Chronic Homeless:

Guest self-report their status as Chronic Homeless at time of intake.

Meals and Bed Nights (PYTD):

The counts may not add up consecutively across all reports if the on-site service provider is unable to meet the report cut off times or if after their review corrections were made. The on-site service provider may enter missed data entries after the report cutoff times, which can be accounted for in the next weekly report's PYTD section.

Weekly Service Summary

Each Service Category is comprised of a multitude of services that are available to the Guests. A Guest may receive multiple services recorded under one category based on their need. The total count of possible Guests will reflect the fluctuation of all Guests throughout the time frame captured, which may surpass the end of week "in-house count".

Weekly Workshops

The total count of possible Guests will reflect the fluctuation of all Guests throughout the time frame captured, which may surpass the end of week "in-house count".
