

INVESTING IN COMMUNITIES

**City and County of Sacramento
Notice of Funding Availability (NOFA)
Community Development Block Grant Public Facility Projects
NOFA #1925 – DS**

Responses to Requests for Information

Q1. The CDBG application asks for “11. Authority to enter into contract: Provide documentation demonstrating the project is authorized and granting a designated person the authority to enter into an agreement/contract with the Agency, and that the organization or agency will comply with all reporting requests.” Our Board doesn’t meet until June 19th so we wouldn’t be able to get a formal approval from them in time for the June 11th deadline. Can we submit #11 later?

A1. SHRA will accept resolutions that are project specific and resolutions that designate a person the authority to apply, accept, and enter into contract(s) with organizations. An extension for resolutions ONLY has been provided. All resolutions must be submitted by Tuesday, July 16, 2019.

Q2. The online Sacramento County GIS does not display the “Demography” layer. Please advise on the appropriate method to determine project eligibility.

A2. The “Demography” layer is now available on the online Sacramento County GIS website. Please ensure to use Attachment A as well as the website for project eligibility. Below is the link to the Sacramento County GIS website.

http://generalmap.gis.sacounty.net/JSViewer/county_portal.html#

Q3. I was unable to attend the Pre-Application Meeting last week. I was wondering if there was a packet of information from that meeting that could be emailed to me. I also can't find a specific "application" in any of the links shared in the notification email. Can you please send a link, if there is one?

A3. The NOFA document and the PowerPoint presented at the Pre-Application Meeting can be obtained through the following website <https://www.shra.org/doing-business-with-shra/> under “Requests for Proposals (RFP) or Requests for Qualifications (RFQ) Opportunities”. See the “2019 City and County of Sacramento NOFA – CDBG Public Facility Projects” RFP section for the documents.
