## Chronic Homeless Terms Defined

Chronically Homeless requires that the individual must have been living in the described below categories continuously for at least 12 months, or on at least four separate occasions in the last three years, where the combined occasions total a length of time of at least 12 months:

- People who are living in a place not meant for human habitation, in an emergency shelter, in transitional housing, or are exiting an institution where they temporarily resided.
- People who are losing their primary nighttime residence, which may include a motel or hotel or a doubled up situation, within 14 days and lack resources or support networks to remain in housing.
- Families with children or unaccompanied youth who are unstably housed and likely to continue in that state.
- People who are fleeing or attempting to flee domestic violence, have no other residence, and lack the resources or support networks to obtain other permanent housing.

The guest self-declares their status as Chronic Homeless at time of intake and is subject to change if new information from the Guest negates the status.

What is the best thing that  
happened to you this week?

*"My kids are the best thing that  
happens to me  
everyday. Also I move into my place  
this week."*
