***The SERA2 Program is utilizing the Centers for Disease Control and Prevention's (CDC) Social Vulnerability Index (SVI) which evaluates 15 social factors grouped by socioeconomic status, household composition and disability, minority status and language, and housing type and transportation to calculate the social vulnerability score to identify communities disproportionately impacted by COVID-19.

SERA Spotlight

I just wanted to say thank you so much the payment that was made for the past due rent...Payment was dispersed and I'm just really really grateful I appreciate everything that the program has done for me in the last year. I just wanted to say thank you...thank everybody at the SERA program thank you so much. ~ Tenant
