City Council, Housing Authority
of the City of Sacramento
Board of Supervisors, Housing Authority
of the County of Sacramento
Sacramento Housing and Redevelopment Commission
Sacramento Housing Development Corporation
Sacramento, California

State law requires that the Sacramento Housing and Redevelopment Agency (the Agency) publish a complete set of financial statements presented in conformity with accounting principles generally accepted in the United States of America (GAAP) applied to governmental entities. The financial statements are to be audited by certified public accountants in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Pursuant to that requirement, we hereby issue this Comprehensive Annual Financial Report (CAFR) of the Agency for the year ended December 31, 2012.

Management assumes full responsibility for the completeness and reliability of the information contained in this report. To provide a reasonable basis for making these representations, Agency management has established a comprehensive internal control framework that is designed both to protect the Agency's assets from loss, theft or misuse and to compile sufficient reliable information for the preparation of the Agency's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the Agency's comprehensive framework of internal controls has been designed to provide reasonable, rather than absolute, assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The Agency's financial statements have been audited by Macias Gini & O'Connell LLP, a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the Agency as of and for the year ended December 31, 2012, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unqualified opinion that the Agency's financial statements as of and for the year ended December 31, 2012, are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report, which can be found on pages 1 and 2.

801 12th Street
Sacramento, CA 95814
www.shra.org

Management's discussion and analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. MD&A complement this letter of transmittal and should be read in conjunction with it.

PROFILE OF THE AGENCY

The Agency is located in Sacramento, California. The City of Sacramento, established in 1849, serves as the capitol for the State of California and is the center of state government. Sacramento also serves as the seat of Sacramento County government. It is the sixth largest populated city in California and continues to see a migration of people from the San Francisco Bay Area and Southern California. The State of California Department of Finance estimates the population on January 1, 2013 at 473,509 for the City and 1,445,806 for the County of Sacramento. Sacramento encompasses 99 square miles and is located in the northern section of California's burgeoning Central Valley. Sacramento is a charter city and operates under a Council-Manager form of government.

The Agency is a joint powers authority formally created in 1982 (but operating since 1973) to provide common professional staffing to the City and County of Sacramento to administer and manage its housing authorities and the city and county federal housing and community development entitlement funds. The Agency is a separate legal entity and is not a component unit of the City or County of Sacramento. The Agency receives no City or County general funds and SHRA is not included in Comprehensive Annual Financial Report of either the City or County of Sacramento.

The members of the joint powers agency included the City and County of Sacramento, the Housing Authorities of the City and County of Sacramento and the Redevelopment Agencies of the City and County of Sacramento. On February 1, 2012, all Redevelopment Agencies in the State of California were eliminated and replaced with a Successor Agency responsible for the wind down of former redevelopment agency activities and obligations. On February 1, 2012, the legal and treasury functions related to the administration and management of the former redevelopment activities and payment of debt for the former redevelopment agencies of the City and County of Sacramento were assumed within the City and County management structure. However, all housing assets and housing functions of the former redevelopment agencies were assumed by the Housing Authority of the City and the Housing Authority of the County to be staffed, managed and administered by the Agency.

The Agency serves as the fiscal agent/administrator and provides the exclusive staffing for the Housing Authorities of the City and County of Sacramento. The Housing Authorities of the City and County were formed in July 1939 and June 1940, respectively. Additionally, since June of 1982 the Agency administers and manages the federal Community Development Block Grant Programs (CDBG) and Home Investment Partnership Programs (HOME) for the City and County of Sacramento. In 2012 with changes to federal regulations related to Homeless Continuum of Care funding, the Agency assumed administration of Housing Opportunities for Person with AIDS (HOPWA), a federal grant program from the County of Sacramento.

The governing board of the Agency is the Sacramento Housing and Redevelopment Commission (Commission). The Commission authority to approve housing related projects, programs and budgets is limited to what is delegated to them by the governing boards of the Agency members. The City Council, serves as the City Housing Authority and the City Redevelopment Agency Successor Agency governing boards and retained the power to approve City housing related projects, programs and budgets. The County Board of Supervisors, serves as the County Housing Authority and the County Redevelopment Agency Successor Agency governing boards and retained power to, approve County related housing agenda items. The Commission also serves in an advisory capacity for each Agency member and the Commission has operational authority within the budget and policy direction

approved by the City Council and County Board of Supervisors.

The Agency has defined its reporting entity in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14, "The Financial Reporting Entity," which provides guidance for determining which governmental activities, organizations, and functions should be included in its reporting entity. The component units discussed in the following paragraphs are included in the Agency's reporting entity because of the significance of their operational or financial relationships with the Agency. Blended component units, although legally separate entities are, in substance, part of the government's operations. The discretely presented component units are reported in a separate column in the government-wide financial statements (see note below for description) to emphasize that they are legally separate from the Agency. Complete financial statements of individual component units can be obtained from the Finance Department of the Agency.

Blended Component Unit

Foundation Uniting Needs and Dollars (FUND, Inc.) - A nonprofit corporation established to maintain or aid charitable activities serving the public. It is a component unit of the Agency because the purpose of this corporation is to promote and support the activities and programs of the Sacramento Housing and Redevelopment Agency. The Board of Directors of FUND, Inc. is comprised of the members of the Commission. Acting in its capacity as the Board of Directors, the Commission approves the FUND, Inc. budget. The Executive Director of the Agency serves as the Executive Director of FUND, Inc.

Discretely Presented Component Units

Sacramento Housing Development Corporation (SHDC) - A nonprofit public benefit corporation created to serve as the general partner of Riverview Plaza Associates (RPA). It is a component unit of the Agency because the governing board of the SHDC is comprised of the members of one of the governing boards of the Agency, the County Board of Supervisors. The Redevelopment Agency of the City of Sacramento is legally obligated to finance any deficits of SHDC. The Executive Director of the Agency also serves as the Executive Director of SHDC. SHDC is the General Partner of the following limited partnership:

Riverview Plaza Associates (RPA) - A California limited partnership created to provide affordable housing to seniors with limited income. One of the governing boards of the Agency (the County Board of Supervisors) serves as the Board of Directors of the general partner. The Housing Authority of the City of Sacramento serves as the limited partner. Additionally, through contractual arrangement, the Agency is responsible for all financial matters including management of daily operations. Finally, the Agency has historically contributed funds to cover obligations of the RPA, to the extent that RPA revenues are inadequate. During the year ended December 31, 2012, the Agency did not contribute to RPA.

Shasta Hotel Corporation (Corporation) - A nonprofit corporation with a governing board comprised of Agency staff and representatives of selected nonprofit housing and social service entities. It is a component unit because the general partner's governing board members serve at the direction of the Executive Director of the Agency, and through contractual arrangements, the Agency is responsible for financial and operational matters of the Partnership. The Corporation is the General Partner of the following limited partnership:

Shasta Hotel Investors Partnership - A California limited partnership created for the purpose of constructing and operating an 80 unit rental housing project in Sacramento, California. The Partnership is comprised of the following two entities: (1) Shasta Hotel Corporation, as managing general partner and (2) Norwood Avenue Housing Corporation, a California nonprofit public benefit corporation as limited partner.

Sacramento Housing Authority Asset Repositioning Program, Inc. - As a nonprofit public benefit corporation, the Sacramento Housing Authority Repositioning Program, Inc. (SHARP), was formed for the purpose of serving as the general partner of the entity that will own, rehabilitate and operate former public housing properties acquired through HUD's assets demolition and disposition process. The purpose of SHARP is to allow the Housing Authority of the City of Sacramento and the Housing Authority of the County of Sacramento to leverage private sector capital to make improvements to housing inventory removed from the federal Public Housing program through HUD's asset disposition process. SHARP will be closely controlled by the Housing Authority of the City of Sacramento and the Housing Authority of the County of Sacramento and board members will be appointed by the Agency's Executive Director. Assets transferred to SHARP will be rehabilitated through various financing structures including the use of limited partnerships that will be able to benefit from the use of tax credit financing.

Norwood Avenue Housing Corporation (NAHC) - A nonprofit public benefit corporation with a governing board comprised of three Agency staff appointed by the Executive Director of the Agency and two community representatives. It is a component unit because through contractual arrangements, the Agency bears some responsibility for financial and operational matters of NAHC, as well as having the ability to impose its will on the NAHC. The NAHC is the General Partner of the following limited partnerships:

Phoenix Park I L.P. (PPI) - A California limited partnership created for the purpose of providing low- income housing to the poor and distressed by developing, financing, constructing, rehabilitating, owning, maintaining and operating a rental housing project. The project consists of 178 units located in Sacramento, California. PPI has a Managing General Partner, Norwood Avenue Housing Corporation, a California nonprofit public benefit corporation; MMA Special Limited Partner, Inc., a Florida corporation, as Special Limited Partner; and MMA Financial Warehousing, LLC, a Maryland limited liability company, as Investor Limited Partner.

Phoenix Park II L.P. (PPII) - A California limited partnership created for the purpose of providing low- income housing to the poor and distressed by developing, financing, constructing, rehabilitating, owning, maintaining, and operating a rental housing project. The project consists of 182 units located in Sacramento, California. PPII has a Managing General Partner, Norwood Avenue Housing Corporation, a California nonprofit public benefit corporation; and MMA Financial Institutional Tax Credits XXVIII, LP, as an Investor Limited Partner.

Budget. The annual budget of the Agency, consisting of the operating and project budgets, is adopted on a calendar year basis. Prior to December 1, the Executive Director submits a proposed operating budget to the governing bodies for review and approval. The budget is legally enacted through passage of resolutions prior to January 1 of each year. The budget adoption resolution specifies that the legal level of budgetary control is at the fund level. Budgeted expenditures represent original appropriations adjusted by supplemental budgetary appropriation amendments.

Annual operating budgets are adopted on a modified accrual basis for all Debt Service funds, Local Tax Special Revenue funds and Housing Special Revenue funds, except for the Revenue Bond Program and FUND, Inc. Project budgets are adopted for the Agency's major special revenue funds, City and County HOME, for the duration of the project which may extend over several years. The adopted project budgets for the Community Development and Revenue Bond Program Special Revenue funds and for the Capital Project funds are adopted on a project length basis. Additionally, although not legally required, the Agency adopts annual budgets for the Enterprise, Internal Service, and certain Component Unit funds.

FACTORS AFFECTING ECONOMIC CONDITION

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the Agency operates.

Local economy.

The California State University Sacramento College of Business Administration reports that more than two years into the local recovery, the Sacramento economic outlook continues to improve, albeit at a moderate pace, as expected. The regional unemployment rate improved to 9.8% in the latest reading (November 2012), down from 11% a year ago (Figure 1). This compares to 9.6% for California and 7.4% for the United States (unadjusted). This drop in the local unemployment rate has come through both a gain in nonfarm payrolls and a shrinking of the labor force. The government sector, even after shrinking through spending cuts and layoffs in recent years, still accounts for nearly 28% of the local labor market. While government spending stayed largely intact during the early days of the economic slowdown, the eventual sharp tax revenue decline and fiscal shortfall made spending cuts inevitable, leading the government sector to shed the most jobs of all the major sectors post-recession.

Long-term financial planning

Recognizing an emerging trend toward economic instability on a national and local level, the Agency adopted conservative fiscal strategies in anticipation of a progressive decline in resources. In 2008 the Agency began to restructure and re-engineer the organization which entailed an analysis of span of control (number of employees reporting to management), process improvements, adjusting service level expectations and implementing initiatives that streamline and consolidate services and functions. Many of the initiatives have been implemented and have resulted in a much more cost effective and efficient organization. Had the Agency not implemented a timely response at the first signs of these fiscal challenges, our current budget situation would have required a more drastic approach.

Some of the guiding principles used to develop the Agency's budget include:

- Protecting "core services" to the greatest extent possible, with delivery of housing programs, public services and capital projects being a major priority;
- Managing program activities by focusing on the efficiency of program delivery and the maximization of results;
- Consideration of the long term financial sustainability;
- Using partnerships with community based organizations and private entities whenever practical; and
- Developing budget plans that deal with the immediate needs of the Agency and employ strategies that address the long-term needs of the communities we serve.

Relevant financial policies

The primary sources of non-local revenue are from numerous programs sponsored by the U.S. Department of Housing and Urban Development (HUD). The federal government continues to revise HUD practices, programs and overall appropriation levels. Since 2008, the Agency has administered \$56 million in funds authorized under the Housing Assistance Tax Act of 2008 and the American Recovery and Reinvestment Act of 2009. The majority of these funds have been expended for their intended purpose which was to stabilize the local real estate market and stimulate job creation through the completion of capital projects. To this end, the Agency has developed a comprehensive strategy and implemented specific programs targeted at the purchase, rehabilitation and sales of foreclosed properties in critical geographic areas throughout the City and County of Sacramento. The Agency is in the process of closing out the last phases of these one-time federal grant funds.

The demand for affordable housing in Sacramento City and County, and in the entire Sacramento region, has increased with the slow housing recovery and as unemployment and household income remains stagnant. In turn, this trend has put pressure on the rental market and has increased the demand for affordable housing.

The Agency is committed to increasing the supply of affordable housing and has worked closely with the City and County in the development of inclusionary ordinances, the development of a ten year plan to end chronic homelessness, and other policies that will help increase rental housing production and homeownership opportunities.

As a lender and developer, the Agency strives to efficiently manage its resources in order to address the range of need and reach special populations, the workforce population, and those who are moving out of the rental market and buying their first homes.

Locally, the elimination of redevelopment has resulted in the loss of approximately \$54 million annually to the Sacramento region. Assembly Bill X1 26, enacted on June 29, 2011 for the express purpose of eliminating California redevelopment agencies, was upheld by the California Supreme Court on December 29, 2011. Accordingly, as of February 1, 2012, all redevelopment agencies in California, including the Redevelopment Agency of the City of Sacramento and the Redevelopment Agency of the County of Sacramento, ceased to exist and successor agencies were appointed to wind down the affairs of the former redevelopment agencies.

At the federal level, the emphasis on reduced spending for "discretionary" programs, which began in 2011 and continued in 2012, leaves a high level of uncertainty for 2013. The proposed budget for 2013 was developed based upon the multiple proposals put forth by the President and the various committees within congress. Based upon that information, federal funding for 2013 would be relatively status quo compared with 2012; however, the approach of the "fiscal cliff" at the end of 2012 and the across the board cuts of sequestration that apply under current law to the 2013 federal budget offer little in the way of certainty. Given the wide range of possibilities regarding federal funding, we do not expect to gain certainty about next year's federal funding levels until later in 2013.

INITIATIVES

The Agency will continue to partner with the City and County of Sacramento to initiate projects and programs that maximize affordable housing opportunities for low-income, very low-income, and extremely low-income households and revitalize low-income communities. A major focus of our housing initiatives will be the development of housing for the chronic homeless and the rehabilitation and replacement of single-room occupancy (SRO) units in the City of Sacramento. We will also continue strategies to eliminate blight and revitalize low-income communities, older commercial corridors, and converted military bases. Our initiatives include infrastructure and community facility improvements, financial assistance for commercial development, homeownership and housing rehabilitation assistance, and intervention to transform troubled rental properties into safe and affordable housing that complements the surrounding neighborhoods.

AWARDS AND ACKNOWLEDGEMENTS

Certificate of Achievement for Excellence in Financial Reporting

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Agency for its comprehensive annual financial report for the year ended December 31, 2011. This was the Twentieth consecutive year that the Agency has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The preparation of this report could not be accomplished without the efficient and dedicated services of the entire staff of the Finance Department. Their dedication to professional excellence is reflected in an improved comprehensive annual financial report. We would also like to commend the Agency's Commission, the City Council and the County Board of Supervisors for their interest, support of this substantial effort, and shared commitment to assuring the financial viability of the Agency which remains progressively committed to meeting the economic, redevelopment and housing needs of the communities we serve.

Respectfully submitted,

LASHELLE DOZIER
Executive Director

DONALD CAVIER
Director of Finance

Certificate of Achievement for Excellence in Financial Reporting

Presented to

Sacramento Housing
and Redevelopment Agency
California

For its Comprehensive Annual
Financial Report
for the Fiscal Year Ended
December 31, 2011

A Certificate of Achievement for Excellence in Financial Reporting is presented by the Government Finance Officers Association of the United States and Canada to government units and public employee retirement systems whose comprehensive annual financial reports (CAFRs) achieve the highest standards in government accounting and financial reporting.

INDEPENDENT AUDITOR'S REPORT

Honorable Members of the Sacramento
City Council, Housing Authority
of the City of Sacramento
County Board of Supervisors, Housing Authority
of the County of Sacramento and
Sacramento Housing and Redevelopment Commission
Sacramento, California

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the Sacramento Housing and Redevelopment Agency (Agency), as of and for the year ended December 31, 2012, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents. We did not audit the financial statements of the Shasta Hotel Corporation (Hotel) and the Norwood Avenue Housing Corporation (Corporation) discretely presented component units. The Hotel and Corporation represent 74% of assets, 45% of net position, and 72% of revenues of the aggregate discretely presented component units as of and for the year ended December 31, 2012. Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinion, insofar, as it relates to the amounts included for the Hotel and the Corporation, is based solely on the reports of the other auditors.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's

internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions. The financial statements of the Hotel were not audited in accordance with *Government Auditing Standards*.

Opinions

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Agency as of December 31, 2012, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matters

As discussed in Note I (B) to the financial statements, in 2012 the Agency adopted new accounting principles, GASB Statement No. 62, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 and AICPA Pronouncement*, and GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*. Our opinion is not modified with respect to this matter.

As discussed in Note IV (E) to the financial statements, as of February 1, 2012, redevelopment agencies in California, including the Redevelopment Agency of the City of Sacramento and the Redevelopment Agency of the County of Sacramento, were terminated and successor agencies were appointed to wind down the affairs of the redevelopment agencies in accordance with the provisions of Assembly Bill X1 26. The City and County of Sacramento elected to serve as successor agencies for purposes of winding down the affairs of the former Redevelopment Agency of the City of Sacramento and the Redevelopment Agency of the County of Sacramento, respectively. The Housing Authority of the City of Sacramento and Housing Authority of the County of Sacramento were appointed to serve as successor agencies for purposes of winding down the remaining housing obligations of the former Redevelopment Agency of the City of Sacramento and the Redevelopment Agency of the County of Sacramento, respectively. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the schedules of funding progress, listed as required supplementary information in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other

knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Agency's basic statements. The introductory section, combining and individual fund statements and schedules, Schedule of Annual Contribution Contracts for Capital Fund Program (CFP), American Recovery and Reinvestment Act (ARRA), ROSS Public Housing Self Sufficiency (FSS), ROSS Service Coordinator (SC) Programs and Choice Neighborhood Initiative (CNI) grant, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund statements and schedules and the Schedule of Annual Contribution Contracts for Capital Fund Program (CFP), American Recovery and Reinvestment Act (ARRA), ROSS Public Housing Self Sufficiency (FSS), ROSS Service Coordinator (SC) Programs and Choice Neighborhood Initiative (CNI) grant are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied by us in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund statements and schedules and the Schedule of Annual Contribution Contracts for Capital Fund Program (CFP), American Recovery and Reinvestment Act (ARRA), ROSS Public Housing Self Sufficiency (FSS), ROSS Service Coordinator (SC) Programs and Choice Neighborhood Initiative (CNI) grant are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 14, 2013 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

This portion of the Sacramento Housing and Redevelopment Agency's (Agency) annual financial report presents a narrative overview and analysis of the Agency's financial activities for the year ended December 31, 2012. Please read this in conjunction with the transmittal letter at the beginning of this report and the Agency's financial statements following this section. All dollar amounts are expressed in thousands unless otherwise indicated.

FINANCIAL HIGHLIGHTS

	Governmental Activities	Business-type Activities	Total
Net position:			
Net investment in capital assets	\$ 52,784	\$ 163,561	\$ 216,345
Restricted	129,376	6,836	136,212
Unrestricted	175,243	22,176	197,419
Total net position	<u>\$ 357,403</u>	<u>\$ 192,573</u>	<u>\$ 549,976</u>

- The assets of the Agency exceeded liabilities at the end of the 2012 year by \$549,976 (net position). Of this amount, \$216,345 is net investment in capital assets and \$136,212 is restricted to specific purposes (restricted net position). Of this amount \$5,693 was restricted for Housing Choice Vouchers, \$1,715 for debt service, \$247 for housing operations and \$128,405 for community development. The unrestricted net position of \$197,419 consists of amounts that are committed or assigned to capital projects and unassigned amounts.
- The Agency's total net position, excluding discretely presented component units, increased over the course of the year by \$119,141 to \$549,976. The net position of governmental activities increased by \$122,439, and the net position of business-type activities decreased by \$3,298.
- As of December 31, 2012, the Agency's governmental funds reported combined fund balances of \$167,769, a decrease of \$182,377 for the year due primarily to the elimination of redevelopment.
- The capital assets of the Agency are primarily the property of the Agency's two Housing Authorities and the net position will reflect positive balances long into the future because of this.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Agency's basic financial statements. The Agency's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the basic financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Government-wide Financial Statements are designed to provide readers with a broad overview of Agency finances, in a manner similar to a private-sector business.

The statement of net position presents information on all Agency assets and liabilities, with the difference between the two reported as *net position*. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The statement of activities presents information showing how net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of the timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods (e.g., grant revenue, accounts payable and earned but unused vacation leave).

Both of these government-wide financial statements distinguish functions of the Agency that are principally supported by intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or in part a portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the Agency include a variety of federal, state and local housing programs, community development programs funded by the federal government, including the City and County Community Development Block Grant Program (CDBG), community social service programs, and capital projects which include acquisition and construction of major capital facilities.

The business-type activities of the Agency consist of assisted housing, which includes public housing subsidized by the Department of Housing and Urban Development (HUD), locally funded housing projects, and units subsidized by the State of California's California Housing Finance Agency. In addition, the Housing Authority operates the Housing Choice Voucher (formerly Section 8) Program.

Component units included in the Agency's basic financial statements consist of legally separate entities whose inclusion is necessary for the fair presentation in accordance with generally accepted accounting principles. Included within this grouping are: Sacramento Housing Development Corporation, Shasta Hotel Corporation, Sacramento Housing Authority Asset Repositioning Program, Inc. and the Norwood Avenue Housing Corporation.

The government-wide financial statements can be found on pages 24 - 25 of this report.

Fund Financial Statements are groupings of related funds that are used to maintain control over resources that have been segregated for specific activities or objectives. The Agency, like other state and local governments, uses fund accounting to ensure and demonstrate finance-related legal compliance. All of the funds of the Agency can be divided into two categories: governmental funds and proprietary funds.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)**

Governmental funds are used to account for essentially the same functions reported as *governmental activities* in the government-wide financial statements.

However, unlike the government-wide financial statements, governmental funds financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the Agency's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The Agency maintains 119 individual governmental funds. Information is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenues, expenditures and changes in fund balances for the City and County HOME funds and the City Housing Successor Capital Projects fund as each is considered a major fund. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements elsewhere in this report.

The governmental funds financial statements can be found on pages 26 - 29 of this report.

Proprietary funds include two different types of funds. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The Agency uses enterprise funds to account for City and County Public Housing Authorities' operations, locally funded housing projects, units funded by the State of California's California Housing Finance Agency and the Housing Choice Voucher program. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the Agency's various functions. The Agency uses internal service funds to account for the internal support services of administrative divisions, payroll, SHRA administration building and self-insurance. Because these services predominantly benefit governmental rather than business-type functions, they have been included with *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The County Housing Choice Vouchers and the County AMP 5 funds are considered to be major funds of the Agency.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)**

The Agency's two internal service funds are combined into a single, aggregated presentation in the proprietary funds financial statements. Individual fund data for the nonmajor enterprise funds and internal service funds are provided in the form of *combining statements* elsewhere in this report.

The proprietary funds financial statements can be found on pages 30 - 33 of this report.

Notes to the Basic Financial Statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes can be found on pages 36 - 75 of this report.

Other information. The combining statements referred to earlier in connection with nonmajor governmental funds, nonmajor enterprise funds, and internal service funds are presented immediately following the Supplementary Information.

Combining and individual fund statements and schedules can be found on pages 76-180 of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

The government-wide financial statements provide long-term information about the Agency's overall financial condition. This analysis addresses the financial statements of the Agency as a whole.

Net Position

	Governmental Activities		Business-type Activities		Total	
	2012	2011	2012	2011	2012	2011
Current and other assets	\$ 325,212	\$ 525,391	\$ 31,725	\$ 37,911	\$ 356,937	\$ 563,302
Capital assets	65,404	133,028	166,104	162,924	231,508	295,952
Total assets	390,616	658,419	197,829	200,835	588,445	859,254
Long-term liabilities	24,394	398,755	2,543	2,580	26,937	401,335
Other liabilities	8,819	24,700	2,713	2,384	11,532	27,084
Total liabilities	33,213	423,455	5,256	4,964	38,469	428,419
Net position:						
Net investment in capital assets	52,784	118,952	163,561	160,344	216,345	279,296
Restricted	129,376	13,738	6,836	8,487	136,212	22,225
Unrestricted	175,243	102,274	22,176	27,040	197,419	129,314
Total net position	<u>\$ 357,403</u>	<u>\$ 234,964</u>	<u>\$ 192,573</u>	<u>\$ 195,871</u>	<u>\$ 549,976</u>	<u>\$ 430,835</u>

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Agency, assets exceeded liabilities by \$549,976 at the close of the most recent fiscal year. Combined net position increased 27.7% from 2011.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

The current assets of governmental activities decreased \$200,179 from 2011, capital assets decreased \$67,624 and liabilities decreased \$390,242. The dissolution of redevelopment was the primary driver for the significant changes in net position compared with prior year. The changes can be found in Section IV. E. in the Notes to the Basic Financial Statements.

\$216,345 of the Agency's net position reflects its investment in capital assets (e.g., land, buildings, property, and equipment); less any related debt used to acquire those assets that is still outstanding. The Agency uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although this investment in capital assets is reported net of related debt, it should be noted that resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. The amount invested in capital assets decreased by \$62,951 in the current year.

Changes in Net Investment in Capital Assets

2011 Ending Balance	\$279,296
Governmental activities:	
Additions:	
Purchases of land, buildings & equipment	695
Construction in progress	7,669
Reduction in debt related to capital assets	1,456
Deductions:	
Depreciation expense	(577)
Sales and deletions	(284)
Deletions due to dissolution of redevelopment	(68,491)
Capital asset transfers to business-type activities	<u>(6,636)</u>
Total changes in governmental activities	<u>(66,168)</u>
Business-type activities:	
Additions:	
Purchases of land, buildings & equipment	195
Construction in progress	4,424
Capital asset transfers from governmental funds	6,636
Deductions:	
Reduction in debt related to capital assets	37
Depreciation expense	(6,035)
Sales and deletions	<u>(2,040)</u>
Total changes in business-type activities	<u>3,217</u>
2012 Ending Balance	<u>\$216,345</u>

The governmental activities decreased by \$66,168 due to the following:

Purchases of land and buildings in the City and County NSP 3 program in the amount of \$695. Other increases were \$7,669 comprised of \$2,895 from construction in progress in the City and County Capital Fund program and the City Capital Fund ARRA Competitive Grant Program, \$1,888 in the City and County CDBG, City CDBG NSP 1 and City

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

CDBG NSP3 programs and \$2,886 in the City Housing Successor fund.

These increases were offset by \$577 of depreciation expense, \$68,775 in sales and deletions of which \$68,491 was sent to the City and County Redevelopment Successor Agencies, and \$6,636 in transfers to the City and County Public Housing, Locally Funded Projects, Phoenix Park, Villa De Novo, and Norcade Circle enterprise funds. The decrease in debt related to capital assets was \$1,456.

The business-type activities net investment in capital assets increased by \$3,217 in the current year due to the following: \$56 purchases of buildings and equipment in the Locally Funded Projects, City and county Public Housing and County COCC enterprise funds and \$6,636 in transfers from governmental activities. \$3,808 in construction in progress in HCV for the tenant improvements at 630 I Street, \$531 in Norcade Circle and \$85 in Greenfair that added to the value of buildings. These increases were offset by \$6,035 in depreciation expense, and \$1,901 in sales and deletions of capital assets. The decrease in debt related to capital assets was \$37.

Restricted net position represents amounts that must be used in accordance with external restrictions. Restricted net position in governmental activities increased approximately \$115,638 mainly due to the reclassification of restricted long-term receivables in grant funds.

Unrestricted net position in governmental activities increased by \$72,969 due mainly to the following: dissolution of redevelopment in which \$365,448 in long-term debt, and \$5,533 advances from other funds are offset by approximately \$46,544 of long-term receivables, \$136,949 in committed community development projects that were transferred to the City and County Redevelopment Successor Agencies and reclassification of \$128,557 of long-term receivables in grant funds.

Restricted net position for business-type activities decreased by \$1,651 due mainly to prior year advance funding from HUD being recaptured through a reduction in HAP revenues in the Housing Choice Vouchers program (\$355). Phoenix Park transferred \$1,282 to the County CHFA HELP debt service fund for a loan repayment. These reductions were offset by an increase in the San Jose/Broadway replacement reserve and impound accounts (\$13).

Business-type activities unrestricted net position decreased by \$4,864 due mainly to amounts spent in Housing Choice Vouchers administrative fees to fund tenant improvements (\$3,680), City and County Public subsidy decreased by 12% and operating expenditures increased (\$689), County COCC had bad debt written off (\$551) and Norcade Circle had an advance (\$531). These decreases were offset by a transfer of sales proceeds (\$498) in Locally Funded Projects

Analysis of the changes in net position:

Total government-wide revenues of the primary government decreased \$70,293, a 28% decrease from the prior year, and total expenses decreased \$79,659, a 32% decrease. These fluctuations are discussed in more detail below.

Governmental Activities.

Total revenues for governmental activities decreased \$72,437, a 62% decrease from the prior year, and total expenses decreased \$83,406, a 73% decrease, and net transfers out increased \$2,904. These fluctuations are discussed in more detail below.

Revenue

- Operating grants and contributions decreased by \$9,687 due primarily to City and County HPRP, City and County CDBG-R, and TANF Emergency Contingency grants closing out in 2012. City and County CDBG NSP 1 grants are nearing completion. The City and County CDBG and City and County HOME grant awards decreased significantly from the prior year. Program income revenue for City and County

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

significantly from the prior year. Program income revenue for City and County CDBG, City and County CDBG NSP and City and County CalHOME was moved from operating grants to deferred revenue until expenditures occur. These decreases were offset by increased activity in the City and County CDBG NSP 3 funds. State/Local Housing Trust fund received \$2.3 million of a \$3 million grant and a HOPWA grant was received.

- Capital grants and contributions decreased by \$7,494 due primarily to City and County CFP grant awards decreased significantly from the prior year and the City and County CFP ARRA and City Competitive ARRA grants are nearing completion. As a result of the above actions less was spent on capital projects and operations. The grants are for multiple years and revenue is recognized based on the amount expended for projects. These decreases are offset by City and County Housing Successor revenues received for obligations relating to the dissolved redevelopment agency.
- Tax increment revenues decreased by \$52,083 due to the dissolution of redevelopment.
- Investment earnings decreased by \$3,515. The agency transferred cash and investments from the redevelopment agency to the new redevelopment successor agencies as of February 1, 2012 which left less to invest.
- Miscellaneous income increased by \$356 mainly due to receipt of a SMUD rebate in the Local Housing Revenue fund in 2012 which was offset by an insurance rebate received in 2011 in the Self Insurance fund.
- The decrease in total revenue of \$72,437 was offset by a decrease of \$83,406 in expenses.

Expenses

- Housing operations increased by \$6,965 mainly due to the Revenue Bond Program that had additional sub-grantee payments and increased operating and overhead costs due to the dissolution of redevelopment (\$1,005). The Housing Successor funds account for the low and moderate tax increment funds from the former redevelopment agency. The operating costs for those funds were shown as community development in the prior year. The Housing Successor funds show the operating costs as housing (\$5,744).
- Community development operations decreased by \$71,477. \$46,405 was due to the dissolution of redevelopment. Of which \$5,744 went to the Housing Successor funds and classified as housing operations in 2012. \$7,675 was due to the City and County CDBG NSP 1 program in which the grant is closing out, \$2,432 was due to the City and County CDBG program and \$1,511 due to City and County HOME which had reduced funding for projects due to cuts at the federal level. \$14,901 was due to capital asset deletions in 2011 mainly due to the 7th - 8th and K Street project. The majority of RDA capital asset deletions in 2012 are extraordinary items and not in community development expenditures.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

- Community social services decreased by \$2,988 mainly due a decrease in City and County Homelessness Prevention and Rapid Re-housing Program (HPRP) (\$1,465) and HUD TANF-Emergency Contingency grant (\$470) expenditures. This is the final year for both of these programs and the majority of expenditures were in prior years. City and County CDBG decreased due reduced funding at the federal level (\$999) and RDA dissolution (\$749). These decreases were offset by the HOPWA grant funds (\$839) received for the first time in 2012.
- Interest expense decreased by \$15,906 due to the RDA debt sent to the City and County Redevelopment Successor Agencies.

The net transfers of (\$6,559) are mainly due to transfers of construction in progress amounts from the Capital Fund program to the City and County Public Housing funds to add to the cost of the buildings (\$3,253), the City and County CDBG NSP1 program transferred land, buildings and construction in progress to the Villa De Novo and Phoenix Park projects (\$3,289) and the City and County CDBG NSP 3 program transferred a building to the Locally Funded Project fund (\$95).

The extraordinary item of \$116,162 was due to the dissolution of redevelopment in which the following amounts were transferred to the Redevelopment Successor and Housing Successor agencies. The following table shows the transition amounts:

<u>Redevelopment Summary</u>	Former Redevelopment Agencies	City and County Housing Authorities as Housing Successor Agencies	RDA Successor Agencies
Assets			
Cash and Investments	\$ 162,906	\$ 34,901	\$ 128,005

Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)**

The following graph shows the breakdown of revenue by source.

The following graphs show a comparison of expenses and program revenues for governmental activities and the general revenues that cover the expenses that program revenues do not.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Business-type Activities.

Total revenues for business-type activities increased \$2,144, a 2% increase from the prior year, and total expenses increased \$3,747, a 3% increase, and net transfers to business-type activities decreased \$2,904. These fluctuations are discussed in more detail below.

Revenue

- Charges for services decreased by \$311 mainly due to a decrease in Public Housing units that were transferred to SHARP and disposition of single family homes to the CDBG NSP program for rehabilitation and sale.
- Operating grants and contributions increased by \$2,354 due mainly to increased HAP funding for the Shelter Plus Care program and the Housing Choice Voucher Program. Phoenix Park increased due to higher occupancy. Public Housing decreased due to disposition of property which resulted in lower operating subsidy payments.
- Investment earnings increased by \$87 due to an increase in investment yields.
- Miscellaneous revenue increased by \$14. Auburn/Garfield property had rental revenue remitted by the former management company to the Agency for the Auburn/Garfield Property during 2011 in the amount of \$475 that did not occur in 2012. Phoenix Park increased by \$248 due to developer fees from NAHC, City and County Public Housing increased by \$274 due to maintenance and late fee charges and Housing Choice Vouchers decreased by \$49 due to fraud recovery.

Expenses

- Local housing increased by \$1,445 due mainly to a change in accounting for County COCC. Housing Choice Vouchers expensed fees to the County COCC for that fund to pay overhead costs on their behalf. This brings the accounting in line with HUD's requirements. The prior year overhead costs were paid directly from Housing Choice Vouchers.
- Public housing increased by \$1,024 due mainly to property insurance charged in 2012 that was not charged in 2011 due to a refund from the insurance company. Overhead rates were redistributed after the dissolution of redevelopment which resulted in increased charges to remaining funding sources. Twelve properties were sold to the County CDBG NSP 3 program which resulted in a loss on disposal of capital assets.
- Housing choice vouchers increased by \$1,278 due mainly to increased HAP payments in the Housing Choice Vouchers Program.

The net transfers of (\$6,559) are mainly due to transfers of construction in progress amounts from the Capital Fund program to the City and County Public Housing funds to add to the cost of the buildings (\$3,253), the City and County CDBG NSP1 program transferred land, buildings and construction in progress to the Villa De Novo and Phoenix Park projects (\$3,289) and the City and County CDBG NSP 3 program transferred a building to the Locally Funded Project fund (\$95).

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

The following graphs show the breakdown of revenue by source and a comparison of expenses and program revenues for business-type activities. In the second graph, the variance in the revenues and expenses in Local Housing (\$1,950) is primarily due to loss on loan write off in the County COCC and San Carlos Shelter Plus Care funds, miscellaneous income funding expenses in Phoenix Park, Greenfair expensed prior year revenues, and depreciation expense caused the variances in Riverview Plaza Commercial and Locally Funded Projects. The variance in Public Housing (\$8,675) is primarily due to depreciation expense and expenditures for the resident trainee program that is reimbursed by transfers in from the Capital Fund Program.

The variance in Housing Choice Vouchers of \$656 is due to expenses that were funded by investment earnings and prior year revenues.

Expenses and Program Revenues - Business-type Activities

FINANCIAL ANALYSIS OF THE AGENCY'S FUNDS

As noted earlier, the Agency uses **fund accounting** to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The general government functions are contained in the Special Revenue, Debt Service, and Capital Projects Funds. The Agency does not have a General Fund. The focus of the Agency's *governmental funds* is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the Agency's financing requirements. In particular, *assigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

The Agency's governmental funds reported combined ending fund balances of \$167,769, a decrease of \$182,377 in comparison with the prior year. The major funds listed below are responsible for an increase of \$70,131 in the combined fund balances and the nonmajor funds are responsible for a \$252,508 decrease of which \$180,795 is due to the dissolution of redevelopment.

The City Housing Successor capital projects fund has a total fund balance of \$70,131, of which \$17,683 is committed for housing capital projects, \$45,488 is for nonspendable long-term receivables and \$6,960 is assigned for housing activities. The net increase in fund balance during the current year in the capital projects fund was \$70,131. This increase is due to the transfer of low and moderate tax increment funds in response to the dissolution of redevelopment.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)**

The City HOME fund has no fund balance.

The County HOME fund has no fund balance.

Proprietary funds. The Agency's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail (See Business-type activities section above).

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets. The Agency's net investment in capital assets for its governmental and business type activities as of December 31, 2012, amounted to \$231,508 (net of accumulated depreciation). This investment in capital assets includes land, building and improvements, property and equipment, and construction in progress.

The governmental activities decreased by \$67,624. The decrease in land and building and improvements purchases in the governmental activities is due mainly to the dissolution of redevelopment. Capital assets were transferred to the City and County Redevelopment Successor Agencies as of February 1, 2012. The decrease in property and equipment is due to accumulated depreciation and transfers of equipment from the Capital Fund Program to the Public Housing enterprise funds. Construction in progress increased in the Capital Fund Competitive ARRA Grant Program for construction related activities in the public housing properties. The City and County CDBG, the City CDBG NSP 1, the City CDBG NSP3 programs and the City Housing Successor Agency had construction related activities for local and public housing properties.

The business-type activities increased by \$3,180. The decrease in land and buildings and improvements is mainly due to properties sold to the CDBG NSP 3 program for rehabilitation and sale and depreciation expense. The increase in equipment is due to transfers from the County Capital Fund Program. The increase in construction in progress is mainly due to the Housing Choice Voucher program tenant improvements at 630 I Street in preparation of their move and also rehabilitation at Norcade Circle.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Capital assets for the governmental and business-type activities are presented below.

	Capital Assets (net of depreciation)						Increase/ (Decrease) Percent of Change
	Governmental		Business-type		Total		
	Activities		Activities				
	2012	2011	2012	2011	2012	2011	
Land	\$ 22,122	\$ 74,347	\$ 17,920	\$ 17,933	\$ 40,042	\$ 92,280	-56.61%
Building and improvements	13,340	30,412	140,249	141,512	153,589	171,924	-10.66%
Property and equipment	423	668	242	210	665	878	-24.26%
Construction in progress	29,519	27,601	7,693	3,269	37,212	30,870	20.54%
Total	\$ 65,404	\$ 133,028	\$ 166,104	\$ 162,924	\$ 231,508	\$ 295,952	-21.78%

Long-term Debt. At the end of December 31, 2012, the Agency had long-term debt outstanding of \$23,940. This is a net decrease of \$372,938 from the prior year total of \$396,878.

Governmental activities notes payable decreased by \$79,990 due to scheduled principal payments of \$1,973 and deletions due to transfers of property to the City and County Redevelopment Successor Agency for dissolution of redevelopment (78,017). There were no notes issued in 2012.

Governmental activities bonds payable decreased by \$290,961 due to transfers of property to the City and County Redevelopment Successor Agency for dissolution of redevelopment (\$290,961). There were no new bond issuances in 2012.

Pollution remediation obligations decreased by \$1,950 mainly due to transfers of property with environmental issues to the City Redevelopment Successor Agency for dissolution of redevelopment (\$1,983). The Rio Linda Superblock had an increase in estimated costs (\$33).

Business-type activities notes payable decreased \$37 due to scheduled principal payments which reduced the year-end balances.

Outstanding Debt

	Governmental Activities		Business-type Activities		Total	
	2012	2011	2012	2011	2012	2011

Additional information about the Agency's capital assets and total long-term debt is presented in Note III.C. and Note III.F., respectively, to the financial statements on pages 49 - 50 and 56 - 62 of this report.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

The Agency has both housing authority and redevelopment agency functions. As such, its revenues and expenditures are dependent on external factors such as the availability of federal funding and the assessment of property values.

BUDGET SUMMARY

The total expense budget proposed for 2013 equals \$169.6 million, with \$107.2 million for housing assistance payments, \$19.9 million for salary and benefits, \$14.7 million for services and supplies, \$18.6 million in capital project funds, \$5.1 million in public service programs, \$3.2 million in debt service payments and \$0.9 million in financial transactions.

Locally, the elimination of redevelopment has resulted in the loss of approximately \$54 million annually to the Sacramento region. Assembly Bill x1 26, enacted on June 29, 2011 for the express purpose of eliminating California redevelopment agencies, was upheld by the California Supreme Court on December 29, 2011. Accordingly, as of February 1, 2012, all redevelopment agencies in California, including the Redevelopment Agency of the City of Sacramento and the Redevelopment Agency of the County of Sacramento, ceased to exist and successor agencies were appointed to wind down the affairs of the former redevelopment agencies.

At the federal level, the emphasis on reduced spending for "discretionary" programs, which began in 2011 and continued in 2012, leaves a high level of uncertainty for 2013. The proposed budget for 2013 was developed based upon the multiple proposals put forth by the President and the various committees within congress. Based upon that information, federal funding for 2013 would be relatively status quo compared with 2012; however, the approach of the "fiscal cliff" at the end of 2012 and the potential across the board cuts of 8.2 percent as result of the automatic cuts ("sequestration") that apply under current law to the 2013 federal budget offer little in the way of certainty. Given the wide range of possibilities regarding federal funding, we do not expect to gain certainty about next year's federal funding levels until at least the end of the year, and more likely the first quarter of 2013.

In light of these uncertainties, we have elected to move forward with the operational cuts necessary to address the elimination of redevelopment and the reduction of federal funding in 2012, but have estimated 2013 federal funding consistent with the reduced levels received in 2012.

We elected this course because we did not want to impose the extent of cuts that might be required under current law without greater certainty as to the outcome of Congress'

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)**

debate on automatic cuts to discretionary programs. Given these unknown outcomes, it is highly likely our 2013 Proposed Budget may require amendment in the first or second quarter of next year.

Some of the guiding principles used to develop the Agency's budget include:

- Protecting “core services” to the greatest extent possible, with delivery of housing programs, public services and capital projects being a major priority;
- Managing program activities by focusing on the efficiency of program delivery and the maximization of results;
- Consideration of the overall financial health of the organization, not just the cash flow from year to year;
- Using partnerships with community based organizations and private entities whenever practicable; and
- Developing budget plans that deal with the immediate needs of the Agency and employ strategies that address the long-term needs of the communities we serve.

Challenges:

Based on the current political climate, we expect continuing retrenchment in federal funding for low income housing and safety net services. There seems to be little Congress can agree on, but there is bipartisan acceptance that reducing the deficit is an imperative for our long term economic well-being. The questions on which the parties differ are how fast and who pays. The budget ceilings the Congress and President have already adopted for discretionary programs from 2013 through 2021 show decreases over the next few years and essentially flat funding over the remainder of the decade.

- The upcoming fiscal cliff of tax increases and sharp cuts in federal spending all pose significant threats to our community and the mission of the Agency.
- Short of these significant factors, modest continued recovery is expected in 2013. Housing construction has increased slightly and construction unemployment appears to have reached its nadir. Home prices have inched up, along with sales, given continuing low interest rates.
- Sacramento's unemployment rate at 10.4 percent in August, still higher than the US rate of 7.8 percent.
- Both State and local government budgets and employment remain stagnant or declining.

Despite the new economic environment we operate in today, we have elected to redouble our resolve to continue meeting our mission to provide safe and decent housing to low income people. With this as our focus we are making changes now, next year, and years in the future to meet the challenge of the new fiscal realities. Our 2013 Proposed Budget

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)**

continues our commitment to meet the fiscal challenges with optimism and strength of purpose.

2012 Accomplishments

Affordable Housing production (completed)

- La Valentina - 81 units
- Studios at Hotel Berry - 105 units
- Foothill Farms Senior Apartments - 138 units
- Edge Water Apartments (626 I Street) - 108 units
- Forrestwood at Folsom Family Apartments - 55 units
- Villa de Novo - 17 units

Affordable Housing production (under construction)

- The Arbors at Oak Park Senior Housing - 55 units
- Kelsey Village - 20 units for low income adults and developmentally disabled individuals
- 7th and H Street - 150 units (includes 75 units Permanent Supportive Housing for formerly homeless individuals)

Neighborhood Stabilization Program (NSP)

- 360 housing units impacted (101 very low income)
- Program has leveraged \$21 million in non-NSP funding
- 45 active development partners
- Over 800 jobs retained and 84 new jobs created

Commercial/Infrastructure (completed)

- Auburn Boulevard Enhancements Project
- Freedom Park Drive Enhancements Project (County's first Green Street)
- 630 I Street (HCV/Conventional Housing Intake Services) 125 jobs created

Housing Choice Voucher Program

- Despite this series of challenges and uncertainty, the Agency continues to deliver a very successful Housing Choice Voucher program (HCV) program. In 2012, the Agency is expected to maintain 98 to 100 percent leasing of our HUD vouchers, providing rental assistance to 11,762 families each month.

Public Housing Program:

- The Public Housing program continues to make significant progress improving overall operating performance. Over the past five years, the Agency has reduced the public housing operating deficit through aggressive operational cuts, implementation of our asset repositioning strategy and through capital investments in our public housing properties. The PHA has invested over \$17 million in capital improvements to public housing units over the last two years.

Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

- The asset repositioning strategies employed by the Housing Authority over the last three years have been successful. In June 2010, two elderly high-rise properties, 153 units in all, were transferred to the Sacramento Housing Asset Repositioning Program, Inc. (SHARP), a non-profit component unit of the Agency. The repositioned properties were awarded project based vouchers which provide market rate revenue for the properties. In 2012, HUD also approved another disposition application for Sierra Vista high-rise, a 78 unit senior only development. The Agency is still awaiting the award of the project based vouchers. The impact of the repositioning has increased the annual operating revenue of the properties significantly.
- Also, as a part of the overall repositioning strategy, the Housing Authority applied for and received a \$10 million competitive grant funded through the American Recovery and Reinvestment Act (ARRA) to help fund the renovation of the Public Housing high-rise located at 626 I Street. The rehabilitation of the property was completed in 2012 and created 340 jobs.

2013 Outlook:

For the past 5 years, the Agency has managed its way through numerous budgetary challenges including the complete overhaul of the public housing and the Housing Choice Voucher (HCV) programs, federal funding cuts, the decline of property tax revenues and shifting of redevelopment revenues to the State of California, and most recently the outright elimination of redevelopment with the passage of AB x1 26. The 2013 budget is significant because it is roughly 87 percent reliant on federal funding, the outcome of which will not be known for many months.

The elimination of redevelopment, coupled with cuts to federal programs, required the Agency to reduce operational costs through layoffs, staff attrition, transfers, reduced work schedules and cuts to services and supplies.

In total, the 2013 Proposed Budget reflects a decrease of 28 percent compared with 2012 due to the loss of redevelopment funding and the across the board cuts to federal programs in 2011 and 2012. Cumulatively, the Agency has experienced a budget reduction of more than 32 percent compared with 2011.

The budget for Housing Assistance Payments, on the other hand, is expected to increase by 5 percent due to the allocation of additional vouchers from HUD, the assumption of the Shelter Plus Care vouchers from the County of Sacramento Department of Human Assistance (DHA) and the Housing Authority's high voucher utilization levels. Further, appropriations for Public Services are expected to increase 43 percent compared with 2012 due to the transition of funding and administration of the Emergency Shelter Grant and HOPWA programs from the County DHA to SHRA.

**Sacramento Housing and Redevelopment Agency
Management's Discussion and Analysis (*Continued*)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)**

While the Agency is proposing to maintain authorized full-time equivalent (FTE) positions at 253, the loss of redevelopment funding combined with cuts to our federal programs necessitate that 38.8 FTE positions remain unfunded for 2013. Reductions were achieved through the unfunding of vacant positions, employee layoffs and position reclassification and downgrades.

The Agency further proposes to implement three additional closure days during 2013 in conjunction with the Agency's year-end closure schedule and to make additional cuts to services and supplies for added operational savings.

The estimated savings associated with these measures is a \$4.2 million reduction in operational costs. The proposed cuts represent a 14 percent reduction in salaries, benefits and a 6 percent reduction in services and supplies compared with 2012. Since 2011, the Agency has cumulatively reduced the salaries and benefit costs of the Agency by over \$6.8 million or 25 percent and services and supplies by \$1.5 million or 9 percent in response to the State's elimination of redevelopment and the cuts to federal programs.

Since 2008 the Agency has worked to restructure and re-engineer the organization requiring an analysis of span of control (number of employees reporting to management), process improvements, service level expectations and implementing initiatives that streamline and consolidate services and functions. Many of the initiatives have been implemented and have resulted in a much more cost effective and efficient organization.

As more information becomes available regarding the magnitude of federal funding cuts, the Agency will implement additional measures to meet the new challenges.

Although the Agency is operating through a period of economic uncertainty, with your leadership and support, we will continue to bring forward award-winning projects and to invest in community revitalization activities through effective partnerships that improve Sacramento's quality of life.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the Agency's finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to Director of Finance, Sacramento Housing and Redevelopment Agency, 801 12th Street, Sacramento, California, 95814.

Sacramento Housing and Redevelopment Agency
Reconciliation of the Balance Sheet of Governmental Funds
to the Statement of Net Position
December 31, 2012
(amounts expressed in thousands)

Total fund balances of governmental funds (page 26)	\$ 167,769
---	------------

Amounts reported for governmental activities in the statement of net position are different because:

Long-term assets are not available to pay for current period expenditures and, therefore, are deferred in the funds.	128,557
--	---------

OPEB assets used in governmental activities are not financial resources and, therefore, are not reported in the funds:	5,600
--	-------

Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds:	
---	--

Governmental capital assets	\$ 53,634	
Less: accumulated depreciation	(845)	
		52,789

Internal service funds are used by management to charge the costs of administration to individual funds. The assets and liabilities of the internal service funds are included in governmental activities in the statement of net position.	13,543
---	--------

Certain current liabilities are not due and payable in the current period and, therefore, are not reported in the funds:	
--	--

Interest payable	(578)
------------------	-------

Long-term liabilities are not due and payable in the current period and, therefore, are not reported in the funds:	
--	--

Notes payable	\$ (19,908)	
Pollution remediation payable	(1,141)	
Less internal service fund notes payable	11,120	
		(10,277)

Net position of governmental activities (page 24)	<u>\$ 357,403</u>

The notes to the basic financial statements are an integral part of this statement.

Sacramento Housing and Redevelopment Agency
Reconciliation of the Statement of Revenues, Expenditures
and Changes in Fund Balances of Governmental Funds
to the Statement of Activities
For the Year Ended December 31, 2012
(amounts expressed in thousands)

Net change in fund balances - total governmental funds (page 28)	\$ (182,377)
--	--------------

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which capital outlays exceeded depreciation in the current period:

Capital outlay	\$	8,364	
Depreciation expense		<u>(188)</u>	8,176

In the statement of activities, only the loss on the disposal of capital assets is reported. However, in the governmental funds, the proceeds from the disposal increase financial resources. Thus, the change in net assets differs from the change in fund balances by the book value of the capital assets disposed of or sold.	(284)
--	-------

Capital assets transferred from governmental activities to business-type activities are reported as transfers in the statement of activities. The transfers are not reported in the governmental funds because there has been no use of current financial resources.	(6,651)
--	---------

The issuance of long-term debt provides current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of the principal on long-term debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position:

Principal repayments on long-term debt:			
Notes payable			1,517

The Agency has recorded an obligation and corresponding expense for pollution remediation activities which does not require the use of current financial resources, and therefore, is not reported as expenditures in governmental funds.	(33)
---	------

A reduction in interest expense reported in the statement of activities does not provide or use current financial resources, and therefore, is not reported as a reduction in expenditures in governmental funds.	240
---	-----

OPEB contributions made in excess of the annual required contribution are reported as expenditures in the governmental funds, however, in the statement of activities the excess contributions does not have any effect on net assets.	352
--	-----

Deferred revenue and other resources not available to liquidate liabilities of the current period are not recognized in the funds.	3,186
--	-------

Internal service funds are used by management to charge the costs of certain activities, such as administration to individual funds. The net expense of the internal service funds is reported with the governmental activities.	1,356
--	-------

Difference in the extraordinary item due to the dissolution of the former City of Sacramento and County of Sacramento redevelopment agencies resulting from certain amounts not reflected in the governmental funds compared to the statement of activities. Refer to Section (IV E) in the notes to the financial statements for descriptions of the reconciling items.	296,957
--	---------

Change in net position of governmental activities (page 25)	<u>\$ 122,439</u>

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

I. Summary of Significant Accounting Policies

A. Reporting Entity

The Sacramento Housing and Redevelopment Agency (Agency) is a joint powers authority formally created in 1982 (but operating since 1973) to provide common professional staffing to the City of Sacramento (City) and County of Sacramento (County) to administer and manage its housing authorities, redevelopment agencies and the city and county federal housing and community development entitlement funds. The Agency is a separate legal entity and is not a component unit of the City or County of Sacramento. SHRA receives no City or County general funds and the Agency is not included in Comprehensive Annual Financial Report of either the City or County of Sacramento.

The members of the joint powers agency included the City and County of Sacramento, the Housing Authorities of the City and County of Sacramento and the Redevelopment Agencies of the City and County of Sacramento (or their Successor Agency). On February 1, 2012, all Redevelopment Agencies in the State of California were eliminated and replaced with a Successor Agency responsible for the wind down of former redevelopment agency activities and debt. On February 1, 2012, the legal and treasury functions related to the administration and management of the former redevelopment activities and payment of debt for the former redevelopment agencies of the City and County of Sacramento were assumed within the City and County management structure. However, all housing assets and housing functions of the former redevelopment agencies were assumed by the Housing Authority of the City and the Housing Authority of the County to be staffed, managed and administered by the Agency.

The Agency serves as the fiscal agent/administrator and provides the exclusive staffing for the Housing Authorities of the City and County of Sacramento. The Housing Authorities of the City and County were formed in July 1939 and June 1940, respectively. Additionally, since June of 1982 the Agency administers and manages the federal Community Development Block Grant Programs (CDBG) and Home Investment Partnership Programs (HOME) for the City and County of Sacramento. In 2012 with changes to federal regulations related to Homeless Continuum of Care funding, the Agency assumed administration of several federal grant programs from the County of Sacramento including Housing Opportunities for Persons with AIDS (HOPWA) and Shelter Plus Care.

The governing board of the Agency is the Sacramento Housing and Redevelopment Commission (Commission). The Commission's authority to approve housing related projects, programs and budgets is limited to what is delegated to them by the governing boards of the Agency members. The City Council serves as the City Housing Authority and the City Redevelopment Agency Successor Agency governing boards and has retained the power to approve City housing related projects, programs and budgets. The County Board of Supervisors serves as the County Housing Authority and the County Redevelopment Agency Successor Agency governing boards and has retained power to approve County related housing agenda items. The Commission also serves in an advisory capacity for each Agency member and the Commission has operational authority within the budget and policy direction approved by the City Council and County Board of Supervisors.

The Agency has defined its reporting entity in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14, "The Financial Reporting Entity," which provides guidance for determining which governmental activities, organizations, and functions should be included in its reporting entity. The component units discussed in the following paragraphs are included in the Agency's reporting entity because of the significance of their operational or financial relationships with the Agency. Blended component units, although legally separate entities are, in substance, part of the government's operations. The discretely presented component units are reported in a separate column in the government-wide financial statements (see note below for description) to emphasize that they are legally separate from the Agency. Complete financial statements of individual component units can be obtained from the Finance Department of the Agency.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Blended Component Unit

Foundation Uniting Needs and Dollars (FUND, Inc.) - A nonprofit corporation established to maintain or aid charitable activities serving the public. It is a component unit of the Agency because the purpose of this corporation is to promote and support the activities and programs of the Sacramento Housing and Redevelopment Agency. The Board of Directors of FUND, Inc. is comprised of the members of the Commission. Acting in its capacity as the Board of Directors, the Commission approves the FUND, Inc. budget. The Executive Director of the Agency serves as the Executive Director of FUND, Inc.

Discretely Presented Component Units

Sacramento Housing Development Corporation (SHDC) - A nonprofit public benefit corporation created to serve as the general partner of Riverview Plaza Associates (RPA). It is a component unit of the Agency because the governing board of the SHDC is comprised of the members of one of the governing boards of the Agency, the County Board of Supervisors. The Agency is legally obligated to finance any deficits of SHDC. The Executive Director of the Agency also serves as the Executive Director of SHDC. SHDC is the General Partner of the following limited partnership:

Riverview Plaza Associates (RPA) - A California limited partnership created to provide affordable housing to seniors with limited income. One of the governing boards of the Agency (the County Board of Supervisors) serves as the Board of Directors of the general partner. The Housing Authority of the City of Sacramento serves as the limited partner. Additionally, through contractual arrangement, the Agency is responsible for all financial matters including management of daily operations. Finally, the Agency has historically contributed funds to cover obligations of the RPA, to the extent that RPA revenues are inadequate. During the year ended December 31, 2012, the Agency did not contribute to RPA.

Shasta Hotel Corporation (Corporation) - A nonprofit corporation with a governing board comprised of Agency staff and representatives of selected nonprofit housing and social service entities. It is a component unit because the general partner's governing board members serve at the direction of the Executive Director of the Agency, and through contractual arrangements, the Agency is responsible for financial and operational matters of the Partnership. The Corporation is the General Partner of the following limited partnership:

Shasta Hotel Investors Partnership - A California limited partnership created for the purpose of constructing and operating an 80 unit rental housing project in Sacramento, California. The Partnership is comprised of the following two entities: (1) Shasta Hotel Corporation, as managing general partner and (2) Norwood Avenue Housing Corporation, a California nonprofit public benefit corporation as limited partner.

Sacramento Housing Authority Asset Repositioning Program, Inc. - As a nonprofit public benefit corporation, the Sacramento Housing Authority Repositioning Program, Inc. (SHARP), was formed for the purpose of serving as the general partner of the entity that will own, rehabilitate and operate former public housing properties acquired through HUD's assets demolition and disposition process. The purpose of SHARP is to allow the Housing Authority of the City of Sacramento and the Housing Authority of the County of Sacramento to leverage private sector capital to make improvements to housing inventory removed from the federal Public Housing program through HUD's asset disposition process. SHARP will be closely controlled by the Housing Authority of the City of Sacramento and the Housing Authority of the County of Sacramento and board members will be appointed by the Agency's Executive Director. Assets transferred to SHARP will be rehabilitated through various financing structures including the use of limited partnerships that will be able to benefit from the use of tax credit financing.

Norwood Avenue Housing Corporation (NAHC) - A nonprofit public benefit corporation with a governing board comprised of three Agency staff appointed by the Executive Director of the Agency and two community representatives. It is a component unit because through contractual arrangements, the Agency bears some responsibility for financial and operational matters of NAHC, as well as having the ability to impose its will on the NAHC by appointing and removing its board members. The NAHC is the General Partner of the following limited partnerships:

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Phoenix Park I L.P. (PPI) - A California limited partnership created for the purpose of providing low-income housing to the poor and distressed by developing, financing, constructing, rehabilitating, owning, maintaining and operating a rental housing project. The project consists of 178 units located in Sacramento, California. PPI has a Managing General Partner, Norwood Avenue Housing Corporation, a California nonprofit public benefit corporation; MMA Special Limited Partner, Inc., a Florida corporation, as Special Limited Partner; and MMA Financial Warehousing, LLC, a Maryland limited liability company, as Investor Limited Partner.

Phoenix Park II L.P. (PPII) - A California limited partnership created for the purpose of providing low-income housing to the poor and distressed by developing, financing, constructing, rehabilitating, owning, maintaining, and operating a rental housing project. The project consists of 182 units located in Sacramento, California. PPII has a Managing General Partner, Norwood Avenue Housing Corporation, a California nonprofit public benefit corporation; and MMA Financial Institutional Tax Credits XXVIII, LP, as an Investor Limited Partner.

B. New Pronouncements

In December 2010, the GASB issued Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements. The Agency has determined that there is no impact on the financial statements. One paragraph in the notes to the financials has been deleted since it no longer applies. The requirements of this Statement are effective for the Agency's fiscal year ending December 31, 2012.

In June 2011, GASB issued Statement No. 63, Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position. This statement provides financial reporting guidance for deferred outflows of resources and deferred inflows of resources. This statement also amends the net asset reporting requirements in Statement No. 34, Basic Financial Statements-and Management's Discussion and Analysis-for State and Local Governments, and other pronouncements by incorporating deferred outflows of resources and deferred inflows of resources into the definitions of the required components of the residual measure and by renaming that measure as net position, rather than net assets. The Agency has modified its financial statements to comply with this statement. Application of this statement is effective for the Agency's fiscal year ending December 31, 2012.

C. Government-Wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the Agency and its component units. Governmental activities, which normally are supported by intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Other items not properly included among program revenues are reported instead as general revenues.

Separate fund financial statements are provided for governmental and proprietary funds. Major individual governmental and enterprise funds are reported as separate columns in the fund financial statements.

D. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Agency considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Investment earnings, and certain state and federal grants and charges for services are accrued when their receipt occurs within sixty days after the end of the accounting period so as to be both measurable and available. All other revenue items are considered to be measurable and available only when cash is received by the Agency.

The Agency reports the following major governmental funds:

The *City and County Home Investment Partnerships Act (HOME) funds* account for the activities of programs/projects to provide more units of low-income housing in the City and County of Sacramento. HOME reports federal and state grant revenues and program income receipts from loan repayments.

The *City Housing Successor Capital Projects fund* accounts for the low and moderate capital improvement activity remaining after the dissolution of redevelopment.

The Agency reports the following major enterprise funds:

The *County Housing Choice Vouchers fund* accounts for various U.S. Department of Housing and Urban Development programs that subsidize private landlords to house low-income households within the County of Sacramento.

The *County AMP 5 fund* accounts for the Pointe Lagoon low-income housing project owned and operated by the Agency.

Additionally, the Agency reports the following fund type:

Internal service funds are used to account for the costs of insurance and accumulated funds for catastrophic events and the financing of goods or services provided among and between Agency departments and to other governmental units.

Eliminations have been made to minimize the double counting of internal activities in the government-wide financial statements. Interfund services provided and used are not eliminated in the process of consolidation.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Agency's enterprise funds are rental income from its public housing units. Operating expenses for enterprise funds include employee services, services and supplies, administrative expenses, utilities, depreciation on capital assets and housing assistance payments to landlords. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the Agency's policy to use restricted resources first, then unrestricted resources as they are needed.

E. Assets, Liabilities and Net Assets or Equity

1. Cash and Investments

The City Treasurer manages the Agency's cash and investments, except those that must be legally segregated. The share of each fund in the pooled cash accounts is separately accounted for and investment earnings is apportioned monthly to funds that are legally required to receive interest based on the relationship of a fund's

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

average daily balance to the total pooled cash and investments. The balance of pooled cash is maintained at a level sufficient to meet current operating requirements. Cash in excess of current requirements is invested. Investments for the Agency are stated at fair value, based on quoted market prices.

The City Treasurer is responsible for the regulatory oversight of its pool. The Agency formally requested that the City invest the Agency's funds in compliance with Section 53601 of the California Government Code and the City Council adopted a revised investment policy to accommodate the Agency's request.

Investment of funds serves to maximize investment income and is accomplished by various custodial financial institutions vested with responsibility for administering funds under the control of the City Treasurer. The fair value of investments is determined monthly. The value of the pooled shares in the City and with the Local Agency Investment Fund (LAIF) that may be withdrawn is determined on an amortized cost basis, which is different than fair value. However, the fair value of the Agency's position in the pool is the same as the value of the pool shares.

Investment earnings on bond proceeds are recorded in the City and County Housing Successor capital projects funds.

2. Receivables and Payables

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of inter-fund loans) or "advances to/from other funds" (i.e., the non-current portion of inter-fund loans). Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances." Advances to other funds, as reported in the governmental fund financial statements, are offset by nonspendable fund balance for long-term receivables in the applicable governmental funds to indicate that they are not in spendable form.

Notes receivable amounts primarily represent loans made for redevelopment, economic development and property rehabilitation. A committee of the governing body approves deferral of payments. The Agency has created an allowance for loan losses for notes that the Agency has identified as potentially uncollectible. If the amounts become uncollectible, they will be written-off and charged against the allowance when the determination is made. The allowance for loan losses as of December 31, 2012 was \$1,599.

Amounts reported as due from other governments represent receivables from federal, state, and local governments for various programs.

3. Prepaid Items

Prepaid items represent costs for goods and/or services, which will benefit periods beyond December 31, 2012.

4. Restricted Cash and Investments

Certain proceeds of debt issuances, as well as certain resources set aside for their repayment, are classified as restricted assets on the statement of net position and balance sheet because their use is limited by applicable debt covenants. In addition, certain cash and investments are restricted by grantors for replacement, tenant security deposits and insurance impounds. The total restricted assets on the government-wide statement of net position equals \$14,427 of which \$1,825 represents cash and investments restricted by debt covenants, \$5,693 is restricted for the Housing Choice Voucher program, \$3,333 is for replacement and operating reserves, \$2,179 is for deposit and trust liabilities, \$159 is for the Family Self Sufficiency program (FSS), \$1,189 is for tenant security deposits and \$49 is for insurance impounds.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

5. Capital Assets

Capital assets, which include land, construction in progress, buildings and improvements, and property and equipment, are reported in the applicable governmental or business-type activities column in the government-wide financial statements and the proprietary funds financial statements. Capital assets are recorded at the lower of actual historical cost or fair market value (as of the date donated for contributed assets). Capital assets are depreciated using the straight-line method over the following estimated useful lives: 40 years for buildings and improvements, and 5 to 10 years for property and equipment. It is the policy of the Agency to capitalize all land, construction in progress, buildings and improvements, and property and equipment with an initial, individual cost of more than \$5. Interest incurred during the construction phase of capital assets of business-type activities and component units is reflected in the capitalized value of the asset constructed, net of interest earned on the invested proceeds over the same period. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend the assets lives are not capitalized.

In the government-wide statements and in the proprietary funds financial statements, costs of assets sold or retired (and related amounts of accumulated depreciation) are eliminated from the accounts in the year of sale or retirement and the resulting gain or loss is included in the operating statement of the related fund. In governmental funds, the proceeds of the sale of general capital assets are included in the statement of revenues, expenditures and changes in fund balances.

6. Compensated Absences

An employee accumulates vacation time in accordance with the employee's respective Memorandum of Understanding. The amount of vacation vested and accrued depends on years of service and date of hire. Vacation vested may be accumulated up to various maximum hours and is paid in full upon retirement. Sick leave time may be accumulated without limit.

At retirement an employee may convert all unused sick leave towards retirement service credit or at retirement with fifteen (15) years or more of Agency service, may receive in cash the value of one-third (33.3%) of the unused balance and convert the remaining two-thirds (66.7%) to retirement service credit. Annually, employees with an accumulated sick leave balance of 500 hours or more, and who have used 24 hours or less of sick leave by December 1 of the current calendar year, may receive in cash the value of up to 16 hours sick leave by December 31.

In the government-wide and proprietary funds financial statements, accrued vacation and sick pay are charged as an expense in the period earned. Compensated absences are generally liquidated by the Agency's internal service funds. The related liability is recorded in the Internal Support Internal Service Fund.

7. Deferred Revenue

Governmental funds report deferred revenue in connection with receivables for revenues that are not considered to be available to liquidate liabilities of the current period and when resources are received before the Agency has a legal claim to them.

8. Long-Term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt and bond premiums received on debt issuances are reported as other financing sources. Discounts on debt issuances are reported as other financing uses. Bond issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures. Bonds payable are reported net of the applicable bond premium or discount.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Principal and interest repayments are shown as debt service expenditures in the fund financial statements.

9. Fund Balance

In the fund financial statements, governmental funds report nonspendable or restricted classifications of fund balance for amounts that are not in spendable form or are legally restricted by outside parties for use for a specific purpose.

The committed fund balance classification is used for amounts that are committed through the Agency's staff report process and is approved by the Commission, the City Council and/or the Board of Supervisors for the County of Sacramento. Any modifications to the fund balance commitment will also go through the above process.

The assigned fund balance classification is used when the Agency intends to use funds for a specific purpose and can be assigned by the Agency's management. The City and County has given the Executive Director, or designee, authorization to assign fund balances that meet the purposes of the respective funds. The assigned category will also include all remaining amounts (except for negative balances) that are reported in governmental funds that are not classified as nonspendable and are neither restricted nor committed.

The unassigned fund balance is the residual classification for the general fund. However, the Agency does not have a general fund so it may only use the classification if expenditures incurred for specific purposes exceeded the amounts restricted, committed or assigned to those purposes, and it is necessary to report a negative unassigned fund balance.

The Agency considers restricted amounts to have been spent when expenditures are incurred for purposes for which both restricted and unrestricted fund balance is available. Committed and assigned amounts are considered to have been spent when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

10. Statement of Cash Flows

For the purposes of the statement of cash flows, cash and cash equivalents have been defined as all highly liquid investments (including restricted cash and investments) with a maturity of three months or less from the date of purchase and pooled cash.

11. Estimates

The preparation of the basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

II. Stewardship, Compliance, and Accountability

A. Budgets and Budgetary Accounting

The annual budget of the Agency is adopted on a calendar year basis. Prior to December 1, the Executive Director submits a proposed operating budget to the governing bodies for review and approval. The budget is legally enacted through passage of a resolution prior to January 1. The budget adoption resolution specifies that the Agency budget is controlled at the fund level and that no expenditure will exceed the approved budget. Budgeted expenditures represent original appropriations adjusted by supplemental budgetary appropriation amendments. Management has the authority to over expend appropriations at the function or department level without additional approval of the governing bodies as long as the total appropriations for the fund are not exceeded.

Encumbrance accounting is used during the year for budgetary control. Encumbrances outstanding at year-end do not constitute expenditures or liabilities, but rather, a commitment of fund balance. The Agency honors contracts

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

represented by year-end encumbrances in the subsequent year's appropriations provided that the Agency has adequate funding to complete these transactions. Encumbrance appropriation carryovers are limited to the balance remaining of operating budget appropriations. All other operating budget appropriations and encumbrances lapse at year-end.

Annual operating budgets are adopted on a modified accrual basis for all debt service funds, Local Tax Special Revenue funds and Housing Special Revenue funds, except for the Revenue Bond Program and FUND, Inc. Project budgets are adopted for the Agency's major special revenue funds, City and County HOME, for the duration of the project which may extend over several years. The adopted project budgets for the Community Development, Tax Increment, Revenue Bond Program Special Revenue funds and for the capital project funds are adopted on a project length basis. Additionally, although not legally required, the Agency adopts annual budgets for the enterprise, internal service, and certain component unit funds.

For financial reporting purposes, budgetary information is presented on the modified accrual basis of accounting consistent with accounting principles generally accepted in the United States of America for those special revenue funds and debt service funds which have annual budgets.

B. Excess of Expenditures over Appropriations

For the year ended December 31, 2012, the following funds had expenditures in excess of budgeted appropriations at the fund level.

Special Revenue:

City Local Tax	\$2
County Local Tax	20

The excess in the City and County Local Tax Special Revenue fund was the result of unanticipated expenditures and will be covered by future revenues.

C. Net Position/Fund Balances

The government-wide and proprietary fund financial statements utilize a net position presentation. Net position is categorized as net investment in capital assets, restricted and unrestricted.

Net investment in capital assets - This category groups all capital assets into one component of net position. Accumulated depreciation and the outstanding balances of debt that are attributable to the acquisition, construction or improvement of these assets reduce the balance in this category.

Restricted net position – This category consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets. This net position is mainly restricted by HUD and the Health and Safety Code.

Unrestricted net position – This category represents the net position of the Agency, not restricted for any project or other purpose.

In the fund financial statements, nonspendable, restricted and committed classifications segregate portions of fund balance, based primarily on the extent to which the Agency is bound to honor constraints on the specific purposes for which amounts can be spent.

Nonspendable fund balance – amounts that are not in spendable form or are required to be maintained intact.

Restricted fund balance – amounts constrained to specific purposes by their providers, through constitutional provisions, or by enabling legislation.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Committed fund balance – amounts constrained to specific purposes by a government itself, using its highest level of decision-making authority; to be reported as committed, amounts cannot be used for any other purpose unless the government takes the same highest-level action to remove or change the constraint.

The committed fund balance classification is used for amounts that are committed through the Agency's staff report process and is approved by the Commission, the City Council and/or the Board of Supervisors for the County of Sacramento. Any modifications to the fund balance commitment will also go through the above process.

Assigned fund balance – amounts a government intends to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates authority.

The assigned fund balance classification is used when the Agency intends to use funds for a specific purpose and can be assigned by the Agency's management. The City and County has given the Executive Director, or designee, authorization to assign fund balances that meet the purposes of the respective funds.

Unassigned fund balance – amounts which should be used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

D. Deficit Fund Balances

The following funds have deficit fund balances/net position:

Special Revenue:

County Misc Development Grants	\$ 1,686
County CDBG-NSP 3	171
City Local Tax	38

Capital Projects:

County Capital Fund	152
---------------------	-----

The deficit fund balance of the County Misc Development Grants special revenue fund is due to an advance that will be repaid by sales proceeds from the Auburn/Garfield property. The deficit fund balance of the County CDBG-NSP 3 special revenue fund was a result of revenues that were received more than 60 days after year end and, therefore resulted in deferred revenue. The deficit in the City Local Tax special revenue fund will be funded by future revenues. The County Capital Fund capital projects fund was a result of revenues that were received more than 60 days after year end and, therefore resulted in deferred revenue.

III. Detailed Notes on All Funds

A. Cash and Investments

At December 31, 2012, total Agency cash and investments at fair value were as follows:

	Primary Government	Component Units	Total
Cash and investments	\$ 76,771	\$ 3,510	\$ 80,281
Restricted cash and investments	10,868	3,559	14,427
Total cash and investments	<u>\$ 87,639</u>	<u>\$ 7,069</u>	<u>\$ 94,708</u>

At December 31, 2011, the Agency's cash and investments consist of the following:

Cash in bank	\$ 17,424
Investments	<u>77,284</u>
Total cash and investments	<u>\$ 94,708</u>

The table below identifies the investment types that are authorized for the Agency, including its discretely presented component units, by California Government Code Section 53601. This table does not address investments of debt proceeds held by bond trustees that are governed by the provisions of debt agreements of the Agency, rather than the general provisions of the Agency's investment policy.

Authorized Investment Type	Maximum Maturity	Maximum Percentage of Portfolio	Maximum Investment in One Issuer	Minimum Rating
Local Agency Bonds	5 years	None	None	None
U.S. Treasury Obligations	5 years	None	None	None
U.S. Agency Securities	5 years	None	None	None
Bankers Acceptance	180 days	40%	30%	None
Commercial Paper	270 days	25%	10%	A1/P1
Negotiable Certificates of Deposit	5 years	30%	30%	None
Repurchase Agreements	1 year	None	None	None
Reverse Repurchase Agreements	92 days	20%	None	None
Medium Term Notes (Corporate & Depository debt securities)	5 years	30%	None	A
Mutual Funds (that invest in allowable securities)	N/A	20%	10%	AAA
Money Market Mutual Funds	N/A	20%	10%	AAA
Collateralized Bank Deposits	5 years	None	None	None
Mortgage Pass-through Securities	5 years	20%	None	AA
Time Deposits	5 years	None	None	None
County Pooled Investment	N/A	None	None	None
Joint Powers Authority Pool	N/A	None	None	None
Local Agency Investment Fund (LAIF)	N/A	None	None	None

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value is to changes in market interest rates. As a means of limiting its exposure to fair value losses arising from rising interest rates, one of the ways that the City and County manages the Agency's exposure to interest rate risk is by purchasing a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturing evenly over time as necessary to provide the cash flow and liquidity needed for operations.

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of its investment or collateral securities that are in the possession of another party. The California Government Code and the Agency's investment policy do not contain legal or policy requirements that would limit the exposure to custodial credit risk for deposits or investments, other than the following provision for deposits and securities lending transactions: The California Government Code requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law. The market value of the pledged securities in the collateral pool must equal at least 110% of the total amount deposited by the public agencies. California law also allows financial institutions to secure deposits by pledging first trust deed mortgage notes have a value of 150% of the secured public deposits. The California Government Code limits the total of all securities lending transactions to 20% of the fair value of the investment portfolio. At December 31, 2012, the carrying amount of the Agency's deposits is \$10,355 and the bank balance is \$11,868. Of the bank balance, \$3,186 is covered by federal depository insurance, and \$8,682 is collateralized with securities held by the pledging financial institution, in accordance with the State of California Government Code. At December 31, 2012, the carrying amount of the Agency's discretely presented component units deposits is \$7,069 and the bank balance is \$6,754. Of the bank balance, \$1,341 is covered by federal depository insurance, \$2,288 is collateralized with securities held by the pledging financial institution, and \$3,125 is uninsured and uncollateralized. Those amounts which are uninsured and uncollateralized are held with state and federal agencies.

Concentration of Credit Risk

Nearly 6%, or \$4,986, of the Agency's investment portfolio at year-end are in U.S. Agency Securities. There is no limitation on amounts invested in U.S. Agency Securities. Of the \$52,184, or 60%, of the Agency's investment portfolio invested in corporate bonds, and municipal bonds, no investment in a single issuer exceeded 5%. There were no investments in any one issuer (other than CalTrust, an external investment pool) that represent 5% or more of the Agency's total investments.

Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. It is the Agency's policy to purchase investments with the minimum ratings required by the California Government Code. Several bonds were below the minimum rating requirements at December 31, 2012 but met compliance with the Agency's policy at time of purchase. These bonds were subsequently sold in January 2013.

Investment in State Investment Pool

The Agency is a voluntary participant in the Local Agency Investment Fund (LAIF) that is regulated by the California Government Code. All investments with LAIF are secured by the full faith and credit of the State of California. The Local Investment Advisory Board (LIAB) has oversight responsibility for LAIF. The LIAB consists of five members as designated by State Statute. A total of \$20,325,766 is invested by public agencies in the LAIF as of December 31, 2012. LAIF is part of the State of California Pooled Money Investment Account (PMIA) whose balance at December 31, 2012 was \$63,196,978. Of this amount, 1.87% was invested in structured notes and asset-backed securities. PMIA is not SEC-registered, but is required to invest according to California State Code. The average maturity of PMIA investments was 208 days as of December 31, 2012.

For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

B. Receivables

Receivables as of December 31, 2012 for the Agency's governmental activities are as follows:

	Accounts receivable	Due from other governments	Total receivables	Gross notes receivable	Allowance for loan losses	Net notes receivable
City HOME	\$ 40	\$ 79	\$ 119	\$ 37,749	\$ (387)	\$ 37,362
County HOME	62	180	242	45,930	(389)	45,541
City Housing Successor Capital Projects	8	4,259	4,267	45,330	(12)	45,318
Nonmajor funds	814	4,403	5,217	106,183	(811)	105,372
Internal Service	3	-	3	366	-	366
Total	<u>\$ 927</u>	<u>\$ 8,921</u>	<u>\$ 9,848</u>	<u>\$ 235,558</u>	<u>\$ (1,599)</u>	<u>\$ 233,959</u>

Generally notes receivable are not expected to be collected within one year.

Receivables as of December 31, 2012 for the Agency's business-type activities are as follows:

	Gross accounts receivable	Allowance for uncollectibles	Net accounts receivable	Due from other governments	Net total receivables	Gross notes receivable	Allowance for loan losses	Notes receivable
County Housing Choice Vouchers	\$ 30	\$ (3)	\$ 27	\$ -	\$ 27	\$ -	\$ -	\$ -
County AMP 5	36	(4)	32	-	32	-	-	-
Nonmajor Funds	<u>451</u>	<u>(45)</u>	<u>406</u>	<u>379</u>	<u>785</u>	<u>6,029</u>	<u>-</u>	<u>6,029</u>
Total	<u>\$ 517</u>	<u>\$ (52)</u>	<u>\$ 465</u>	<u>\$ 379</u>	<u>\$ 844</u>	<u>\$ 6,029</u>	<u>\$ -</u>	<u>\$ 6,029</u>

The majority of notes receivable in the business-type activities are loans to low income homeowners and repayment of principal and interest are not expected for 30 years.

Nonmajor Governmental	Nonmajor Governmental	3,149
	County Housing Choice Vouchers	2,000
	Nonmajor Enterprise	1,400
		<u>6,549</u>
Total		<u>\$ 9,350</u>

Advances from/to other funds:

Amount

\$1,156 advance from the City HOME special revenue fund to the Greenfair enterprise fund, authorized and issued in 2005. The note was restructured in 2006 and 2007, adding \$1,018 and \$457, respectively to the principal amount with 0% interest and no annual payments, to be repaid by sales proceeds, for the acquisition of units at the Greenfair housing project. \$2,631

\$170 advance from the former City Low/Mod Merged Downtown capital projects fund which now resides with the City Housing Successor capital projects fund to the Local Housing Revenue special revenue fund, authorized and issued in August 2006, with no annual payments due until January 2017, with interest accruing at 4%, due in annual installments of \$5 thru December 2036. Repayment will occur only if the project can receive Housing Choice Vouchers. If no project-based contract is obtained, the advance will be forgiven at the end of 30 years. 170

\$2,000 advance from the Mortgage Revenue Bond Program special revenue fund to the County Housing Choice Vouchers enterprise fund, authorized and issued December 2010, with annual installments of \$200 originally beginning January 2013 but deferred until 2014 and continuing until December 2019, to be repaid with administrative revenue with 0% interest, for the purpose of providing funds for tenant improvements. 2,000

\$320 advance from the City CDBG special revenue fund to the Phoenix Park enterprise fund, authorized and issued in April 2005, with monthly payments beginning October 2006, with interest accruing at 4%, due in monthly installments of \$2 thru April 2026, to be repaid with rents, for the rehabilitation of 16 units at Phoenix Park. 259

\$390 advance from the City Housing Trust capital projects fund to the City Locally Funded Projects enterprise fund, authorized and issued in 2005. The note was restructured in 2006, adding \$20 to the principal amount, with no interest, payments deferred for 50 years, for the purpose of acquiring and rehabilitating 31-37 Coral Gables Court. 410

\$200 advance from the City Housing Trust capital projects fund to the Greenfair enterprise fund, authorized and issued in September 2004, with no interest, and no annual payments, to be repaid by sales proceeds. 200

<u>Notes Payable (continued):</u>	<u>Amount</u>
\$5,500 Community Development Block Grant Note Payable authorized and issued September 14, 2006, due in installments of \$146 to \$461 from February 2007 through August 2026 with interest payable semiannually at 4.96% to 5.77% for the purpose of financing the Globe Mills project. This note is collateralized by and payable from the City Redevelopment Successor Agency.	\$4,478
\$1,500 California Housing Finance Agency Note Payable authorized and issued January 2003. Interest accrues annually at 3.00% on funds drawn for the purpose of acquisition of properties in the Phoenix Park project. The terms of the agreement were amended on October 16, 2012 to extend the time to repay the entire unpaid balance to January 31, 2016.	1,500
\$13,000 Bank of America Note Payable authorized and issued June 2008, due in installments of \$87 from July 2008 through June 2028 with interest payable monthly at 5.175% for the purpose of financing the Agency's administration building at 801 12th street.	<u>11,120</u>
Total notes payable	19,908
Less current portion	<u>(1,529)</u>
Total notes payable, long-term	<u>\$18,379</u>

BUSINESS-TYPE ACTIVITIES

<u>Mortgage Notes Payable:</u>	<u>Amount</u>
\$1 million County Public Housing (AMP 3) Note Payable to the City of Citrus Heights (California Housing and Community Development Housing Trust Fund (HCD)). Loan Payments on the HCD Loan shall equal 75% of project residual receipts, but only to the extent that the project has excess cash flow. One percent (1.00%) simple interest shall accrue on the HCD Loan. The HCD Loan shall be for a term of thirty (30) years. There shall be no amortization requirement on the HCD loan other than the repayment of residual receipts as noted above. Any remaining balance shall be forgiven on the thirtieth (30th) anniversary from the Effective Date of September 2009. This loan is to significantly rehabilitate and provide security improvements to two county public housing developments.	<u>\$ 1,000</u>
\$1.2 million County Public Housing (AMP 3) Note Payable to the City of Citrus Heights (Housing Trust Fund). The loan shall be for a term of thirty (55) years. Provided that the loan is not in default, not repayment is due to lender. The remaining balance shall be forgiven on the fifty-fifth (55 th) anniversary of the Effective Date of September 2009. This loan is to significantly rehabilitate and provide security improvements to two county public housing developments.	<u>1,173</u>

(dollar amounts expressed in thousands)

Pollution Remediation Obligations

The Agency has obligated itself to commence environmental assessment and remediation activities on three projects. The nature and source of pollutants on these projects are petroleum and metals including arsenic, cadmium and lead. The total estimated costs of \$1,489 for remediation of these projects were derived by environmental remediation consultants. These estimates may change resulting from the Sacramento County Environmental Management Department (SCEMD) input and also from price increases or reductions. There are no estimated recoveries to reduce the cost of remediation. The estimated costs are recorded as long-term liabilities on the statement of net position for governmental activities.

Derivatives

Effective October 1, 2006, NAHC (Phoenix Park II L.P.) adopted SFAS No. 133, "Accounting for Derivative Investments and Hedging Activities," as amended. The NAHC uses a derivative to manage risks related to interest rate movements. An interest rate swap contract designated and qualifying as a cash flow hedge is reported at fair value. Valued separately, the interest rate swap agreement represents a liability as of December 31, 2012 in the amount of \$1,726. The value represents the fair value of the current difference in the fixed and variable interest rates under the agreement over the remaining term of the agreement. Payments are recognized in current operating results as settlements occur under the agreement as a component of interest expense. In connection with the agreement, the Partnership made interest payments of \$357 during 2012. As of December 31, 2012 \$2 remains payable.

Pledged Revenues

The Agency pledged a portion of future Community Development Block Grant (CDBG) entitlement and program income revenues to repay all Section 108 notes payable (City B-97-MC-06-0003 and City B-06-MC-06-0003). The Section 108 notes are payable solely from CDBG revenues through August 2026. As of December 31, 2012, the total remaining principal and interest on the notes was \$9,774. For the current year, principal and interest paid was \$516 and CDBG revenue was \$9,621. Detailed information on the Section 108 notes begins on page 57.

IV. Other Information

A. Risk Management

The Agency is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries and illnesses of employees; wrongful employment practices; and natural disasters. The Agency maintains an internal service fund to account for and finance its risks of loss. Under these programs the Agency is self-insured for the following risks up to the maximum amount per claim as follows: general liability, \$25; property, \$50; auto liability, \$0; and employment practice liability, \$50.

For general liability, the Agency covers the first \$25 per claim. Excess liability coverage is obtained from a national housing authority insurance pool and is provided through the pool up to \$5,000 for each occurrence. Settled claims have not exceeded this commercial coverage in any of the past ten years.

For property the Agency covers the first \$50 per claim. Excess property coverage is obtained from a national housing authority insurance pool and covers up to maximum limit of \$100,000 per occurrence. Settled claims have not exceeded this commercial coverage in any of the past ten years.

For Automotive insurance the Agency obtains automotive liability coverage from a national housing authority insurance group up to \$5,000. The insurance group contracts with Travelers for auto physical damage and collision. The Agency covers the first five hundred dollars per claim on the collision.

For this policy year, the Agency has purchased employment liability insurance from Arthur Gallagher Insurance Brokers. The policy provides a maximum of \$2 million occurrence/aggregate per policy year with a \$50 retention/deductible for indemnifiable claims. Workers compensation insurance is provided through California

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Housing Workers Compensation Authority (CHWCA), a risk sharing pool. For worker's compensation claims, the pool covers the Agency's claims within the statutory limit. Should actual losses among participants be greater than anticipated, the Agency will be assessed its pro rata share of that deficiency. Conversely, if the actual losses are less than anticipated, the Agency will be refunded its pro rata share of the excess.

The operating funds no longer make payments to the internal service fund based on a historical cost and/or actuarial estimates of amounts needed to pay prior and current year claims. The accrued amount in the self insurance fund will remain as a reserve for future catastrophic claims that cannot be paid by a single department.

Claim estimates were made in accordance with the requirements of Governmental Accounting Standards Board Statement Nos.10 and 30, and include claims incurred but not reported and allocated loss adjustment expenses as of December 31. Changes in the self-insurance fund claims liability during the years ended December 31, 2012 and 2011 were as follows:

	Claims Liability January 1	Current Year Claims and Changes in Estimates	Current Year Claims Payments	Claims Liability December 31
2011	\$ 301	\$ 40	\$ (40)	\$ 301
2012	301	14	(14)	301

B. Employee Retirement Plan

1. Plan Description

The Agency contributes to the California Public Employees' Retirement System (CalPERS), an agent multiple-employer public employee defined benefit pension plan that acts as a common investment and administrative agent for participating public entities within the state of California. The Agency's defined benefit pension plan, the Agency miscellaneous plan, provides retirement and disability benefits, annual cost of living adjustments and death benefits to plan members and beneficiaries. The Agency's miscellaneous plan is part of the public agency portion of CalPERS.

All current and new employees are covered by the California Public Employees' Retirement System (CalPERS) plans in accordance with the California Public Employees Pension Reform Act of 2013. All employees that are not "new members" under the California Public Employees Pension Reform Act of 2013 ("PEPRA") shall be in the 2% at 55 CalPERS retirement formula. Accordingly, all new employees hired on or after January 1, 2013, who are considered "new members" under the PEPRA shall be in the 2% at 62 CalPERS retirement formula described in PEPRA. In addition, "new members" shall be subject to the equal sharing and contribution requirements in California Government Code Section 7522.30(a) and (c) and shall pay at least 50% of the normal costs of their pension benefit.

All full-time Agency employees are required to participate in CalPERS. Benefits for employees who are not "new members" vest after five years of credited service. Employees who retire at or after age 50 with five years of credited service are entitled to an annual retirement benefit payable monthly for life, in an amount equal to 1.426% to 2.418% of their average salary, during their highest year of employment, for each year of credited service. Benefits for "new members" vest after five years of credited service. New members who retire at or after age 52 with five years of credited service are entitled to an annual retirement benefit payable monthly for life, in an amount equal to 1.0% to 2.5% of their average salary, during the highest three years of employment, for each year of credited service. These benefit provisions and all other requirements are established by state statute within the Public Employees' Retirement Law and Agency resolution. CalPERS issues a separate comprehensive annual financial report.

Copies of the CalPERS' annual financial report may be obtained from the CalPERS Executive Office – 400 P Street – Sacramento, CA 95814. A separate report for the Agency's plan is not available.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

2. Funding Policy and Funding Progress

The Agency participated in two plans with CalPERS under the names of the Sacramento Housing Authority (SHA) and the Redevelopment Agency of the City of Sacramento (RACS). The first plan covered employees hired after 1974; the second plan covered employees hired prior to 1974. The plans merged effective July 1, 2001. Agency employees are required to contribute 7.0% of their annual salary to CalPERS, of which the Agency pays 50% to 57% of this amount on the employee's behalf depending on requirements set forth under contractual agreements with employee groups. The Agency is also required to contribute the remaining amounts necessary to fund the benefits for its members, using the actuarial basis recommended by the CalPERS actuaries and actuarial consultants and adopted by the CalPERS Board of Administration. Contribution rates are determined as a percentage of covered payroll. The Agency's required employer contribution rate for January 1 through June 30, 2012 was 12.730% and for July 1 through December 31, 2012 was 13.405%. The contribution requirements of the plan members are established by State statute and the employer contribution rate is established and may be amended by CalPERS. The funding progress of the plan as of the most recent actuarial valuation is presented in the table below.

Schedule of Funding Progress - Pension

	A	B	C	D	E	F
		Entry Age	Unfunded			Unfunded
Actuarial	Actuarial	Actuarial	Actuarial	Funded		Actuarial
Valuation	Asset	Accrued	Accrued	Ratio	Covered	Liability as
Date	Value	Liability	Liability	[A / B]	Payroll	Percentage of
			[B - A]			Covered Payroll
						[(B - A) / E]
6/30/2011	\$ 109,386	\$ 124,977	\$ 15,591	87.50%	\$ 16,071	97.00%

The schedule of funding progress, presented as required supplementary information following the notes to the basic financial statements, presents multi-year trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liability for benefits.

3. Annual Pension Cost

For the year ended December 31, 2012, the Agency's annual pension cost of \$1,711 was equal to the Agency's required and actual contributions. The required contribution for the year ended December 31, 2012 was determined as part of the June 30, 2010 and 2009 actuarial valuations using the entry age normal actuarial cost method with the contributions determined as a percentage of covered payroll. The actuarial assumptions in the June 30, 2011 actuarial valuations included (a) 7.50% investment rate of return, (net of administrative expenses) and (b) projected salary increases of 3.55% to 14.45% are attributable to inflation, merit, or seniority increases that vary by length of service and no post-retirement increases. Both (a) and (b) include an inflation component of 2.75% and an annual production growth of 0.25%. The June 30, 2010 and 2009 actuarial valuations included (a) 7.75% investment rate of return (net of administrative expenses) and (b) projected salary increases of 3.55% to 14.45% are attributable to inflation, merit, or seniority increases that vary by length of service and no post-retirement increases. Both (a) and (b) include an inflation component of 3.00% and an annual production growth of 0.25%. The actuarial value of the plan's assets was determined using a technique that smoothes the effect of short-term volatility in the market value of investments over a fifteen year period depending on the size of investments gains and/or losses. The amortization period on the unfunded actuarial liability is expected to be 22 years and is a closed period. The amortization method is a level percentage of projected payroll.

12/31/2011	1,747	100%	-
12/31/2012	1,711	100%	-

C. Postemployment Health Benefits

1. Plan Description

The Agency's defined benefit postemployment healthcare plan, provides premium coverage for medical and dental benefits to eligible retired agency employees and their families up to a maximum that depends on the participant's unit and/or coverage level. The Agency established an irrevocable trust to prefund the other post employment benefits annual required contribution through the California Employer's Retiree Benefit Trust Program (CERBT). The funds in the CERBT are held in trust and administered by the California Public Employees' Retirement System (CalPERS) as an agent multiple-employer plan. Benefit provisions are established and may be amended by Agency labor agreements which are approved by the City Council and County Board of Supervisors. The Agency's Other Postemployment Benefits (OPEB) financial statements are included in the CalPERS CAFR. Copies of the CalPERS' CAFR may be obtained from the CalPERS Executive Office – 400 P Street – Sacramento, CA 95814.

The Agency provides allowances for health benefits for all employees who retire from the Agency and for their survivors and dependents. Participants have the choice of enrolling in one of several health plans and one of two dental plans. Postemployment health benefits for the Agency range from \$360 to \$605 (in actual dollars, not thousands) per month per participant, depending on the participant's job classification at the time of retirement. The Agency covers the participant's health and dental benefits under these plans up to the allotted benefit allowance.

The maximum allowances are shown in the following table:

<u>Unit</u>	<u>Maximum Premium Coverage: Current Retirees</u>
1 & 2	\$605/month
3 & 4	\$585/month
5	\$430/month
6	\$360/month

Coverage level for current retirees is set and assumed not to increase. Coverage continues at the participant's level for the spouse and any eligible dependents after the participant's death.

2. Funding Policy

The obligation of the Agency to contribute to the plan is established and may be amended by the City Council and County Board of Supervisors.

Employees are not required to contribute to the plan. The Agency is required to contribute the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The current ARC rate is 5.7 percent of annual covered payroll.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

3. Annual OPEB Cost and Net OPEB Asset

For the year ended December 31, 2012, the Agency's annual OPEB cost (expense) was \$1,018. The Agency's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB asset for the last three years were as follows:

Year Ended	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Asset
12/31/2010	\$ 1,408	263%	\$ 4,320
12/31/2011	1,027	190%	5,248
12/31/2012	1,018	135%	5,600

The following table shows the components of the Agency's annual OPEB cost for the year, the amount actually contributed to the plan and changes in the Agency's net OPEB asset for the Retiree Health Plan:

Annual required contribution	\$ 977
Interest on net OPEB asset	(343)
Adjustment to annual required contribution	384
Annual OPEB cost (expense)	<u>1,018</u>
Contributions made	<u>(1,370)</u>
Increase in net OPEB asset	(352)
Net OPEB asset-beginning of year	<u>(5,248)</u>
Net OPEB asset-end of year	<u><u>\$ (5,600)</u></u>

4. Funded Status and Funding Progress

The funded status of the plan as of June 30, 2011, was as follows:

Actuarial accrued liability (AAL)	\$ 14,928
Actuarial value of plan assets	<u>6,913</u>
Unfunded actuarial accrued liability (UAAL)	<u><u>\$ 8,015</u></u>
Funded ratio (actuarial value of plan assets/AAL)	46.31%
Covered payroll (active plan members)	\$ 16,653
UAAL as a percentage of covered payroll	48.13%

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information that shows whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

5. Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the June 30, 2011 actuarial valuation, the entry age normal cost method was used. The actuarial assumptions utilized a 3.25% inflation rate, a 7.5 percent investment rate of return, (net of administrative expenses) and an annual blended healthcare cost trend rate of 9 percent initially, reduced by decrements to an ultimate rate of 4.5 percent after 7 years. The January 1, 2011 actuarial valuation was used for the calculation of the ARC for the year ended December 31, 2012. The assumptions used includes a 7.75 percent investment rate of return (net of administrative expenses), and an annual blended healthcare cost trend rate of 8.5 percent initially, reduced by decrements to an ultimate rate of 4.5 percent after 8 years.

The minimum required contribution and dental premiums are each assumed to increase annually by 4.5%. The UAAL is being amortized as a level percentage of projected payroll on an open basis. The Entry Age Normal (EAN) cost method spreads plan costs for each participant from entry date to the expected retirement date. Under the EAN cost method the plan's normal cost is developed as a level amount over the participants' working lifetime. The AAL is the cumulative value, on the valuation date, of prior service costs. For retirees, the AAL is the present value of all projected benefits.

The ARC under this method equals the normal cost plus the amortization of the unfunded AAL over a thirty (30) year period. The Plan costs are derived by making certain specific assumptions as to the rates of interest, mortality, turnover, and the like, which are assumed to hold for many years into the future. Actual experience may differ somewhat from the assumptions and the effect of such differences is spread over all periods. Due to these differences, the costs determined by the valuation must be regarded as estimates of the true Plan costs.

D. Commitments and Contingencies

1. Mortgage Insured Bonds

The City and the County of Sacramento, between 1980 and 2012, issued multifamily mortgage bonds totaling \$961,963. The bonds were issued to provide funds for the purchase of home mortgages in the Sacramento County area. The Agency was appointed by the City and the County of Sacramento to administer the mortgage program. The bonds do not constitute a liability of the Agency.

2. Litigation

The Agency is a defendant in various matters of litigation. Of these matters, management and the Agency's legal counsel do not anticipate any material effect to the December 31, 2012 financial statements if there was an unfavorable outcome to the Agency as a result of the litigation.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

3. Contractual Obligations

At December 31, 2012, the outstanding contractual obligations for the Agency's governmental activities are as follows:

	<u>Encumbrances</u>
City HOME	\$ 3,416
County HOME	2,857
City Housing Successor Capital Projects	16,472
Nonmajor funds	11,353
Internal Service	<u>1,015</u>
Total	<u><u>\$ 35,113</u></u>

These obligations are primarily for housing project site improvements and structural rehabilitation. The encumbrances are included in the committed fund balance with the exception of the funds that do not have a fund balance on the governmental funds balance sheet.

4. Contingent Liabilities

The Agency receives funding from a number of federal, state, and local assistance programs, comprised principally of Community Development Block Grants, and Housing and Urban Development Housing Programs. These programs are subject to financial and compliance review by the grantors. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time although the Agency expects such amounts, if any, to be immaterial. Receipt of these federal, state, and local grant revenues is not assured in the future.

E. Dissolution of Redevelopment Agencies

Assembly Bill X1 26 enacted on June 29, 2011 was upheld by the California Supreme Court on December 29, 2011. Assembly Bill X1 27 was invalidated in its entirety by the California Supreme Court. Accordingly, as of February 1, 2012, redevelopment agencies in California, including the Redevelopment Agency of the City of Sacramento and the Redevelopment Agency of the County of Sacramento, were terminated and successor agencies appointed to wind down the affairs of the redevelopment agencies in accordance with the provisions of Assembly Bill X1 26. The City and County of Sacramento elected to serve as successor agencies for purposes of winding down the affairs of the former Redevelopment Agencies. The Housing Authority of the City of Sacramento was appointed as the Housing Successor Agency for the former Redevelopment Agency of the City of Sacramento and the Housing Authority of the County of Sacramento was appointed as the Housing Successor Agency for the former Redevelopment Agency of the County of Sacramento for purposes of winding down the remaining housing obligations of the former redevelopment agencies. The City and County of Sacramento, acting as the Redevelopment Agency Successor Agencies, received all assets of the former redevelopment agencies with the exception of current housing assets, which were transferred to the City and County Housing Authorities per the terms of AB X1 26. All property tax revenues previously referred to as tax increment, are now received by the City or County of Sacramento serving as Successor Agency to retire enforceable obligations including payments on bonds, Disposition and Development Agreement, Owner Participation Agreements and other redevelopment debt.

In accordance with the timeline set forth in the Bill (as modified by the California Supreme Court on December 29, 2011) all redevelopment agencies in the State of California were dissolved and ceased to operate as a legal entity as of February 1, 2012.

Prior to that date, the final month of the activity of the redevelopment agency continued to be reported in the governmental funds of the Agency.

Sacramento Housing and Redevelopment Agency
Notes to the Basic Financial Statements (Continued)
For the Year Ended December 31, 2012
(dollar amounts expressed in thousands)

The transfer of the assets and liabilities of the former redevelopment agency as of February 1, 2012 (effectively the same date as January 31, 2012) from governmental funds of the Agency to the City and County of Sacramento Successor Agencies was reported in the governmental funds as an extraordinary item.

Because of the different measurement focus of the governmental funds (current financial resources measurement focus) and the measurement focus of the government-wide financial statements (economic resources measurement focus), the extraordinary loss recognized in the governmental funds was not the same amount as the extraordinary gain that was recognized in the government-wide financial statements.

The difference between the extraordinary loss recognized in the fund financial statements and the extraordinary gain recognized in the government-wide financial statements is reconciled as follows:

Total extraordinary loss reported in governmental funds	\$(180,795)
Capital assets transferred to redevelopment successor agencies – decrease to net position in the government-wide financial statements	(68,491)
Deferred expense (bond issuance costs) previously reported in the government-wide financial statements transferred to successor agencies – decrease to net position in the government-wide financial statements	(7,818)
Accrued bond interest previously reported in the government-wide financial statements transferred to successor agencies – increase to net position in the government-wide financial statements	1,384
Long-term debt previously reported in the government-wide financial statements transferred to successor agencies – increase to net position in the government-wide financial statements	369,899
Pollution remediation obligation previously reported in the government-wide financial statements transferred to successor agencies – increase to net position in the government-wide financial statements	<u>1,983</u>
Total extraordinary gain reported in the government-wide financial statements as a result of transfers to the City and County of Sacramento Successor Agencies	<u><u>\$116,162</u></u>

Sacramento Housing and Redevelopment Agency

Dear Ms. Dozier:

Subject: Actual Modernization Cost Certificate (AMCC)
Grant Number: CA30P00550106

We have reviewed the audited verification of the amounts reported on the Actual Modernization Cost Certificate (AMCC), form HUD-53001, for the above referenced grant. Based on this information, the grant will be officially closed in the Line of Credit Control System (LOCCS).

Enclosed is a copy of the HUD approved Actual Modernization Cost Certificate, form HUD-53001, for your records. This will be the final communication from HUD regarding the closeout of this grant. We thank you for your participation in the program. If you have any questions concerning this matter, please contact Myra Smith at 415-489-6750 or by email at myra.m.smith@hud.gov.

Sincerely,

Nonmajor Special Revenue Funds

Special revenue funds account for specific financial resources (other than for major capital projects) that are legally restricted to expenditure for specific purposes.

- ◆ **Housing funds** are used to account for a variety of federal, state and local housing programs that provide public housing assistance for low and moderate income households within the City and County.
- ◆ **Community Development Funds** are used to account for a variety of specific community programs funded by the federal government.
- ◆ **Tax Increment Funds** are used to account for the low and moderate housing activity associated with the redevelopment project areas.
- ◆ **Local Tax Funds** are used to account for payments in lieu of taxes. Revenues from the City and County Public Housing Funds are used to fund community service activities.

Nonmajor Housing Special Revenue Funds

- ◆ **General Housing Reserve** acts as a clearing account for excess funding to go to housing authority programs requiring additional funding.
- ◆ **Revenue Bond Program** accounts for the revenue from Mortgage Revenue Bonds and Mortgage Credit Certificates.
- ◆ **Local Housing Revenue** accounts for the receipt and use of rebates derived from various energy conservation programs and accounts for activities relating to the Ping Yuen Center.
- ◆ **City Public Housing Homeownership** accounts for the sale of single-family public housing units to eligible public housing residents in the City of Sacramento.
- ◆ **County Public Housing Homeownership** accounts for the sale of single-family public housing units to eligible public housing residents in the County of Sacramento.
- ◆ **Riverview Plaza Reserve** acts as a clearing account for excess funding to go to Riverview Plaza activities and other housing programs.
- ◆ **Foundation Uniting Needs and Dollars (FUND), Inc.** accounts for the fundraising activities of the Agency.
- ◆ **City State/Local Housing Grant** is used to account for the receipt of grants from sources outside of the housing authority and the expenditures associated with those grants.
- ◆ **County State/Local Housing Grant** is used to account for the receipt of grants from sources outside of the housing authority and the expenditures associated with those grants.
- ◆ **City and County Ross Grant** is used to fund the project coordinator who administers the activities of residents in the Family Self Sufficiency program.
- ◆ **City ROSS Service Coordinator** provides for a Service Coordinator to coordinate supportive services and other activities designed to help Public and Indian housing residents attain economic and housing self-sufficiency.
- ◆ **County CNI Planning Grant** accounts for development and implementation of a comprehensive neighborhood revitalization strategy for public and/or assisted housing units, while simultaneously directing the transformation of the surrounding neighborhood.
- ◆ **City Housing Opportunities for Persons with AIDS (HOPWA)** provides housing assistance and related support services to persons with AIDS.

Nonmajor Community Development

Special Revenue Funds

- ♦ **County Economic Development Activities** accounts for various economic development projects in the County of Sacramento.
- ♦ **City Brownfields Cleanup** accounts for loans for toxic cleanup in the City.
- ♦ **City and County Miscellaneous Development Grants** account for various economic development activities in the City and County of Sacramento.
- ♦ **Shasta Trust** is used to account for funds legally required to be set aside for the Shasta Hotel Corporation.
- ♦ **City BEGIN** accounts for loans on behalf of the federal government.
- ♦ **City and County CalHOME** is a state program that provides loans for low-income housing residents within the City and County of Sacramento.
- ♦ **City and County American Dream Downpayment Initiative (ADDI)** is a program that provides assistance to low-income, first-time homebuyers which can be used for the down payment, closing costs, and rehabilitation that is completed in conjunction with a home purchase within the City and County of Sacramento.
- ♦ **BEGIN State Prop 46** accounts for loans on behalf of the state government.
- ♦ **Mental Health Services** accounts for a one-time California Department of Mental Health grant provided to the County Department of Health and Human Services. Funding is to invest in the development and/or rehabilitation of permanent supportive housing units for homeless adults, transition age youth, and children and families with psychiatric disabilities residing in Sacramento County.
- ♦ **City Globe Mills Economic Development Initiative Grant (EDI)** provides for the construction and rehabilitation of the Globe Mills housing project.
- ♦ **City and County Homelessness Prevention and Rapid Re-Housing Program (HPRP)** provides homelessness prevention assistance to households who would otherwise become homeless—many due to the economic crisis—and to provide assistance to rapidly re-house persons who are homeless.
- ♦ **City and County CDBG Neighborhood Stabilization Program (NSP)** was established for the purpose of stabilizing communities that have suffered from foreclosures and abandonment.
- ♦ **City and County CDBG-R Program-** The Recovery Act of 2009 directs that grantees are to use these funds for projects that maximize job creation and economic benefit.
- ♦ **City and County Community Development Block Grant (CDBG) program** enables local governments to undertake a wide range of activities intended to create suitable living environments, provide decent affordable housing and create economic opportunities, primarily for persons of low and moderate income.
- ♦ **Temporary Assistance to Needy Families (TANF)-Emergency Contingency** provides funding for community providers to provide financial assistance services as necessary to stabilize housing situations. Funding is to be used in conjunction with the American recovery and reinvestment Act (ARRA) HPRP program, designed to prevent homelessness and rapidly re-house households that are homeless.

Nonmajor Debt Service Funds

The debt service funds are used to account for the accumulation of resources and payment of long-term debt principal and interest. Enterprise debt is included in the enterprise funds. The following funds account for the accumulation of monies for payment of interest and principal on bonds, notes and loans issued to finance capital improvements and redevelopment within project areas:

- ◆ **City Merged Downtown**
- ◆ **City Del Paso Heights**
- ◆ **City Alkali Flat**
- ◆ **City Oak Park**
- ◆ **City River District**
- ◆ **City North Sacramento**
- ◆ **City/County Franklin Boulevard**
- ◆ **City/County Stockton Boulevard**
- ◆ **City/County Auburn Boulevard**
- ◆ **County Mather/McClellan Merged**
- ◆ **City Army Depot**
- ◆ **City 65th Street**
- ◆ **City CDBG**
- ◆ **County CDBG**
- ◆ **County CHFA HELP**
- ◆ **County Florin Road**
- ◆ **City Railyard**

Nonmajor Capital Projects Funds

Capital projects funds are used to account for the acquisition and construction of major capital facilities other than those financed by proprietary funds and trust funds.

- ◆ **City and County Land Bank Funds** account for the accumulation of land acquired for the future development of low-income housing.
- ◆ **City and County Capital Fund Programs** account for the modernization and rehabilitation of Agency operated low-income housing funded by the U.S. Department of Housing and Urban Development.
- ◆ **City and County Capital Fund ARRA & City Competitive Capital Fund ARRA Programs** account for stimulus funds for the modernization and rehabilitation of Agency operated low-income housing funded by the U.S. Department of Housing and Urban Development.
- ◆ **City and County Housing Trust Funds** accounts for the acquisition, rehabilitation and development of low-income housing funded by local developer fees.

The following funds account for the financing and construction activities of capital improvements in referenced project areas:

- | | |
|---|---|
| ◆ City Del Paso Heights* | ◆ City/County Stockton Boulevard |
| ◆ City Alkali Flat* | ◆ City/County Auburn Boulevard* |
| ◆ City Oak Park* | ◆ City Army Depot* |
| ◆ City River District | ◆ City 65th Street* |
| ◆ County Walnut Grove | ◆ County Florin Road* |
| ◆ City North Sacramento* | ◆ City Railyard |
| ◆ City/County Franklin Boulevard | ◆ County Mather/McClellan Merged |
| ◆ City Merged Downtown | |
- ◆ **City and County 80% Aggregation** accounts for administration funded by aggregated tax increment revenues for certain* redevelopment project areas.

The following funds account for the financing and construction activities of low- and moderate-housing capital improvements in referenced project areas:

- | | |
|---|--|
| ◆ City Low/Mod Merged Downtown | ◆ City/County Low/Mod Stockton Boulevard |
| ◆ City Low/Mod Del Paso Heights | ◆ City/County Low/Mod Auburn Boulevard |
| ◆ City Low/Mod Alkali Flat * | ◆ County Low/Mod Mather/McClellan Merged* |
| ◆ City Low/Mod Oak Park* | ◆ City Low/Mod Army Depot* |
| ◆ City Low/Mod River District | ◆ City Low/Mod 65th Street* |
| ◆ City Low/Mod North Sacramento* | ◆ City Low/Mod Railyard* |
| ◆ City/County Low/Mod Franklin Boulevard | |
- ◆ **City and County Low/Mod Aggregation** accounts for projects funded by aggregated Low/Mod tax increment revenues for certain* redevelopment project areas.
 - ◆ **Community Social Service Complex** accounts for the financing and construction activities of the complex.
 - ◆ **City and County Section 108 Programs** account for the acquisition of land, buildings, rehabilitation of public housing and various redevelopment activities. These funds are collateralized by and payable from future CDBG entitlements.
 - ◆ **City Inclusionary and County Affordable Housing Programs** account for in-lieu and affordability fees paid by developers. Sacramento County's Affordable Housing Ordinance requires new residential projects of five or more dwelling units to provide an affordable housing component of not less than 15 percent of the development project's dwelling units. Depending on such project parameters as size, a developer is given various options to meet the affordable housing obligation.
 - ◆ **County Housing Successor** accounts for the former low and moderate tax increment projects that are winding down due to the dissolution of redevelopment.

Nonmajor Enterprise Funds

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises; where the intent of the Agency is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or where the Agency has decided that periodic determination of net income is appropriate for measurement and accountability purposes.

The following funds are low-income housing projects owned and/or operated by the Agency.

- ◆ **City Public Housing AMP 1-7**
- ◆ **County Public Housing AMP 1- 4**
- ◆ **San Jose/Broadway**
- ◆ **Scattered Sites**
- ◆ **Larchmont/Wildflower**
- ◆ **Locally Funded Projects**
- ◆ **Riverview Plaza Commercial**
- ◆ **San Carlos Shelter Plus Care**
- ◆ **Greenfair**
- ◆ **Phoenix Park**
- ◆ **Norcade Circle**
- ◆ **Villa De Novo (formerly Hagginwood Manor)**
- ◆ **Auburn/Garfield Property Management**

The following funds support the operations of the low-income housing projects owned and/or operated by the Agency.

- ◆ **City Mod Rehab**
- ◆ **Disaster Housing Assistance-Ike**
- ◆ **City and County COCC**
- ◆ **Shelter Plus Care**
- ◆ **Foreclosure Access**

Internal Service Funds

Internal service funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the government and to other government units, on a cost reimbursement basis. Since the services and commodities are supplied exclusively to departments of a governmental jurisdiction, they are distinguishable from those public services rendered to the public in general and which are accounted for in Special Revenue, Enterprise or Fiduciary Funds.

- ◆ **Internal Support Fund** is used to account for the accumulation and allocation of costs associated with central support organizations of the Agency as well as the accumulation of funds to pay for compensated absences earned by employees.
- ◆ **Self Insurance Fund** is used to account for the costs of insurance (i.e. premiums and estimated claims liabilities) and accumulate funds for catastrophic events.

Statistical Section

This part of the Agency's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the Agency's overall financial health.

Financial Trends-These schedules contain trend information to help the reader understand how the Agency's financial performance and well-being have changed over time.

- ◆ Net Position by Component
- ◆ Changes in Net Position
- ◆ Fund Balances of Governmental Funds
- ◆ Changes in Fund Balances of Governmental Funds

Revenue Capacity-These schedules contain information to help the reader assess the Agency's most significant local revenue source, the property tax.

- ◆ Assessed Value of Taxable Property (**no longer applicable due to dissolution of redevelopment**)
- ◆ Parcels Appealing Assessed Valuation (**no longer applicable due to dissolution of redevelopment**)
- ◆ Property Tax Levies and Collections (**no longer applicable due to dissolution of redevelopment**)
- ◆ Principal Property Taxpayers (**no longer applicable due to dissolution of redevelopment**)

Debt Capacity-This schedule presents information to help the reader assess the affordability of the Agency's current levels of outstanding debt and the Agency's ability to issue additional debt in the future.

- ◆ Ratios of Outstanding Debt by Type
- ◆ Debt Coverage Analysis (**no longer applicable due to dissolution of redevelopment**)

Demographic and Economic Information-This schedule offers demographic and economic indicators to help the reader understand the environment within which the Agency's financial activities take place.

- ◆ Demographic and Economic Statistics
- ◆ Principal Employers

Operating Information-These schedules contain service and infrastructure data to help the reader understand how the information in the Agency's financial report relates to the services the Agency provides and the activities it performs.

- ◆ Full-time Equivalent Agency Employees by Function/Program
- ◆ Operating Indicators by Function
- ◆ Capital Assets by Function

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant year.

Source: Agency Comprehensive Annual Financial Reports

Note: Details regarding the Agency's outstanding debt can be found in the notes to the financial statements

(1) See the "Demographic and Economic Statistics" table for personal income and population figures. Based on County of Sacramento population.

(2) Estimated actual value of taxable property cannot be easily determined as the property owned by SHRA is not reassessed annually. Reassessment normally occurs when ownership changes. Prior amounts were based on assessed values of redevelopment properties. With the dissolution of redevelopment that no longer applies.
