**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Honorable Members of the City Council, Housing Authority  
of the City of Sacramento,  
County Board of Supervisors, Housing Authority  
of the County of Sacramento, and  
Sacramento Housing and Redevelopment Commission  
Sacramento, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Sacramento Housing and Redevelopment Agency (the Agency), as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements, and have issued our report thereon dated July 13, 2020. Our report includes a reference to other auditors who audited the financial statements of the Norwood Avenue Housing Corporation (a blended component unit) as described in our report on the Agency's financial statements.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Honorable Members of the City Council, Housing Authority  
of the City of Sacramento,  
County Board of Supervisors, Housing Authority  
of the County of Sacramento, and  
Sacramento Housing and Redevelopment Commission  
Sacramento Housing and Redevelopment Agency

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE**

Honorable Members of the City Council, Housing Authority  
of the City of Sacramento,  
County Board of Supervisors, Housing Authority  
of the County of Sacramento, and  
Sacramento Housing and Redevelopment Commission  
Sacramento, California

**Report on Compliance for Each Major Federal Program**

We have audited the Sacramento Housing and Redevelopment Agency's (the Agency) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on the Agency's major federal programs for the year ended December 31, 2019. The Agency's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

***Management's Responsibility***

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

***Auditors' Responsibility***

Our responsibility is to express an opinion on compliance for each of the Agency's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Agency's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Agency's compliance.

Honorable Members of the City Council, Housing Authority  
of the City of Sacramento,  
County Board of Supervisors, Housing Authority  
of the County of Sacramento, and  
Sacramento Housing and Redevelopment Commission  
Sacramento Housing and Redevelopment Agency

### ***Opinion on Each Major Federal Program***

In our opinion, the Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2019.

### **Report on Internal Control Over Compliance**

Management of the Agency is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Agency's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

### **Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance**

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Agency as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements. We issued our report thereon dated July 13, 2020, which contained unmodified opinions on those financial statements. Our report includes a reference to other auditors who audited the financial statements of the Norwood Avenue Housing Corporation (blended component unit), as described in our report on the Agency's financial statements. Our audit was conducted for the purpose of forming opinions on the

Honorable Members of the City Council, Housing Authority  
of the City of Sacramento,  
County Board of Supervisors, Housing Authority  
of the County of Sacramento, and  
Sacramento Housing and Redevelopment Commission  
Sacramento Housing and Redevelopment Agency

financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, based on the results of our audit and the reports of other auditors, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

U.S. Department of Housing and Urban Development

The Sacramento Housing and Redevelopment Agency respectfully submits the following summary schedule of prior audit findings for the year ended December 31, 2019.

The findings from the prior audit's schedule of findings and questioned costs are discussed below. The findings are numbered consistently with the numbers assigned in the prior year.

Audit period: January 1, 2018 – December 31, 2018

**FINDINGS—FINANCIAL STATEMENT AUDIT**

There were no financial statement findings in the prior year.

**FINDINGS—FEDERAL AWARD PROGRAMS AUDITS**

**2018-001 – Schedule of Expenditures of Federal Awards (SEFA)**

**Condition:** The Agency's schedule of expenditures of federal awards (SEFA) did not accurately report beginning loan balances on the SEFA as required by Uniform Guidance for federal programs 14.218 and 14.239. In addition, the Agency incorrectly under reported expenditures for federal program 14.218 on the preliminary SEFA, which caused an additional program to be tested.

**Status:** This finding has been corrected in the current year.

**2018-002 – Public and Indian Housing Eligibility**

**Condition:** During our testing, we noted that the Agency did not review open casefiles when an employee left to ensure that the recertifications were completed timely.

**Status:** This finding has been corrected in the current year.

**2018 – 003 – 60002 Submissions**

**Condition:** During our testing, we noted that the Agency did not submit the HUD 60002's timely.

**Status:** This finding has been corrected in the current year.

If the U.S. Department of Housing and Urban Development has questions regarding this schedule, please call Susana Jackson, CFO at (916) 440-1373.
