Those residents who have not obtained employment or who have lost their jobs utilize the resources provided at the Jobs Plus center to get back on their feet. Resources include transportation, emergency food distribution and referral services.

Additionally, the Housing Authority of the City of Sacramento has units in CA005000101 and CA005000102 built in the 1940s. Some of the units contain flooring with asbestos that do not present an immediate health and safety issue as long as the flooring is not disturbed. It has been the practice of the PHA to remedy the issue at the time of vacancy turn. Therefore, the PHA requests approval to exclude (approximately 20) units from dwelling status at a date to be determined after July 1, 2018, and before June 30, 2019.

#### Other Capital Grant Programs

The Housing Authority of the City of Sacramento plans on submitting an application for the Emergency Safety and Security Grants, if funds become available, for various public housing owned developments located throughout City of Sacramento.
