans for toxic cleanup in the City.
- ◆ **City and County Miscellaneous Development Grants** account for various economic development activities in the City and County of Sacramento.
- ◆ **Shasta Trust** is used to account for funds legally required to be set aside for the Shasta Hotel Corporation.
- ◆ **BEGIN** accounts for loans on behalf of the federal government.
- ◆ **City and County CalHOME** is a state program that provides loans for low-income housing residents within the City and County of Sacramento.
- ◆ **City and County American Dream Downpayment Initiative (ADDI)** is a program that provides assistance to low-income, first-time homebuyers which can be used for the down payment, closing costs, and rehabilitation that is completed in conjunction with a home purchase within the City and County of Sacramento.
- ◆ **BEGIN State Prop 46** accounts for loans on behalf of the state government.
- ◆ **Mental Health Services** accounts for a one-time California Department of Mental Health grant provided to the County Department of Health and Human Services. Funding is to invest in the development and/or rehabilitation of permanent supportive housing units for homeless adults, transition age youth, and children and families with psychiatric disabilities residing in Sacramento County.
- ◆ **City Globe Mills Economic Development Initiative Grant (EDI)** provides for the construction and rehabilitation of the Globe Mills housing project.
- ◆ **City and County Homeless Prevention and Rapid Re-Housing Program (HPRP)** provides homelessness prevention assistance to households who would otherwise become homeless-many due to the economic crisis-and to provide assistance to rapidly re-house persons who are homeless.
- ◆ **City and County CDBG Neighborhood Stabilization Program (NSP)** was established for the purpose of stabilizing communities that have suffered from foreclosures and abandonment.
- ◆ **City and County CDBG-R Program**-The Recovery Act of 2009 directs that grantees are to use these funds for projects that maximize job creation and economic benefit.
- ◆ **City and County Community Development Block Grant (CDBG) program** enables local governments to undertake a wide range of activities intended to create suitable living environments, provide decent affordable housing and create economic opportunities, primarily for persons of low and moderate income.
- ◆ **TANF-Emergency Contingency** accounts for a block grant program to help move recipients into work and turn welfare into a program of temporary assistance.
- ◆ **City and County CDBG-NSP3.** The Neighborhood Stabilization Program (NSP) was established for the purpose of stabilizing communities that have suffered from foreclosures and abandonment.

Nonmajor Tax Increment Special Revenue Funds

Tax Increment Low and Moderate Income Housing Funds are established pursuant to California Redevelopment Law to provide for the replacement and establishment of low and moderate income housing. The following funds are established for the redevelopment project areas:

- ◆ **City Low/Mod Merged Downtown**
- ◆ **City Low/Mod Del Paso Heights**
- ◆ **City Low/Mod Alkali Flat**
- ◆ **City Low/Mod Oak Park**
- ◆ **City Low/Mod River District**
- ◆ **City Low/Mod North Sacramento**
- ◆ **City/County Low/Mod Franklin Boulevard**
- ◆ **City/County Low/Mod Stockton Boulevard**
- ◆ **City/County Low/Mod Auburn Boulevard**
- ◆ **County Low/Mod Mather/McClellan Merged**
- ◆ **City Low/Mod Army Depot**
- ◆ **City Low/Mod 65th Street**
- ◆ **County Low/Mod Florin Road**
- ◆ **City Low/Mod Railyard**

Nonmajor Debt Service Funds

The debt service funds are used to account for the accumulation of resources and payment of long-term debt principal and interest. Enterprise debt is included in the enterprise funds. The following funds account for the accumulation of monies for payment of interest and principal on bonds, notes and loans issued to finance capital improvements and redevelopment within project areas:

- ◆ **City Del Paso Heights**
- ◆ **City Alkali Flat**
- ◆ **City Oak Park**
- ◆ **City River District**
- ◆ **City North Sacramento**
- ◆ **City/County Franklin Boulevard**
- ◆ **City/County Stockton Boulevard**
- ◆ **City/County Auburn Boulevard**
- ◆ **County Mather/McClellan Merged**
- ◆ **City Army Depot**
- ◆ **City 65th Street**
- ◆ **City CDBG**
- ◆ **County CDBG**
- ◆ **County CHFA HELP**
- ◆ **County Florin Road**
- ◆ **City Railyard**

Nonmajor Capital Projects Funds

Capital projects funds are used to account for the acquisition and construction of major capital facilities other than those financed by proprietary funds and trust funds.

- ◆ **City and County Land Bank Funds** account for the accumulation of land acquired for the future development of low-income housing.
- ◆ **City and County Capital Fund Programs** account for the modernization and rehabilitation of Agency operated low-income housing funded by the U.S. Department of Housing and Urban Development.
- ◆ **City and County Housing Trust Funds** accounts for the acquisition, rehabilitation and development of low-income housing funded by local developer fees.

The following funds account for the financing and construction activities of capital improvements in referenced project areas:

- | | |
|---|--|
| ◆ City Del Paso Heights | ◆ City/County Stockton Boulevard |
| ◆ City Alkali Flat | ◆ City/County Auburn Boulevard |
| ◆ City Oak Park | ◆ County Mather/McClellan Merged* |
| ◆ City River District | ◆ City Army Depot |
| ◆ County Walnut Grove | ◆ City 65th Street |
| ◆ City North Sacramento | ◆ County Florin Road |
| ◆ City/County Franklin Boulevard | ◆ City Railyard |

The following funds account for the financing and construction activities of low- and moderate-housing capital improvements in referenced project areas:

- | | |
|---|--|
| ◆ City Low/Mod Del Paso Heights | ◆ City/County Low/Mod Stockton Boulevard |
| ◆ City Low/Mod Alkali Flat* | ◆ City/County Low/Mod Auburn Boulevard |
| ◆ City Low/Mod Oak Park* | ◆ County Low/Mod Mather/McClellan Merged* |
| ◆ City Low/Mod River District | ◆ City Low/Mod Army Depot* |
| ◆ City Low/Mod North Sacramento* | ◆ City Low/Mod 65th Street* |
| ◆ City/County Low/Mod Franklin Boulevard | ◆ City Low/Mod Railyard |

- ◆ **City and County Low/Mod Aggregation** accounts for projects funded by aggregated Low/Mod tax increment revenues for certain* redevelopment project areas.
- ◆ **Community Social Service Complex** accounts for the financing and construction activities of the complex.
- ◆ **City and County Section 108 Programs** account for the acquisition of land, buildings, rehabilitation of public housing and various redevelopment activities. These funds are collateralized by and payable from future CDBG entitlements.
- ◆ **City Inclusionary Housing Program** accounts for affordability fees paid by developers. Sacramento County's Affordable Housing Ordinance requires new residential projects of five or more dwelling units to provide an affordable housing component of not less than 15 percent of the development project's dwelling units. Depending on such project parameters as size, a developer is given various options to meet the affordable housing obligation.
- ◆ **County Affordable Housing Program** accounts for in-lieu and affordability fees paid by developers. Sacramento County's Affordable Housing Ordinance requires new residential projects of five or more dwelling units to provide an affordable housing component of not less than 15 percent of the development project's dwelling units. Depending on such project parameters as size, a developer is given various options to meet the affordable housing obligation.

Nonmajor Enterprise Funds

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises; where the intent of the Agency is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or where the Agency has decided that periodic determination of net income is appropriate for measurement and accountability purposes.

The following funds are low-income housing projects owned and/or operated by the Agency.

- ◆ **City Public Housing AMP 1-9**
- ◆ **County Public Housing AMP 1-7**
- ◆ **San Jose/Broadway**
- ◆ **Scattered Sites**
- ◆ **Larchmont/Wildflower**
- ◆ **Locally Funded Projects**
- ◆ **Riverview Plaza Commercial**
- ◆ **Pioneer Hall**
- ◆ **San Carlos Shelter Plus Care**
- ◆ **Greenfair**
- ◆ **Phoenix Park**
- ◆ **Hagginwood Manor**

The following funds support the operations of the low-income housing projects owned and/or operated by the Agency.

- ◆ **City Mod Rehab**
- ◆ **Security Deposit Revolving Loan**
- ◆ **Disaster Housing Assistance-Katrina**
- ◆ **Disaster Housing Assistance-Ike**
- ◆ **City and County COCC**

Internal Service Funds

Internal service funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the government and to other government units, on a cost reimbursement basis. Since the services and commodities are supplied exclusively to departments of a governmental jurisdiction, they are distinguishable from those public services rendered to the public in general and which are accounted for in Special Revenue, Enterprise or Fiduciary Funds.

- ◆ **Internal Support Fund** is used to account for the accumulation and allocation of costs associated with central support organizations of the Agency as well as the accumulation of funds to pay for compensated absences earned by employees.
- ◆ **Self Insurance Fund** is used to account for the costs of insurance (i.e. premiums and estimated claims liabilities) and accumulate funds for catastrophic events.

Statistical Section

This part of the Agency's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the Agency's overall financial health.

Financial Trends-These schedules contain trend information to help the reader understand how the Agency's financial performance and well-being have changed over time.

- ◆ Net Assets by Component
- ◆ Changes in Net Assets
- ◆ Fund Balances of Governmental Funds
- ◆ Changes in Fund Balances of Governmental Funds

Revenue Capacity-These schedules contain information to help the reader assess the Agency's most significant local revenue source, the property tax.

- ◆ Assessed Value of Taxable Property
- ◆ Parcels Appealing Assessed Valuation
- ◆ Property Tax Levies and Collections
- ◆ Principal Property Taxpayers

Debt Capacity-This schedule presents information to help the reader assess the affordability of the Agency's current levels of outstanding debt and the Agency's ability to issue additional debt in the future.

- ◆ Ratios of Outstanding Debt by Type
- ◆ Debt Coverage Analysis

Demographic and Economic Information-This schedule offers demographic and economic indicators to help the reader understand the environment within which the Agency's financial activities take place.

- ◆ Demographic and Economic Statistics
- ◆ Principal Employers

Operating Information-These schedules contain service and infrastructure data to help the reader understand how the information in the Agency's financial report relates to the services the Agency provides and the activities it performs.

- ◆ Full-time Equivalent Agency Employees by Function/Program
- ◆ Operating Indicators by Function
- ◆ Capital Assets by Function

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant year.
