Chronically Homeless requires that the individual must have been living in the described below categories continuously for at least 12 months, or on at least four separate occasions in the last three years, where the combined occasions total a length of time of at least 12 months:

- People who are living in a place not meant for human habitation, in an emergency shelter, in transitional housing, or are exiting an institution where they temporarily resided.
- People who are losing their primary nighttime residence, which may include a motel or hotel or a doubled up situation, within 14 days and lack resources or support networks to remain in housing.
- Families with children or unaccompanied youth who are unstably housed and likely to continue in that state.
- People who are fleeing or attempting to flee domestic violence, have no other residence, and lack the resources or support networks to obtain other permanent housing.

The guest self-declares their status as Chronic Homeless at time of intake and is subject to change if new information from the Guest negates the status.

### Housing Terms Defined

#### **Permanent Housing:**

The guest must be the tenant on a lease (or sublease) for an initial term of at least one year that is renewable and is terminable only for cause.

#### **Temporary Housing:**

The guest declares they are living on a temporary basis with family or friends.

#### **Transitional Housing:**

The guest lives in housing for a defined time period and may include supportive services.

#### **Institution:**

- Substance Abuse Treatment Facility or Detox Center
- Hospital or Residential Non-Psychiatric Medical Facility
- Jail, Prison or Juvenile Detention Facility
- Residential Project or Halfway House with no homeless criteria
- Long-term Care Facility or Nursing Home

*The Program Total counts may increase without proper accounting from the prior monthly totals. This is due to the delay in the verification of a guest's move out address and/or exit interview. Without a verified address the guest cannot be categorized in any of the housed options. When an address is verified, the update is recorded on the next report in the appropriate housing Program Total section.*

### **Housed-Exit:**

*The counts in the Program Total may fluctuate without proper accounting from the monthly total. This is due to the delay in the verification of a guest's move out address and/or exit interview. The type of exit does not dictate the destination.*
