and language, and housing type and transportation to calculate the social vulnerability score to identify communities

***The SERA2 Program is utilizing the Centers for Disease Control and Prevention's (CDC) Social Vulnerability Index (SVI)

which evaluates 15 social factors grouped by socioeconomic status, household composition and disability, minority status

SERA2 Spotlight

disproportionately impacted by COVID-19.

I just wanted to say thank you so much for helping me. This has been more than a blessing. I didn't know my SMUD bill was going to be paid as well. Such a great relief. Thank you again for doing so much for myself and others. Enjoy the rest of your day. - Schanette (Tenant)
