HOUSED

Housed Guests: November

Housed Guests: Program Total

Housing Terms Defined

Permanent Housing:

The Guest must be the tenant on a lease (or sublease) for an initial term of at least one year that is renewable and is terminable only for cause.

Temporary Housing:

The Guest declares they are living on a temporary basis with family or friends.

Transitional Housing:

The Guest lives in housing for a defined time period and may include supportive services.

The Program Total count for Permanent and Transitional may increase without proper accounting from the monthly total. This is due to the delay in the verification of a Guest's move out address. Without a verified address the Guest cannot be categorized in any of the housed options. Once an address is verified and can be counted in a housed category the update is recorded on the next report in the appropriate housing Program Total section.

EXITS

Exits: November

Exits: Program Total

Exits Defined

Program-Exit:

Exit based on noncompliance of program rules.

Self-Exit:

Exit based on the Guest leaving the program of their own choice without securing Permanent Housing.

Housed-Exit:

Exit based on the Guest leaving the program to Permanent, Transitional and Temporary Housing.

The counts in the Program Total may increase without proper accounting from the monthly total. This is due to the delay in the verification of a Guests' move out address. Without a verified address the Guest cannot be categorized under Housed-Exits. Once an address is verified, it can be properly placed on the next report in the Program Total section.

Guests Unemployed and Seeking Employment

Guests Unemployed and Seeking Employment

Employed Terms Defined

Guests Arrived Employed (Monthly Total):

The Guest declares that they are currently employed at time of intake.

Guests Newly Employed (Monthly Total):

The Guest declares that they have gained employment during their stay.

Guests Unemployed and Seeking (Monthly Total):

The Guest declares that they are unemployed and currently seeking employment at time of intake.

Note: Not all Guests that are Unemployed are Seeking Employment due to various reasons such as: emotional and physical health, disabilities, or other prioritized tasks for self stabilization. As well, this section will not equal the total of all admitted nor the total of in-house occupancy because the categories pull data across multiple groups of people that are Guests.

All Guests Employed (Program Total):

The program year to date total is of all Guests that have arrived employed or gained employment.

All Guests Unemployed and Seeking Employment (Program Total):

The program year to date total is of all guests that have arrived unemployed and are currently seeking employment.
