Request for Qualifications #2018051 Environmental Consulting Services for National Environmental Policy Act, California Environmental Quality Act and National Historic Preservation Act

Responses to Requests for Information

Q1. Can firms submit a qualifications proposal in response to only a few of the services requested?

A1. Yes.

Q2. Should resumes be included, and if so can they be included as an appendix that does not count toward the maximum page number limit?

A2. If you include full resumes for each person they will count towards the 12 page limit.

Q3. Can Sections 00620 (Declaration of Understanding) and 00630 (Section 3 Economic Opportunity Plan) be included as an appendix that does not count toward the maximum page number limit?

A3. These documents do not count towards the 12 page limit.

Q4. Is the 12 page limit regardless of how many service lines pursued, or is it the limit for each service line?

A4. The 12 page limit is regardless of how many service lines you are proposing to provide.

Q5. Can you confirm that we are to include the forms (Section 00620: Declaration of Understanding and Intent to Comply with Section 3 Requirements and Section 00630: Section 3 Economic Opportunity Plan) with our submittal?

A5. We would prefer to receive both forms (Section 00620 and Section 00630) with the RFP submittal.

Q6. We thought adding a table of contents to our proposal would be helpful to the reader, but are wondering if that would count toward the page limit?

A6. A table of contents will not count towards the page limit.
