## Meals and Bed Nights:

Each week the on-site service provider reviews data and makes corrections. These corrections can only be reflected on the next report in the PYTD total.

# Bi-Weekly Service Summary

Each Service Category is comprised of a multitude of services that are available to the Guests. A Guest may receive multiple services recorded under one category based on their need. The total count of possible Guests will reflect the fluctuation of all Guests throughout the time frame captured, which may surpass the end of week "in-house count".

# Bi-Weekly Workshops

The total count of possible Guests will reflect the fluctuation of all Guests throughout the time frame captured, which may surpass the end of week "in-house count".
