B.5 Progress Report.

Provide a description of the PHA’s progress in meeting its Mission and Goals described in the PHA 5-Year and Annual Plan.

Progress Report on Mission and Goals

The PHA continues to provide quality housing that is affordable to the low, very low, and extremely low-income households. Strategies pursued by the PHA as outlined in the 5 Year PHA plan were successful and allowed the authority to meet our mission to continue to promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination.

Goal: Increase the availability of decent, safe, and affordable housing

Progress: The Choice Neighborhoods Implementation grant for $30 million for the Housing Authority of the County of Sacramento will transform the current development into a 487 unit mixed-income community with public, workforce, and market rate housing. The PHA plans to increase available decent, safe and affordable housing by issuing Request for Proposals (RFPs) for Project based vouchers in 2019. This not only increases the availability of housing, but also increases housing choices.

Goal: Improve the quality of assisted housing

Progress:

The PHA staff attended the following training in 2018 to improve the quality of service for the operations, maintenance and administration of assisted housing:

- Quality Control
- Evidence Training
- Uniform Physical Condition Standard (UPCS)
- Tax Credit
- Rent Calculation
- Mental Health First Aid Training

Goal: Increase assisted housing choices

Progress:

- The PHA continues to conduct proactive outreach and build relationships with other governmental agencies, landlords, non-profits, and other businesses to partner to increase options for low-income residents.
- The PHA continues to research the feasibility of changes to homeownership, and other affordable housing options to increase the housing choices for public housing residents.
- The PHA is increasing the number of project-based units in order to increase the housing choices for participants. This is becoming increasingly important as the market tightens and there is less available rental housing stock.

Goal: Improve community quality of life and economic vitality

Progress:

The PHA has a Resident Service Department that includes one Family Self Sufficiency Coordinator for HCV and one for public housing that provide resources, referrals, goal setting for participants and residents seeking economic self-sufficiency, access to a variety of programs, and supportive services. The PHA has refined its processes to help residents identify the critical needs and coordinate them across the supportive services through resident services. The PHA continues to expand services pending the availability of financial resources and awarding of funds for the coordinator position.

The PHA linked, provided, and participants achieved the following services through its Resident Opportunity for Self Sufficiency - Family Self Sufficiency (FSS) program in 2018:

- Twenty participants referrals for Health Care Services
- Ten participants received transportation services to enable service provision/employment
- Six participants successfully graduated the FSS program
- One participant graduated and purchased a home
- One participant earned her GED
- Outreached to 881 residents
- 70 FSS participants were referred to jobs
- 40 participants completed financial literacy/management workshops
- 318 Participants completed one on one financial counseling
- Four participants completed homeownership counseling
- Two participants opened bank accounts
- Seven FSS participants successfully graduated in 2018
- Two FSS participants purchased homes, one participant purchased a home from SHRA’s Welcome Home Program
- HCV – FSS partnered up with Golden 1 and Neighbor Works to provide financial workshop series to participants on a monthly basis
- A total of 34 events were sent out to all HCV – FSS participants which included workshops, hiring events and career fairs
- One FSS participants completed their Bachelor’s degree
- Six participants received transportation services to enable service provision and employment assistance.
- Forty Four percent of HCV FSS participants have accumulated escrow balances and maintained steady employment for more than one year
- Twelve participants are projected to graduate in 2019

Goal: Ensure Equal Opportunity to Housing for all Americans

Progress:

- The PHA continues to take affirmative measures to ensure that access to assisted housing is provided regardless of race, color, religion, national origin, sex, familial status, disability, sexual orientation, and gender identity.
- The PHA uses its updated Language Access Plan, to provide information and forms to individuals and with limited English speaking skills.
• Continues to ensure that fair housing efforts continue to be implemented.

Special Admissions

- Family Unification Program (FUP) is a program under which housing assistance is provided under the Housing Choice Voucher (HCV) program in partnership with Public Child Welfare Agencies to two groups:
  
  1. Families for whom the lack of adequate housing is a primary factor in the imminent placement of the family's child, or children, in out-of-home care; or the delay in the discharge of the child, or children, to the family from out-of-home care; and
  2. Youth at least 18 years and not more than 24 years of age (have not reached their 25th birthday) who left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in Section 475(5)(H) of the Social Security Act, and are homeless or are at risk of becoming homeless at age 16 or older. As required by statute, a FUP voucher issued to such a youth may only be used to provide housing assistance for the youth for a maximum of 36 months.

Chapter 5 Subsidy Standards

Under-housed CFR 982.403

If a unit does not meet HQS space standards due to an increase in family size (unit too small), the PHA will terminate the current contract and issue a new voucher of the appropriate size as soon as the under-housed situation is identified. The PHA will terminate the HAP contract once an appropriate HQS approvable sized unit has been found.

Chapter 8 Voucher Issuance

Tolling/Suspension of Search Time

No tolling time will be allowed if the tenant voids a RFTA after a move in inspection has occurred or if the tenant voids a RFTA more than one (1) time during a move process. Additional time will be given to the family to choose an appropriate size unit following a reasonable accommodation decision for individuals with disabilities that affect their ability to search for and/or secure an appropriate rental unit.

Chapter 12 Recertifications

STREAMLINED ANNUAL RECERTIFICATION FOR FIXED INCOME (24 CFR §§960.257, 982.516, NOTICE PIH 2016-05 (HA))

The PHA has the discretion to adopt a streamlined income determination for any family member with a fixed source of income. The term “fixed-income” includes income from:

- Social Security payments, to include Supplemental Security Income (SSI) and Supplemental Security Disability Insurance (SSDI);
- Federal, state, local, and private pension plans; and
- Other periodic payments with ongoing fixed amounts received from annuities, insurance policies, retirement funds, disability or death benefits, and other similar types of periodic payments.

Chapter 13, Restrictions on Portability (24 CFR §982.353)

If the family is a non-resident applicant in the PHA's jurisdiction at the time of their initial application for assistance, the family will not be permitted to exercise portability upon initial issuance of a voucher. Nonresident applicants have no right to move under portability for 12 months from the time the family is admitted to the HCV program.

Chapter 19 Special Housing Types

J. Enhanced Vouchers

Enhanced Vouchers are a form of “Tenant Protection Vouchers” that are provided to tenants living in properties with private, project-based assistance when an “eligibility event,” as defined in Section 8(t)(2) of the Housing Act of 1937, takes place.

Enhanced Voucher Payment Standard and Minimum Rent

A higher “enhanced” payment standard is used to determine the amount of the housing assistance payment when the gross rent of the unit exceeds the normally applicable PHA payment standard. Second, the family must continue to contribute towards rent an amount that is at least the amount the family was paying for rent at the time of the
eligibility event. This minimum rent contribution is known as the enhanced voucher minimum rent. The enhanced voucher minimum rent is discussed in detail in HUD Notice PIH 2001-41, Part II.C.3

If the enhanced voucher family’s rent suffers a significant decrease in income (a decrease of at least 15 percent from the family income on the date of the eligibility event Section 8(t) further provides that the enhanced voucher minimum rent changes from the dollar amount the family was paying for rent to the percentage of income the family was paying for rent at the time of the eligibility event. Specifically, for families who were previously unassisted on the eligibility event, the family’s revised enhanced voucher minimum rent is the greater of (A) the percentage of the monthly adjusted income the family paid for gross rent on the effective date of the eligibility event, or (B) 30 percent of the family’s current adjusted monthly income. For families who were previously assisted under a project-based or tenant based contract on the eligibility event, the family’s revised enhanced voucher minimum rent is the greater of

(A) the percentage of adjusted monthly income the family Total Tenant Payment (TTP) or the voucher family share on the effective date of the eligibility event, or
(B) 30 percent of the family’s current adjusted monthly income.

Under HUD Notice PIH 2001-41, if the enhanced voucher minimum rent changed because of the significant decrease in income, it remained that percentage of adjusted monthly income for as long as the family continued to receive enhanced voucher assistance. The enhanced voucher minimum rent from that point on was that specific percentage applied to the family’s current adjusted monthly income, regardless of whether the family’s income subsequently increased or decreased.

**Over-Housed Family**

Once the PHA determines the family is over-housed, the PHA must inform the family. If the family indicates they wish to remain at the project with enhanced voucher assistance, the PHA must inform the owner of the project that the family is in an over-sized unit. The PHA and the owner will work together to identify an available appropriate size unit according to PHA subsidy standards at the project.

The over-housed family must move to an appropriate size unit in the project if one is available in order to receive enhanced voucher assistance. The enhanced voucher housing assistance payment calculation is based on the gross rent of the appropriate size unit.

If an over-housed enhanced voucher family refuses to move to the appropriate size unit, and one exists and is available for occupancy, the PHA will calculate the family’s housing assistance payment for the over-sized unit based on the normally applicable voucher subsidy formula using the applicable payment standard established by the PHA for its voucher program (see 24 CFR §982.402(c) and (d)). The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

**Chapter 21, Project Based**

**Occupancy of Wrong Size or Accessible Units**

When a family is occupying a wrong-size unit or a unit that has accessibility features not required by the family, the family will be offered a right size units based on PHA subsidy standards and will have 30 days to move to the new unit from the date of the referral otherwise housing assistance on the unit will be terminated.

**Chapter 28 Violence Against Women Act**

**N. Emergency Transfers**

Sacramento Housing and Redeployment Agency (SHRA) is concerned about the safety of its participants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA), SHRA allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant’s current unit to another unit. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation. The ability of SHRA to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, and on whether SHRA has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of
Housing and Urban Development (HUD), the Federal agency that ensures SHRA’s covered housing programs comply with VAWA.

1.) Eligibility for Emergency Transfers

A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD’s regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if:

The tenant expressly requests the transfer; and

Either:

a.) The tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit; or

b.) If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

2.) Emergency Transfer Request Documentation

To request an emergency transfer, tenants with rental assistance should submit their written request to the following:

SHRA Main Office:  630 I Street, Sacramento, CA 95814

The tenant will have the option of submitting HUD-5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation (form HUD-5382). The tenant may submit one of the following types of third-party documentation:

a)  A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency documenting the domestic violence, sexual assault or stalking.

   •  Documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom the victim has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse in which the professional attests under the penalty of perjury to the professional’s belief that the incident or incidents in question are bona fide incidents of abuse and that the victim of VAWA attests to the documentation.

SHRA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. If SHRA receives two or more completed form HUD-5382 that conflicts, SHRA can require the participant to submit third-party documentation within (30) calendar days. Given the third-party documentation submitted, SHRA will make a best judgment determination of which individual is the true victim in order to resolve the conflict. Lastly, SHRA will provide reasonable accommodations to this policy for individuals with disabilities.

Emergency Transfer Timing and Availability

SHRA will expedite any pending processes once a participant submits an Emergency Transfer due to VAWA.

A. Tenant- Based Assistance under the HCV program
SHRA will assist the tenant with their move to a safe unit by issuing a voucher quickly. If an emergency transfer request is received during the initial term of the lease the family will be issued a Mutual Agreement to terminate the contract. For guidance on Moves with Continued Assistance see Administrative Plan Chapter 13.

B. Project-Based Assistance

If the participant has not lived in the PBV unit for at least a year, SHRA will offer another PBV right sized unit, if available, and ready for move-in with 30-days. If a participant believes a proposed transfer would not be safe the participant may request a transfer to a different unit.

If SHRA has no available units for which a tenant who needs an emergency transfer is eligible, SHRA will issue a tenant based voucher. SHRA will also assist tenants in contacting local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

If a participant makes an emergency transfer request and has been living in the PBV unit for one year or more, SHRA will offer another PBV right sized unit, if available, and ready for move-in within 30-days or upon the participant’s request SHRA will issue a tenant based voucher to move. For guidance on Moves with Continued Assistance see Administrative Plan Chapter 13.

SHRA cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. SHRA, however, will act as quickly as possible to move a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to availability of a unit.

C. Moderate Rehabilitation (Mod Rehab)

If the victim is a participant in the Mod Rehab program and request an emergency transfer from the owner as described in this plan, the owner will assist the victim with the move to an available unit as quickly as possible. If a unit is not available for a tenant who qualifies for an emergency transfer, SHRA will:

1. Review the owner’s (and other Section 8 Mod Rehab communities) existing inventory of units and determine when the next vacant unit may be available; and

2. Provide a listing of nearby HUD subsidized rental properties, with or without preference for persons who are victims of VAWA crimes domestic violence, dating violence, sexual assault, or stalking, and contact information for the local HUD field office

Emergency Transfers will not take priority over Housing Choice Voucher program waiting list admissions for programs under this category. At the victim’s request, SHRA will refer the victim to organizations that may be able to further assist the victim and provide a list of housing service providers in the community.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.

Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. Significant Amendment and Substantial Deviation/Modification

The PHA hereby defines “substantial deviation” and “significant amendment/modification” as any change in policy which significantly and substantially alters the Authority’s stated mission and the persons the Authority serves. This would include admissions preferences, demolition and/or disposition activities, and conversion programs. Discretionary or administrative amendments consistent with the Authority’s stated overall mission and basic objectives will not be considered substantial deviations or significant modifications.

If a significant amendment and/or substantial deviation/modification occur, the public process will include: consultation with the Resident Advisory Board, a public comment period, public notification of where and how the proposed change can be reviewed, and the approval by the Housing Authority Boards.

The Housing Authority of the County of Sacramento is updating its definition of substantial deviation to the PHA Plan to include the following language:

**Significant Amendment Definition**

As part of the Rental Assistance Demonstration (RAD), Housing Authority of the County of Sacramento is redefining the definition of a substantial deviation from the PHA Plan to exclude the following RAD-specific items:

a. The decision to convert to Project Based Voucher Assistance;

b. Changes to the Capital Fund Budget produced as a result of each approved RAD Conversion, regardless of whether the proposed conversion will include use of additional Capital Funds;

c. Changes to the construction and rehabilitation plan for each approved RAD conversion; and

d. Changes to the financing structure for each approved RAD conversion.

New Activities.
B.2.

Hope VI or Choice Neighborhoods

A Choice Neighborhoods Implementation grant of $30 million was awarded to Housing Authority of the County of Sacramento on Sept 28, 2015. The transformation envisions a 499 unit mixed-income community with public, workforce, and market rate housing. The site plan and designs for the first two phases of new construction are scheduled for approval by the Planning and Design Commission on July 27, 2017. An analysis under the California Environmental Quality Act (CEQA) and the National Environmental Policy Act (NEPA) has been completed and is anticipated to be adopted by the Governing Boards in late August of 2017. A master development agreement has been drafted between the Housing Authority and the development partner and was executed in September of 2017.

The Housing Authority submitted a request in June of 2017 to HUD for Tenant Protection Vouchers to facilitate the relocation of a 68% of existing on-site households (141 units). The Housing Authority will dispose of the site to an entity other than the Housing Authority for purposes of accessing Low Income Housing Tax Credits and other funding sources. All 218 existing public housing units will be replaced onsite utilizing project-based housing vouchers. All 218 public housing households were successfully relocated off-site in March of 2019. The Housing Authority received approval to demolish all of the existing properties in two phases, with the second phase of demolition completed in May of 2019 for the residential units, and the office was demolished in June of 2019.

Mixed Finance Modernization or Development

The Housing Authority also anticipates making additional submissions to HUD in connection with the redevelopment of Twin Rivers under the Rental Assistance Demonstration (RAD) program, the Mixed-Finance development method, or both.

The Housing Authority intends to modernize and convert all units within its public housing stock using the Rental Demonstration Program (RAD) program, the Mixed-Finance development method, or both.

Conversion of Public Housing to Project-Based Assistance under RAD

The Housing Authority plans to convert all of its public housing units to RAD and request Tenant Protection Vouchers.

Project Based Vouchers

The PHA may issue a Request for Proposal (RFP) for Project Based Voucher (PBV) assistance to improve, develop, or replace a public housing property or property that it controls or has an ownership interest in without using a competitive process.

Veterans Affairs Supportive Housing (VASH) will be utilized for PBV units at Twin Rivers. Additional PBV are planned for the redeveloped site at Twin Rivers. Additionally, the PHA plans to issue an RFP in 2019 to make PBV available to serve homeless families, through new construction and/or through the use of existing housing.

Units with Approved Vacancies for Modernization.

Per 24 CFR § 990.145 (a) (2) and PIH Notice 2011-7 (HA), the Housing Authority of the County of Sacramento (CA007—County) has requested consideration of the following units to be excluded in the Public and Indian Housing Information Center (PIC) under the applicable action category of Vacant HUD Approved.

Sacramento Housing and Redevelopment Agency (SHRA) was awarded a Choice Neighborhood Grant for the Twin Rivers District which encompasses Development Number CA007000201. The units (218) listed below are targeted for Relocation and Demolition activities beginning in the fall of 2017. Per 24 CFR § 990.145 (a) (2) and PIH Notice 2011-7 (HA), SHRA is requesting consideration of the following units to be excluded in the Public and Indian Housing Information Center (PIC) under the applicable action category of Vacant HUD Approved from a date to be determined (TBD) after July 1, 2019, and before June 30, 2020.
