NOTICE OF PUBLIC MEETING
REGARDING

PROPOSED UNITED STATES ENVIRONMENTAL PROTECTION AGENCY (EPA) CLEANUP GRANT FOR 1451 SPROULE AVE. SACRAMENTO, CA 95811

The Sacramento Housing and Redevelopment Agency (SHRA) has prepared a draft application for a United States Environmental Protection Agency (EPA) Office of Brownfields and Land Revitalization Cleanup Grant to remediate contaminants at the Sproule Avenue Residential Site (1451 Sproule Avenue) to facilitate sustainable reuse and development of the Site into affordable senior housing.

A copy of the draft grant application and the Analysis of Brownfields Cleanup Alternatives (ABCA) is available for public review on SHRA's website under Public Notices at https://www.shra.org/public-notices-and-postings/

The public may provide comment until January 12th on the draft application and/or ABCA in the following ways:
1) by attending the public meeting described below.
2) by completing this online feedback form https://forms.gle/BNZMbZKNd6W2Lf6B8.
3) by submitting written comments to SHRA attention Vickie Smith, 801 12th Street, Sacramento CA 95814.

SHRA will be holding a public meeting to gather feedback, take comments and answer questions regarding these documents. The meeting will be held:
January 12, 2026 at 5:30pm

Mirasol Village Resource Center
1200 Richards Blvd.
Sacramento, CA 95811

The facility is fully accessible to the public. Translation services and other accommodations are available upon request. Please contact Vickie Smith, SHRA Senior Management Analyst at vsmith@shra.org for assistance or with any questions.
