Disparate Impact*** ■ No Disparate Impact ***The SERA2 Program is utilizing the Centers for Disease Control and Prevention's (CDC) Social Vulnerability Index (SVI) which evaluates 15 social factors grouped by socioeconomic status, household composition and disability, minority status

and language, and housing type and transportation to calculate the social vulnerability score to identify communities

SERA2 Spotlight

disproportionately impacted by COVID-19.

Thank you so much, this is the best news I have received all year. This program is such a blessing and y'all have truly saved my family. I am forever grateful, thank you so much and have a blessed one 💚 💚 -Kelsey(Tenant)
