

Sacramento County Request To Partner on No Place Like Home/Permanent Supportive Housing Developments

Issued: March 1, 2021
Submittal Deadline: April 16, 2021 at 3:00 p.m.

The State of California No Place Like Home Program (NPLH) provides \$2 billion in bond funding statewide for the development of permanent supportive housing for people who are experiencing homelessness, chronic homelessness, or at risk of becoming chronically homeless, and who are living with a serious mental illness and are in need of mental health services.

State NPLH funding is administered through two allocations: noncompetitive and competitive. Sacramento County is received over \$5 million in noncompetitive funds and is eligible to submit applications to the State for competitive funding as a Large County for specific NPLH project developments. The State Department of Housing and Community Development (HCD) is currently reviewing applications pursuant to the second competitive Notice of Funding Availability (NOFA).

Issued by Sacramento County and the Sacramento Housing and Redevelopment Agency (SHRA), this Request to Partner (RTP) seeks proposals from development sponsors for co-applications to HCD for the fourth NOFA of competitive funding anticipated to be released in September of 2021. At its sole discretion and depending on funding availability, Sacramento County may also award NPLH funding from its remaining noncompetitive NPLH award or other available funding from sources including the Building Hope Fund.

The attached Local Applicant Term Sheet lays out project requirements and the local selection process and criteria based largely on the State's selection criteria in the second round of competitive funding. Local criteria are subject to change based on the issuance of the State's third NPLH NOFA. In addition, NPLH developments must meet SHRA's Multifamily Lending and Mortgage Revenue Bond Policies.

NPLH developments must comply with the No Place Like Home statute, HCD Guidelines, NOFA, Uniform Multifamily Regulations and other State requirements (State NPLH Requirements). Applicants are strongly encouraged to become familiar with these requirements.

Pre-Proposal Meeting

Sacramento County and SHRA staff will be available to answer applicant questions during an on-line workshop on March 16th from 9am to 10am. Applicants are highly encouraged to attend and need to email a request for a Zoom link from Susan Veazey at SHRA, sveazey@shra.org.

Submission Requirements and Deadline

All applicants must submit a Sacramento County No Place Like Home Full Application comprised of: 1) One hard copy of the full application (see “Full Application Requirements” attachment), and 2) digitally via Box.com (request link from Susan Veazey at sveazey@shra.org)

An application fee payable to SHRA shall be as follows:

At the time a full NPLH Application is submitted, the developer must pay a fee of \$12,500 made payable to the Sacramento Housing and Redevelopment Agency.

NPLH applications are due April 16th no later than 3:00 p.m.

All applications must be submitted to:

Sacramento Housing and Redevelopment Agency
Attn: Susan Veazey - Development Finance, 4th floor
801 12th Street
Sacramento, CA 95814

Process and Responsibilities

Recommended NPLH developments will be presented to the Board of Supervisors for approval prior to submission to the Department of Housing and Community Development (HCD). Recommended developments may be subject to conditions prior to submission and/or final funding. It is anticipated that the County commitment to co-apply for State NPLH competitive funding rounds will be in effect for 18 months from the date of Board approval.

Working closely with the County and SHRA, successful applicants will be responsible for assembling the full HCD application for SHRA and County review and approval prior to submission to HCD.

As Sacramento County is the primary applicant of State NPLH funding, questions to the HCD will be made in coordination with the County. Applicants may contact Susan Veazey or Jane Ann Zakhary to begin the process.

All questions should be submitted via e-mail to Susan Veazey at SHRA at sveazey@shra.org and Jane Ann Zakhary at Sacramento County Division of Behavioral Health Services (BHS) at ZakharyJ@saccounty.net. Questions related to local application process or submittal must be submitted no later than March 19, 2021.

**No Place Like Home Program
Local Applicant Term Sheet
Sacramento County**

| | |
|--------------------------------|---|
| <p>Document Purpose</p> | <p>This term sheet lays out Sacramento County (County) requirements and processes for housing developments interested in applying with the County for State No Place Like Home (NPLH) funding. Reflecting State NPLH requirements and processes, the term sheet describes the local NPLH process, including threshold project requirements, selection criteria and co-application processes in Sacramento County. Selected projects will be eligible to co-apply for NPLH competitive and noncompetitive funding (as assigned by the County) and may be considered for other available funding from sources including the Building Hope fund.</p> <p>NPLH supportive housing developments of five or more NPLH units are eligible for the following financial assistance through the local process:</p> <ul style="list-style-type: none"> • Gap financing associated with eligible capital costs of NPLH units; • Operating subsidies through a NPLH Capitalized Operating Subsidy Reserve; and • Supportive services for qualifying occupants in NPLH units for 20 years through Sacramento County Behavioral Health Services (BHS) contracted service providers. <p>Funding processes for NPLH developments applying for Housing Choice Vouchers as administered by SHRA are separate and distinct; however, the County and SHRA will coordinate timing of those funding processes to the extent possible. Developments are highly encouraged to seek this source of operating assistance.</p> <p>For projects located in the unincorporated County, local capital funding processes will also be coordinated. For projects located elsewhere in the County, the County selection process will prioritize developments with local gap commitments. Developers are encouraged to work directly with other jurisdictions in Sacramento County to secure local gap funding to competitively position their application.</p> <p>The State released the NPLH Notice of Funding Availability (NOFA) for the Noncompetitive Allocation on August 15, 2018 and anticipates releasing the NOFA for the fourth and final round Competitive Allocation in October 2020. NPLH funding is a result of the enactment of the No Place Like Home Act of 2018 which was approved by voters in November 2018. It is the intent of the County to facilitate project planning through the Request to Partner process associated with the release of this term sheet.</p> |
| <p>Program Overview</p> | <p>NPLH provides funding and tools that allow HCD and Counties to address affordability issues associated with creating permanent supportive housing units that are specifically set aside for persons</p> |

| | |
|--|---|
| | <p>with serious mental illness who are chronically homeless, homeless, or at-risk of being chronically homeless. Under the program, HCD may make loans to reduce the initial cost of acquisition and/or construction or rehabilitation of housing and may set funds aside to subsidize extremely low rent levels over time. Developers are encouraged to understand State NPLH requirements, including guidelines found here. https://hcd.ca.gov/grants-funding/active-funding/nplh/docs/nplh-2020-amended-guidelines-clean-version.pdf</p> |
| <p>Additional Local NPLH Objectives</p> | <p>In addition to the statewide goals, Sacramento County has three specific local objectives:</p> <ol style="list-style-type: none"> 1) Identify new supportive housing developments that meet local and State priorities for both noncompetitive and competitive NPLH funding. The County and developer will apply as co-applicants. 2) Through streamlined application processes and transparency, promote confidence and interest in developing NPLH housing from Sacramento’s development community. The local application process is intended to identify projects and develop a project pipeline for NPLH and other available funding streams. 3) Coordinate local funding commitments and processes to identify feasible and competitive development projects. Coordinated funding commitments include: project-based housing choice vouchers (PBV) administered by SHRA. Local capital gap financing is administered by SHRA (for the County and City of Sacramento) and directly by some of the cities. SHRA intends to coordinate local processes and priorities for capital gap financing administered on behalf of the County with NPLH funding processes. |
| <p>NPLH Program Target Population</p> | <p>NPLH serves adults with serious mental illness, or children with severe emotional disorders and their families and persons who require or are at risk of requiring acute psychiatric inpatient care, residential treatment, or outpatient crisis intervention because of a mental disorder with symptoms of psychosis, suicidality or violence and who are Homeless, Chronically Homeless, or At Risk of Chronic Homelessness. At Risk of Chronic Homelessness includes persons who are at high risk of long-term or intermittent homelessness, including persons with mental illness exiting institutionalized settings, transition age youth experiencing homelessness or with significant barriers to housing stability.</p> <p>Developments are asked to plan for clients from each group who may be referred to selected projects.</p> <p>County BHS determines the eligibility of individuals applying for tenancy in an NPLH unit in compliance with behavioral health eligibility requirements.</p> |
| <p>Tenant Selection and Housing First Practices</p> | <p>NPLH developments fill all vacancies in a timely manner for NPLH units and other units restricted to persons experiencing homelessness through two referral sources:</p> |

| | |
|---|---|
| | <ol style="list-style-type: none"> 1) For units restricted to homeless or chronically homeless households, including NPLH and non-NPLH units, referrals will be made through the Continuum of Care Coordinated Entry System operated by Sacramento Steps Forward; 2) For NPLH units restricted to households At Risk of Chronic Homelessness, referrals will be made through Sacramento County BHS. <p>The tenant selection process and ongoing tenant practices must comply with basic tenant protections established under federal, state, and local law and employ a Housing First approach.</p> <p>In general, the “Housing First” model of providing permanent supportive housing is consistent with Welfare and Institutions Code Section 8255(b) and State NPLH Guidelines. Property management processes referrals from referral sources as quickly as possible, “screening in” applicants regardless of poor credit history, eviction history, criminal justice involvement, use of alcohol or drugs, or completion or participation in services. With the singular goal of housing stability for its residents, property management and service providers align efforts to provide flexible, voluntary supportive services to assist residents maintain their housing. With the supportive services immediately available after move-in and the connections to the community-based support, residents will be engaged immediately with efforts to stabilize and maintain their permanent housing.</p> |
| <p>Supportive Services and Resident Services</p> | <p>NPLH developments will provide a minimum of two kinds of tenants services:</p> <ol style="list-style-type: none"> 1. Resident services available to all tenants; and 2. Supportive services. The County is responsible for supportive services for NPLH tenants. 3. If the project is serving other special needs households, including formerly homeless, a third party will be responsible for providing these supportive services. <p>All three kinds of services are described below.</p> <p>I. <u>RESIDENT SERVICES</u></p> <p>The County requires resident services and on-site community space for residents in all projects and reserves the right to approve or disapprove the resident services provider. Resident services must be described in a preliminary plan attached to the application and be appropriate for the anticipated population. The firm providing resident services must be identified with a letter of intent which indicates a specific commitment to provide the services, including the number of hours and budget. Funding for a resident services coordinator should be included in the project’s operating budget. The executed funding agreement between the resident services provider and the applicant must be submitted.</p> |

The minimum requirements for resident services are as follows:

| Family Developments - Required Hours per Week | 50-100 units | 100-200 units |
|---|---------------------|----------------------|
| Coordinator On-Site Admin* | 4 | 6 |
| After School Programming 2 hours/day x 4 days/week | 8 | 8 |
| Additional Programming | 3 | 6 |
| TOTAL Hours per Week | 15 | 20 |

| Senior Developments - Required Hours per Week | 50-100 units | 100-200 units |
|--|---------------------|----------------------|
| Coordinator On-Site Admin* | 4 | 6 |
| Senior Programming | 11 | 14 |
| TOTAL Hours per Week | 15 | 20 |

*Note: The Coordinator On-Site Admin hours listed are the maximum hours allowable per week. Coordinator On-Site Admin hours may be used for counseling, planning, preparation, compliance reporting and other administrative activities as necessary. The Coordinator must be available on-site during this time for residents as needed.

Resident services requirements for projects of less than 50 units or more than 200 units will be determined on a project specific basis. Dependent on housing type, resident services shall be provided by an SHRA approved provider.

The Resident Services plan should cover the anticipated needs all of the project’s tenants proposed to be served by the Project, including details on how tenant outreach, engagement, and retention will be performed and how resident services are coordinated with supportive services.

II. SUPPORTIVE SERVICES FOR NPLH RESIDENTS

The County will serve as the lead supportive services provider for NPLH residents in the State application. The County prepares the NPLH Service Plan and the NPLH Memorandum of Understanding that meets all of the requirements of Section 203 of the NPLH guidelines and the application.

For successful NPLH applicants, the County commits to providing comprehensive supportive services for NPLH tenants for a minimum of 20 years. Services will be provided through a subcontracted service provider. Examples of services that will be made available by the County, depending on tenant need, are:

- Case management,
- Mental health care, and
- Substance use services

| | |
|-----------------------------------|---|
| | <p>If the project is successful in receiving NPLH funding from HCD, a subcontracted provider for NPLH units will be selected from the County’s approved MHSA service providers prior to finalizing the services plan.</p> <p>The NPLH Supportive Services Plan will be prepared by the County in coordination with local applicants to allow for the developer input necessary for certain plan components.</p> <p>Participation in supportive services by NPLH tenants is voluntary and participation in services or sobriety cannot be required for access to or continued occupancy in housing. The supportive services plan will describe how services will be made available to NPLH tenants in a voluntary, flexible, and individualized manner.</p> <p>III. <u>SUPPORTIVE SERVICES FOR NON-NPLH TENANTS WITH SPECIAL NEEDS</u></p> <p>The development sponsor is responsible for developing a supportive services plan and budget for other special needs tenant populations, including formerly homeless. The development sponsor will prepare this plan, detailing these services, budget and funding sources. Supportive services should minimally include:</p> <ul style="list-style-type: none"> • Voluntary case management services; • Tenancy stabilization services; • Coordination with community services; and • Coordination with resident services. <p>Depending on the target population, supportive services for non-NPLH will correspond with supportive services for NPLH tenants. All plans and services budgeting should be included in the project application.</p> |
| <p>Property Management</p> | <p>Property management plan includes all of the typical management functions of operating rental developments and are reflected in a detailed management plan consistent with Section 217 of the NPLH guidelines. Given the nature of NPLH developments, services and residents, the management plan will reflect practices that:</p> <ul style="list-style-type: none"> • Utilize a low-barrier tenant selection process that accepts most tenants from coordinated entry referral sources; • Implement Housing First practices, consistent with the core components set forth in Welfare and Institutions Code Section 8255(b); • Coordinate closely with the services teams toward the shared goal of maintaining tenant housing stability; • Implement policies and practices to prevent evictions and facilitate the implementation of reasonable accommodation policies. <p>The applicant should thoughtfully reflect these processes and</p> |

| | |
|---|--|
| | <p>practices in their property management plan. NPLH applicants should consult CSH’s “A Housing First Approach to Property Management: Frequently Asked Questions.” The County will work with selected applicants prior on final management plan language to be consistent with the supportive services plan prior to submittal to the State.</p> |
| <p>General Rent and Occupancy Requirements</p> | <p>All NPLH units shall be restricted to no more than 30 percent Area Median Income (AMI) Rent level or below at the time of move-in as published by HCD. Total household income at the time of move-in shall not exceed the 30 percent AMI limit as published by HCD. Income determination shall be made in accordance with the requirements in 25 CCR Section 6914 and 25 CCR Section 6916. Rent and income levels shall be expressed in five percent increments as a percentage of AMI.</p> <p>HCD publishes current rent limits based on the County and the number of bedrooms per unit and income limits for each County. Consult HCD resources.</p> <p>Rental or occupancy agreements for NPHL units shall comply with 25 CCR Section 8307. Tenants shall not be required to maintain sobriety, be tested for substances, or participate in services or treatment.</p> |
| <p>NPLH Funding Allocations</p> | <p>Funding for supportive housing projects is available from the NPLH Noncompetitive and Competitive Allocations. The County will assign the noncompetitive allocation to selected housing developments.</p> <ul style="list-style-type: none"> • Competitive funds are made available pursuant State NOFAs. Each State NOFA specifies the amount of funding available. Sacramento County is considered a Large County for the purposes of Competitive Allocations. It is anticipated that State funding rounds will follow the second funding round which made approximately \$90.8 million available for Large Counties. • Sacramento County’s Noncompetitive Allocation is approximately \$5 million and has been fully committed in prior funding rounds.. |
| <p>Eligible Uses of NPLH Funds</p> | <p>State NPLH funds may be used to finance capital costs of NPLH units in Rental Housing Developments, including but not limited to, costs associated with the acquisition, design, construction, rehabilitation, or preservation of NPLH units. Program funds awarded shall not exceed the financing gap based on eligible costs associated with NPLH units.</p> <p>NPLH funds may be used to capitalize operating reserves to address operating deficits associated with NPLH units through a Capitalized Operating Subsidy Reserve (“COSR”). However, because the State’s scoring in the competitive process incentivizes other sources of operating subsidy, the County does not anticipate most NPLH developments will propose COSR. Rather, the County intends to</p> |

| | incentivize the use of local subsidies and will coordinate the timing of these funding processes to the extent possible. | | | | | | | | | | | | |
|----------------------------------|---|--|-------------------|---|---|---|---|---|--|---|--|---|--|
| Loan Terms | <p><u>State Loan Terms.</u> The Competitive and Noncompetitive Allocations awarded to projects of five or more units shall be provided as post-construction, permanent loans to the co-applicants underwritten and held by HCD as lender. These loans shall have an initial term of 55 years, or longer if necessary to match the period of affordability restrictions under the tax credit program, commencing on the date of recordation of the HCD NPLH regulatory agreement. Detailed loan terms are available in the State NPLH Program Guidelines.</p> <p>The County and/or SHRA will enter into agreements with the Developer to ensure performance under the State contracts.</p> | | | | | | | | | | | | |
| Local Application Process | <p>Sacramento County and SHRA will solicit project applications for NPLH funding including County Services and for Project Based Vouchers (PBVs) via two processes; the timing of the processes will be coordinated to the extent possible. Specific application deadlines and review milestones will be defined in each request process but will roughly adhere to the schedule below. To the extent possible, the local NPLH application process will align with the existing local gap financing schedule administered by SHRA.</p> <table border="1" data-bbox="656 919 1414 1608"> <thead> <tr> <th data-bbox="656 919 777 957"></th> <th data-bbox="777 919 1414 957">Milestones</th> </tr> </thead> <tbody> <tr> <td data-bbox="656 957 777 1140">A</td> <td data-bbox="777 957 1414 1140"> <ul style="list-style-type: none"> • NPLH Request to Partner (RTP) Released • PBV Request for Proposals (RFP) Released • SHRA Gap Financing Pre-application Due (City of Sacramento and Unincorporated County) </td> </tr> <tr> <td data-bbox="656 1140 777 1318">B</td> <td data-bbox="777 1140 1414 1318"> <ul style="list-style-type: none"> • NPLH Applications Due • PBV Applications Due • SHRA Gap Financing Full Application Due (City of Sacramento and Unincorporated County) </td> </tr> <tr> <td data-bbox="656 1318 777 1390">C</td> <td data-bbox="777 1318 1414 1390"> <ul style="list-style-type: none"> • NPLH Project Selection • PBV Allocation </td> </tr> <tr> <td data-bbox="656 1390 777 1535">D</td> <td data-bbox="777 1390 1414 1535"> <ul style="list-style-type: none"> • Board Approval of NPLH Project • Board Approval of PBVs • Local Jurisdictional Approval of Gap Financing </td> </tr> <tr> <td data-bbox="656 1535 777 1608">E</td> <td data-bbox="777 1535 1414 1608"> <ul style="list-style-type: none"> • State NPLH Application Due (Competitive Allocations) </td> </tr> </tbody> </table> <p>The County will use a single process to select developments for co-applications for both Competitive and Noncompetitive State NPLH allocations, except as noted. | <p>Application Threshold Requirements</p> | <p>All development applications must meet threshold requirements of Section 202 of NPLH Guidelines, including:</p> <p>(a) <u>Eligible Applicant</u>. The applicant must be a “development sponsor” as defined in State NPLH Guidelines.</p> <p>(b) <u>Eligible Use of Funds</u>. The Project’s use of the NPLH funds is eligible and comply with State NPLH Guidelines, Section 200.</p> <p>Proposed Projects involving new construction and requiring the demolition of existing residential units are eligible only if the number of bedrooms in the new Project is at least equal to the total number of bedrooms in the demolished structures.</p> <p>(c) <u>Target Population</u>. In addition, all developments must commit to the use of the two coordinated entry referral sources.</p> <p>Projects applying with at least 30 percent NPLH units (in projects of 20 or greater units) will score most competitively at the State level, however projects with less than 30 percent NPLH units will be considered according to the scoring guidelines listed in the Application Rating Criteria below. No more than 49 percent of units (in projects of 20 or greater units [see (i)1, below]), may be designated as NPLH units. Additionally, in large projects that would result in 50 or more NPLH units, the County may request that no more than 30 percent of the units be designated as NPLH units.</p> <p>In addition, to address the needs of the target populations, the County requests that the majority of units be studio or one-bedroom.</p> <p>Applicants are invited to consult with the County early in the application process if there are questions on the appropriate percentage or bedroom sizes.</p> <p>(d) <u>Financial Feasibility</u>. Developments must meet the Underwriting standards in Section 208 of NPLH Guidelines. Reasonableness of project costs will also be evaluated.</p> <p>If the project will be submitted as a hybrid tax credit project, the County will review project financials for the NPLH financed project as well as the project as whole to be submitted for tax credits.</p> <p>(e) <u>Adequate Resident Services</u>. The resident services plan and</p> |

(2) The lead service provider, which will be DBHS, shall have three or more years of experience serving persons who qualify as members of the Target Population. If this experience does not include experience serving persons in Permanent Supportive Housing, it must include experience helping persons address barriers to housing stability or providing other support services related to housing retention. (3) The property manager shall have three or more years' experience serving persons who qualify as members of the Target Population. <p>(h) <u>Site Control.</u> The Development Sponsor must have site control of the proposed Rental Housing Development consistent with the Uniform Multi-Family Housing Regulation (UMR), 25 CCR Section 8303 Site control must be in the name of the Sponsor or an entity controlled by the Sponsor. | <p>Application Rating Criteria</p> | <p>Applications shall be evaluated using the following criteria. Total available points shall equal 120.</p> <ul style="list-style-type: none"> (a) Development Team Experience – 5 points. Applications will be scored based on their development, ownership, and operation experience with supportive housing and the target population, above the minimum threshold. (b) Leverage of Development Funding –20 points maximum Applications will be scored based on the ratio of permanent development funding attributable to NPLH units from sources other than NPLH funding to the requested capital portion of the NPLH loan amount, not including any capitalized operating reserves, up to a maximum of 20 points. <ul style="list-style-type: none"> (1) Deferred developer fees and funds deposited in a reserve to defray operating deficits will not be counted in this computation. (2) Tax-exempt bond and low-income housing tax credits will be counted toward this calculation based on an estimate of syndication proceeds provided with the application. (3) Local contributions to developments, including local gap financing commitments. Land donations will be counted, where the value is established by a current appraisal, as set forth under TCAC requirements. (4) For Projects utilizing nine percent competitive low-income housing tax credits, 0.08 points will be awarded for each percentage point of leveraged funds. For example, an application proposing other development funds equal to 100 percent of the NPLH capital portion of the loan, will receive 8 points. An application where other funds equal 250 percent of the NPLH capital portion of the loan will receive 20 points. |

For other Projects, approximately 0.13 points will be awarded for each percentage point of leveraged funds. For example, an application proposing other development funds equal to 100 percent of the NPLH capital portion of the loan will receive 13 points, and an application where other funds equal 150 percent of the NPLH capital portion of the loan will receive 20 points.

(c) Leverage of Rental or Operating Subsidies– 35 points maximum

Developers are encouraged to submit proposals in response to local processes for project-based vouchers. Projects which applied for PBVs will be awarded 35 points in the local NPLH review process but final selection will be conditioned on the receipt of PBVs.

(d) Readiness to Proceed – 50 points maximum

Points will be awarded for each of the following categories as indicated below and as documented in the application. Any application demonstrating that a particular category is not applicable to Project readiness for the subject Project shall be awarded full points in that category.

- (1) Construction Financing. Obtaining enforceable commitments or other enforceable reservations of funds for all needed construction financing, not including tax-exempt bonds and low-income housing tax credits. The assistance will be deemed committed if it has been awarded to the Project or if HCD approves other evidence that the assistance will be reliably available. Contingencies in commitment documents based upon the receipt of tax-exempt bonds or low-income housing tax credits will not disqualify a source from being counted as committed. To receive credit for funds from other HCD programs, these funds must be awarded prior to finalizing the preliminary point scoring of the NPLH application. Projects utilizing nine percent low-income housing tax credits may receive up to five points for this rating factor. All other projects may receive 10 points for this rating factor.
- (2) Permanent Financing. Obtaining enforceable commitments or other enforceable reservations of funds for all deferred-payment permanent financing, grants, and subsidies, not including tax-exempt bonds and low-income housing tax credits, in accordance with TCAC requirements and with the same exceptions as allowed by TCAC. The assistance will be deemed committed if it has been awarded to the Project or if HCD approves other evidence that the assistance will be reliably available. Contingencies in commitment documents based upon the receipt of tax-exempt bonds or low-income housing tax credits will not

Frequently Asked Questions

(Generated by 2018 RTP)

1. Is housing that serves families whose head of household is NPLH eligible in line with the county's vision?
Answer: The NPLH criterion does not value one type of eligible household over another. However, the market study for the development will need to demonstrate sufficient demand for the proposed units and target population. Based on County experience, we would anticipate developments that propose to include family units should also include individual units, given the higher demand for individual units. Studios will be considered acceptable.
2. For the points – we are building a hybrid (4% and 9% credits) deal. Certain categories give different amounts of points based on type of credits uses. How do we navigate this considering we are using both?
Answer: If the developer is considering the project as one project with two funding sources, then the application would be for the project as a whole. If the development is considered two projects with two funding sources, there would be two applications.
3. Is the Application Rating Criteria point system only for the Competitive Applications?
Answer: It will be used for both the competitive and noncompetitive applications.
4. Do you require financial commitments for all soft debt sources identified at this stage in the application process? This question is for both competitive and noncompetitive applications.
Answer: Yes, to receive maximum points.
5. Is there a limit on how old the Phase I can be?
Answer: Please refer to SHRA's MF Lending and MRB Policies.
6. Who is the County of Sacramento competing against?
Answer: The County of Sacramento will be competing against other large counties with a population of 750,000+ (with the exception of the County of Los Angeles and counties with five percent or more of the State's homeless population who may be designated by HCD to administer their own NPLH allocation).
7. Which entitlements are needed in order to submit an application?
Answer: Entitlements are not required as part of the NPLH RTP allocation, however, entitlements are considered, along with other considerations, within the scoring factor "readiness to proceed".
8. Is the NPLH program tailored to small projects that are quick to build and therefore require less gap financing?
Answer: No.
9. Can a developer use Section 8 rents in the proforma?
Answer: Yes.
10. Will the County be providing services to the entire project?
Answer: No, the County will only be responsible for providing supportive services to the NPLH residents. The developer will be responsible for partnering with another service

provider for resident services for the entire project and supportive services, as needed, for the non-NPLH residents requiring supportive services.
