Exits Defined

Program-Exit:

Exit based on noncompliance of program rules.

Self-Exit:

Exit based on the guest leaving the program of their own choice.

Housed-Exit:

Exit based on the guest leaving the program to Permanent, Transitional, Temporary Housing or to an Institution.

The counts in the Program Total may fluctuate without proper accounting from the monthly total. This is due to the delay in the verification of a guest's move out address and/or exit interview. The type of exit does not dictate the destination.

Housing Terms Defined

Permanent Housing:

The guest must be the tenant on a lease (or sublease) for an initial term of at least one year that is renewable and is terminable only for cause.

Temporary Housing:

The guest declares they are living on a temporary basis with family or friends.

Transitional Housing:

The guest lives in housing for a defined time period and may include supportive services.

Institution:

The guest lives in:

- Foster Care Home or Foster Care Group Home
- Psychiatric Hospital or other Psychiatric Facility
- Substance Abuse Treatment Facility or Detox Center
- Hospital or Residential Non-Psychiatric Medical Facility
- Jail, Prison or Juvenile Detention Facility
- Residential Project or Halfway House with no homeless criteria
- Long-term Care Facility or Nursing Home

The Program Total counts may increase without proper accounting from the prior monthly totals. This is due to the delay in the verification of a guest's move out address and/or exit interview. Without a verified address the guest cannot be categorized in any of the housed options. When an address is verified, the update is recorded on the next report in the appropriate housing Program Total section.
