

Listed below are affordable homes currently for sale to buyers who fall below the maximum income requirements. The affordable homes have regulatory resale restrictions which limit the price by which they can be resold and who may purchase the home. Homebuyers are advised to carefully read the associated regulatory agreement to understand the resale and possible recapture provisions and how it applies to a future sale of the home. For more information, please call SHRA Homeownership Services at (916) 440-1393.
